28 35-3-171.

29 As used in this article, the term:

30 (1) 'Alert system' means the state-wide 'Mattie's Call' alert system for missing disabled  
31 adults and medically endangered persons.32 (2) 'Disabled adult' means an adult who is developmentally impaired or who suffers from  
33 dementia or some other cognitive impairment.34 (3) 'Local law enforcement agency' means a ~~local~~ law enforcement agency with  
35 jurisdiction over the investigation of a missing disabled adult or other medically  
36 endangered person.37 (4) 'Medically endangered person' means a person with a known medical condition that  
38 might reasonably cause such person to become incapacitated or that may result in  
39 life-threatening physiological conditions likely to lead to serious bodily injury or death  
40 if not immediately treated.

41 35-3-172.

42 (a) With the cooperation of the office of the Governor, the Georgia Lottery Corporation,  
43 and other appropriate law enforcement agencies in this state, the bureau shall develop and  
44 implement a state-wide alert system to be activated on behalf of missing disabled adults  
45 and medically endangered persons.46 (b) Activation of a state-wide missing person alert system shall not prevent or prohibit any  
47 other state or local law enforcement agency from taking additional measures in response  
48 to the receipt of a missing person report.

 59 discretion of the director, as provided in this article, whether the alert system shall be  
 60 activated at the request of a local law enforcement agency.

61 (e) When making a determination whether to activate or whether to request the activation  
 62 of a state-wide missing person alert system, both the director and the requesting local law  
 63 enforcement agency shall take into consideration the known medical condition of the  
 64 missing person if the medical condition may reasonably be considered a cause for the  
 65 inability to locate such missing person. In so considering the medical condition of a  
 66 missing person, particularly if such condition may be immediately life-threatening or  
 67 incapacitating, the director or other authorized person and the requesting law enforcement  
 68 official shall be authorized, within his or her discretion, to initiate and request, respectively,  
 69 a state-wide endangered person advisory.

70 35-3-174.

 90 verifies the disappearance and eliminates alternative explanations for the disabled adult's  
 91 or medically endangered person's disappearance; and

92 (4) Sufficient information is available to disseminate to the public that could assist in  
 93 locating the disabled adult or medically endangered person.

94 (b) The area of the alert may be less than state wide if the director determines that the  
 95 nature of the event makes it probable that the disabled adult or medically endangered  
 96 person did not leave a certain geographic location.

97 (c) The bureau may modify the criteria described by subsection (a) of this Code section  
 98 as necessary for the proper implementation of the alert system.

99 35-3-177.

 112 employees, as appropriate, once the alert system has been activated; and

113 (3) Utilize a rapid response telephone system that alerts residents in a targeted area.

114 (b) The Georgia Lottery Corporation is directed to develop a method of notifying its  
 115 vendors within an alert area of an alert in a manner designed to disseminate alert  
 116 information to customers at its retail locations.

117 35-3-179.

118 The director shall terminate any activation of the alert system with respect to a particular  
 119 disabled adult or medically endangered person if:

123 35-3-180.

124 (a) Any entity or individual participating in the 'Mattie's call' alert system pursuant to this
