

STATEMENT OF PURPOSE

RS31451 / H0639

This legislation would clarify building code requirements for multifamily units up to 2 units on the same side (Fourplex) by not requiring sprinklers when a 2 hour fire wall is constructed between the units and to require for single and multi-family residences that a heat detection device be installed in the garage.

FISCAL NOTE

This legislation causes no additional expenditure of funds at the state or local level of government, nor does it cause an increase or decrease in revenue for state or local government therefore the legislation has no fiscal impact.
