SENATE JOINT MEMORIAL NO. 106

BY STATE AFFAIRS COMMITTEE

A JOINT MEMORIAL

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Sixtieth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Tenth Amendment to the United States Constitution states that, "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people"; and

WHEREAS, the states primarily regulate today's health insurance market and provide aggressive oversight of all aspects of this market and enforce consumer protection as well as ensure a local, responsive presence for consumers; and

WHEREAS, states like Idaho are working hard to create public-private health care partnerships and facilitate local solutions; and

WHEREAS, the Congress of the United States has passed legislation that will impose restrictions on the states' ability to regulate health plans and will require citizens to acquire health care insurance coverage; and

WHEREAS, the creation of a new federal system of regulation for health insurance would be inefficient, unnecessary, not cost-effective and an additional burden on states; and

WHEREAS, the legislation passed by the Congress will impose a legacy of untold debt on our children and grandchildren; and

WHEREAS, it is in the interest of the citizens of the State of Idaho to have an amendment to the Constitution of the United States prohibiting the Congress from making any law that would require citizens to enroll in, participate in or secure health care insurance and that would penalize any citizen who declines to purchase or participate in any health care insurance program.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixtieth Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Idaho Legislature urges Congress to take action forthwith to amend the United States Constitution by adding a Twenty-eighth Amendment as follows:

The Congress shall make no law requiring citizens of the United States to enroll in, participate in or secure health care insurance or to penalize any citizen who declines to purchase or participate in any health care insurance program.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of
