 109 setting with:

110 (A) Deceptive or misleading terms or false representations; or

111 (B) Any medical or medical specialty titles, unless such health care practitioner is a
 112 physician licensed pursuant to Article 2 of Chapter 34 of this title.

113 (e)(1) A health care practitioner providing services in this state in a health care practice
 114 or facility shall conspicuously post and affirmatively communicate the practitioner's
 115 specific licensure to all current and prospective patients as follows:

116 (A)(i) The health care practitioner shall wear an identifier during all patient
 117 encounters that shall include:

118 (I) The health care practitioner's name; and

119 (II) The type of license or educational degree the health care practitioner holds.

120 (ii) The identifier shall be of sufficient size and be worn in a conspicuous manner so
 121 as to be visible and apparent. A lab coat or similar distinguishing clothing or uniform

122 indicating the practitioner's specific licensure may be considered an identifier if such
123 clothing or uniform meets the requirements of division (i) of this subparagraph.

124 (iii) An identifier shall not be required in an operating room or other setting where
125 surgical or other invasive procedures are performed or in any other setting where
126 maintaining a sterile environment is medically necessary.

127 (iv) An identifier shall not be required in any mental health setting where it would
128 impede the psychotherapeutic relationship.

129 (v) If a safety or health risk to the health care practitioner or a patient would be
130 created as a result of the practitioner wearing such identifier in a specified practice
131 setting, an identifier shall not be required or may be modified by omitting or
132 concealing the last name of the practitioner in accordance with the requirements of
133 the health care practice or facility; and

134 (B) A health care practitioner in a health care practice or facility other than a hospital
135 shall display in the reception area of such practice or facility a notice that clearly
136 identifies the type of health care practitioners employed in such practice or facility and
137 the right of a patient to inquire as to the type of license of the health care practitioner
138 treating such patient. The notice shall be of sufficient size so as to be visible and
139 apparent to all current and prospective patients.

140 (2) A health care practitioner who practices in more than one office shall place the
141 identifier information conspicuously on such practitioner's website if he or she maintains
142 a website.

144 have any direct patient care interactions shall not be subject to the provisions of this
145 subsection.

146 (4) A health care practice or facility which requires, as of the effective date of this Code
147 section, its health care practitioners to wear an identification badge shall not be required

148 to replace such badges to conform to the requirements of subparagraph (A) of
149 paragraph (1) of this subsection.

150 (5) Except as otherwise provided by paragraph (6) of this subsection, this subsection
151 shall only apply to health care practices and facilities where more than one type of health
152 care practitioner interacts with patients in exam settings. This subsection shall not apply
153 to health care practices or facilities in which only one type of health care practitioner
154 practices.

155 (6) This subsection shall only apply to a dentist if such dentist is practicing in a hospital.
156 This subsection shall only apply to a chiropractor or optometrist if such chiropractor or
157 optometrist is practicing in a hospital, nursing home, assisted living community, or
158 personal care home.

159 (f) A health care practitioner who intentionally violates any provision of this Code section
160 may be subject to disciplinary action by the health care practitioner's professional licensing
161 board. Notwithstanding the imposition of any sanction, the health care practitioner's
162 professional licensing board may seek an injunction or other legal means as appropriate
163 against such health care practitioner violating this Code section.

164 (g) A violation of this Code section shall not constitute a private cause of action."

165 **SECTION 3.**

166 All laws and parts of laws in conflict with this Act are repealed.
