11 The General Assembly finds that:

12 (1) Current Georgian literacy rates are not where they need to be to support the workforce  
13 needs of our growing economy, and it has been many years since there has been a  
14 systematic study of Georgia's efforts to support student and adult literacy efforts;

15 (2) A comprehensive study of all state resources and activities that are funded to support  
16 improved literacy outcomes is needed. This study should also set recommended priorities  
17 for future investments and strategies; and

18 (3) Georgia must have a very specific goal that sets clearly defined measures for third,  
19 fifth, and eighth grade reading outcomes.
