175 (a) A person or entity that qualifies as an eligible employer but that later employs more
176 than 100 employees shall be permitted to remain an eligible employer for a period of five
177 years, beginning on the date on which the person or entity first employs more than 100
178 employees. After such five-year period has ended, the person or entity shall immediately
179 cease to qualify as an eligible employer and shall be prohibited from further participation

181 (b) The board may establish any processes to verify whether a person or entity is an

191 participant equal to the total amount credited to his or her account at the time his or her
192 request was received.

193 (b) If the participant ceases to be an eligible employee and does not provide the written
194 request in subsection (a) of this Code section, such participant's account shall continue to
195 accrue earnings in the same manner as any participant's account.

196 (c) Notwithstanding the provisions of subsection (a) of this Code section, if any participant
197 who ceases to be an eligible employee has less than such minimum amount as determined
198 by the board, but not more than \$5,000.00, credited to such participant's account, the board
199 may, at its option, require such participant to withdraw all such moneys and such
200 participant's account shall be closed; provided, however, that the board's option to require
201 withdrawal of small account balances shall be applied in a consistent manner; provided,
202 further, that if the board provides for mandatory distributions of account balances greater
203 than \$1,000.00 and if a participant does not elect to have such distribution paid directly to
204 an eligible retirement plan specified by such participant in a direct rollover or to receive
205 the distribution directly, the plan shall pay the distribution in a direct rollover to an
206 individual retirement plan designated by the board in accordance with Section

221 promulgated by the board, the plan shall:

229 maximum possible income replacement balanced with an appropriate level of risk;

230 (7) Provide on a uniform basis, if and when the board so determines, in its discretion, for
231 an increase of each participant's contribution rate, by a minimum increment of 1 percent
232 of salary or wages per year, for each additional year the participant is employed or is
233 participating in the plan up to the maximum percentage of such participant's salary or
234 wages that may be contributed to the plan under federal law. Any such increases shall
235 apply to participants, as determined by the board, by default or only if initiated by
236 affirmative participant election;

237 (8) Provide for direct deposit of contributions into investments under the plan. To the
238 extent consistent with ERISA, the investment alternatives under the plan shall be limited
239 to an automatic investment for participants who do not actively and affirmatively elect
240 a particular investment option, which unless the board provides otherwise, shall be a

241 diversified target date fund, including a series of such diversified funds to apply to
242 different participants depending on their choice or their target retirement dates, a
243 principal-protected option, and at least four additional investment alternatives as may be
244 selected by the board in its discretion. To the extent consistent with ERISA, the
245 investment options may, at the discretion of the board, include a principal-protection fund
246 as a temporary security corridor option that applies as the sole initial investment before
247 participants may choose other investments or as the initial default investment for a
248 specified period of time or up to a specified dollar amount of contributions or account
249 balance; and

250 (9) Provide for reports on the status of each participant's account to be provided to each
251 participant at least quarterly and make best efforts to provide participants frequent or
252 continual online access to information on the status of their accounts.

253 47-26-13.

254 (a) The board shall be the trustee of the funds of the plan; may invest and reinvest such
255 funds; and may hold, purchase, sell, assign, transfer, and dispose of any of the securities
256 and investments in which any of the funds created under this chapter shall have been
257 invested, as well as the proceeds of such investments and any moneys belonging to such
258 funds, all in such manner as funds of the Employees' Retirement System of Georgia are
259 invested and reinvested.

260 (b) Except as otherwise provided for in this chapter, no trustee or person employed by the
261 board shall have a direct interest in the gains or profits of any investment made by the
262 board. No trustee or employee of the board shall, directly or indirectly, for himself or
263 herself or as an agent, in any manner use the funds of the plan except to make such current
264 and necessary payments as are authorized by the board; nor shall any trustee or employee
265 of the board become an endorser, surety, or in any manner an obligor for moneys loaned
266 or borrowed from the board.

267 (c) The board shall be the custodian of the funds of the plan. All payments from such
268 funds shall be made by the board only upon vouchers signed by two persons designated by
269 the board.

270 47-26-14.

271 The board may enter into an intergovernmental agreement or memorandum of
272 understanding with the state, another state or states, and any agency thereof to receive
273 outreach; technical assistance; enforcement and compliance services; collection or
274 dissemination of information pertinent to the plan, subject to such obligations of
275 confidentiality as may be agreed or required by law; or other services or assistance. The
276 state, another state or states, and any agency thereof that enters into such agreements or
277 memoranda of understanding shall collaborate to provide the outreach, assistance,
278 information, and compliance or other services or assistance to the board. The memoranda
279 of understanding may cover the sharing of costs incurred in gathering and disseminating
280 information and the reimbursement of costs for any enforcement activities or assistance.

281 47-26-15.

282 (a) There is hereby created the Peach Save expense fund which shall consist of moneys
283 collected under this Code section. The Peach Save expense fund shall consist of:

293 arrangements established under the plan to the extent permitted under federal and state
294 law; and

295 (6) Earnings on moneys in the administrative fund.

296 (b) To the extent consistent with ERISA, the tax qualification rules, and other federal law,
297 the board shall accept any grants, gifts, appropriations, or other moneys from the state; any
298 unit of federal, state, or local government; or any other person, firm, partnership,
299 corporation, or other entity solely for deposit into the administrative fund, whether for
300 investment or administrative expenses.

301 (c) To enable or facilitate the start-up and continuing operation, maintenance,
302 administration, and management of the plan until the plan accumulates sufficient balances
303 and can generate sufficient funding through fees assessed on participant accounts for the
304 plan to become financially self-sustaining:

305 (1) The board may borrow from the state; any unit of federal, state, or local government;
306 or any other person, firm, partnership, corporation, or other entity working capital funds
307 and other funds as may be necessary for this purpose, provided that such funds are
308 borrowed in the name of the plan and board only and that any such borrowings shall be
309 payable solely from the revenues of the plan; and

310 (2) The board may enter into long-term procurement contracts with one or more financial
311 providers that provide a fee structure that would assist the plan in avoiding or minimizing
312 the need to borrow or to rely upon general assets of the state.

313 (d) Subject to appropriation, the state may pay administrative costs associated with the
314 creation, maintenance, operation, and management of the plan until sufficient assets are
315 available in the administrative fund for that purpose.

316 (e) The board may use the moneys in the administrative fund solely to pay the
317 administrative expenses of the plan.

318 47-26-16.

319 The board shall keep an accurate account of all the activities, operations, receipts, and
320 expenditures of the plan, the trust, and the board.

321 47-26-17.

322 The state auditor is authorized and directed to make an annual audit of the acts and doings
323 of the board and to make a complete report of that audit to the General Assembly. The
324 state auditor shall not be required to distribute copies of the report to the members of the
325 General Assembly but shall notify the members of the availability of the report in the
326 manner which he or she deems to be most effective and efficient. The report shall disclose
327 all moneys received by the board and all its expenditures, including administrative
328 expenses and payments made to participants. The state auditor shall also make an audit of
329 the affairs of the board at any time when requested by a majority of the board or the
330 Governor.

331 ARTICLE 4

333 An eligible employer, a participating employer, or other employer is not and shall not be
334 liable for or bear responsibility for:

335 (1) An employee's decision as to which investments to choose;

336 (2) Investment decisions of the board or participants;

337 (3) The administration, investment, investment returns, or investment performance of the
338 plan, including, but not limited to, any interest rate or other rate of return on any
339 contribution or account balance, provided that the eligible employer, participating
340 employer, or other employer is not involved in the administration or investment of the
341 plan;

342 (4) The plan design or the benefits paid to participants; or
343 (5) Any loss, failure to realize any gain, or any other adverse consequences, including,
344 but not limited to, any adverse tax consequences or loss of favorable tax treatment, public
345 assistance, or other benefits, incurred by any person solely and directly as a result of
346 participating in the plan.

347 47-26-19.

348 (a) The state, the board, each trustee of the board, any other state official, state board,
349 commission, and agency, any member, officer, and employee thereof, and the plan:

350 (1) Shall not guarantee any interest rate or other rate of return on or investment
351 performance of any contribution or account balance; and

352 (2) Shall not be liable or responsible for any loss, deficiency, failure to realize any gain,
353 or any other adverse consequences, including, but not limited to, any adverse tax
354 consequences or loss of favorable tax treatment, public assistance, or other benefits,
355 incurred by any person as a result of participating in the plan.

356 (b) The debts, contracts, and obligations of the plan or the board are not the debts,
357 contracts, and obligations of the state, and neither the faith and credit nor the taxing power
358 of the state is pledged directly or indirectly to the payment of the debts, contracts, and
359 obligations of the plan or the board.

360 (c) Nothing in this chapter shall be construed to guarantee any interest rate or other rate

371 information expressly agrees in writing to the disclosure of the information.

372 (b) Information required to be confidential under subsection (a) of this Code section shall
373 not be subject to Article 4 of Chapter 18 of Title 50, relating to open records.

374 47-26-21.

375 (a) The board shall establish the plan so that individuals are able to begin contributing
376 under the plan on or before September 1, 2025.

377 (b) The board may, in its discretion, phase in the plan so that the ability to contribute first
378 applies on different dates for different classes of individuals, including employees of
