38 by the fiscal body of an eligible municipality under this
39 chapter.

40 (8) "Transportation asset management plan" has the meaning
41 set forth in IC 8-23-30-1.

42 **Sec. 2. (a) The fiscal body of an eligible municipality may,**

1 subject to subsections (d) and (e), adopt an ordinance to impose an
 2 annual license excise surtax on each motor vehicle listed in
 3 subsection (c) that is registered in the eligible municipality. The
 4 eligible municipality may impose the surtax at a specific amount
 5 of:

- 6 (1) at least seven dollars and fifty cents (\$7.50); and
- 7 (2) not more than twenty-five dollars (\$25).

8 The eligible municipality shall state the surtax rate or amount in
 9 the ordinance that imposes the tax.

10 (b) Subject to the limits and requirements of this section, the
 11 fiscal body of an eligible municipality may do any of the following:

- 12 (1) Impose the annual license excise surtax at the same
 13 amount on each motor vehicle that is subject to the tax.
- 14 (2) Impose the annual license excise surtax on vehicles subject

 25 adopts an ordinance under IC 6-3.5-11 to impose the municipal
 26 wheel tax.

27 (e) The fiscal body of an eligible municipality may not adopt an
 28 ordinance to impose the surtax unless the eligible municipality uses

 33 1 of the following year, a motor vehicle is subject to the tax if the
 34 motor vehicle is registered in the adopting municipality after
 35 December 31 of the year in which the ordinance is adopted. If the
 36 fiscal body of an eligible municipality adopts an ordinance
 37 imposing the surtax after June 30 but before the following January
 38 1, a motor vehicle is subject to the tax if the motor vehicle is
 39 registered in the adopting municipality after December 31 of the
 40 year following the year in which the ordinance is adopted.
 41 However, in the first year the surtax is effective, the surtax does
 42 not apply to the registration of a motor vehicle for the registration

1 year that commenced in the calendar year preceding the year the
2 surtax is first effective.

3 **Sec. 4. (a) After January 1 but before July 1 of any year, the**
4 **fiscal body of an adopting municipality may, subject to the**
5 **limitations imposed by subsection (b), adopt an ordinance to**
6 **rescind the surtax. If a fiscal body adopts an ordinance to rescind**
7 **the surtax, the surtax does not apply to a motor vehicle registered**
8 **after December 31 of the year in which the ordinance is adopted.**

9 **(b) A fiscal body may not adopt an ordinance to rescind the**
10 **surtax unless the fiscal body concurrently adopts an ordinance**
11 **under IC 6-3.5-11 to rescind the municipal wheel tax.**

12 **Sec. 5. The fiscal body of an adopting municipality may adopt**
13 **an ordinance to increase or decrease the surtax amount. The new**
14 **surtax amount must be within the range of amounts prescribed by**
15 **section 2 of this chapter. A new amount that is established by an**
16 **ordinance that is adopted after December 31 but before July 1 of**
17 **the following year applies to motor vehicles registered after**
18 **December 31 of the year in which the ordinance to change the**
19 **amount is adopted. A new amount that is established by an**
20 **ordinance that is adopted after June 30 but before January 1 of the**
21 **following year applies to motor vehicles registered after December**
22 **31 of the year following the year in which the ordinance is adopted.**

23 **Sec. 6. If the fiscal body of an eligible municipality adopts an**
24 **ordinance to impose, rescind, or change the amount of the surtax,**
25 **the fiscal body shall send a copy of the ordinance to the**
26 **commissioner of the bureau of motor vehicles.**

27 **Sec. 7. A person may not register a motor vehicle in an adopting**
28 **municipality unless the person pays the surtax due, if any, to the**
29 **bureau of motor vehicles. The amount of the surtax due equals the**
30 **amount established under section 2 of this chapter. The bureau of**
31 **motor vehicles shall collect the surtax due, if any, at the time a**
32 **motor vehicle is registered.**

33 **Sec. 8. (a) If a vehicle has been acquired or brought into**
34 **Indiana, or for any other reason becomes subject to registration**
35 **after the regular annual registration date in the year on or before**
36 **which the owner of the vehicle is required under the motor vehicle**
37 **registration laws of Indiana to register vehicles, the amount of the**
38 **surtax shall be reduced in the same manner as the excise tax is**
39 **reduced under IC 6-6-5-7.2.**

40 **(b) The owner of a vehicle who sells the vehicle in a year in**
41 **which the owner has paid the surtax imposed by this chapter is**
42 **entitled to receive a credit that is calculated in the same manner**

1 and subject to the same requirements as the credit for the excise
2 tax under IC 6-6-5-7.2.

3 (c) If the name of the owner of a vehicle is legally changed and
4 the change has caused a change in the owner's annual registration
5 date, the surtax liability of the owner shall be adjusted in the same
6 manner as excise taxes are adjusted under IC 6-6-5-7.2.

7 Sec. 9. On or before the tenth day of the month following the
8 month in which the surtax is collected, the bureau of motor vehicles
9 shall remit the surtax to the fiscal officer of the adopting
10 municipality that imposed the surtax. Concurrently with the
11 remittance, the bureau of motor vehicles shall file a surtax
12 collections report prepared on forms prescribed by the state board
13 of accounts with the fiscal officer of the adopting municipality.

14 Sec. 10. (a) The fiscal officer of an adopting municipality shall
15 deposit the surtax revenues in a fund to be known as the
16 "municipal surtax fund".

17 (b) An adopting municipality may use the surtax revenues that
18 the adopting municipality receives under this section only to
19 construct, reconstruct, repair, or maintain streets and roads under
20 the adopting municipality's jurisdiction.

21 Sec. 11. On or before August 1 of each year, the fiscal officer of
22 an adopting municipality shall provide the fiscal body of the
23 adopting municipality with an estimate of the surtax revenues to be
24 received by the adopting municipality during the next calendar
25 year. The adopting municipality shall include the estimated surtax
26 revenues in the adopting municipality's budget estimate for the
27 calendar year.

28 Sec. 12. The department or the bureau of motor vehicles, as
29 applicable, may impose a service charge under IC 9-29 for each
30 surtax collected under this chapter.

31 Sec. 13. (a) The owner of a motor vehicle who knowingly
32 registers the vehicle without paying the surtax imposed under this
33 chapter with respect to that registration commits a Class B
34 misdemeanor.

35 (b) An employee of the bureau of motor vehicles who recklessly
36 issues a registration on any motor vehicle without collecting the
37 surtax imposed under this chapter with respect to that registration
38 commits a Class B misdemeanor.

- 31 (1) is included in one (1) of the classes of vehicles listed in
- 32 section 3 of this chapter;
- 33 (2) is not exempt from the wheel tax under section 4 of this
- 34 chapter; and
- 35 (3) is registered in the eligible municipality.
- 36 **(b) The fiscal body of an eligible municipality may not adopt an**

- 38 **concurrently adopts an ordinance under IC 6-3.5-10 to impose the**
- 39 **annual license excise surtax.**
- 40 **(c) The fiscal body of an eligible municipality may not adopt an**
- 41 **ordinance to impose the wheel tax unless the eligible municipality**
- 42 **uses a transportation asset management plan approved by the**

1 **Indiana department of transportation.**

2 **(d) The fiscal body of an eligible municipality may impose the**
 3 **wheel tax at a different rate for each of the classes of vehicles listed**
 4 **in section 3 of this chapter. In addition, the fiscal body may**
 5 **establish different rates within the classes of buses, recreational**
 6 **vehicles, semitrailers, trailers, tractors, and trucks based on weight**
 7 **classifications of those vehicles that are established by the bureau**
 8 **of motor vehicles for use throughout Indiana. However, the wheel**

- 27 **(5) a bus owned and operated by a religious or nonprofit**
 28 **youth organization and used to transport persons to religious**
 29 **services or for the benefit of its members.**

30 **Sec. 5. If the fiscal body of an eligible municipality adopts an**
 31 **ordinance imposing the wheel tax after December 31 but before**
 32 **July 1 of the following year, a vehicle described in section 2(a) of**
 33 **this chapter is subject to the tax if the vehicle is registered in the**
 34 **adopting municipality after December 31 of the year in which the**
 35 **ordinance is adopted. If a fiscal body adopts an ordinance imposing**
 36 **the wheel tax after June 30 but before the following January 1, a**
 37 **vehicle described in section 2(a) of this chapter is subject to the tax**
 38 **if the vehicle is registered in the adopting municipality after**
 39 **December 31 of the year following the year in which the ordinance**
 40 **is adopted. However, in the first year the tax is effective, the tax**
 41 **does not apply to the registration of a motor vehicle for the**
 42 **registration year that commenced in the calendar year preceding**

1 the year the tax is first effective.

2 Sec. 6. (a) After January 1 but before July 1 of any year, the
3 fiscal body of an adopting municipality may, subject to the
4 limitations imposed by subsection (b), adopt an ordinance to
5 rescind the wheel tax. If a fiscal body adopts an ordinance to
6 rescind the wheel tax, the wheel tax does not apply to a vehicle
7 registered after December 31 of the year the ordinance is adopted.

8 (b) The fiscal body of an adopting municipality may not adopt
9 an ordinance to rescind the wheel tax unless the fiscal body
10 concurrently adopts an ordinance under IC 6-3.5-10 to rescind the
11 annual license excise surtax.

12 Sec. 7. The fiscal body of an adopting municipality may adopt
13 an ordinance to increase or decrease the wheel tax rates. The new
14 wheel tax rates must be within the range of rates prescribed by
15 section 2 of this chapter. New rates that are established by an
16 ordinance that is adopted after December 31 but before July 1 of
17 the following year apply to vehicles registered after December 31
18 of the year in which the ordinance to change the rates is adopted.
19 New rates that are established by an ordinance that is adopted
20 after June 30 but before July 1 of the following year apply to motor
21 vehicles registered after December 31 of the year following the
22 year in which the ordinance is adopted.

23 Sec. 8. If the fiscal body of an eligible municipality adopts an
24 ordinance to impose, rescind, or change the rates of the wheel tax,
25 the fiscal body shall send a copy of the ordinance to the
26 commissioner of the bureau of motor vehicles.

27 Sec. 9. (a) Every owner of a vehicle for which the wheel tax has
28 been paid for the owner's registration year is entitled to a credit if
29 during that registration year the owner sells the vehicle. The
30 amount of the credit equals the wheel tax paid by the owner for the
31 vehicle that was sold. The credit may be applied by the owner only
32 against the wheel tax owed for a vehicle that is purchased during
33 the same registration year.

34 (b) An owner of a vehicle is not entitled to a refund of any part
35 of a credit that is not used under this section.

36 Sec. 10. A person may not register a vehicle in an adopting
37 municipality unless the person pays the wheel tax due, if any, to the
38 bureau of motor vehicles. The amount of the wheel tax due is based
39 on the wheel tax rate, for that class of vehicle, in effect at the time
40 of registration. The bureau of motor vehicles shall collect the wheel
41 tax due, if any, at the time a motor vehicle is registered. The
42 department or the bureau of motor vehicles, as applicable, may

1 impose a service charge under IC 9-29 for each wheel tax collection
2 made under this chapter.

3 Sec. 11. (a) An owner of one (1) or more commercial vehicles
4 paying an apportioned registration to the state under the
5 International Registration Plan that is required to pay a wheel tax
6 shall pay an apportioned wheel tax calculated by dividing in-state
7 actual miles by total fleet miles generated during the preceding
8 year. If in-state miles are estimated for purposes of proportional
9 registration, these miles are divided by total actual and estimated
10 fleet miles. The apportioned wheel tax under this section shall be
11 paid at the same time and in the same manner as the commercial
12 motor vehicle excise tax under IC 6-6-5.5.

13 (b) A voucher from the department showing payment of the
14 wheel tax may be accepted by the bureau of motor vehicles instead
15 of the payment required under section 10 of this chapter.

16 Sec. 12. On or before the tenth day of the month following the
17 month in which the wheel tax is collected, the bureau of motor
18 vehicles shall remit the wheel tax to the fiscal officer of the
19 adopting municipality that imposed the wheel tax. Concurrently
20 with the remittance, the bureau shall file a wheel tax collections
21 report prepared on forms prescribed by the state board of
22 accounts with the fiscal officer of the adopting municipality.

23 Sec. 13. (a) If the wheel tax is collected directly by the bureau of
24 motor vehicles instead of at a branch office, the commissioner of
25 the bureau shall:

26 (1) remit the wheel tax to, and file a wheel tax collections
27 report with, the fiscal officer of the appropriate municipality;
28 and

29 (2) file a wheel tax collections report with the fiscal officer of
30 the appropriate municipality;

31 in the same manner and at the same time that a branch office
32 manager is required to remit and report under section 12 of this
33 chapter.

34 (b) If the wheel tax for a commercial vehicle is collected directly
35 by the department, the commissioner of the department shall:

36 (1) remit the wheel tax to, and file a wheel tax collections
37 report with, the fiscal officer of the appropriate municipality;
38 and

39 (2) file a wheel tax collections report with the fiscal officer of
40 the appropriate municipality;

41 in the same manner and at the same time that a branch office
42 manager is required to remit and report under section 12 of this

- 1 chapter.
- 2 **Sec. 14. (a) The fiscal officer of an adopting municipality shall**
- 3 **deposit the wheel tax revenues in a fund to be known as the**
- 4 **"municipal wheel tax fund".**
- 5 **(b) An adopting municipality may use the wheel tax revenues**
- 6 **that the municipality receives under this section only:**
- 7 **(1) to construct, reconstruct, repair, or maintain streets and**
- 8 **roads under its jurisdiction; or**
- 9 **(2) as a contribution to an authority established under**
- 10 **IC 36-7-23.**
- 11 **Sec. 15. On or before August 1 of each year, the fiscal officer of**
- 12 **an adopting municipality shall provide the fiscal body of the**
- 13 **adopting municipality with an estimate of the wheel tax revenues**
- 14 **to be received by the adopting municipality during the next**
- 15 **calendar year. The adopting municipality shall include the**
- 16 **estimated wheel tax revenues in the adopting municipality's budget**
- 17 **estimate for the calendar year.**
- 18 **Sec. 16. (a) The owner of a vehicle who knowingly registers the**
- 19 **vehicle without paying the wheel tax imposed under this chapter**
- 20 **with respect to that registration commits a Class B misdemeanor.**
- 21 **(b) An employee of the bureau of motor vehicles who recklessly**
- 22 **issues a registration on any vehicle without collecting the wheel tax**
- 23 **imposed under this chapter with respect to that registration**
- 24 **commits a Class B misdemeanor.**

- (2) a fraction equal to:

(c) A county or municipality may use money allocated to the county or the municipality under subsection (b) only for:

- (1) the county's or municipality's contribution to the funding of an eligible project (as defined in IC 8-23-30-1) for which the county or municipality is seeking a matching grant under IC 8-23-30; or
- (2) a purpose described in IC 8-14-2-5(1).

SECTION 16. IC 6-3.6-6-10, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 10. (a) This section applies to additional revenue from a tax under this chapter that is allocated for certified shares.

(b) Additional revenue remaining from a tax imposed under this chapter, after deducting the amounts allocated to public safety purposes, **road and bridge purposes**, and economic development purposes, shall be allocated among the civil taxing units as certified shares.

SECTION 17. IC 6-3.6-9-5, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 5. (a) Before August 2 of each calendar year, the budget agency shall provide to the department of local government

1 finance and the county auditor of each adopting county an estimate of
 2 the amount determined under section 4 of this chapter that will be
 3 distributed to the county, based on known tax rates. Not later than
 4 fifteen (15) days after receiving the estimate of the certified
 5 distribution, the department of local government finance shall
 6 determine for each taxing unit and notify the county auditor of the
 7 estimated amount of property tax credits, school distributions, public
 8 safety revenue, **road and bridge revenue**, economic development
 9 revenue, certified shares, and special purpose revenue that will be
 10 distributed to the taxing unit under this chapter during the ensuing
 11 calendar year. Not later than thirty (30) days after receiving the
 12 department's estimate, the county auditor shall notify each taxing unit
 13 of the amounts estimated for the taxing unit.

14 (b) Before October 1 of each calendar year, the budget agency shall
 15 certify to the department of local government finance and the county
 16 auditor of each adopting county:

 20 year.

21 The amount certified is the county's certified distribution for the
 22 immediately succeeding calendar year. The amount certified shall be
 23 adjusted, as necessary, under sections 6, 7, and 8 of this chapter. Not
 24 later than fifteen (15) days after receiving the amount of the certified
 25 distribution, the department of local government finance shall
 26 determine for each taxing unit and notify the county auditor of the
 27 certified amount of property tax credits, school distributions, public
 28 safety revenue, **road and bridge revenue**, economic development
 29 revenue, certified shares, and special purpose revenue that will be
 30 distributed to the taxing unit under this chapter during the ensuing

 41 chapter. The distributor shall then add the per gallon amount of tax to
 42 the selling price of each gallon of gasoline sold in this state and

39 SECTION 20. IC 6-6-2.5-22.5 IS ADDED TO THE INDIANA
40 CODE AS A NEW SECTION TO READ AS FOLLOWS
41 [EFFECTIVE UPON PASSAGE]: **Sec. 22.5. As used in this chapter,**
42 **"special fuel gallon" means:**

1 (1) except as provided in subdivisions (2) and (3), a gallon of
2 special fuel;

3 (2) a diesel gallon equivalent (as defined in IC 6-6-4.1-1(f)), in
4 the case of a special fuel that is liquid natural gas; or

5 (3) a gasoline gallon equivalent (as defined in IC 6-6-4.1-1(g)),
6 in the case of a special fuel that is compressed natural gas.

7 SECTION 21. IC 6-6-2.5-28, AS AMENDED BY P.L.190-2014,
8 SECTION 24, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
9 UPON PASSAGE]: Sec. 28. (a) A license tax of sixteen cents (~~\$0.16~~)
10 per:

11 (1) gallon;

12 (2) diesel gallon equivalent (as defined in IC 6-6-4.1-1(f)); in the
13 case of a special fuel that is liquid natural gas; or

14 (3) gasoline gallon equivalent (as defined in IC 6-6-4.1-1(g)); in
15 the case of a special fuel that is compressed natural gas;

16 is imposed on all special fuel sold or used in producing or generating
17 power for propelling motor vehicles, except fuel used under section
18 30(a)(8) or 30.5 of this chapter, **at the applicable rate specified in**
19 **subsection (b)**. The tax shall be paid at those times, in the manner, and
20 by those persons specified in this section and section 35 of this chapter.

21 (b) **The license tax described in subsection (a) is imposed at one**
22 **(1) of the following rates, as applicable:**

23 (1) **Before July 1, 2016, sixteen cents (\$0.16) per special fuel**
24 **gallon.**

25 (2) **After June 30, 2016, the product of the following, rounding**
26 **the result of the multiplication to the nearest cent:**

27 (A) **Sixteen cents (\$0.16) per special fuel gallon.**

28 (B) **The factor determined under IC 6-6-1.6-2.**

29 **The department shall publish the rate determined under this**
30 **subdivision on the department's Internet web site not later**
31 **than June 1, 2016.**

32 (b) (c) The department shall consider it a rebuttable presumption
33 that all undyed or unmarked special fuel, or both, received in Indiana
34 is to be sold for use in propelling motor vehicles.

35 (c) (d) Except as provided in subsection (1), (e), the tax imposed on
36 special fuel by subsection (a) shall be measured by invoiced gallons (or
37 diesel or gasoline gallon equivalents in the case of a special fuel
38 described in ~~subsection (a)(2) or (a)(3)~~ **section 22.5(2) or 22.5(3) of**
39 **this chapter** of nonexempt special fuel received by a licensed supplier
40 in Indiana for sale or resale in Indiana or with respect to special fuel
41 subject to a tax precollection agreement under section 35(d) of this
42 chapter, such special fuel removed by a licensed supplier from a

1 terminal outside of Indiana for sale for export or for export to Indiana
 2 and in any case shall generally be determined in the same manner as
 3 the tax imposed by Section 4081 of the Internal Revenue Code and
 4 Code of Federal Regulations.

5 ~~(d)~~ (e) The tax imposed by subsection (a) on special fuel imported
 6 into Indiana, other than into a terminal, is imposed at the time the
 7 product is entered into Indiana and shall be measured by invoiced
 8 gallons received at a terminal or at a bulk plant.

9 ~~(e)~~ (f) In computing the tax, all special fuel in process of transfer
 10 from tank steamers at boat terminal transfers and held in storage
 11 pending wholesale bulk distribution by land transportation, or in tanks
 12 and equipment used in receiving and storing special fuel from interstate
 13 pipelines pending wholesale bulk reshipment, shall not be subject to
 14 tax.

15 ~~(f)~~ (g) The department shall consider it a rebuttable presumption
 16 that special fuel consumed in a motor vehicle plated for general
 17 highway use is subject to the tax imposed under this chapter. A person
 18 claiming exempt use of special fuel in such a vehicle must maintain
 19 adequate records as required by the department to document the
 20 vehicle's taxable and exempt use.

21 ~~(g)~~ (h) A person that engages in blending fuel for taxable sale or use
 22 in Indiana is primarily liable for the collection and remittance of the tax
 23 imposed under subsection (a). The person shall remit the tax due in
 24 conjunction with the filing of a monthly report in the form prescribed
 25 by the department.

26 ~~(h)~~ (i) A person that receives special fuel that has been blended for
 27 taxable sale or use in Indiana is secondarily liable to the state for the
 28 tax imposed under subsection (a).

29 ~~(i)~~ (j) A person may not use special fuel on an Indiana public
 30 highway if the special fuel contains a sulfur content that exceeds five
 31 one-hundredths of one percent (0.05%). A person who knowingly:

32 (1) violates; or

33 (2) aids or abets another person to violate;

34 this subsection commits a Class A infraction. However, the violation
 35 is a Class A misdemeanor if the person has committed one (1) prior
 36 unrelated violation of this subsection, and a Level 6 felony if the person
 37 has committed more than one (1) unrelated violation of this subsection.

38 SECTION 22. IC 6-6-2.5-62, AS AMENDED BY P.L.158-2013,
 39 SECTION 98, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 40 UPON PASSAGE]: Sec. 62. (a) No person shall import, sell, use,
 41 deliver, or store in Indiana special fuel in bulk as to which dye or a
 42 marker, or both, has not been added in accordance with section 31 of

1 this chapter, or as to which the tax imposed by this chapter has not
 2 been paid to or accrued by a licensed supplier or licensed permissive
 3 supplier as shown by a notation on a terminal-issued shipping paper
 4 subject to the following exceptions:

5 (1) A supplier shall be exempt from this provision with respect to
 6 special fuel manufactured in Indiana or imported by pipeline or
 7 waterborne barge and stored within a terminal in Indiana.

8 (2) An end user shall be exempt from this provision with respect
 9 to special fuel in a vehicle supply tank when the fuel was placed
 10 in the vehicle supply tank outside of Indiana.

11 (3) A licensed importer, and transporter operating on the
 12 importer's behalf, that transports in vehicles with a capacity of
 13 more than five thousand four hundred (5,400) gallons, shall be
 14 exempt from this prohibition if the importer or the transporter has
 15 met all of the following conditions:

16 (A) The importer or the transporter before entering onto the
 17 highways of Indiana has obtained an import verification
 18 number from the department not earlier than twenty-four (24)
 19 hours before entering Indiana.

20 (B) The import verification number must be set out
 21 prominently and indelibly on the face of each copy of the
 22 terminal-issued shipping paper carried on board the transport
 23 truck.

24 (C) The terminal origin and the importer's name and address
 25 must be set out prominently on the face of each copy of the
 26 terminal-issued shipping paper.

27 (D) The terminal-issued shipping paper data otherwise
 28 required by this chapter is present.

29 (E) All tax imposed by this chapter with respect to previously
 30 requested import verification number activity on the account
 31 of the importer or the transporter has been timely remitted.

32 In every case, a transporter acting in good faith is entitled to rely upon
 33 representations made to the transporter by the fuel supplier or importer
 34 and when acting in good faith is not liable for the negligence or
 35 malfeasance of another person. A person who knowingly violates or
 36 knowingly aids and abets another person in violating this subsection
 37 commits a Level 6 felony.

38 (b) No person shall export special fuel from Indiana unless that
 39 person has obtained an exporter's license or a supplier's license or has
 40 paid the destination state special fuel tax to the supplier and can
 41 demonstrate proof of export in the form of a destination state bill of
 42 lading. A person who knowingly violates or knowingly aids and abets

1 another person in violating this subsection commits a Level 6 felony.

2 (c) No person shall operate or maintain a motor vehicle on any
3 public highway in Indiana with special fuel contained in the fuel supply
4 tank for the motor vehicle that contains dye or a marker, or both, as
5 provided under section 31 of this chapter. This provision does not
6 apply to persons operating motor vehicles that have received fuel into
7 their fuel tanks outside of Indiana in a jurisdiction that permits
8 introduction of dyed or marked, or both, special fuel of that color and
9 type into the motor fuel tank of highway vehicles or to a person that
10 qualifies for the federal fuel tax exemption under Section 4082 of the
11 Internal Revenue Code and that is registered with the department as a
12 dyed fuel user. A person who knowingly:

13 (1) violates; or

14 (2) aids and abets another person in violating;

15 this subsection commits a Class A infraction. However, the violation
16 is a Class A misdemeanor if the person has committed one (1) prior
17 unrelated violation of this subsection, and a Level 6 felony if the person
18 has committed more than one (1) prior unrelated violation of this
19 subsection.

20 (d) No person shall engage in any business activity in Indiana as to
21 which a license is required by section 41 of this chapter unless the
22 person shall have first obtained the license. A person who knowingly
23 violates or knowingly aids and abets another person in violating this
24 subsection commits a Level 6 felony.

25 (e) No person shall operate a motor vehicle with a capacity of more
26 than five thousand four hundred (5,400) gallons that is engaged in the
27 shipment of special fuel on the public highways of Indiana and that is
28 destined for a delivery point in Indiana, as shown on the
29 terminal-issued shipping papers, without having on board a
30 terminal-issued shipping paper indicating with respect to any special
31 fuel purchased:

32 (1) under claim of exempt use, a notation describing the load or
33 the appropriate portion of the load as Indiana tax exempt special
34 fuel;

35 (2) if not purchased under a claim of exempt use, a notation
36 describing the load or the appropriate portion thereof as Indiana
37 taxed or pretaxed special fuel; or

38 (3) if imported by or on behalf of a licensed importer instead of
39 the pretaxed notation, a valid verification number provided before
40 entry into Indiana by the department or the department's designee
41 or appointee, and the valid verification number may be
42 handwritten on the shipping paper by the transporter or importer.

1 A person is in violation of subdivision (1) or (2) (whichever applies) if
 2 the person boards the vehicle with a shipping paper that does not meet
 3 the requirements described in the applicable subdivision (1) or (2). A
 4 person in violation of this subsection commits a Class A infraction (as
 5 defined in IC 34-28-5-4).

6 (f) A person may not sell or purchase any product for use in the
 7 supply tank of a motor vehicle for general highway use that does not
 8 meet ASTM standards as published in the annual Book of Standards
 9 and its supplements unless amended or modified by rules adopted by
 10 the department under IC 4-22-2. The transporter and the transporter's
 11 agent and customer have the exclusive duty to dispose of any product
 12 in violation of this section in the manner provided by federal and state
 13 law. A person who knowingly:

- 14 (1) violates; or
- 15 (2) aids and abets another in violating;

16 this subsection commits a Level 6 felony.

17 (g) This subsection does not apply to the following:

- 18 (1) A person that:
 - 19 (A) inadvertently manipulates the dye or marker concentration
 - 20 of special fuel or coloration of special fuel; and
 - 21 (B) contacts the department within one (1) business day after
 - 22 the date on which the contamination occurs.
- 23 (2) A person that affects the dye or marker concentration of
- 24 special fuel by engaging in the blending of the fuel, if the blender:
 - 25 (A) collects or remits, or both, all tax due as provided in
 - 26 section ~~28(g)~~ **28(h)** of this chapter;
 - 27 (B) maintains adequate records as required by the department
 - 28 to account for the fuel that is blended and its status as a
 - 29 taxable or exempt sale or use; and
 - 30 (C) is otherwise in compliance with this subsection.

31 A person may not manipulate the dye or marker concentration of a
 32 special fuel or the coloration of special fuel after the special fuel is
 33 removed from a terminal or refinery rack for sale or use in Indiana. A
 34 person who knowingly violates or aids and abets another person to
 35 violate this subsection commits a Level 6 felony.

36 (h) This subsection does not apply to a person that receives blended
 37 fuel from a person in compliance with subsection (g)(2). A person may
 38 not sell or consume special fuel if the special fuel dye or marker
 39 concentration or coloration has been manipulated, inadvertently or
 40 otherwise, after the special fuel has been removed from a terminal or
 41 refinery rack for sale or use in Indiana. A person who knowingly:

- 42 (1) violates; or

1 (2) aids and abets another to violate;
2 this subsection commits a Level 6 felony.

3 (i) A person may not engage in blending fuel for taxable use in
4 Indiana without collecting and remitting the tax due on the untaxed
5 portion of the fuel that is blended. A person who knowingly:

6 (1) violates; or

7 (2) aids and abets another to violate;
8 this subsection commits a Level 6 felony.

9 SECTION 23. IC 6-6-2.5-64 IS AMENDED TO READ AS
10 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 64. (a) If any
11 person liable for the tax files a false or fraudulent return, there shall be
12 added to the tax an amount equal to the tax the person evaded or
13 attempted to evade.

14 (b) The department shall impose a civil penalty of one thousand
15 dollars (\$1,000) for a person's first occurrence of transporting special
16 fuel without adequate shipping papers as required under sections 40,
17 41(g), and 62(e) of this chapter, unless the person shall have complied
18 with rules adopted under IC 4-22-2. Each subsequent occurrence
19 described in this subsection is subject to a civil penalty of five thousand
20 dollars (\$5,000).

21 (c) The department shall impose a civil penalty on the operator of
22 a vehicle of two hundred dollars (\$200) for the initial occurrence, two
23 thousand five hundred dollars (\$2,500) for the second occurrence, and
24 five thousand dollars (\$5,000) for the third and each subsequent
25 occurrence of a violation of either:

26 (1) the prohibition of use of dyed or marked special fuel, or both,
27 on the Indiana public highways, except for a person that qualifies
28 for the federal fuel tax exemption under Section 4082 of the
29 Internal Revenue Code and that is registered with the department
30 as a dyed fuel user; or

31 (2) the use of special fuel in violation of section ~~28(i)~~ **28(j)** of this
32 chapter.

33 (d) A supplier that makes sales for export to a person:

34 (1) who does not have an appropriate export license; or

35 (2) without collection of the destination state tax on special fuel
36 nonexempt in the destination state;

37 shall be subject to a civil penalty equal to the amount of Indiana's
38 special fuel tax in addition to the tax due.

39 (e) The department may impose a civil penalty of one thousand
40 dollars (\$1,000) for each occurrence against every terminal operator
41 that fails to meet shipping paper issuance requirements under section
42 40 of this chapter.

1 (f) Each importer or transporter who knowingly imports undyed or
2 unmarked special fuel, or both, in a transport truck without:

3 (1) a valid importer license;

4 (2) a supplier license;

5 (3) an import verification number, if transporting in a vehicle with
6 a capacity of more than five thousand four hundred (5,400)
7 gallons; or

8 (4) a shipping paper showing on the paper's face as required under
9 this chapter that Indiana special fuel tax is not due;

10 is subject to a civil penalty of ten thousand dollars (\$10,000) for each
11 occurrence described in this subsection.

12 (g) This subsection does not apply to a person if section 62(g) of this
13 chapter does not apply to the person. A:

14 (1) person that manipulates the dye or marker concentration of
15 special fuel or the coloration of special fuel after the special fuel
16 is removed from a terminal or refinery rack for sale or use in
17 Indiana; and

18 (2) person that receives the special fuel;

19 are jointly and severally liable for the special fuel tax due on the
20 portion of untaxed fuel plus a penalty equal to the greater of one
21 hundred percent (100%) of the tax due or one thousand dollars
22 (\$1,000).

23 (h) A person that engages in blending fuel for taxable sale or use in
24 Indiana and does not collect and remit all tax due on untaxed fuel that
25 is blended is liable for the tax due plus a penalty that is equal to the
26 greater of one hundred percent (100%) of the tax due or one thousand
27 dollars (\$1,000).

36 natural gas; or**

37 **(3) a gasoline gallon equivalent of a special fuel that is
38 compressed natural gas or an alternative fuel commonly or
39 commercially known or sold as butane or propane.**

40 **(a) (b) A surcharge tax is imposed on the consumption of motor fuel
41 by a carrier in its operations on highways in Indiana at the applicable
42 rate specified in subsection (c). The rate of this surcharge tax is**

- 1 eleven cents (\$0.11) per:
 2 (1) gallon of gasoline or special fuel (other than natural gas or an
 3 alternative fuel commonly or commercially known or sold as

 24 operations on highways in Indiana is the total amount of motor fuel
 25 consumed in its entire operations within and without Indiana,
 26 multiplied by a fraction. The numerator of the fraction is the total
 27 number of miles traveled on highways in Indiana, and the denominator
 28 of the fraction is the total number of miles traveled within and without
 29 Indiana.
- 30 ~~(c)~~ **(e)** The amount of tax that a carrier shall pay for a particular
 31 quarter under this section equals the product of the tax rate in effect for
