17 sion of the Sixty-third Idaho Legislature, the Senate and the House of Repre-  
18 sentatives concurring therein, that the Legislature recommends the follow-  
19 ing:

20 The Legislature seeks the assistance of Idaho's congressional dele-  
21 gation in asking the federal government to develop a model to sustain and  
22 increase funding for the management of federal lands within Idaho to ade-  
23 quately support current uses and the best interests of Idaho;

24 That in the event of a transfer or land exchange, such land parcels  
25 specifically exclude national parks, national monuments, federally desig-  
26 nated recreational areas, wilderness and roadless areas, federal electric  
27 power generation facilities, national wildlife refuges, and Department of  
28 Energy, Department of Defense, Indian reservations and Indian trust lands;

29 That public access be maintained and, where possible, expanded on lands  
30 managed by the state under any state-federal cooperative land management  
31 agreement;

32 That the State of Idaho, through the Department of Lands, develop agree-  
33 ments with federal agencies based on the Good Neighbor Authority, as autho-

35 forest, rangeland and watershed restoration services on appropriate federal  
36 lands within Idaho.

37 BE IT FURTHER RESOLVED that the Department of Lands is requested to es-  
38 tablish an internal working group to meet with federal land management agen-  
39 cies and to identify specific parcels of federal lands suitable for use of  
40 the Good Neighbor Authority.

41 BE IT FURTHER RESOLVED that in considering parcels for possible use of  
42 the Good Neighbor Authority, the working group shall consider such factors

1 as proximity to communities, natural resources production, economic viabil-  
2 ity, minimization of environmental impact and other factors.

3 BE IT FURTHER RESOLVED that the parcels agreed upon for use of the Good  
4 Neighbor Authority shall, to the extent practical, maximize benefits to lo-  
5 cal communities.

6 BE IT FURTHER RESOLVED that the Department of Lands shall report to the  
7 Legislature and to the federal agencies, as appropriate, at least annually,
