30 Facilities Authority Act."

31 **SECTION 2.**

32 City of Doraville Building and Public Facilities Authority.

33 There is created a public body corporate and politic to be known as the City of Doraville  
34 Building and Public Facilities Authority, which shall be an instrumentality and a public  
35 corporation of the State of Georgia, the purpose of which shall be to acquire, construct,  
36 equip, maintain, and operate certain projects for use by the City of Doraville for its  
37 governmental, proprietary, public, and administrative functions. The authority shall not be  
38 a state institution or a department or agency of the state, but shall be an instrumentality of the  
39 state, a mere creation of the state, being a distinct corporate entity and exempt from the  
40 provisions of Article 2 of Chapter 17 of Title 50 of the O.C.G.A., the "Georgia State

41 Financing and Investment Commission Act." The authority shall have its principal office in  
42 the City of Doraville, and its legal situs or residence for the purposes of this Act shall be the  
43 City of Doraville.

44 **SECTION 3.**

45 **Membership.**

46 The authority shall consist of five members who shall be eligible to succeed themselves and  
47 who shall be appointed by the City Council of the City of Doraville. No more than two  
48 members of the authority may be members of said city council. Any member of the authority  
49 who is a member of said city council shall serve for a term of office concurrent with such  
50 person's term of office as a member of said city council. Each member of the authority who  
51 is not a member of said city council shall serve for a term of office of three years, except that  
52 the initial terms of office of those members first appointed to the authority shall be specified  
53 at the time of appointment to be one, two, and, if no such member is a member of the city  
54 council, three years. After such initial terms, those members who are not members of said

56 shall serve for the terms of office so specified and until the appointment and qualification of  
57 their respective successors. Vacancies on the authority shall be filled by said city council for  
58 the remainder of the unexpired term and until the appointment and qualification of a  
59 successor. Immediately after their appointment, the members of the authority shall enter  
60 upon their duties. The authority shall elect one of its members as chairperson and one as vice  
61 chairperson. The secretary-treasurer of the authority shall be appointed by the authority and  
62 need not be a member of the authority. Two members of the authority shall constitute a  
63 quorum and no vacancy on the authority shall impair the right of the quorum to exercise all  
64 the rights and perform all the duties of the authority and, in every instance, a majority vote  
65 of a quorum shall authorize any legal act of the authority, including all things necessary to

66 authorize and issue revenue bonds. The members of the authority shall receive no  
67 compensation for their services but may be reimbursed by the authority for the actual  
68 expenses necessarily incurred in the performance of their duties. The authority shall make  
69 rules and regulations for its own government and shall have perpetual existence.

70 **SECTION 4.**

139 any provisions not in conflict with law, which trust agreement, indenture, or security  
140 agreement may provide for foreclosure or forced sale of any property of the authority

152 bonds may be issued in whole or in part in nonnegotiable fully registered form without  
153 coupons, payable to a designated payee or to the registered assigns of the payee with such  
154 conversion privileges as the authority may provide, for the purpose of paying all or any  
155 part of the cost associated with the projects authorized by the authority, including the cost  
156 of constructing, reconstructing, equipping, extending, adding to, or improving such  
157 projects or for the purpose of refunding, as provided in this Act, any such bonds of the  
158 authority theretofore issued. If the proceeds of the bonds of any issue shall exceed the  
159 amount required for the purpose for which such bonds were issued, the surplus shall be  
160 paid into the fund provided for the payment of principal and interest on such bonds. All  
161 such revenue bonds shall be issued and validated under and in accordance with the  
162 procedures of Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the Revenue Bond  
163 Law, and in accordance with all terms and provisions thereof not in conflict with this Act,  
164 and in accordance with Code Section 50-17-1 of the O.C.G.A., relating to use of  
165 facsimile signatures on public securities, and, as security for the payment of any revenue  
166 bonds so authorized, any rents and revenue of the authority may be pledged and assigned.  
167 Such bonds shall be declared to be issued for an essential public and governmental

168 purpose, and such bonds and all income therefrom shall be exempt from all taxation  
169 within the State of Georgia. For the purpose of the exemption from taxation of such  
170 bonds and the income therefrom, the authority shall be deemed to be a political  
171 subdivision of the State of Georgia.

172 **SECTION 6.**

173 Credit not pledged and debt not created by bonds.

174 Revenue bonds issued under the provisions of this Act shall not constitute a debt or a pledge  
175 of the faith and credit of the State of Georgia or the City of Doraville, but such bonds shall  
176 be payable from the rentals, revenue, earnings, and funds of the authority as provided in the  
177 resolution or trust agreement or indenture authorizing the issuance and securing the payment  
178 of such bonds. The issuance of such bonds shall not directly, indirectly, or contingently  
179 obligate the state or said city to levy or pledge any form of taxation for the payment thereof.  
180 No holder of any bond or receiver or trustee in connection therewith shall have the right to  
181 enforce the payment thereof against any property of the state or of said city, nor shall any  
182 such bond constitute a charge, lien, or encumbrance, legal or equitable, upon any such  
183 property. All such bonds shall contain on their face a recital setting forth substantially the  
184 foregoing provisions of this section.

185 **SECTION 7.**

186 Trust agreement.

187 In the discretion of the authority, any issue of revenue bonds may be secured by an  
188 agreement or indenture made by the authority with a corporate trustee, which may be any  
189 trust company or bank having the powers of a trust company within or without the State of  
190 Georgia. Such trust agreement or indenture may pledge and assign rents, fees, charges,

191 revenues, and earnings to be received by the authority. The resolution providing for the  
192 issuance of revenue bonds and such trust agreement or indenture may contain provisions for  
193 protecting and enforcing the rights and remedies of the bondholders, including the right of  
194 appointment of a receiver upon default of the payment of any principal or interest obligation  
195 and the right of any receiver or trustee to enforce collection of any rents, fees, charges, or  
196 revenues for use of the project or projects necessary to pay all costs of operation and all  
197 reserves provided for, all principal and interest on all bonds of the issue, all costs of  
198 collection, and all other costs reasonably necessary to accomplish the collection of such sums  
199 in the event of any default of the authority. Such resolution and such trust agreement or  
200 indenture may include covenants setting forth the duties of the authority in relation to the  
201 acquisition of property for and the construction of the project and to the custody,  
202 safeguarding, and application of all funds and covenants providing for the operation,  
203 maintenance, repair, and insurance of the project or projects and may contain provisions  
204 concerning the conditions, if any, upon which additional revenue bonds may be issued. Such  
205 trust agreement or indenture may set forth the rights and remedies of the bondholders and of  
206 the trustee and may restrict the individual right of action of bondholders as is customary in  
207 securing bonds and debentures of corporations and may contain such other provisions as the  
208 authority may deem reasonable and proper for the security of the bondholders. All expenses  
209 incurred in carrying out such trust may be treated as a part of the cost of maintenance,  
210 operation, and repair of the project affected by such trust.

211 **SECTION 8.**

212 Refunding bonds.

213 The authority is authorized to provide by resolution for the issuance of revenue bonds of the  
214 authority for the purpose of calling, refunding, or refinancing any revenue bonds issued  
215 under the provisions of this Act and then outstanding and to include in the amount of such

216 refunding bonds all interest and any call premiums that may be required for the redemption  
217 and refunding of such outstanding bonds.

218 **SECTION 9.**

219 Venue of actions, jurisdiction.

220 Any action to protect or enforce any rights under the provisions of this Act or any action  
221 against the authority brought in the courts of the State of Georgia shall be brought in the  
222 Superior Court of DeKalb County, Georgia, and any action pertaining to validation of any  
223 bonds issued under the provisions of this Act shall be brought in said court, which shall have  
224 exclusive, original jurisdiction of such actions.

225 **SECTION 10.**

226 Revenue bond validation.

227 The petition for validation of all revenue bonds of the authority shall be brought against the  
228 authority, and any contracting party whose obligation is pledged as security for the payment  
229 of the bonds sought to be validated, as defendants, and the defendants shall be required to  
230 show cause, if any exists, why such contract or contracts and the terms and conditions thereof  
231 shall not be adjudicated to be in all respects valid and binding upon such contracting parties.  
232 It shall be incumbent upon such defendants to defend against adjudication of the validity and  
233 binding effect of such contract or contracts or be forever bound thereby. Notice of such  
234 proceedings shall be included in the notice of the validation hearing required to be issued and  
235 published by the clerk of the Superior Court of DeKalb County in which court such  
236 validation proceedings shall be initiated.

237

**SECTION 11.**

238

Interest of bondholders protected.

239

240

241

242

243

244

While any of the bonds issued by the authority remain outstanding, the powers, duties, or existence of the authority or of its officers, employees, or agents shall not be diminished, impaired, or affected in any manner that will affect adversely the interest and rights of the holders of such bonds. The provisions of this Act shall be for the benefit of the authority and the holders of any such bonds and, upon the issuance of bonds under the provisions of this Act, shall constitute a contract with the holders of such bonds.

245

**SECTION 12.**

Such rents, fees, or charges to be paid for the use of such project or projects shall be so fixed and adjusted so as to provide a fund sufficient with other revenue, if any, of such project or projects or of the authority:

263 relating to the issuance of or security for such bonds to the payment of which such rent  
264 is pledged;
- 265 (5) To accumulate any excess income which may be required by the purchasers of such  
266 bonds or may be dictated by the requirements of such resolution or trust agreement or  
267 indenture, or which may be required for achieving ready marketability of and low interest  
268 rates on such bonds; and
- 269 (6) To pay any expenses in connection with such bond issue or of such project,  
270 including, but not limited to, trustees', attorney's, and fiscal agents' fees.
- 271 (b) Such rent shall be payable at such intervals as may be agreed upon and set forth in the  
272 rental contract or lease providing therefor, and any such contract or lease may provide for the  
273 commencement of rent payments to the authority prior to the completion of the project by  
274 the authority and may provide for the payment of rent during such times as such project may  
275 be partially or wholly untenable.
- 276 (c) Such rental contract or lease may obligate the tenants or lessees to operate, maintain, and  
277 keep in good repair, including complete reconstruction, if necessary, the rented or leased  
278 premises and projects, regardless of the cause of the necessity of such maintenance, repair,  
279 or reconstruction.
- 280 (d) Such rental contract or lease may obligate the tenants or lessees to indemnify and save  
281 harmless the authority from any and all damage to persons and property occurring on or by  
282 reason of the leased property or improvements thereon and to undertake, at the expense of  
283 the tenants or lessees, the defense of any action brought against the authority by reason of  
284 injury or damages to persons or property occurring on or by reason of the leased premises.
- 285 (e) In the event of any failure or refusal on the part of the tenants or lessees to perform  
286 punctually any covenant or obligation contained in any such rental contract or lease, the

287 authority may enforce performance by any legal or equitable process against the tenants or  
288 lessees.

289 (f) The authority shall be permitted to assign any rent payable to it, pursuant to such rental  
290 contract or lease, to a trustee or paying agent as may be required by the terms of the  
291 resolution or trust agreement or indenture relating to the issuance of and security for such  
292 bonds.

293 (g) The use and disposition of the authority's revenue shall be subject to the provisions of  
294 the resolution authorizing the issuance of such bonds or of the trust agreement or indenture,  
295 if any, securing the same.

296 **SECTION 13.**

297 Sinking fund.

298 The revenue, rents, and earnings derived from any particular project or projects and any and  
299 all revenue, rents, and earnings received by the authority, regardless of whether such  
300 revenue, rents, and earnings were produced by a particular project for which bonds have been  
301 issued, unless otherwise pledged, may be pledged by the authority to payment of the  
302 principal of and interest on revenue bonds of the authority as may be provided in any  
303 resolution authorizing the issuance of such bonds or in any trust instrument pertaining to such  
304 bonds, and such funds so pledged, from whatever source received, may include funds  
305 received from one or more or all sources and may be set aside at regular intervals into  
306 sinking funds for which provision may be made in any such resolution or trust instrument  
307 and which may be pledged to and charged with the payment of the interest upon such  
308 revenue bonds as such interest shall become due, the principal of the bonds as the same shall  
309 mature, the necessary charges of any trustee or paying agent for paying such principal and  
310 interest, and any premium upon bonds retired by call or purchase, and the use and disposition  
311 of any sinking fund may be subject to such regulation as may be provided for in the

326 The authority shall have the same immunity and exemption from liability for torts and  
327 negligence as the City of Doraville, and the officers, agents, and employees of the authority,  
328 when in performance of work of the authority, shall have the same immunity and exemption  
329 from liability for torts and negligence as officers, agents, and employees of the City of

338 from the sale of revenue bonds or as revenue, rents, fees, charges, or other earnings or as  
339 grants, gifts, or other contributions, shall be deemed to be trust funds to be held and applied
