A BILL FOR

1 AN ACT concerning appropriations.

2 **Be it enacted by the People of the State of Illinois, represented**
3 **in the General Assembly:**

4 Section 1. Legislative intent. Public Act 101-638, which
5 contained the Fiscal Year 2021 budget, included a \$15,000,000
6 capital appropriation to the Tinley Park Mental Health Center
7 for the purpose of environmental cleanup that was intended to
8 address numerous environmental concerns with the facility after
9 its closure in 2012. However, in Fiscal Year 2022 that
10 appropriation was removed without warning or notice to the
11 Tinley Park Mental Health Center resulting in the lost
12 opportunity to access the pledged grant funding.

13 It is the intent of the General Assembly to restore the
14 \$15,000,000 to the Tinley Park Mental Health Center that was
15 excluded by the crafters of the Fiscal Year 2022 budget so that
16 the Tinley Park Mental Health Center can finally begin the
17 process of addressing the environmental concerns that plague
18 the community.

19 Section 5. The amount of \$15,000,000, or so much thereof
20 as may be necessary, is appropriated from the Build Illinois
21 Bond Fund to the Department of Commerce and Economic
22 Opportunity for a grant to the Tinley Park Mental Health Center

1 for costs associated with environmental cleanup.

2 Section 99. Effective date. This Act takes effect July 1,
3 2022.
