23 In applying these tables to any given separate attendance unit, no
24 school district shall receive less total money than it would receive if it
25 had a lesser average daily attendance in such separate attendance unit. In
26 applying the kindergarten table to a kindergarten program of fewer days
27 than a full school year, the support unit allowance shall be in ratio to the
28 number of days of a full school year. The attendance of students attending
29 an alternative school in a school district reporting fewer than one hundred
30 (100) secondary students in average daily attendance shall not be assigned
31 to the alternative table if the student is from a school district reporting
32 fewer than one hundred (100) secondary students in average daily attendance,
33 but shall instead be assigned to the secondary table of the school district
34 in which they are attending the alternative school, unless the alternative
35 school in question serves students from multiple districts reporting fewer
36 than one hundred (100) secondary students in average daily attendance. The
37 tables for exceptional education and alternative school support units shall
38 be applicable only for programs approved by the state department of educa-
39 tion following rules established by the state board of education. Moneys
40 generated from computation of support units for alternative schools shall be
41 utilized for alternative school programs. School district administrative

1 and facility costs may be included as part of the alternative school expen-
2 ditures.

3 (5) State Distribution Factor per Support Unit. Divide educational
4 support program distribution funds, after subtracting the amounts necessary
5 to pay the obligations specified in subsection (2) of this section, by the
6 total state support units to secure the state distribution factor per sup-
7 port unit.

8 (6) District Support Units. The number of support units for each school
9 district in the state shall be determined as follows:

10 (a) (i) Divide the actual average daily attendance, excluding stu-
11 dents approved for inclusion in the exceptional child educational
12 program, for the administrative schools and each of the separate
13 schools and attendance units by the appropriate divisor from the
14 tables of support units in this section, then add the quotients
15 to obtain the district's support units allowance for regular stu-
16 dents, kindergarten through grade 12 including alternative school
17 students. Calculations in application of this subsection shall be
18 carried out to the nearest hundredth.

19 (ii) Divide the combined totals of the average daily attendance
20 of all preschool, kindergarten, elementary, secondary, juvenile
21 detention center students and students with disabilities approved
22 for inclusion in the exceptional child program of the district by
23 the appropriate divisor from the table for computation of excep-
24 tional education support units to obtain the number of support
25 units allowed for the district's approved exceptional child pro-
26 gram. Calculations for this subsection shall be carried out to the
27 nearest hundredth when more than one (1) unit is allowed.

28 (iii) The total number of support units of the district shall be
29 the sum of the total support units for regular students, subpara-
30 graph (i) of this paragraph, and the support units allowance for
31 the approved exceptional child program, subparagraph (ii) of this
32 paragraph.

33 (b) Total District Allowance Educational Program. Multiply the dis-
34 trict's total number of support units, carried out to the nearest hun-
35 dredth, by the state distribution factor per support unit and to this
36 product add the approved amount of programs of the district provided in
37 subsection (2) of this section to secure the district's total allowance
38 for the educational support program.

39 (c) District Share. The district's share of state apportionment is the
40 amount of the total district allowance, paragraph (b) of this subsec-
41 tion.

42 (d) Adjustment of District Share. The contract salary of every noncer-
43 tificated teacher shall be subtracted from the district's share as cal-
44 culated from the provisions of paragraph (c) of this subsection.

45 (7) Property Tax Computation Ratio. In order to receive state funds
46 pursuant to this section, a charter district shall utilize a school mainte-
47 nance and operation property tax computation ratio for the purpose of calcu-
48 lating its maintenance and operation levy that is no greater than that which
49 it utilized in tax year 1994, less four-tenths of one percent (.4%). As used
50 herein, the term "property tax computation ratio" shall mean a ratio deter-

1 mined by dividing the district's certified property tax maintenance and op-
2 eration budget by the actual or adjusted market value for assessment pur-
3 poses as such values existed on December 31, 1993. Such maintenance and op-
4 eration levy shall be based on the property tax computation ratio multiplied
5 by the actual or adjusted market value for assessment purposes as such values
6 existed on December 31 of the prior calendar year.

 15 liquidation arising within thirty (30) days after the order of liquida-
 16 tion, or before the policy expiration date if less than thirty (30) days
 17 after the order of liquidation, or before the insured replaces the pol-
 18 icy or causes its cancellation, if he does so within thirty (30) days of
 19 the order of liquidation. Such obligation shall be satisfied by paying
 20 to the claimant an amount as follows:

21 (i) The full amount of a covered claim for benefits under a
 22 worker's compensation insurance coverage;

23 (ii) An amount not exceeding ten thousand dollars (\$10,000) per
 24 policy for covered claim for the return of unearned premium;

25 (iii) An amount not exceeding three hundred thousand dollars
 26 (\$300,000) per claim for all other covered claims.

27 (b) In no event shall the association be obligated to pay a claimant an
 28 amount in excess of the obligation of the insolvent insurer under the
 29 policy or coverage from which the claim arises.

30 Notwithstanding any other provision of this chapter, a covered claim
 31 shall not include any claim filed with the association after the earlier
 32 of: (i) eighteen (18) months after the date of the order of liquidation,
 33 or (ii) the final date set by the court for the filing of claims against
 34 the liquidator or receiver of an insolvent insurer and shall not include
 35 any claim filed with the association or a liquidator for protection af-
 36 farded under the insured policy for incurred-but-not-reported losses.
 37 Any obligation of the association to defend an insured shall cease upon
 38 the association's payment by settlement releasing the insured or on a
 39 judgment of an amount equal to the lesser of the association's covered
 40 claim obligation limit or the applicable policy limit.

41 (c) Be deemed the insurer to the extent of its obligation on the covered

 45 subrogation recoverable on paid covered claim obligations.

46 (d) Assess member insurers separately for amounts necessary to pay the
 47 obligations of the association under paragraph (a) of this subsection
 48 subsequent to an insolvency, the expenses of handling covered claims
 49 subsequent to an insolvency and other expenses authorized by this chap-

1 ter. The assessments of each member insurer shall be in the proportion
2 that the net direct written premiums of the member insurer for the cal-
3 endar year preceding the assessment on the kinds of insurance covered
4 by the account bears to the net direct written premiums of all member
5 insurers for the calendar year preceding the assessment on the kinds of
6 insurance covered by the account. Each member insurer shall be notified
7 of the assessment not later than thirty (30) days before it is due. No
8 member insurer may be assessed in any one (1) year an amount greater
9 than one percent (1%) of that member insurer's net direct written pre-
10 miums for the calendar year preceding the assessment. If the maximum
11 assessment, together with the other assets of the association in the ac-
12 count, does not provide in any one (1) year an amount sufficient to make
13 all necessary payments, the funds available shall be prorated and the
14 unpaid portion shall be paid as soon thereafter as funds become avail-
15 able. The association shall pay claims in any order ~~which~~ that it deems
16 reasonable, including the payment of claims as such are received from
17 the claimants or in groups or categories of claims. The association
18 may exempt or defer, in whole or in part, the assessment of any member
19 insurer, if the assessment would cause the member insurer's financial
20 statement to reflect amounts of capital or surplus less than the minimum
21 amounts required for a certificate of authority by any jurisdiction in
22 which the member insurer is authorized to transact insurance; provided,
23 however, that during the period of deferment, no dividends shall be
24 paid to shareholders or policyholders. Deferred assessments shall be
25 paid when such payment will not reduce capital or surplus below required
26 minimums. Such payments shall be refunded to those companies receiving
27 larger assessments by virtue of such deferment, or at the election of
28 any such company, credited against future assessments. Each member
29 insurer may set off against any assessment, authorized payments made on
30 covered claims and expenses incurred in the payment of such claims by
31 the member insurer if they are chargeable to the account.

32 (e) Investigate claims brought against the association and adjust,
33 compromise, settle, and pay covered claims to the extent of the associa-
34 tion's obligation and deny all other claims and may review settlements,
35 releases and judgments to which the insolvent insurer or its insureds
36 were parties to determine the extent to which such settlements, re-
37 leases and judgments may be properly contested. The association shall
38 have the right to appoint or substitute and to direct legal counsel re-
39 tained under liability insurance policies for the defense of covered
40 claims.

41 (f) Handle claims through its employees or through one (1) or more in-
42 surers or other persons designated as servicing facilities. Designa-
43 tion of a servicing facility is subject to the approval of the director,
44 but such designation may be declined by a member insurer.

45 (g) Reimburse each servicing facility for obligations of the associa-
46 tion paid by the facility and for expenses incurred by the facility
47 while handling claims on behalf of the association and shall pay the
48 other expenses of the association authorized by this chapter.

49 (2) The association may:

1 (a) Employ or retain such persons as are necessary to handle claims and
2 perform other duties of the association.

3 (b) Borrow funds necessary to effect the purposes of this chapter in ac-
4 cord with the plan of operation.

5 (c) Sue or be sued, and such power to sue includes the power and right
6 to intervene as a party before any court that has jurisdiction over the
7 insolvent insurer as defined by this chapter.

8 (d) Negotiate and become a party to such contracts as are necessary to
9 carry out the purpose of this chapter.

10 (e) Perform such other acts as are necessary or proper to effectuate the
11 purpose of this chapter.

12 (f) Refund to the member insurers in proportion to the contribution of
13 each member insurer ~~that the amount which that~~, in the opinion of the
14 board of directors, will not be needed for the purposes of this chapter
15 within two (2) years from the date the association receives the refund
16 from the receivership.

17 (g) Subject to approval by the director, provide claims handling ser-
18 vices to any ~~run-off~~ runoff insurer, provided the association expenses
19 related to such services are fully reimbursed. Normal defenses appli-
20 cable to guaranty fund handling of covered claims shall not apply to
21 ~~run-off~~ runoff claim handling and no guaranty fund assets shall be used
22 for ~~run-off~~ runoff claim or expense payment. There shall be no lia-
23 bility on the part of, and no cause of action of any nature shall arise
24 against, any member insurer, the association or its agents or employ-
25 ees, the board of directors or any person serving as a representative
26 of any director for any action taken or any failure to act by them in the
27 performance of their activities under the provisions of this paragraph.
28 For purposes of this paragraph, "~~run-off~~runoff insurer" means a prop-
29 erty and casualty insurer that has:

30 (i) Total adjusted capital under risk-based capital requirements
31 in an amount less than the authorized control level risk-based
32 capital as defined in section 41-5401(1~~4~~3) (a), Idaho Code, and
33 has indicated that it will cease writing new insurance policies,
34 either as part of its corrective action plan or pursuant to being
35 placed under regulatory control; or

36 (ii) Total adjusted capital under risk-based capital re-
37 quirements in an amount less than the mandatory control level
38 risk-based capital as defined in section 41-5401(1~~4~~3) (c), Idaho
39 Code, and that has not been placed into liquidation pursuant to
40 sections 41-3317 and 41-3318, Idaho Code.

29 for oil, gas and other hydrocarbons that may be contained in any portion of
30 the unsold lands of the state or that may be contained in state lands sold
31 with a reservation of mineral deposits or that belong to the state of Idaho
32 by reason of being situate between the high water marks of navigable rivers
33 of the state, for such annual rental, not less than one dollar (\$1.00) per

7 less than ten (10) such aggrieved parties; provided that the board may order
8 a public hearing in the first instance. The board shall consider fully all
9 written and oral submissions respecting the application.

10 (8) Provided, however, that the state board of land commissioners shall
11 send notice of any such application for leasing the bed of navigable rivers

15 be jeopardized by the issuance of the proposed lease, the director shall give
16 notice of such applications to parties affected thereby. If it shall appear
17 to the state board of land commissioners that the leasing of any lands be-

32 same land.

33 (d) Only one (1) lessee may hold multiple mineral leases on the same

37 ditions set forth in the lease as the lessor.

38 (f) The leaseholder demonstrates a mineral resource is present on the
39 public lands using industry standard to estimate or project a mineral
40 resource that is likely viable for future mineral development. The
41 board shall recognize its role as a partner on behalf of state lands and
42 provide confidentiality to the leaseholders regarding resource esti-
43 mates that may be reported. If the leaseholder determines in the future
44 to drop any mineral lease, the board may use this information for pub-
45 lic consumption to encourage and support mineral development on those
46 leases.

47 (g) No less than one hundred eighty (180) days prior to the expiration
48 date of the mineral lease, lease terms and conditions shall be fairly
49 modified and readjusted if needed. If an agreement cannot be reached,

 36 with granting, suspending, or revoking the license, certificate, registra-
 37 tion, permit, or other authorization of any person to practice a profession
 38 or occupation, including but not limited to the professional and occupa-
 39 tional licensing boards within the department of self-governing agencies.

12 ANS, AND SPOUSES. A licensing authority shall expedite the application of a
13 member of the military, a former member of the military after discharge under
14 honorable conditions, a veteran, or a spouse of any such person, to receive
15 licensure if such member, former member, veteran, or spouse possesses nec-
16 cessary education, qualifications, licensure, or certification from another
17 state, district, or territory of the United States, or in any branch of the
18 armed forces or the national guard. Each licensing authority shall promul-
