

House Bill 24

By: Representatives Scott of the 76th, Schofield of the 63rd, and Davis of the 87th

A BILL TO BE ENTITLED

AN ACT

1 To amend Article 2 of Chapter 1 of Title 37 of the Official Code of Georgia Annotated,
2 relating to the powers and duties of the Department of Behavioral Health and Developmental
3 Disabilities regarding the governing and regulation of mental health, so as to establish a
4 school-linked behavioral health grant program; to provide a definition; to provide criteria for
5 determining eligible applicants; to provide for allowable activities and related expenses; to
6 provide for data collection and outcome measurement; to provide for related matters; to
7 provide for a short title; to repeal conflicting laws; and for other purposes.

8 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

9 **SECTION 1.**

10 This Act shall be known and may be cited as the "School Behavioral Health Support Act."

11 **SECTION 2.**

12 Article 2 of Chapter 1 of Title 37 of the Official Code of Georgia Annotated, relating to the
13 powers and duties of the Department of Behavioral Health and Developmental Disabilities
14 regarding the governing and regulation of mental health, is amended by adding a new Code
15 section to read as follows:

H. B. 24

16 "37-1-30.

17 (a) As used in this Code section, the term 'mental health or substance use disorder' means
18 a mental illness or addictive disease.

19 (b) Subject to available appropriations or other funding, the department shall establish a
20 school-linked behavioral health grant program to provide early identification of and
21 intervention for students with mental health or substance use disorder needs and to build
22 the capacity of K-12 schools to support students with mental health or substance use
23 disorder needs in the classroom.

24 (c) An eligible applicant for a school-linked behavioral health grant is an entity or provider
25 that is:

26 (1) A community service board;

27 (2) A community mental health center;

28 (3) A licensed healthcare provider who primarily provides treatment or diagnosis of
29 mental health or substance use disorders; and

30 (4) A Medicaid provider that employs licensed healthcare providers who provide
31 treatment or diagnosis of mental health or substance use disorders to children and
32 families.

33 (d) Allowable grant activities and related expenses may include but shall not be limited
34 to:

35 (1) Identifying and diagnosing mental health or substance use disorders of students;

36 (2) Delivering mental health or substance use disorder treatment and services to students
37 and their families, including via telehealth;

38 (3) Supporting families in meeting their children's needs, including navigating
39 healthcare, social services, and the juvenile justice system;

40 (4) Providing transportation for students receiving school-linked behavioral health
41 services when school is not in session;

- 42 (5) Building the capacity of schools to meet the needs of students with mental health or
43 substance use disorder concerns, including school staff development activities for
44 licensed and nonlicensed staff; and
- 45 (6) Equipment purchases, connection charges, on-site coordination, set-up fees, and site
46 fees associated with delivering school-linked behavioral health services via telehealth.
- 47 (e) Grantees shall obtain all available third-party reimbursement sources as a condition of
48 receiving a school-linked behavioral health grant. For purposes of this grant program, a
49 third-party reimbursement source excludes a local school system. Grantees shall serve
50 students regardless of health coverage status or ability to pay.
- 51 (f) Grantees shall collect and provide data to the department for the purpose of evaluating
52 the effectiveness of the school-linked behavioral health grant program."

53

SECTION 3.

54 All laws and parts of laws in conflict with this Act are repealed.
