39 | pesticide. The registration of each brand of pesticide shall

82 ~~department for testing pesticides for food safety.~~

83 (e) ~~(f)~~ If the renewal of a brand of pesticide, including
84 the special local need label and experimental use permit, is not
85 filed by January 31 of the renewal year, an additional fee of
86 \$25 per brand of pesticide shall be assessed per month and added
87 to the original fee. This additional fee may not exceed \$250 per
88 brand of pesticide. The additional fee must be paid by the
89 registrant before the renewal certificate for the registration
90 of the brand of pesticide is issued. The additional fee shall be
91 deposited into the General Inspection Trust Fund.

100 the revised labeling along with a cover letter detailing such
101 revisions before the sale or distribution in this state of the
102 product brand with the revised labeling. If the labeling
103 revisions require notification of an amendment review by the
104 United States Environmental Protection Agency, the registrant

105 shall submit an additional copy of the labeling marked to
106 identify those revisions.

107 (i)~~(j)~~ Effective January 1, 2013, all payments of any
108 pesticide registration fees, including ~~supplemental fees and~~
109 late fees, shall be submitted electronically using the
110 department's Internet website for registration of pesticide
111 product brands.

112 (2) The department shall adopt rules governing the
113 procedures for the registration of a brand of pesticide and, for
114 the review of data submitted by an applicant for registration of
115 the brand of pesticide, ~~and for biennially publishing the list~~
116 ~~of active ingredients for which a brand of pesticide is subject~~
117 ~~to the supplemental registration fee pursuant to subparagraph~~
118 ~~(1)(d)1~~. The department shall determine whether the brand of
119 pesticide should be registered, registered with conditions, or
120 tested under field conditions in this state. The department
121 shall determine whether each request for registration of a brand
122 of pesticide meets the requirements of current state and federal
123 law. The department, whenever it deems it necessary in the
124 administration of this part, may require the manufacturer or
125 registrant to submit the complete formula, quantities shipped
126 into or manufactured in the state for distribution and sale,
127 evidence of the efficacy and the safety of any pesticide, and
128 other relevant data. The department may review and evaluate a
129 registered pesticide if new information is made available that
130 indicates that use of the pesticide has caused an unreasonable

131 | adverse effect on public health or the environment. Such review
132 | shall be conducted upon the request of the State Surgeon General
133 | in the event of an unreasonable adverse effect on public health
134 | or the Secretary of Environmental Protection in the event of an
135 | unreasonable adverse effect on the environment. Such review may
136 | result in modifications, revocation, cancellation, or suspension
137 | of the registration of a brand of pesticide. The department, for
138 | reasons of adulteration, misbranding, or other good cause, may
139 | refuse or revoke the registration of the brand of any pesticide
140 | after notice to the applicant or registrant giving the reason
141 | for the decision. The applicant may then request a hearing,
142 | pursuant to chapter 120, on the intention of the department to
143 | refuse or revoke registration, and, upon his or her failure to
144 | do so, the refusal or revocation shall become final without
145 | further procedure. The registration of a brand of pesticide may
146 | not be construed as a defense for the commission of any offense
147 | prohibited under this part.
