

ADOPTED

Senator Brass of the 28th offered the following amendment:

Amend the Senate Committee on Government Oversight substitute to SB 19 (LC 44 2271S) by replacing lines 33 through 40 with the following:

(ii) The county governing authority shall pay a passport fee salary supplement to the clerk under this subdivision. During a calendar year, the amount of such supplement shall be the first \$7,500.00 of such passport fees as disclosed in the report required by division (i) of this subparagraph, or such other amount as may be established by local Act of the General Assembly or by written agreement of the county governing authority and the clerk. Such payments shall be made in monthly installments until the amount of the passport fee supplement has been paid. If the amount of passport fees has been collected in a calendar year which is less than the passport fee supplement amount, the county shall not be obligated to pay to the clerk the difference between the amount collected and passport fee supplement amount.
