As used in this Act, the term:

- (1) "Authority" shall mean the Lawrenceville Building Authority created in Section 2 of this Act.
- (2) "Cost of the project" shall include the cost of construction, the cost of all lands, properties, rights, easements, and franchises acquired, the cost of buildings, improvements, materials, labor, and services contracted for, the cost of all machinery and equipment, financing charges, interest prior to and during construction and for one year after the completion of construction, engineering, architectural, fiscal, accounting, inspection, and legal expenses, cost of plans and specifications, and other expenses necessary or incident to determining the feasibility or practicability of the project, administrative expenses, and such other expenses as may be necessary or incident to the financing herein authorized, the acquisition, construction, renovation, reconstruction, or

remodeling of any project, the placing of the same in operation, and the condemnation of property necessary for such construction and operation. Any obligation or expense incurred for any of the foregoing purposes shall be regarded as a part of the cost of the project and may be paid or reimbursed as such out of any funds of the authority, including proceeds of any revenue bonds issued under the provisions of this Act for any such project or projects and the proceeds of the sale of any contracts, lease agreements, or installment sale agreements or the amounts payable thereunder, either directly or by the creation of interests therein.

(3) "Project" shall mean and include real and personal property, including buildings and related facilities and equipment, which are necessary or convenient for the efficient operation of the City of Lawrenceville, Georgia. Any project shall be deemed self-liquidating if, in the judgment of the authority, the revenues and earnings to be derived by the authority therefrom and all properties used, leased, and sold in connection therewith will be sufficient to pay the cost of operating, maintaining, and repairing the project and to pay the principal of and interest on the revenue bonds which may be issued to finance, in whole or in part, the cost of such project or projects.

(4) "Revenue bonds" shall mean revenue bonds issued by the authority pursuant to the terms of this Act and Article 3 of Chapter 82 of Title 36 of the Official Code of Georgia Annotated, the "Revenue Bond Law."

#### **SECTION 6.**

The authority shall have power and is hereby authorized from time to time to provide by resolution for the issuance of negotiable revenue bonds in the manner provided by Article 3 of Chapter 82 of Title 36 of the Official Code of Georgia Annotated, the "Revenue Bond Law," for the purpose of paying all or any part of the cost of any one or more projects, including the cost of constructing, reconstructing, equipping, extending, adding to, or improving any such project, or for the purpose of refunding, as herein provided, any such bonds of the authority previously issued. The principal of and interest on such revenue bonds shall be payable solely from such part of the revenues and earnings of such project or projects as may be designated in the resolution of the authority authorizing the issuance of such revenue bonds. The revenue bonds of each issue shall be issued and validated under and in accordance with the provisions of Article 3 of Chapter 82 of Title 36 of the Official Code of Georgia Annotated, the "Revenue Bond Law."

#### **SECTION 7.**

All revenue bonds issued under the provisions of this Act shall have and are hereby declared to have all the qualities and incidents of negotiable instruments under the negotiable

instruments law of this state. Such bonds are declared to be issued for an essential public and governmental purpose, and such bonds and the income thereof shall be exempt from all taxation within this state.

#### **SECTION 8.**

Revenue bonds issued under the provisions of this Act shall not constitute a debt or a pledge of the faith and credit of the State of Georgia or of the City of Lawrenceville, Georgia, but such bonds shall be payable solely from such part of the revenues and earnings of such project or projects as may be designated in the resolution of the authority authorizing the issuance of such bonds. The issuance of such revenue bonds shall not directly, indirectly, or contingently obligate the State of Georgia or the City of Lawrenceville, Georgia, to levy or to pledge any form of taxation whatever for the payment thereof. No holder of any bond or receiver or trustee in connection therewith shall have the right to enforce the payment thereof against any property of the State of Georgia or the City of Lawrenceville, Georgia, nor shall any such bond constitute a charge, lien, or encumbrance, legal or equitable, upon any such property. All such bonds shall contain on their face a recital setting forth substantially the foregoing provisions of this section. The City of Lawrenceville, Georgia, however, may obligate itself to pay the amounts required under any contract entered into with the authority from funds received from taxes to be levied and collected for that purpose to the extent necessary to pay the obligations contractually incurred with the authority, and from any other source; and the obligation to make such payments shall constitute a general obligation and a pledge of the full faith and credit of the City of Lawrenceville, Georgia, but shall not constitute a debt of the City of Lawrenceville, Georgia, within the meaning of the Constitution of the State of Georgia, Article IX, Section V, Paragraph I; and when the City of Lawrenceville, Georgia, contracts with the authority to make such payments from taxes to be levied for that purpose, then the obligation shall be mandatory to levy and collect such taxes from year to year in an amount sufficient to fulfill and fully comply with the terms of such contract.

#### **SECTION 9.**

In the discretion of the authority, any issue of such revenue bonds may be secured by a trust indenture by and between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or outside of the State of Georgia. Such trust indenture may pledge or assign fees, tolls, rents, revenues, and earnings to be received by the authority, including the proceeds derived from the sale or lease, from time to time, of any project. Either the resolution providing for the issuance of revenue bonds or such trust indenture may contain such provisions for protecting and enforcing the

rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority in relation to the acquisition and construction of any project, the maintenance, operation, repair, and insurance of any project, and the custody, safeguarding, and application of all monies, including the proceeds derived from the sale or lease of any project, and may also provide that any project shall be acquired and constructed under the supervision and approval of consulting engineers or architects employed or designated by the authority and satisfactory to the original purchasers of the bonds issued therefor, and may also require that the security given by contractors and by any depository of the proceeds of the bonds or revenues or other monies be satisfactory to such purchasers, and may also contain provisions concerning the conditions, if any, upon which additional revenue bonds pledging all or any part of the revenues and earnings of such project or projects may be issued. Such indenture may set forth the rights and remedies of the bondholders and of the trustee. In addition to the foregoing, such trust indenture may contain such other provisions as the authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation, and repair of the project affected by such indenture.

#### **SECTION 10.**

The revenues, fees, tolls, and earnings derived from any particular project or projects, regardless of whether or not such fees, earnings, and revenues were produced by a particular project for which bonds have been issued and any monies derived from the sale of any properties, both real and personal, of the authority, unless otherwise pledged and allocated, may be pledged and allocated by the authority to the payment of the principal and interest on revenue bonds of the authority as the resolution authorizing the issuance of the bonds or the trust indenture may provide, and such funds so pledged, from whatever source received, which pledge may include funds received from one or more or all sources not previously pledged and allocated, shall be set aside at regular intervals, as may be provided in the resolution or trust indenture, into a sinking fund, which sinking fund shall be pledged to and charged with the payments of:

- (1) The interest upon such revenue bonds as such interest shall fall due;
  - (2) The principal of the bonds as the same shall fall due;
  - (3) The necessary charges of any paying agent or agents for paying principal and interest;
- and
- (4) Any premium upon bonds retired by call or purchase.

The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the revenue bonds or in the trust

indenture, but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be a fund for the benefit of all revenue bonds issued pursuant to such resolution or trust indenture without distinction or priority of one over another.

#### **SECTION 11.**

The authority is hereby authorized to provide by resolution for the issuance of revenue refunding bonds of the authority for the purpose of refunding any revenue bonds issued under the provisions of this Act and then outstanding, together with accrued interest thereon and any premium required for the payment of such bonds prior to maturity. The issuance of such revenue bonds and all the details thereof, the rights of the holders thereof, and the duties of the authority with respect to the same, shall be governed by the foregoing provisions of this Act insofar as the same may be applicable.

Service upon the authority of any process, subpoena, or summons shall be effected by serving the same personally upon any member of the authority.

#### **SECTION 13.**

Revenue bonds of the authority shall be confirmed and validated in accordance with the procedure now or hereafter set forth in Article 3 of Chapter 82 of Title 36 of the Official Code of Georgia Annotated, the "Revenue Bond Law," as the same now exists or may hereafter be amended. The petition for validation shall also make a party defendant to such action the City of Lawrenceville, Georgia, if such city has or will contract with the authority with respect to the project for which bonds are to be issued and are sought to be validated, and the City of Lawrenceville, Georgia, shall be required to show cause, if any exists, why such contract and the terms and conditions thereof should not be inquired into by the court and the validity of the terms thereof be determined and the contract adjudicated as security for the payment of any such bonds of the authority. The bonds, when validated, and the judgment of validation shall be final and conclusive with respect to the validity of such bonds against the authority, and the validity of the contract and of the terms and conditions thereof, when validated, and the judgment of validation shall be final and conclusive against the City of Lawrenceville, Georgia, if it is a party to the validation proceeding as herein provided for.

#### **SECTION 14.**

While any of the bonds issued by the authority or any interests in contracts of the authority remain outstanding, the powers, duties, or existence of the authority or of its officers, employees, or agents shall not be diminished or impaired in any manner that will affect adversely the interest and rights of the holders of such bonds or such interests in contracts of the authority. The provisions of this section shall be for the benefit of the authority and of the holders of any such bonds and interests in contracts of the authority and, upon the issuance of bonds or the creation of interests in contracts of the authority under the provisions of this Act, shall constitute a contract with the holders of such bonds or such interests in contracts of the authority.

#### **SECTION 15.**

All monies received by the authority pursuant to this Act, whether as proceeds from the sale of revenue bonds or contracts of the authority, as grants or other contributions, or as revenues, income, fees, and earnings, shall be deemed to be the trust funds to be held and applied solely as provided in this Act and in such resolutions and trust indentures as may be adopted and entered into by the authority pursuant to this Act.

#### **SECTION 16.**

The authority is hereby authorized to prescribe and fix and collect rates, fees, tolls, rents, and charges and to revise, from time to time, and collect such revised rates, fees, tolls, rents, and charges for the services, facilities, or commodities furnished, including leases, concessions, or subleases of its projects, and to determine the price and terms at and under which its projects may be sold.

#### **SECTION 17.**
