

# SENATE MOTION

**MR. PRESIDENT:**

**I move** that Senate Bill 366 be amended to read as follows:

- 1           Page 15, between lines 20 and 21, begin a new paragraph and insert:  
2           "SECTION 14. IC 20-29-5-7, AS AMENDED BY P.L.86-2018,  
3           SECTION 179, IS AMENDED TO READ AS FOLLOWS  
4           [EFFECTIVE JULY 1, 2025]: Sec. 7. (a) ~~This section does not apply~~  
5           ~~to the bargaining team for the exclusive representative.~~  
6           (b) The percentage of teacher positions the exclusive representative  
7           may appoint to serve on a statutory or locally created district wide  
8           committee may not exceed the percentage of teachers in the school  
9           corporation who are members of the exclusive representative. If  
10          multiplying the number of teacher positions on the committee by the  
11          percentage of teachers in the school corporation who are members of  
12          the exclusive representative does not produce a whole number, the  
13          product must be rounded up to the nearest whole number. The  
14          percentage of positions applies to the number of teacher positions on  
15          a committee and not to the total number of positions on a committee.  
16          (c) The percentage of teacher positions the exclusive representative  
17          may appoint to serve on a statutory or locally created school wide  
18          committee may not exceed the percentage of teachers in the school who  
19          are members of the exclusive representative. If multiplying the number  
20          of teacher positions on the committee by the percentage of teachers in  
21          the school who are members of the exclusive representative does not  
22          produce a whole number, the product must be rounded up to the nearest  
23          whole number. The percentage of positions applies to the number of  
24          teacher positions on a committee and not to the total number of  
25          positions on a committee.  
26          (d) A committee to which this section applies may not address  
27          subjects of bargaining under this article. A school employer's

1 appointment of a teacher to a committee is not an unfair practice as it  
2 relates to the appointment of the teacher committee members:  
3 ~~(e)~~ **(a)** By September 15 of each school year, the local president or  
4 other officer or designee of the exclusive representative shall certify by

14 aggregate data for each school corporation and may not include any  
15 information that would identify a particular school employee."
