47 censure as set forth in sections 56-1011 through 56-1023, Idaho Code, is li-  
48 censed by the EMS bureau under sections 56-1011 through 56-1023, Idaho Code,  
49 carries out the practice of emergency care within the scope of practice de-

1 terminated by the commission and practices under the supervision of an Idaho  
2 licensed physician.

3 (2019) "Practice of emergency medical services" or "practice of EMS"  
4 means:

5 (a) To respond to a perceived individual need for care in order to pre-  
6 vent loss of life or aggravation of physiological or psychological ill-  
7 ness or injury;

8 (b) To do so on an organized basis through an alerting and response  
9 mechanism;

10 (c) Individuals who are prepared to use assessment and psychomotor  
11 skills and are supplied with equipment, either or both of which are be-  
12 yond the scope of practice associated with advanced first aid, whether  
13 or not such personnel are licensed in accordance with sections 56-1011  
14 through 56-1023, Idaho Code; and

15 (d) To offer, attempt, advertise, undertake or hold oneself out to re-  
16 spond as described in paragraph (a) of this subsection; unless a person  
17 is a ski patroller who is a member of the national ski patrol system,  
18 inc., and is trained in and holding a current outdoor emergency care  
19 (OEC) credential, as issued by the national ski patrol system, inc.,  
20 while rendering aid in accordance with the standards of training of such  
21 credential, where no fee for the service is contemplated, charged or  
22 received, and in the course of alpine, nordic or cross-country skiing  
23 and other recreational activities conducted in whole or in part at ski  
24 areas in the state.

25 (20) "Provision of emergency medical services" or "provision of EMS"  
26 means:

27 (a) To offer or attempt to offer or deploy an individual, group of in-  
28 dividuals or organization to respond to human medical emergencies, ill-  
29 ness or injuries in settings outside of hospitals or clinics;

30 (b) Individuals who are prepared to use assessment and psychomotor  
31 skills and are supplied with equipment, either or both of which are be-  
32 yond the scope of practice associated with advanced first aid, whether  
33 or not such personnel are licensed in accordance with sections 56-1011  
34 through 56-1023, Idaho Code;

35 (c) The use of an alerting and response mechanism for the individuals,  
36 or advertisement of the individuals' availability, to respond to human  
37 medical emergencies, illness or injuries:

38 (i) Without regard to whether the individuals are volunteers;

39 (ii) Without regard to whether the individual, group of individu-  
40 als or organization has an emergency response vehicle; and

41 (iii) Without regard to whether the individual, group of individu-  
42 als or organization is reimbursed or compensated for services ren-  
43 dered unless:

44 1. Such personnel are nurses, mid-level practitioners or  
45 physicians functioning at planned special events as permit-  
46 ted by state law or licensed in accordance with state law as  
47 athletic trainers functioning at sporting events;

48 2. Such personnel are ski patrollers who are members of the  
49 national ski patrol system, inc., and are trained in and  
50 holding a current outdoor emergency care (OEC) credential,

1                   as issued by the national ski patrol system, inc., while  
2                   rendering aid in accordance with the standards of training  
3                   of such credential, where no fee for the service is contem-  
4                   plated, charged or received, and in the course of alpine,  
5                   nordic or cross-country skiing and other recreational ac-  
6                   tivities conducted in whole or in part at ski areas in the  
7                   state; or

8                   3. The organization is licensed in accordance with state law  
9                   as a result of an interstate compact.

10            (21) "Supervision" means the medical direction by a licensed physician  
11 of activities provided by licensed personnel affiliated with a licensed  
12 ambulance, air medical or nontransport service, including, but not limited  
13 to: establishing standing orders and protocols, reviewing performance of  
14 licensed personnel, providing instructions for patient care via radio or  
15 telephone, and other oversight.

16            (212) "Transfer" means the transportation of a patient from one (1) med-  
17 ical care facility to another.
