The legal incidence of the tax imposed under this section is borne by the distributor. The tax becomes due and payable upon receipt of the motor fuel in this state by the distributor unless such tax liability has previously accrued to another distributor pursuant to this section. The tax shall be imposed without regard to whether use is on a governmental basis or otherwise, unless exempted by this chapter.
- (2) The tax imposed in this section shall be at the rate of twenty-five thirty-two cents (325) per gallon of motor fuel received. This tax shall be subject to the exemptions, deductions and refunds set forth in this chapter.
- (3) Nothing in this chapter shall prohibit the distributor who is liable for payment of the tax imposed under subsection (1) of this section from including as part of the selling price an amount equal to such tax on motor fuels sold or delivered by such distributor; provided however, that nothing in this chapter shall be deemed to impose tax liability on any person to whom

such fuel is sold or delivered except as provided in subsection (6) of this section.

- (4) Any person coming into this state in a motor vehicle may transport in the manufacturer's original tank of that vehicle, for his own use only, not more than thirty (30) gallons of motor fuel for the purpose of operating that motor vehicle, without complying with the provisions of this chapter.

Such distributor shall retain the administrative obligation to remit the tax, and such obligation shall accrue upon receipt in accordance with subsection (1) of this section. Should a retailer otherwise subject to the tax be exempt from imposition of the tax as a matter of federal law, by virtue of its status as a federally-recognized Indian tribe or member of such tribe, the retailer shall not bear the tax's legal incidence and must pass the tax through as part of the selling price of the fuel to the consumer, unless such consumer is exempt from imposition of the tax as a matter of federal law, by virtue of its status as a federally-recognized Indian tribe or membership in such tribe, and the retailer shall be entitled to claim a credit against taxes otherwise due and owing under this chapter or a tax refund, together with interest, attributable to the fuel purchased by such consumer.

For the purpose of this computation, the consumer price index for any calendar year is the average of the consumer price index as of the close of the twelve (12) month period for the immediately preceding calendar year, without regard to any subsequent adjustments, as adopted by the state tax commission. This adoption shall be exempt from the provisions of chapter 52, title 67, Idaho Code. The consumer price index shall mean the consumer price index for all U.S. urban consumers published by the United States department of labor. - (c) For taxable years beginning on or after January 1, 2015, and each taxable year thereafter the tax rates in subsection (a) of this section shall apply only when Idaho taxable income as defined in this chapter is less than four thousand dollars (\$4,000) as adjusted in subsection (a) of this section. All other Idaho taxable income as defined in this chapter shall be taxed at the rate of six and seven-tenths percent (6.7%).

- $(\underline{\text{de}})$ The state tax commission shall compute and publish Idaho income tax liability for taxpayers at the midpoint of each bracket of Idaho taxable income in fifty dollar (\$50.00) steps to fifty thousand dollars (\$50,000), rounding such calculations to the nearest dollar. Taxpayers having income within such brackets shall file returns based upon and pay taxes according

to the schedule thus established. The state tax commission shall promulgate rules defining the conditions upon which such returns shall be filed.
