25
 26 **A. LEGISLATIVE**

27
 28 **FOR THE GENERAL ASSEMBLY**

29	LEGISLATORS' SALARIES - HOUSE		
30	Total Operating Expense	6,706,080	7,851,879
31	HOUSE EXPENSES

35	SENATE EXPENSES		
36	Total Operating Expense	9,893,709	11,162,575

37
 38 Included in the above appropriations for house and senate expenses are funds for
 39 a legislative business per diem allowance, meals, and other usual and customary
 40 expenses associated with legislative affairs. Except as provided below, this allowance
 41 is to be paid to each member of the general assembly for every day, including Sundays,
 42 during which the general assembly is convened in regular or special session, commencing
 43 with the day the session is officially convened and concluding with the day the session
 44 is adjourned sine die. However, after five (5) consecutive days of recess, the legislative
 45 business per diem allowance is to be made on an individual voucher basis until the
 46 recess concludes.

47
 48 Each member of the general assembly is entitled, when authorized by the speaker of the
 49 house or the president pro tempore of the senate, to the legislative business per diem

1 allowance for every day the member is engaged in official business.

2
3 The legislative business per diem allowance that each member of the general assembly
4 is entitled to receive equals the maximum daily amount allowable to employees of the
5 executive branch of the federal government for subsistence expenses while away from
6 home in travel status in the Indianapolis area. The legislative business per diem changes
7 each time there is a change in that maximum daily amount.

8
9 In addition to the legislative business per diem allowance, each member of the general
10 assembly shall receive the mileage allowance in an amount equal to the standard
11 mileage rates for personally owned transportation equipment established by the federal
12 Internal Revenue Service for each mile necessarily traveled from the member's usual
13 place of residence to the state capitol. However, if the member traveled by a means
14 other than by motor vehicle, and the member's usual place of residence is more than
15 one hundred (100) miles from the state capitol, the member is entitled to reimbursement
16 in an amount equal to the lowest air travel cost incurred in traveling from the
17 usual place of residence to the state capitol. During the period the general assembly
18 is convened in regular or special session, the mileage allowance shall be limited
19 to one (1) round trip each week per member.

20
21 Any member of the general assembly who is appointed by the governor, speaker of
22 the house, president or president pro tempore of the senate, house or senate minority
23 floor leader, or Indiana legislative council to serve on any research, study, or survey
24 committee or commission, or who attends any meetings authorized or convened
25 under the auspices of the Indiana legislative council, including pre-session conferences
26 and federal-state relations conferences, is entitled, when authorized by the legislative
27 council, to receive the legislative business per diem allowance for each day the
28 member is in actual attendance and is also entitled to a mileage allowance, at the
29 rate specified above, for each mile necessarily traveled from the member's usual
30 place of residence to the state capitol, or other in-state site of the committee,
31 commission, or conference. The per diem allowance and the mileage allowance permitted
32 under this paragraph shall be paid from the legislative council appropriation for
33 legislator and lay member travel unless the member is attending an out-of-state
34 meeting, as authorized by the speaker of the house of representatives or the president
35 pro tempore of the senate, in which case the member is entitled to receive:
36 (1) the legislative business per diem allowance for each day the member is engaged
37 in approved out-of-state travel; and
38 (2) reimbursement for traveling expenses actually incurred in connection with the
39 member's duties, as provided in the state travel policies and procedures established
40 by the legislative council.

41
42 Notwithstanding the provisions of this or any other statute, the legislative council
43 may adopt, by resolution, travel policies and procedures that apply only to members
44 of the general assembly or to the staffs of the house of representatives, senate, and
45 legislative services agency, or both members and staffs. The legislative council may
46 apply these travel policies and procedures to lay members serving on research, study,
47 or survey committees or commissions that are under the jurisdiction of the legislative
48 council. Notwithstanding any other law, rule, or policy, the state travel policies and
49 procedures established by the Indiana department of administration and approved

1 by the budget agency do not apply to members of the general assembly, to the staffs
 2 of the house of representatives, senate, or legislative services agency, or to lay members
 3 serving on research, study, or survey committees or commissions under the jurisdiction
 4 of the legislative council (if the legislative council applies its travel policies and
 5 procedures to lay members under the authority of this SECTION), except that, until
 6 the legislative council adopts travel policies and procedures, the state travel policies
 7 and procedures established by the Indiana department of administration and approved
 8 by the budget agency apply to members of the general assembly, to the staffs of the house
 9 of representatives, senate, and legislative services agency, and to lay members serving
 10 on research, study, or survey committees or commissions under the jurisdiction of the
 11 legislative council. The executive director of the legislative services agency is responsible
 12 for the administration of travel policies and procedures adopted by the legislative
 13 council. The auditor of state shall approve and process claims for reimbursement of travel
 14 related expenses under this paragraph based upon the written affirmation of the speaker
 15 of the house of representatives, the president pro tempore of the senate, or the executive
 16 director of the legislative services agency that those claims comply with the travel
 17 policies and procedures adopted by the legislative council. If the funds appropriated
 18 for the house and senate expenses and legislative salaries are insufficient to pay all
 19 the necessary expenses incurred, including the cost of printing the journals of the
 20 house and senate, there is appropriated such further sums as may be necessary to pay
 21 such expenses.

11 Sec. 1. This chapter applies to Vigo County.

12 Sec. 2. The definitions in IC 6-9-12-1 apply throughout this chapter.

13 Sec. 3. As used in this chapter, "capital improvement board" means a capital improvement
14 board of managers of the county established under IC 36-10-8.

15 Sec. 4. (a) The fiscal body of the county may adopt an ordinance to impose an excise tax, known
16 as the county food and beverage tax, on transactions described in section 5 of this chapter. The
17 county fiscal body may adopt an ordinance under this subsection only after the county fiscal body
18 has previously held at least one (1) separate public hearing in which a discussion of the proposed
19 ordinance to impose the county food and beverage tax is the only substantive issue on the agenda
20 for that public hearing.

21 (b) If the county fiscal body adopts an ordinance under subsection (a), the county fiscal body
22 shall immediately send a certified copy of the ordinance to the department of state revenue.

23 (c) If the county fiscal body adopts an ordinance under subsection (a), the county food and

26 Sec. 5. (a) Except as provided in subsection (c), a tax imposed under section 4 of this chapter
27 applies before January 1, 2043, to a transaction in which food or beverage is furnished, prepared,

45 a food or beverage in a transaction that is exempt, or to the extent the transaction is exempt, from
46 the state gross retail tax imposed by IC 6-2.5.

47 Sec. 6. The county food and beverage tax rate may not exceed one percent (1%) of the gross
48 retail income received by the merchant from the food or beverage transaction described in section

1 5 of this chapter. For purposes of this chapter, the gross retail income received by the retail
2 merchant from a transaction does not include the amount of tax imposed on the transaction under
3 IC 6-2.5.

4 Sec. 7. A tax imposed under this chapter shall be imposed, paid, and collected in the same
5 manner that the state gross retail tax is imposed, paid, and collected under IC 6-2.5. However, the
6 return to be filed with the payment of the tax imposed under this chapter may be made on a
7 separate return or may be combined with the return filed for the payment of the state gross retail
8 tax, as prescribed by the department of state revenue.

9 Sec. 8. The amounts received from the tax imposed under this chapter shall be paid monthly by
10 the treasurer of state to the treasurer of the capital improvement board upon warrants issued by
11 the auditor of state.

30 authority for public-private agreements between the authority, a private entity, and, where applicable, a
31 governmental entity. Except as provided in this article, no law, procedure, proceeding, publication, notice,
32 consent, approval, order, or act by the authority or any other officer, department, agency, or

37 (b) Before the authority or the department may issue a request for proposals for or enter into a
38 public-private agreement under this article that would authorize an operator to impose tolls for the
39 operation of motor vehicles on all or part of a toll road project, the general assembly must adopt a statute
40 authorizing the imposition of tolls. However, during the period beginning July 1, 2011, and ending June
41 30, 2021, and notwithstanding subsection (c), the general assembly is not required to enact a statute
42 authorizing the authority or the department to issue a request for proposals or enter into a public-private
43 agreement to authorize an operator to impose tolls for the operation of motor vehicles on all or part of the
44 following projects:

46 Highway 69 other than a part described in subdivision (4).

47 (2) The addition of toll lanes, including high occupancy toll lanes, to a highway, roadway, or other

1 facility in existence on July 1, 2011, if the number of nontolled lanes on the highway, roadway, or

4 northwestern Indiana with an interstate highway in Illinois.

5 (4) A project that is located within a metropolitan planning area (as defined by 23 U.S.C. 134) and
6 that connects the state of Indiana with the commonwealth of Kentucky.

7 (c) Before the authority or an operator may carry out any of the following activities under this article,
8 the general assembly must enact a statute authorizing that activity:

9 (1) Imposing tolls on motor vehicles for use of Interstate Highway 69.

10 (2) Imposing tolls on motor vehicles for use of a nontolled highway, roadway, or other facility in
11 existence or under construction on July 1, 2011, including nontolled interstate highways, U.S. routes,

13 (d) The general assembly is not required to enact a statute authorizing the authority or the department
14 to issue a request for proposals or enter into a public-private agreement for a freeway project.

15 (e) The authority may enter into a public-private agreement for a facility project if the general
16 assembly, by statute, authorizes the authority to enter into a public-private agreement for the facility
17 project.

18 (f) As permitted by subsection (e), the general assembly authorizes the authority to enter into
19 public-private agreements for the following facility projects:

43 (2) This article, and any other applicable laws with respect to establishing, charging, and collecting
44 user fees, including IC 8-15.5-7, do not apply, and the operator may establish, charge, and collect
45 user fees as set forth in the public-private agreement.

46 (3) Notwithstanding IC 8-15.5-5-2(2) providing that all improvements and real property must be
47 owned by the authority in the name of the state or by a governmental entity, or both, the

28 (g) A school building that appears for the first time on the department's list under subsection (f) shall
29 be designated as "Unavailable until (a date two (2) years after the school building first appears on the
30 list)" if the governing body of the school corporation that owns the school building indicates to the
31 department, on a form prescribed by the department, that the school building may be reclaimed during
32 that period for classroom instruction. If a governing body does not indicate that a school building may be
33 reclaimed, the governing body shall designate the school building as "Available" on the department's list.
34 The governing body may change the designation of a building from unavailable to available at any time.
35 If a school building that is designated as unavailable on the department's list remains unused for
36 classroom instruction one (1) year after being reclaimed under this subsection, the governing body shall
37 designate the school building as "Available" on the department's list. A governing body may reclaim a
38 school building only one (1) time under this subsection.
39 (h) If a charter school wishes to use a school building on the list created under subsection (f), the
40 charter school shall send a letter of intent to the department. Within thirty (30) days after receiving a letter
41 from a charter school, the department shall notify the school corporation of the charter school's intent,
42 and, within thirty (30) days after receiving notification from the department, the school corporation that
43 owns the school building shall lease the school building to the charter school for one dollar (\$1) per year
44 for as long as the charter school uses the school building for classroom instruction or for a term at the
45 charter school's discretion, or sell the school building to the charter school for one dollar (\$1). The charter
46 school must begin to use the school building for classroom instruction not later than two (2) years after
47 acquiring the school building. If the school building is not used for classroom instruction within two (2)

1 years after acquiring the school building, the school building shall be placed on the department's list under
2 subsection (f). If during the term of the lease the charter school closes or ceases using the school building
3 for classroom instruction, the school building shall be placed on the department's list under subsection
4 (f). If a school building is sold to a charter school under this subsection and the charter school or any
5 entity related to the charter school subsequently sells or transfers the school building to a third party, the
6 charter school or related entity must transfer an amount equal to the gain in the property minus the
7 adjusted basis (including costs of improvements to the school building) to the school corporation that
8 initially sold the vacant school building to the charter school. Gain and adjusted basis shall be determined
9 in the manner prescribed by the Internal Revenue Code and the applicable Internal Revenue Service
10 regulations and guidelines.

11 (i) During the term of a lease under subsection (h), the charter school is responsible for the direct
12 expenses related to the school building leased, including utilities, insurance, maintenance, repairs, and
13 remodeling. The school corporation is responsible for any debt incurred for or liens that attached to the
14 school building before the charter school leased the school building.

15 (j) Notwithstanding anything to the contrary in this section, and with the sole exception of a waiver
16 provided in subsection (n), when a school building is designated as "Available" under subsection (g), the
17 school building must remain designated as "Available" and may not be sold or otherwise disposed of for
18 at least two (2) years. When the two (2) year period has elapsed, the school corporation may sell or
19 otherwise dispose of the school building in accordance with IC 36-1-11.

20 (k) Notwithstanding subsection (e), a governing body may request a waiver from the department from
21 the requirements of subsection (e). In order for a governing body to receive a waiver under subsection (n),
22 the governing body must apply to the department, on a form prescribed by the department, for the waiver.
23 The application must include a statement that the governing body believes that a charter school would
24 not be interested in leasing or purchasing the vacant or unused school building.

25 (l) If the department receives a waiver request under subsection (k), the department, within five (5)
26 days after receiving the waiver request under subsection (k), shall notify each charter school authorizer
27 and statewide organization representing charter schools in Indiana by certified mail of the waiver request
28 received under subsection (k). The notice must include a copy of the governing body's waiver request.

29 (m) Not later than thirty (30) days after a charter school authorizer or statewide organization
30 representing charter schools in Indiana receives a notice described in subsection (l), the charter school
31 authorizer or a statewide organization representing charter schools may submit a qualified objection to
32 the governing body's request for a waiver under subsection (k). The qualified objection must be submitted
33 to the department in writing. In order for an objection to be considered a qualified objection by the
34 department, the objection must include:

35 (1) the name of the charter school that is interested in leasing or purchasing the vacant or unused
36 school building; and

37 (2) a time frame, which may not exceed one (1) year from the date of the objection, in which the
38 charter school intends to begin providing classroom instruction in the vacant or unused school
39 building.

40 (n) If the department receives a qualified objection under subsection (m), the vacant or unused school
41 building shall remain on the department's list under subsection (f) with the designation with which the
42 building is listed under subsection (g) at the time the department receives the waiver request. If the
43 department does not receive a qualified objection, the department shall grant the governing body's request
44 for a waiver. A governing body that receives a waiver under this subsection may sell or otherwise dispose
45 of the unused or vacant school building in accordance with IC 36-1-11.

46 **(o) The governing body of the Muncie community school corporation may sell to Ball State**
47 **University an existing school building of the Muncie community school corporation that is located**

1 adjacent to the Ball State University campus without complying with the requirements of subsection
2 (e).

3 (p) The governing body of the School City of East Chicago school corporation may request a
4 waiver from the department from the requirements of subsection (e) for the Carrie Gosch
5 Elementary School building. If requested, the department shall grant the waiver. To receive the
6 waiver, the governing body must apply to the department on a form prescribed by the department.

7 (q) The governing body of the Gary Community School Corporation, while it is designated as
8 a distressed political subdivision, may request a waiver from the department from the requirements
9 of subsection (e) for any school building of the Gary Community School Corporation. If requested,
10 the department may grant the waiver. To receive the waiver, the governing body must apply to the
11 department on a form prescribed by the department.

9 enrollment data that support that enrollment estimate. However, if the enrollment data requested and
10 reviewed by the department does not support the enrollment estimate submitted by the new charter school,
11 the department shall determine the estimated ADM based on the enrollment data requested and reviewed
12 by the department. In each odd-numbered year, the department shall provide the new charter school's
13 estimated ADM to the legislative services agency before April 10 of that year.

8 SECTION 132. IC 20-43-10-3.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO
9 READ AS FOLLOWS [EFFECTIVE JULY 1, 2017]: **Sec. 3.5. (a) Subject to the requirements of this**
10 **section, a school corporation qualifies for a teacher appreciation grant as provided in this section**
11 **for a state fiscal year if one (1) or more licensed teachers employed in the classroom by the school**
12 **corporation were rated as effective or as highly effective, using the most recently completed teacher**
13 **ratings.**

14 (b) A school corporation may not receive a teacher appreciation grant under this section unless:
15 (1) the school corporation has in the state fiscal year in which the teacher appreciation grants
16 are made under this section:

- 17 (A) adopted an annual policy concerning the distribution of teacher appreciation grants;
- 18 and
- 19 (B) submitted the policy to the department for approval; and
- 20 (2) the department has approved the policy.

21 The department shall specify the date by which a policy described in subdivision (1) must be
22 submitted to the department.

23 (c) A virtual school may not receive a teacher appreciation grant under this section.

24 (d) The amount of a teacher appreciation grant for a qualifying school corporation is equal to:

- 25 (1) thirty-nine dollars (\$39); multiplied by
- 26 (2) the school corporation's current ADM.

27 (e) The following apply to the distribution of teacher appreciation grants:

28 (1) If the total amount to be distributed as teacher appreciation grants for a particular state
29 fiscal year exceeds the amount appropriated by the general assembly for teacher appreciation
30 grants for that state fiscal year, the total amount to be distributed as teacher appreciation
31 grants to school corporations shall be proportionately reduced so that the total reduction
32 equals the amount of the excess. The amount of the reduction for a particular school
33 corporation is equal to the total amount of the excess multiplied by a fraction. The numerator
34 of the fraction is the amount of the teacher appreciation grant that the school corporation
35 would have received if a reduction were not made under this section. The denominator of the
36 fraction is the total amount that would be distributed as teacher appreciation grants to all
37 school corporations if a reduction were not made under this section.

38 (2) If the total amount to be distributed as teacher appreciation grants for a particular state
39 fiscal year is less than the amount appropriated by the general assembly for teacher
40 appreciation grants for that state fiscal year, the total amount to be distributed as teacher
41 appreciation grants to school corporations for that particular state fiscal year shall be
42 proportionately increased so that the total amount to be distributed equals the amount of the
43 appropriation for that particular state fiscal year.

44 (f) The annual teacher appreciation grant to which a school corporation is entitled for a state
45 fiscal year shall be distributed to the school corporation before December 5 of that state fiscal year.

46 (g) The following apply to a school corporation's policy under subsection (f) concerning the
47 distribution of teacher appreciation grants:

1 (1) The governing body shall differentiate between a teacher rated as a highly effective teacher
2 and a teacher rated as an effective teacher. The policy must provide that the amount of a
3 stipend awarded to a teacher rated as a highly effective teacher must be at least twenty-five
4 percent (25%) more than the amount of a stipend awarded to a teacher rated as an effective
5 teacher.

6 (3) The governing body may differentiate between school buildings.

7 (4) A stipend to an individual teacher in a particular year is not subject to collective
8 bargaining, but is discussable, and is in addition to the minimum salary or increases in salary
9 set under IC 20-28-9-1.5. The governing body may provide that an amount not exceeding fifty
10 percent (50%) of the amount of a stipend to an individual teacher in a particular state fiscal
11 year becomes a permanent part of and increases the base salary of the teacher receiving the
12 stipend for school years beginning after the state fiscal year in which the stipend is received.

13 The addition to base salary is not subject to collective bargaining, but is discussable.

14 (h) A teacher appreciation grant received by a school corporation shall be allocated among and
15 used only to pay cash stipends to all licensed teachers employed in the classroom who are rated as
16 effective or as highly effective and employed by the school corporation as of December 1.

17 (i) The lead school corporation or interlocal cooperative administering a cooperative or other
18 special education program or administering a career and technical education program, including
19 programs managed under IC 20-26-10, IC 20-35-5, IC 20-37, or IC 36-1-7, shall award teacher
20 appreciation grant stipends to and carry out the other responsibilities of an employing school
21 corporation under this section for the teachers in the special education program or career and
22 technical education program.

23 (j) A school corporation shall distribute all stipends from a teacher appreciation grant to
24 individual teachers within twenty (20) business days of the date the department distributes the
25 teacher appreciation grant to the school corporation. Any part of the teacher appreciation grant
26 not distributed as stipends to teachers before February must be returned to the department on the
27 earlier of the date set by the department or June 30 of that state fiscal year.

28 (k) The department, after review by the budget committee, may waive the December 5 deadline
29 under subsection (f) to distribute an annual teacher appreciation grant to the school corporation
30 under this section for that state fiscal year and approve an extension of that deadline to a later date
31 within that state fiscal year, if the department determines that a waiver and extension of the
32 deadline is in the public interest.

33 (l) The state board may adopt rules under IC 4-22-2, including emergency rules in the manner
34 provided in IC 4-22-2-37.1, as necessary to implement this section.

35 (m) This section expires June 30, 2019.

37 READ AS FOLLOWS [EFFECTIVE JULY 1, 2017]: Sec. 3. The total amount to be distributed under this
38 chapter to a school corporation or charter school for a state fiscal year beginning after June 30, 2015, is
39 the amount determined in STEP FIVE of using the following formula:

40 STEP ONE: Determine the percentage of the school corporation's students who were receiving
41 Supplemental Nutrition Assistance Program (SNAP) benefits, Temporary Assistance for Needy
42 Families (TANF) benefits, or foster care services as of October 1 in the school year ending in the
43 later of:

44 (A) 2015; or

45 (B) the first year of operation of the school corporation.

46 For a conversion charter school, the percentage determined under this STEP is the percentage of the
47 sponsor school corporation.

1 STEP TWO: Determine:

2 (A) for a charter school in the first year of operation, the STEP ONE amount; or

3 (B) for all other school corporations, the result of:

4 (i) the STEP ONE amount; minus

5 the school corporation's prior year complexity index; divided by

6 (ii) three (3) for the state fiscal year beginning July 1, 2015; or two (2) for the state fiscal year

7 beginning July 1, 2016.

8 STEP THREE: Determine the sum of:

9 (A) the prior year complexity index; plus

10 (B) the STEP TWO result; plus

11 (C) for a school corporation that is not a charter school:

12 (i) with at least twenty-five percent (25%) of its ADM eligible for the English language
13 learners program; and

14 (ii) that has a STEP TWO (B)(i) amount that is less than negative one-tenth (-0.1);

15 the absolute value of the STEP TWO (B)(i) amount divided by four (4).

16 STEP FOUR: ONE: Determine the product of:

17 (A) the STEP THREE result; school corporation's complexity index determined under section
18 4 of this chapter; multiplied by

19 (B) three thousand four hundred eighty-nine dollars (\$3,489) for the state fiscal year beginning
20 July 1, 2015; and three thousand five hundred thirty-nine dollars (\$3,539) for the state fiscal year
21 beginning July 1, 2016.

22 (B) three thousand eight hundred ninety-four dollars (\$3,894) for the state fiscal year
23 beginning July 1, 2017, and three thousand nine hundred forty-three dollars (\$3,943) for
24 the state fiscal year beginning July 1, 2018.

25 STEP FIVE: TWO: Determine the product of:

26 (A) the STEP FOUR ONE result; multiplied by

27 (B) the school corporation's current ADM.

28 **STEP THREE: This STEP applies only to a school corporation that has more than eighteen**
29 **percent (18%) of its ADM eligible for the English language learners program and that**
30 **experienced a percentage decrease of more than ten percent (10%) in the percentage of the**
31 **school corporation's students who were receiving Supplemental Nutrition Assistance Program**
32 **(SNAP) benefits, Temporary Assistance for Needy Families (TANF) benefits, or foster care**
33 **services from October 1 in the school year ending in 2015 to October 1 in the school year**
34 **ending in 2017. Determine the result of:**

35 (A) the STEP TWO amount; plus

36 (B) the result of:

37 (i) the school corporation's current ADM; multiplied by

38 (ii) one hundred twenty-eight dollars (\$128).
