The amount so deposited is hereby reappropriated to that agency for other operating expenses of the then current year, if approved by the director of the budget agency.

SECTION 20. [EFFECTIVE JULY 1, 2025]

This act does not authorize any rehabilitation and repairs to any state buildings, nor does it allow that any obligations be incurred for lands and structures, without the prior approval of the budget director or the director's designee. This SECTION does not apply to contracts for the state universities supported in whole or in part by state funds.

SECTION 21. [EFFECTIVE JULY 1, 2025]

If an agency has an annual appropriation fixed by law, and if the agency also receives an appropriation in this act for the same function or program, the appropriation in this act supersedes any other appropriations and is the total appropriation for the agency for that program or function.

SECTION 22. [EFFECTIVE JULY 1, 2025]

The balance of any appropriation or funds heretofore placed or remaining to the

1 credit of any division of the state of Indiana, and any appropriation or funds provided
2 in this act placed to the credit of any division of the state of Indiana, the powers,
3 duties, and functions whereof are assigned and transferred to any department for
4 salaries, maintenance, operation, construction, or other expenses in the exercise
5 of such powers, duties, and functions, shall be transferred to the credit of the
6 department to which such assignment and transfer is made, and the same shall be
7 available for the objects and purposes for which appropriated originally.
8

9 SECTION 23. [EFFECTIVE JULY 1, 2025]

10
11 The director of the division of procurement of the Indiana department of administration,
12 or any other person or agency authorized to make purchases of equipment, shall not
13 honor any requisition for the purchase of an automobile that is to be paid for from any
14 appropriation made by this act or any other act, unless the following facts are shown
15 to the satisfaction of the commissioner of the Indiana department of administration or
16 the commissioner's designee:

17 (1) In the case of an elected state officer, it shall be shown that the duties of the
18 office require driving about the state of Indiana in the performance of official duty.

19 (2) In the case of department or commission heads, it shall be shown that the statutory
20 duties imposed in the discharge of the office require traveling a greater distance
21 than one thousand (1,000) miles each month or that they are subject to official duty
22 call at all times.

23 (3) In the case of employees, it shall be shown that the major portion of the duties
24 assigned to the employee require travel on state business in excess of one thousand
25 (1,000) miles each month, or that the vehicle is identified by the agency as an integral
26 part of the job assignment.
27

28 In computing the number of miles required to be driven by a department head or an
29 employee, the distance between the individual's home and office or designated official
30 station is not to be considered as a part of the total. Department heads shall annually
31 submit justification for the continued assignment of each vehicle in their department,
32 which shall be reviewed by the commissioner of the Indiana department of administration,
33 or the commissioner's designee. There shall be an insignia permanently affixed on each
34 side of all state owned cars, designating the cars as being state owned. However, this
35 requirement does not apply to state owned cars driven by elected state officials or to
36 cases where the commissioner of the Indiana department of administration or the
37 commissioner's designee determines that affixing insignia on state owned cars would
38 hinder or handicap the persons driving the cars in the performance of their official
39 duties.
40

41 SECTION 24. [EFFECTIVE JULY 1, 2025]

42
43 When budget agency approval or review is required under this act, the budget agency
44 may refer to the budget committee any budgetary or fiscal matter for an advisory
45 recommendation. The budget committee may hold hearings and take any actions authorized
46 by IC 4-12-1-11, and may make an advisory recommendation to the budget agency.
47

48 SECTION 25. [EFFECTIVE JULY 1, 2025]

1 Except as provided for under IC 4-12-18, the governor of the state of Indiana is
2 solely authorized to accept on behalf of the state any and all federal funds available
3 to the state of Indiana. Federal funds received under this SECTION are appropriated
4 for purposes specified by the federal government, subject to allotment by the budget
5 agency. The provisions of this SECTION and all other SECTIONS concerning the
6 acceptance, disbursement, review, and approval of any grant, loan, or gift made by
7 the federal government or any other source to the state or its agencies and political
8 subdivisions shall apply, notwithstanding any other law.
9

10 SECTION 26. [EFFECTIVE JULY 1, 2025]

11
12 Except as provided for under IC 4-12-18, federal funds received as revenue by a state
13 agency or department are not available to the agency or department for expenditure
14 until allotment has been made by the budget agency under IC 4-12-1-12(d).
15

16 SECTION 27. [EFFECTIVE JULY 1, 2025]

17
18 A contract or an agreement for personal services or other services may not be
19 entered into by any agency or department of state government without the approval
20 of the budget agency or the designee of the budget director.
21

22 SECTION 28. [EFFECTIVE JULY 1, 2025]

23
24 Except in those cases where a specific appropriation has been made to cover the
25 payments for any of the following, the state comptroller shall transfer, from the
26 personal services appropriations for each of the various agencies and departments,
27 necessary payments for Social Security, public employees' retirement, health
28 insurance, life insurance, and any other similar payments directed by the budget
29 agency.
30

31 SECTION 29. [EFFECTIVE JULY 1, 2025]

32
33 Subject to SECTION 24 of this act as it relates to the budget committee, the budget
34 agency with the approval of the governor may withhold allotments of any or all appropriations
35 contained in this act for the biennium, if it is considered necessary to do so in order
36 to prevent a deficit financial situation.
37

29 interest expense paid or accrued in a previous taxable year but allowed as a deduction under Section
30 163 of the Internal Revenue Code in the current taxable year. For purposes of this subdivision, an
31 interest expense is considered paid or accrued only in the first taxable year the deduction would have
32 been allowable under Section 163 of the Internal Revenue Code if the limitation under Section
33 163(j)(1) of the Internal Revenue Code did not exist.

34 (25) Subtract the amount that would have been excluded from gross income but for the enactment
35 of Section 118(b)(2) of the Internal Revenue Code for taxable years ending after December 22, 2017.

44 described in clause (A). For purposes of applying Section 221(b) of the Internal Revenue Code
45 to the amount allowable under this clause, the amount under clause (A) shall not be added to
46 adjusted gross income.

5 or incurred after December 31, 2020.
6 (29) For taxable years beginning after December 31, 2017, and before January 1, 2021, add an

10 under subdivisions (15) and (17) for property placed in service during the taxable year, the
11 taxpayer shall treat a portion of the taxable year modifications for that property as occurring in

15 service during the taxable year treated as occurring in the taxable year in which the property is
16 placed in service equals:
17 (i) the modification for the property otherwise determined under this section; minus
18 (ii) the excess business loss disallowed under this subdivision;
19 but not less than zero (0).
20 (C) The portion of the modifications under subdivisions (15) and (17) for property placed in
21 service during the taxable year treated as occurring in the taxable year immediately following the
22 taxable year in which the property is placed in service equals the modification for the property
23 otherwise determined under this section minus the amount in clause (B).
24 (D) Any reallocation of modifications between taxable years under clauses (B) and (C) shall be
25 first allocated to the modification under subdivision (15), then to the modification under
26 subdivision (17).
27 (30) Add an amount equal to the amount excluded from federal gross income under Section
28 108(f)(5) of the Internal Revenue Code. For purposes of this subdivision:
29 (A) if an amount excluded under Section 108(f)(5) of the Internal Revenue Code would be
30 excludible under Section 108(a)(1)(B) of the Internal Revenue Code, the exclusion under Section
31 108(a)(1)(B) of the Internal Revenue Code shall take precedence; and
32 (B) if an amount would have been excludible under Section 108(f)(5) of the Internal Revenue
33 Code as in effect on January 1, 2020, the amount is not required to be added back under this
34 subdivision.

38 207 of the Taxpayer Certainty and Disaster Relief Tax Act (Division EE of Public Law 116-260);
39 and
40 (B) Section 3134(e) of the Internal Revenue Code.
41 (32) Subtract the amount of an ESA annual grant amount and, as applicable, a CSA annual grant
42 amount distributed to a taxpayer's Indiana education scholarship account under IC 20-51.4 that is

44 scholarship account under IC 20-52 that is used for qualified expenses (as defined in IC 20-52-2-6),

47 (33) For taxable years beginning after December 31, 2019, and before January 1, 2021, add an

2 under Section 85(c) of the Internal Revenue Code.

6 specified research or experimental procedures as required under IC 6-3-2-29.

7 (36) Subtract any other amounts the taxpayer is entitled to deduct under IC 6-3-2.

11 the taxpayer's federal adjusted gross income under the Internal Revenue Code.

12 (b) In the case of corporations, the same as "taxable income" (as defined in Section 63 of the Internal
13 Revenue Code) adjusted as follows:

14 (1) Subtract income that is exempt from taxation under this article by the Constitution and statutes
15 of the United States.

16 (2) Add an amount equal to any deduction or deductions allowed or allowable pursuant to Section
17 170 of the Internal Revenue Code (concerning charitable contributions).

18 (3) Except as provided in subsection (c), add an amount equal to any deduction or deductions
19 allowed or allowable pursuant to Section 63 of the Internal Revenue Code for taxes based on or
20 measured by income and levied at the state level by any state of the United States.

21 (4) Subtract an amount equal to the amount included in the corporation's taxable income under
22 Section 78 of the Internal Revenue Code (concerning foreign tax credits).

23 (5) Add or subtract the amount necessary to make the adjusted gross income of any taxpayer that
24 owns property for which bonus depreciation was allowed in the current taxable year or in an earlier
25 taxable year equal to the amount of adjusted gross income that would have been computed had an

27 depreciation to the property in the year that it was placed in service.

28 (6) Add an amount equal to any deduction allowed under Section 172 of the Internal Revenue Code
29 (concerning net operating losses).

30 (7) Add or subtract the amount necessary to make the adjusted gross income of any taxpayer that
31 placed Section 179 property (as defined in Section 179 of the Internal Revenue Code) in service in
32 the current taxable year or in an earlier taxable year equal to the amount of adjusted gross income
33 that would have been computed had an election for federal income tax purposes not been made for
34 the year in which the property was placed in service to take deductions under Section 179 of the
35 Internal Revenue Code in a total amount exceeding the sum of:

36 (A) twenty-five thousand dollars (\$25,000) to the extent deductions under Section 179 of the
37 Internal Revenue Code were not elected as provided in clause (B); and

38 (B) for taxable years beginning after December 31, 2017, the deductions elected under Section
39 179 of the Internal Revenue Code on property acquired in an exchange if:

40 (i) the exchange would have been eligible for nonrecognition of gain or loss under Section
41 1031 of the Internal Revenue Code in effect on January 1, 2017;

42 (ii) the exchange is not eligible for nonrecognition of gain or loss under Section 1031 of the
43 Internal Revenue Code; and

44 (iii) the taxpayer made an election to take deductions under Section 179 of the Internal
45 Revenue Code with regard to the acquired property in the year that the property was placed into
46 service.

47 The amount of deductions allowable for an item of property under this clause may not exceed the

- 1 amount of adjusted gross income realized on the property that would have been deferred under
2 the Internal Revenue Code in effect on January 1, 2017.
- 3 (8) Add to the extent required by IC 6-3-2-20:
- 4 (A) the amount of intangible expenses (as defined in IC 6-3-2-20) for the taxable year that
5 reduced the corporation's taxable income (as defined in Section 63 of the Internal Revenue Code)
6 for federal income tax purposes; and
7 (B) any directly related interest expenses (as defined in IC 6-3-2-20) that reduced the
8 corporation's adjusted gross income (determined without regard to this subdivision). For purposes
9 of this clause, any directly related interest expense that constitutes business interest within the
10 meaning of Section 163(j) of the Internal Revenue Code shall be considered to have reduced the
11 taxpayer's federal taxable income only in the first taxable year in which the deduction otherwise
12 would have been allowable under Section 163 of the Internal Revenue Code if the limitation
13 under Section 163(j)(1) of the Internal Revenue Code did not exist.
- 14 (9) Add an amount equal to any deduction for dividends paid (as defined in Section 561 of the
15 Internal Revenue Code) to shareholders of a captive real estate investment trust (as defined in
16 section 34.5 of this chapter).

22 December 31, 2008, and before January 1, 2011, of an applicable debt instrument, as provided in
23 Section 108(i) of the Internal Revenue Code. Subtract from the adjusted gross income of any
24 taxpayer that added an amount to adjusted gross income in a previous year the amount necessary to
25 offset the amount included in federal gross income as a result of the deferral of income arising from
26 business indebtedness discharged in connection with the reacquisition after December 31, 2008, and
27 before January 1, 2011, of an applicable debt instrument, as provided in Section 108(i) of the
28 Internal Revenue Code.
- 29 (12) Add the amount excluded from federal gross income under Section 103 of the Internal Revenue
30 Code for interest received on an obligation of a state other than Indiana, or a political subdivision
31 of such a state, that is acquired by the taxpayer after December 31, 2011. For purposes of this
32 subdivision:
- 33 (A) if the taxpayer receives interest from a pass through entity, a regulated investment company,
34 a hedge fund, or similar arrangement, the taxpayer will be considered to have acquired the
35 obligation on the date the entity acquired the obligation;
- 36 (B) if ownership of the obligation occurs by means other than a purchase, the date of acquisition
37 of the obligation shall be the date ownership of the obligation was transferred, except to the
38 extent provided in clause (A), and if a portion of the obligation is acquired on multiple dates, the
39 date of acquisition shall be considered separately for each portion of the obligation; and
40 (C) if ownership of the obligation occurred as the result of a refinancing of another obligation,
41 the acquisition date shall be the date on which the obligation was refinanced.
- 42 (13) For taxable years beginning after December 25, 2016:

- 44 (i) an amount equal to the amount reported by the taxpayer on IRC 965 Transition Tax
45 Statement, line 1; or
46 (ii) if the taxpayer deducted an amount under Section 965(c) of the Internal Revenue Code in
47 determining the taxpayer's taxable income for purposes of the federal income tax, the amount

1 deducted under Section 965(c) of the Internal Revenue Code; and
2 (B) for a real estate investment trust, add an amount equal to the deduction for deferred foreign
3 income that was claimed by the taxpayer for the taxable year under Section 965(c) of the Internal
4 Revenue Code, but only to the extent that the taxpayer included income pursuant to Section 965
5 of the Internal Revenue Code in its taxable income for federal income tax purposes or is required
6 to add back dividends paid under subdivision (9).

7 (14) Add an amount equal to the deduction that was claimed by the taxpayer for the taxable year
8 under Section 250(a)(1)(B) of the Internal Revenue Code (attributable to global intangible low-taxed
9 income). The taxpayer shall separately specify the amount of the reduction under Section
10 250(a)(1)(B)(i) of the Internal Revenue Code and under Section 250(a)(1)(B)(ii) of the Internal
11 Revenue Code.

12 (15) Subtract any interest expense paid or accrued in the current taxable year but not deducted as
13 a result of the limitation imposed under Section 163(j)(1) of the Internal Revenue Code. Add any
14 interest expense paid or accrued in a previous taxable year but allowed as a deduction under Section
15 163 of the Internal Revenue Code in the current taxable year. For purposes of this subdivision, an
16 interest expense is considered paid or accrued only in the first taxable year the deduction would have
17 been allowable under Section 163 of the Internal Revenue Code if the limitation under Section
18 163(j)(1) of the Internal Revenue Code did not exist.

19 (16) Subtract the amount that would have been excluded from gross income but for the enactment
20 of Section 118(b)(2) of the Internal Revenue Code for taxable years ending after December 22, 2017.

21 (17) Add an amount equal to the remainder of:
22 (A) the amount allowable as a deduction under Section 274(n) of the Internal Revenue Code;
23 minus
24 (B) the amount otherwise allowable as a deduction under Section 274(n) of the Internal Revenue
25 Code, if Section 274(n)(2)(D) of the Internal Revenue Code was not in effect for amounts paid
26 or incurred after December 31, 2020.

36 (A) federal, state, or local grant received by the taxpayer; and
37 (B) discharged federal, state, or local indebtedness incurred by the taxpayer;
38 for purposes of providing or expanding access to broadband service in this state.

39 (21) For taxable years beginning after December 31, 2021, add or subtract amounts related to
40 specified research or experimental procedures as required under IC 6-3-2-29.

41 (22) Add or subtract any other amounts the taxpayer is:
42 (A) required to add or subtract; or
43 (B) entitled to deduct;
44 under IC 6-3-2.

45 (c) The following apply to taxable years beginning after December 31, 2018, for purposes of the add
46 back of any deduction allowed on the taxpayer's federal income tax return for wagering taxes, as provided
47 in subsection (a)(2) if the taxpayer is an individual or subsection (b)(3) if the taxpayer is a corporation:

17 required to add back under this section twenty-five percent (25%) of any deduction allowed on the
18 taxpayer's federal income tax return for wagering taxes.

19 (7) For taxable years beginning after December 31, 2024, and before January 1, 2026, a taxpayer is
20 required to add back under this section twelve and five-tenths percent (12.5%) of any deduction

1 the year in which the property was placed in service to take deductions under Section 179 of the
2 Internal Revenue Code in a total amount exceeding the sum of:

3 (A) twenty-five thousand dollars (\$25,000) to the extent deductions under Section 179 of the
4 Internal Revenue Code were not elected as provided in clause (B); and

7 depreciation to the property in the year that it was placed in service.

8 (6) Add an amount equal to any deduction allowed under Section 172 of the Internal Revenue Code
9 (concerning net operating losses).

11 placed Section 179 property (as defined in Section 179 of the Internal Revenue Code) in service in
12 the current taxable year or in an earlier taxable year equal to the amount of adjusted gross income

23 Internal Revenue Code; and

24 (iii) the taxpayer made an election to take deductions under Section 179 of the Internal
25 Revenue Code with regard to the acquired property in the year that the property was placed into
26 service.

27 The amount of deductions allowable for an item of property under this clause may not exceed the
28 amount of adjusted gross income realized on the property that would have been deferred under
29 the Internal Revenue Code in effect on January 1, 2017.

30 (8) Subtract income that is:

31 (A) exempt from taxation under IC 6-3-2-21.7 (certain income derived from patents); and

32 (B) included in the insurance company's taxable income under the Internal Revenue Code.

33 (9) Add an amount equal to any income not included in gross income as a result of the deferral of
34 income arising from business indebtedness discharged in connection with the reacquisition after
35 December 31, 2008, and before January 1, 2011, of an applicable debt instrument, as provided in
36 Section 108(i) of the Internal Revenue Code. Subtract from the adjusted gross income of any
37 taxpayer that added an amount to adjusted gross income in a previous year the amount necessary to
38 offset the amount included in federal gross income as a result of the deferral of income arising from
39 business indebtedness discharged in connection with the reacquisition after December 31, 2008, and
40 before January 1, 2011, of an applicable debt instrument, as provided in Section 108(i) of the
41 Internal Revenue Code.

42 (10) Add an amount equal to any exempt insurance income under Section 953(e) of the Internal
43 Revenue Code that is active financing income under Subpart F of Subtitle A, Chapter 1, Subchapter
44 N of the Internal Revenue Code.

45 (11) Add the amount excluded from federal gross income under Section 103 of the Internal Revenue
46 Code for interest received on an obligation of a state other than Indiana, or a political subdivision
47 of such a state, that is acquired by the taxpayer after December 31, 2011. For purposes of this

1 subdivision:

2 (A) if the taxpayer receives interest from a pass through entity, a regulated investment company,
3 a hedge fund, or similar arrangement, the taxpayer will be considered to have acquired the
4 obligation on the date the entity acquired the obligation;

5 (B) if ownership of the obligation occurs by means other than a purchase, the date of acquisition
6 of the obligation shall be the date ownership of the obligation was transferred, except to the
7 extent provided in clause (A), and if a portion of the obligation is acquired on multiple dates, the
8 date of acquisition shall be considered separately for each portion of the obligation; and

9 (C) if ownership of the obligation occurred as the result of a refinancing of another obligation,
10 the acquisition date shall be the date on which the obligation was refinanced.

11 (12) For taxable years beginning after December 25, 2016, add:

12 (A) an amount equal to the amount reported by the taxpayer on IRC 965 Transition Tax
13 Statement, line 1; or

14 (B) if the taxpayer deducted an amount under Section 965(c) of the Internal Revenue Code in
15 determining the taxpayer's taxable income for purposes of the federal income tax, the amount
16 deducted under Section 965(c) of the Internal Revenue Code.

17 (13) Add an amount equal to the deduction that was claimed by the taxpayer for the taxable year
18 under Section 250(a)(1)(B) of the Internal Revenue Code (attributable to global intangible low-taxed
19 income). The taxpayer shall separately specify the amount of the reduction under Section
20 250(a)(1)(B)(i) of the Internal Revenue Code and under Section 250(a)(1)(B)(ii) of the Internal
21 Revenue Code.

22 (14) Subtract any interest expense paid or accrued in the current taxable year but not deducted as
23 a result of the limitation imposed under Section 163(j)(1) of the Internal Revenue Code. Add any
24 interest expense paid or accrued in a previous taxable year but allowed as a deduction under Section
25 163 of the Internal Revenue Code in the current taxable year. For purposes of this subdivision, an
26 interest expense is considered paid or accrued only in the first taxable year the deduction would have
27 been allowable under Section 163 of the Internal Revenue Code if the limitation under Section
28 163(j)(1) of the Internal Revenue Code did not exist.

29 (15) Subtract the amount that would have been excluded from gross income but for the enactment
30 of Section 118(b)(2) of the Internal Revenue Code for taxable years ending after December 22, 2017.

31 (16) Add an amount equal to the remainder of:

32 (A) the amount allowable as a deduction under Section 274(n) of the Internal Revenue Code;
33 minus

34 (B) the amount otherwise allowable as a deduction under Section 274(n) of the Internal Revenue
35 Code, if Section 274(n)(2)(D) of the Internal Revenue Code was not in effect for amounts paid
36 or incurred after December 31, 2020.

37 (17) For taxable years ending after March 12, 2020, subtract an amount equal to the deduction
38 disallowed pursuant to:

39 (A) Section 2301(e) of the CARES Act (Public Law 116-136), as modified by Sections 206 and
40 207 of the Taxpayer Certainty and Disaster Relief Tax Act (Division EE of Public Law 116-260);
41 and

42 (B) Section 3134(e) of the Internal Revenue Code.

43 (18) For taxable years beginning after December 31, 2022, subtract an amount equal to the
44 deduction disallowed under Section 280C(h) of the Internal Revenue Code.

45 (19) For taxable years beginning after December 31, 2021, add or subtract amounts related to
46 specified research or experimental procedures as required under IC 6-3-2-29.

47 (20) Add or subtract any other amounts the taxpayer is:

1 (A) required to add or subtract; or
2 (B) entitled to deduct;
3 under IC 6-3-2.
4 (f) In the case of trusts and estates, "taxable income" (as defined for trusts and estates in Section 641(b)
5 of the Internal Revenue Code) adjusted as follows:
6 (1) Subtract income that is exempt from taxation under this article by the Constitution and statutes
7 of the United States.
8 (2) Subtract an amount equal to the amount of a September 11 terrorist attack settlement payment
9 included in the federal adjusted gross income of the estate of a victim of the September 11 terrorist
10 attack or a trust to the extent the trust benefits a victim of the September 11 terrorist attack.
11 (3) Add or subtract the amount necessary to make the adjusted gross income of any taxpayer that
12 owns property for which bonus depreciation was allowed in the current taxable year or in an earlier
13 taxable year equal to the amount of adjusted gross income that would have been computed had an
14 election not been made under Section 168(k) of the Internal Revenue Code to apply bonus
15 depreciation to the property in the year that it was placed in service.
16 (4) Add an amount equal to any deduction allowed under Section 172 of the Internal Revenue Code
17 (concerning net operating losses).
18 (5) Add or subtract the amount necessary to make the adjusted gross income of any taxpayer that
19 placed Section 179 property (as defined in Section 179 of the Internal Revenue Code) in service in
20 the current taxable year or in an earlier taxable year equal to the amount of adjusted gross income
21 that would have been computed had an election for federal income tax purposes not been made for
22 the year in which the property was placed in service to take deductions under Section 179 of the
23 Internal Revenue Code in a total amount exceeding the sum of:
24 (A) twenty-five thousand dollars (\$25,000) to the extent deductions under Section 179 of the
25 Internal Revenue Code were not elected as provided in clause (B); and
26 (B) for taxable years beginning after December 31, 2017, the deductions elected under Section
27 179 of the Internal Revenue Code on property acquired in an exchange if:
28 (i) the exchange would have been eligible for nonrecognition of gain or loss under Section
29 1031 of the Internal Revenue Code in effect on January 1, 2017;
30 (ii) the exchange is not eligible for nonrecognition of gain or loss under Section 1031 of the
31 Internal Revenue Code; and
32 (iii) the taxpayer made an election to take deductions under Section 179 of the Internal
33 Revenue Code with regard to the acquired property in the year that the property was placed into
34 service.
35 The amount of deductions allowable for an item of property under this clause may not exceed the
36 amount of adjusted gross income realized on the property that would have been deferred under
37 the Internal Revenue Code in effect on January 1, 2017.
38 (6) Subtract income that is:
39 (A) exempt from taxation under IC 6-3-2-21.7 (certain income derived from patents); and
40 (B) included in the taxpayer's taxable income under the Internal Revenue Code.
41 (7) Add an amount equal to any income not included in gross income as a result of the deferral of
42 income arising from business indebtedness discharged in connection with the reacquisition after
43 December 31, 2008, and before January 1, 2011, of an applicable debt instrument, as provided in
44 Section 108(i) of the Internal Revenue Code. Subtract from the adjusted gross income of any
45 taxpayer that added an amount to adjusted gross income in a previous year the amount necessary to
46 offset the amount included in federal gross income as a result of the deferral of income arising from
47 business indebtedness discharged in connection with the reacquisition after December 31, 2008, and

1 before January 1, 2011, of an applicable debt instrument, as provided in Section 108(i) of the
2 Internal Revenue Code.

3 (8) Add the amount excluded from federal gross income under Section 103 of the Internal Revenue
4 Code for interest received on an obligation of a state other than Indiana, or a political subdivision
5 of such a state, that is acquired by the taxpayer after December 31, 2011. For purposes of this
6 subdivision:

7 (A) if the taxpayer receives interest from a pass through entity, a regulated investment company,
8 a hedge fund, or similar arrangement, the taxpayer will be considered to have acquired the
9 obligation on the date the entity acquired the obligation;

10 (B) if ownership of the obligation occurs by means other than a purchase, the date of acquisition
11 of the obligation shall be the date ownership of the obligation was transferred, except to the
12 extent provided in clause (A), and if a portion of the obligation is acquired on multiple dates, the
13 date of acquisition shall be considered separately for each portion of the obligation; and

14 (C) if ownership of the obligation occurred as the result of a refinancing of another obligation,
15 the acquisition date shall be the date on which the obligation was refinanced.

16 (9) For taxable years beginning after December 25, 2016, add an amount equal to:

17 (A) the amount reported by the taxpayer on IRC 965 Transition Tax Statement, line 1;

18 (B) if the taxpayer deducted an amount under Section 965(c) of the Internal Revenue Code in
19 determining the taxpayer's taxable income for purposes of the federal income tax, the amount
20 deducted under Section 965(c) of the Internal Revenue Code; and

21 (C) with regard to any amounts of income under Section 965 of the Internal Revenue Code
22 distributed by the taxpayer, the deduction under Section 965(c) of the Internal Revenue Code
23 attributable to such distributed amounts and not reported to the beneficiary.

24 For purposes of this article, the amount required to be added back under clause (B) is not considered
25 to be distributed or distributable to a beneficiary of the estate or trust for purposes of Sections 651
26 and 661 of the Internal Revenue Code.

27 (10) Subtract any interest expense paid or accrued in the current taxable year but not deducted as
28 a result of the limitation imposed under Section 163(j)(1) of the Internal Revenue Code. Add any
29 interest expense paid or accrued in a previous taxable year but allowed as a deduction under Section
30 163 of the Internal Revenue Code in the current taxable year. For purposes of this subdivision, an
31 interest expense is considered paid or accrued only in the first taxable year the deduction would have
32 been allowable under Section 163 of the Internal Revenue Code if the limitation under Section
33 163(j)(1) of the Internal Revenue Code did not exist.

34 (11) Add an amount equal to the deduction for qualified business income that was claimed by the
35 taxpayer for the taxable year under Section 199A of the Internal Revenue Code.

36 (12) Subtract the amount that would have been excluded from gross income but for the enactment
37 of Section 118(b)(2) of the Internal Revenue Code for taxable years ending after December 22, 2017.

38 (13) Add an amount equal to the remainder of:

39 (A) the amount allowable as a deduction under Section 274(n) of the Internal Revenue Code;
40 minus

41 (B) the amount otherwise allowable as a deduction under Section 274(n) of the Internal Revenue
42 Code, if Section 274(n)(2)(D) of the Internal Revenue Code was not in effect for amounts paid
43 or incurred after December 31, 2020.

44 (14) For taxable years beginning after December 31, 2017, and before January 1, 2021, add an
45 amount equal to the excess business loss of the taxpayer as defined in Section 461(1)(3) of the
46 Internal Revenue Code. In addition:

47 (A) If a taxpayer has an excess business loss under this subdivision and also has modifications

1 under subdivisions (3) and (5) for property placed in service during the taxable year, the taxpayer
2 shall treat a portion of the taxable year modifications for that property as occurring in the taxable
3 year the property is placed in service and a portion of the modifications as occurring in the
4 immediately following taxable year.

5 (B) The portion of the modifications under subdivisions (3) and (5) for property placed in service
6 during the taxable year treated as occurring in the taxable year in which the property is placed
7 in service equals:

8 (i) the modification for the property otherwise determined under this section; minus

9 (ii) the excess business loss disallowed under this subdivision;

10 but not less than zero (0).

11 (C) The portion of the modifications under subdivisions (3) and (5) for property placed in service
12 during the taxable year treated as occurring in the taxable year immediately following the taxable
13 year in which the property is placed in service equals the modification for the property otherwise
14 determined under this section minus the amount in clause (B).

15 (D) Any reallocation of modifications between taxable years under clauses (B) and (C) shall be
16 first allocated to the modification under subdivision (3), then to the modification under
17 subdivision (5).

18 (15) For taxable years ending after March 12, 2020, subtract an amount equal to the deduction
19 disallowed pursuant to:

20 (A) Section 2301(e) of the CARES Act (Public Law 116-136), as modified by Sections 206 and
21 207 of the Taxpayer Certainty and Disaster Relief Tax Act (Division EE of Public Law 116-260);
22 and

23 (B) Section 3134(e) of the Internal Revenue Code.

24 (16) For taxable years beginning after December 31, 2022, subtract an amount equal to the
25 deduction disallowed under Section 280C(h) of the Internal Revenue Code.

26 (17) Except as provided in subsection (c), for taxable years beginning after December 31, 2022, add
27 an amount equal to any deduction or deductions allowed or allowable in determining taxable income
28 under Section 641(b) of the Internal Revenue Code for taxes based on or measured by income and
29 levied at the state level by any state of the United States.

30 (18) For taxable years beginning after December 31, 2021, add or subtract amounts related to
31 specified research or experimental procedures as required under IC 6-3-2-29.

32 (19) Add or subtract any other amounts the taxpayer is:

33 (A) required to add or subtract; or

34 (B) entitled to deduct;

35 under IC 6-3-2.

36 (g) For purposes of IC 6-3-2.1, IC 6-3-4-12, IC 6-3-4-13, and IC 6-3-4-15 for taxable years beginning
37 after December 31, 2022, "adjusted gross income" of a pass through entity means the items of ordinary
38 income and loss in the case of a partnership or a corporation described in IC 6-3-2-2.8(2), or distributions
39 subject to tax for state and federal income tax for beneficiaries in the case of a trust or estate, whichever
40 is applicable, for the taxable year modified as follows:

41 (1) Add the separately stated items of income and gains, or the equivalent items that must be
42 considered separately by a beneficiary, as determined for federal purposes, attributed to the partners,
43 shareholders, or beneficiaries of the pass through entity, determined without regard to whether the
44 owner is permitted to exclude all or part of the income or gain or deduct any amount against the
45 income or gain.

46 (2) Subtract the separately stated items of deductions or losses or items that must be considered
47 separately by beneficiaries, as determined for federal purposes, attributed to partners, shareholders,

1 or beneficiaries of the pass through entity and that are deductible by an individual in determining
2 adjusted gross income as defined under Section 62 of the Internal Revenue Code:

3 (A) limited as if the partners, shareholders, and beneficiaries deducted the maximum allowable
4 loss or deduction allowable for the taxable year prior to any amount deductible from the pass
5 through entity; but

6 (B) not considering any disallowance of deductions resulting from federal basis limitations for
7 the partner, shareholder, or beneficiary.

8 (3) Add or subtract any modifications to adjusted gross income that would be required both for
9 individuals under subsection (a) and corporations under subsection (b) to the extent otherwise
10 provided in those subsections, including amounts that are allowable for which such modifications
11 are necessary to account for separately stated items in subdivision (1) or (2).

12 (h) Subsections (a)(36), (b)(22), (d)(20), (e)(20), or (f)(19) may not be construed to require an add
13 back or allow a deduction or exemption more than once for a particular add back, deduction, or
14 exemption.

15 (i) For taxable years beginning after December 25, 2016, if:

16 (1) a taxpayer is a shareholder, either directly or indirectly, in a corporation that is an E&P deficit
17 foreign corporation as defined in Section 965(b)(3)(B) of the Internal Revenue Code, and the
18 earnings and profit deficit, or a portion of the earnings and profit deficit, of the E&P deficit foreign
19 corporation is permitted to reduce the federal adjusted gross income or federal taxable income of
20 the taxpayer, the deficit, or the portion of the deficit, shall also reduce the amount taxable under this
21 section to the extent permitted under the Internal Revenue Code, however, in no case shall this
22 permit a reduction in the amount taxable under Section 965 of the Internal Revenue Code for
23 purposes of this section to be less than zero (0); and

24 (2) the Internal Revenue Service issues guidance that such an income or deduction is not reported
25 directly on a federal tax return or is to be reported in a manner different than specified in this
26 section, this section shall be construed as if federal adjusted gross income or federal taxable income
27 included the income or deduction.

28 (j) If a partner is required to include an item of income, a deduction, or another tax attribute in the
29 partner's adjusted gross income tax return pursuant to IC 6-3-4.5, such item shall be considered to be
30 includible in the partner's federal adjusted gross income or federal taxable income, regardless of whether
31 such item is actually required to be reported by the partner for federal income tax purposes. For purposes
32 of this subsection:

33 (1) items for which a valid election is made under IC 6-3-4.5-6, IC 6-3-4.5-8, or IC 6-3-4.5-9 shall
34 not be required to be included in the partner's adjusted gross income or taxable income; and

35 (2) items for which the partnership did not make an election under IC 6-3-4.5-6, IC 6-3-4.5-8, or
36 IC 6-3-4.5-9, but for which the partnership is required to remit tax pursuant to IC 6-3-4.5-18, shall
37 be included in the partner's adjusted gross income or taxable income.

38 (k) The following apply for purposes of this section:

39 (1) For purposes of subsections (b) and (f), if a taxpayer is an organization that has more than one
40 (1) trade or business subject to the provisions of Section 512(a)(6) of the Internal Revenue Code,
41 the following rules apply for taxable years beginning after December 31, 2017:

42 (A) If a trade or business has federal unrelated business taxable income of zero (0) or greater for
43 a taxable year, the unrelated business taxable income and modifications required under this
44 section shall be combined in determining the adjusted gross income of the taxpayer and shall not
45 be treated as being subject to the provisions of Section 512(a)(6) of the Internal Revenue Code
46 if one (1) or more trades or businesses have negative Indiana adjusted gross income after
47 adjustments.

1 (B) If a trade or business has federal unrelated business taxable income of less than zero (0) for
2 a taxable year, the taxpayer shall apply the modifications under this section for the taxable year
3 against the net operating loss in the manner required under IC 6-3-2-2.5 and IC 6-3-2-2.6 for
4 separately stated net operating losses. However, if the application of modifications required under
5 IC 6-3-2-2.5 or IC 6-3-2-2.6 results in the separately stated net operating loss for the trade or
6 business being zero (0), the modifications that increase adjusted gross income under this section
7 and remain after the calculations to adjust the separately stated net operating loss to zero (0) that
8 result from the trade or business must be treated as modifications to which clause (A) applies for
9 the taxable year.

10 (C) If a trade or business otherwise described in Section 512(a)(6) of the Internal Revenue Code
11 incurred a net operating loss for a taxable year beginning after December 31, 2017, and before
12 January 1, 2021, and the net operating loss was carried back for federal tax purposes:

13 (i) if the loss was carried back to a taxable year for which the requirements under Section
14 512(a)(6) of the Internal Revenue Code did not apply, the portion of the loss and modifications
15 attributable to the loss shall be treated as adjusted gross income of the taxpayer for the first
16 taxable year of the taxpayer beginning after December 31, 2022, and shall be treated as part
17 of the adjusted gross income attributable to clause (A), unless, and to the extent, the loss and
18 modifications were applied to adjusted gross income for a previous taxable year, as determined
19 under this article; and

20 (ii) if the loss was carried back to a taxable year for which the requirements under Section
21 512(a)(6) of the Internal Revenue Code applied, the portion of the loss and modifications
22 attributable to the loss shall be treated as adjusted gross income of the taxpayer for the first
23 taxable year of the taxpayer beginning after December 31, 2022, and for purposes of this
24 clause, the inclusion of losses and modifications shall be in the same manner as provided in
25 clause (B), unless, and to the extent, the loss and modifications were applied to adjusted gross
26 income for a previous taxable year, as determined under this article.

27 (D) Notwithstanding any provision in this subdivision, if a taxpayer computed its adjusted gross
28 income for a taxable year beginning before January 1, 2023, based on a reasonable interpretation
29 of this article, the taxpayer shall be permitted to compute its adjusted gross income for those
30 taxable years based on that interpretation. However, a taxpayer must continue to report any tax
31 attributes for taxable years beginning after December 31, 2022, in a manner consistent with its
32 previous interpretation.

33 (2) In the case of a corporation, other than a captive real estate investment trust, for which the
34 adjusted gross income under this article is determined after a deduction for dividends paid under the
35 Internal Revenue Code, the modifications required under this section shall be applied in ratio to the
36 corporation's taxable income (as defined in Section 63 of the Internal Revenue Code) after
37 deductions for dividends paid under the Internal Revenue Code compared to the corporation's
38 taxable income (as defined in Section 63 of the Internal Revenue Code) before the deduction for
39 dividends paid under the Internal Revenue Code.

40 (3) In the case of a trust or estate, the trust or estate is required to include only the portion of the
41 modifications not passed through to beneficiaries.

42 (4) In the case of a taxpayer for which modifications are required to be applied against a separately
43 stated net operating loss under IC 6-3-2-2.5 or IC 6-3-2-2.6, the modifications required under this
44 section must be adjusted to reflect the required application of the modifications against a separately
45 stated net operating loss, in order to avoid the application of a particular modification multiple times.

46 SECTION 43. IC 6-3-2-31 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ
47 AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: **Sec. 31. (a) As used in this**

1 section, "service-providing industry occupation" includes restaurant servers, bartenders, casino
2 dealers, hair stylists, pet groomers, hotel staff, valet attendants, and other similar occupations.

3 (b) As used in this section, "tipped employee" means an individual employed in a
4 service-providing industry occupation in which the employee regularly receives more than thirty
5 dollars (\$30) a month in tips, including an individual who receives tips through a tip sharing system
6 among the tipped employees employed by a particular employer.

7 (c) As used in this section, "tips" includes any gratuity received by an individual directly from
8 a customer, guest, or patron of the business that is in addition to the individual's regular
9 compensation and wages received for providing the service.

10 (d) Tips received by a tipped employee during a taxable year are exempt from the adjusted gross
11 income tax imposed under this article.

12 (e) An employer is not required to withhold taxes imposed under this article from tips received
13 by a tipped employee described in this section.

14 SECTION 44. IC 6-3-2-32 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ
15 AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 32. (a) As used in this section, "CPI-U" means
16 the Consumer Price Index for all Urban Consumers, U.S. city average, all items, using the index
17 base period of 1982-84 equal to one hundred (100), as published by the Bureau of Labor Statistics
18 of the United States Department of Labor.

19 (b) As used in this section, "IPI" means Indiana personal income.

20 (c) Not later than June 1 each year, the department shall calculate an annual adjusted gross
21 income tax exemption index factor to be used in determining the amounts of each exemption listed
22 in subsection (d)(1) through (d)(4) for purposes of calculating an individual's adjusted gross income
23 for the taxable year. The annual adjusted gross income tax exemption index factor equals the
24 following:

25 STEP ONE: Divide the annual CPI-U for the year preceding the determination year by the
26 annual CPI-U for the year immediately preceding that year.

27 STEP TWO: Divide the annual IPI for the year preceding the determination year by the
28 annual IPI for the year immediately preceding that year.

29 STEP THREE: Add:

30 (A) the STEP ONE result; and

31 (B) the STEP TWO result.

32 STEP FOUR: Divide the STEP THREE result by two (2).

33 (d) Not later than June 1 each year, the department shall calculate the amount an individual may
34 subtract from the individual's adjusted gross income for each of the following exemptions for the
35 taxable year:

36 (1) The exemption provided in IC 6-3-1-3.5(a)(3).

37 (2) The exemption provided in IC 6-3-1-3.5(a)(4)(A).

38 (3) The exemption provided in IC 6-3-1-3.5(a)(4)(B).

39 (4) The exemption provided in IC 6-3-1-3.5(a)(5)(C).

40 The amount of each exemption for a taxable year is determined by multiplying the amount of the
41 applicable exemption in the immediately preceding taxable year by the annual adjusted gross
42 income tax exemption index factor determined for the taxable year under subsection (c).

43 (e) If the CPI-U or IPI for a preceding year is revised, corrected, or updated after May 31 of that
44 year, the department shall use the CPI-U or IPI as published for the preceding year prior to
45 revision.

46 (f) Not later than July 1 each year, the department shall publish the amount an individual may
47 subtract from the individual's adjusted gross income for each exemption listed in subsection (d)(1)

1 through (d)(4) for the taxable year.

2 SECTION 45. IC 6-3-2-33 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ
3 AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 33. (a) As used in this

24 corporation may begin to receive applications for the credit provided by this chapter.

25 **Sec. 2.** The following definitions apply throughout this chapter:

26 (1) "Affiliate" means an entity that directly, or indirectly through one (1) or more
27 intermediaries, controls, or is controlled by, or is under the common control with, another
28 entity. An entity is controlled by another entity if the controlling entity holds, directly or

30 over day-to-day operations of the controlled entity by contract or by law.

34 (A) is acquired after June 30, 2025, at its original issuance solely in exchange for cash;

36 make qualified investments in eligible businesses located in Indiana by the third
37 anniversary of the initial credit allowance date; and

38 (C) is designated by the rural fund as a capital investment that is certified by the
39 corporation under sections 3 through 5 of this chapter, including any capital investment
40 that does not satisfy section 3(b)(1) of this chapter if the investment was a capital

6 business by a rural fund shall remain classified as an eligible business and may receive
7 follow-on investments from any rural fund. The follow-on investments shall be qualified
8 investments even though the business may not meet the definition of an "eligible business" at
9 the time of the follow-on investment.

10 (8) "Principal business operations" means the location where at least sixty percent (60%) of
11 a business's employees work or where employees who are paid at least sixty percent (60%) of
12 the business's payroll work. A business that has agreed to relocate employees using the
13 proceeds of a qualified investment to establish its principal business operations in a new
14 location shall be deemed to have its principal business operations in the new location if it
15 satisfied the requirements of this subdivision not later than one hundred eighty (180) days
16 after receiving a qualified investment.

17 (9) "Purchase price" means the amount paid to the rural fund that issues a capital investment,
18 which shall not exceed the amount of capital investment authority certified under sections 3

20 (10) "Qualified investment" means any investment in an eligible business or any loan to an
21 eligible business with a stated maturity date of at least one (1) year after the date of issuance,
22 excluding revolving lines of credit and senior-secured debt unless the chief executive or similar
23 officer of the eligible business certifies that the eligible business sought and was denied similar
24 financing from a depository institution or by a rural fund unless, with respect to any one (1)
25 eligible business, the maximum amount of investments made in the business by one (1) or more
26 rural funds, on a collective basis with all of the businesses' affiliates, with the proceeds of the

47 as computed after the application of the credits that under IC 6-3.1-1-2 are to be applied

2 the taxes listed in this subdivision is not required to pay any additional retaliatory tax in
3 Indiana as a result of claiming the credit.

4 (16) "Taxpayer" means an entity that has state tax liability.

5 Sec. 3. (a) A rural fund that seeks to have an equity investment certified as a capital investment
6 eligible for a credit allowed under this chapter must apply to the corporation. The corporation shall
7 begin accepting applications within ninety (90) days after July 1, 2025.

8 (b) The application must include each of the following:

9 (1) The amount of capital investment requested.

10 (2) A copy of the applicant's or an affiliate of the applicant's license as a rural business
11 investment company under 7 U.S.C. 2009cc or as a small business investment company under
12 15 U.S.C. 681 and a certificate executed by an executive officer of the applicant attesting that
13 the license remains in effect and has not been revoked.

14 (3) Evidence that, as of the date the application is submitted, the applicant or affiliates of the
15 applicant have invested at least one hundred million dollars (\$100,000,000) in nonpublic
16 companies located in counties within the United States with a population of less than
17 seventy-five thousand (75,000) according to the 2020 federal decennial census. The evidence
18 may be in the form of a list containing the names of the companies, the location of the
19 companies, and the amounts invested by the applicant or affiliates of the applicant. However,
20 an officer of the applicant must certify the list.

21 (4) A business plan that includes a revenue impact assessment projecting state and local tax
22 revenue to be generated by the applicant's proposed qualified investments, prepared by a
23 nationally recognized, third party, independent economic forecasting firm using a dynamic
24 economic forecasting model that analyzes the applicant's business plan over the ten (10) years
25 following the date the application is submitted to the corporation. The plan must include an
26 estimate of the number of jobs created and jobs retained in Indiana as a result of the
27 applicant's qualified investments.

28 (5) A nonrefundable application fee of five thousand dollars (\$5,000) payable to the
29 corporation.

30 Sec. 4. (a) Within thirty (30) days after the receipt of a completed application, the corporation
31 shall grant or deny the application in full or in part. The corporation shall deny the application if
32 any of the following apply:

33 (1) The applicant does not satisfy all the criteria set forth in section 3 of this chapter.

34 (2) The revenue impact assessment submitted with the application does not demonstrate that
35 the applicant's business plan will result in a positive fiscal impact on Indiana over a ten (10)
36 year period that exceeds the cumulative amount of credits that would be issued to the applicant
37 if the application were approved.

38 (3) The corporation has already approved the maximum amount of capital investment
39 authority allowed under section 6 of this chapter.

40 (b) If the corporation denies any part of the application, it shall inform the applicant of the
41 grounds for the denial. If the applicant provides any additional information required by the
42 corporation or otherwise completes its application within fifteen (15) days of the notice of denial,
43 the application shall be considered complete as of the original date of submission. If the applicant
44 fails to provide the information or fails to complete its application within the fifteen (15) day period,
45 the application shall remain denied and must be resubmitted with a new submission date and a new
46 application fee.

47 Sec. 5. (a) Upon approval of an application, the corporation shall provide a certification of the

1 proposed equity investment as a capital investment eligible for credits under this chapter, subject
2 to the limitations set forth in section 6 of this chapter. The corporation shall provide written notice
3 of the certification to the applicant, which must include the amount of the applicant's capital
4 investment authority and a schedule of credits by year and amount related to the capital investment
5 authority.

6 (b) The corporation shall certify proposed capital investments in the order that the applications
7 are received by the corporation. Applications received on the same day shall be deemed to have
8 been received simultaneously. For applications that are complete and received on the same day, the
9 corporation shall certify applications in proportionate percentages based upon the ratio of the
10 amount of capital investment authority requested in all applications.

11 Sec. 6. (a) The corporation may not certify capital investment authority under this chapter in
12 an amount that exceeds fifteen million dollars (\$15,000,000) in credits to be claimed against state
13 tax liability in any calendar year, excluding any credit amounts carried forward under section 7 of
14 this chapter.

15 (b) Within ninety (90) days of the applicant receiving notice of certification, the rural fund shall
16 issue the capital investment to and receive cash in the amount of the certified amount from a rural
17 investor. At least ten percent (10%) of the rural investor's capital investment shall be composed of
18 capital raised by the rural investor directly or indirectly from sources including directors,
19 members, employees, officers, and affiliates of the rural investor, other than the amount invested
20 by the allocatee claiming the credits in exchange for the allocation of credits. The rural fund shall
21 provide the corporation with evidence of the receipt of the cash investment within ninety-five (95)
22 days of the applicant receiving notice of certification.

23 (c) If the rural fund does not receive the cash investment and issue the capital investment within
24 the time period following receipt of the certification set forth in section 5(a) of this chapter, the
25 certification shall lapse and the rural fund shall not issue the capital investment without reapplying
26 to the corporation for certification. Lapsed certifications shall revert to the corporation and shall
27 be reissued on a pro rata basis to applicants whose capital investment allocations were reduced in
28 accordance with the application process set forth in section 5 of this chapter.

29 Sec. 7. (a) Upon making a capital investment in a rural fund, a rural investor is entitled to a
30 vested credit against the taxpayer's state tax liability that may be used on each credit allowance
31 date of the capital investment in an amount equal to:

- 32 (1) the applicable percentage for the credit allowance date; multiplied by
- 33 (2) the purchase price paid to the rural fund for the capital investment.

34 (b) The amount of the credit claimed by a taxpayer shall not exceed the amount of the taxpayer's
35 state tax liability for the tax year for which the credit is claimed. Any amount of credit that a
36 taxpayer is prohibited from claiming in a tax year as a result of this section may be carried forward
37 for use in any of the five (5) subsequent tax years.

38 (c) The credit shall not be carried back and is not refundable.

39 Sec. 8. No credit claimed under this chapter shall be refundable or saleable on the open market.
40 Credits may be transferred to affiliates of a taxpayer. Credits earned by or allocated to a
41 partnership, limited liability company, or S corporation may be allocated to the partners, members,
42 or shareholders of such an entity for their use in accordance with the provisions of any agreement
43 among such partners, members, or shareholders, and a rural fund shall notify the department of
44 taxpayers that are eligible to utilize credits and transfers upon such allocation, change, or transfer.
45 Such allocations shall not be considered a sale for the purpose of this section.

46 Sec. 9. To apply a credit under this chapter against the taxpayer's state tax liability, a taxpayer
47 must claim the credit on the taxpayer's annual state tax return or returns in the manner prescribed

1 by the department. The taxpayer must attach the certification provided by the corporation in
2 accordance with section 5(a) of this chapter and any additional information that the department
3 determines is necessary for the department to determine whether the taxpayer is eligible for the
4 credit.

5 **Sec. 10. (a) A credit is subject to recapture if any of the following circumstances apply:**

6 **(1) The rural fund does not invest:**

7 **(A) at least sixty percent (60%) of its capital investment authority in qualified investments**
8 **in Indiana within two (2) years of the credit allowance date; and**

9 **(B) one hundred percent (100%) of its capital investment authority in qualified investments**
10 **in Indiana within three (3) years of the credit allowance date.**

11 **(2) The rural fund fails to maintain qualified investments equal to one hundred percent**
12 **(100%) of its capital investment authority from the third anniversary until the sixth**
13 **anniversary of the credit allowance date. For purposes of this subdivision, a qualified**
14 **investment is considered maintained even if the qualified investment was sold or repaid as long**
15 **as the rural fund reinvests an amount equal to the capital returned or recovered or repaid by**
16 **the rural fund from the original investment, exclusive of any profits realized, in other qualified**
17 **investments in Indiana within twelve (12) months of receipt of the capital. Amounts received**
18 **periodically by a rural fund shall be treated as maintained in qualified investments if the**
19 **amounts are reinvested in one (1) or more qualified investments by the end of the following**
20 **calendar year. A rural fund is not required to reinvest capital returned from qualified**
21 **investments after the fifth anniversary of the credit allowance date, and the qualified**
22 **investments shall be considered maintained by the rural fund through the sixth anniversary**
23 **of the credit allowance date.**

24 **(3) Before the earlier of:**

25 **(A) exiting the program in accordance with this chapter; or**

26 **(B) thirty (30) days after the sixth anniversary of the credit allowance date;**

27 **the rural fund makes a distribution or payment that results in the rural fund having less than**
28 **one hundred percent (100%) of its capital investment authority invested in qualified**
29 **investments in Indiana or held in cash or other marketable securities.**

30 **(4) The rural fund violates section 11 of this chapter, in which case the corporation may**
31 **recapture an amount equal to the amount of the rural fund's capital investment authority**
32 **found to be in violation of those provisions.**

33 **(b) Recaptured credits and related capital investment authority shall revert to the corporation**
34 **and shall be reissued on a pro rata basis to applicants whose capital investment allocations were**
35 **reduced in accordance with sections 3 through 5 of this chapter.**

36 **(c) No recapture shall occur until the rural fund has been given notice of noncompliance and**
37 **afforded six (6) months from the date of the notice to cure the noncompliance.**

38 **(d) A rural fund, before making a qualified investment, may request from the corporation a**
39 **written opinion as to whether the business in which it proposes to invest is an eligible business. The**
40 **corporation, not later than fifteen (15) business days after the date of receipt of the request, shall**
41 **notify the rural fund of its determination. If the corporation fails to notify the rural fund of its**
42 **determination by the twentieth business day, the business in which the rural fund proposes to invest**
43 **shall be deemed an eligible business.**

44 **Sec. 11. No eligible business that receives a qualified investment under this chapter or any**
45 **affiliates of the eligible business shall directly or indirectly:**

46 **(1) own or have the right to acquire an ownership interest in a rural fund or in a member or**
47 **affiliate of a rural fund including, but not limited to, a holder of a capital investment issued**

1 by a rural fund; or

2 (2) lend to or invest in a rural fund or any member or affiliate of a rural fund including, but
3 not limited to, a holder of capital investment issued by a rural fund, where the proceeds of the
4 loan or investment are directly or indirectly used to fund or refinance the purchase of capital
5 investments under this chapter.

6 **Sec. 12. (a)** A rural fund shall submit a report to the corporation by June 30 of each calendar
7 year during the credit allowance period.

8 (b) The report following the second anniversary of the initial credit allowance date shall provide
9 documentation as to the investment of at least sixty percent (60%) of the purchase price of such
10 capital investment in qualified investments.

11 (c) The report following the third anniversary of the initial credit allowance date shall provide
12 documentation as to the investment of one hundred percent (100%) of the purchase price of such
13 capital investment in qualified investments. Unless previously reported under this section, the
14 report must also include the following information:

15 (1) The name and location of each eligible business receiving a qualified investment.

16 (2) Bank statements of the rural fund evidencing each qualified investment.

17 (3) A copy of the written opinion of the corporation, as provided in section 10(d) of this
18 chapter, or evidence that the business was an eligible business at the time of the qualified
19 investment, as applicable.

20 (4) The number of jobs created and jobs retained as a result of each qualified investment.

21 (5) The average salary of the jobs described in subdivision (4).

22 (6) Any other information required by the corporation.

23 (d) For all subsequent years, a rural fund shall submit an annual report to the corporation by
24 June 30 of each calendar year during the credit allowance period, which must include the following
25 information:

26 (1) The number of jobs created and jobs retained as a result of qualified investments.

27 (2) The average annual salary of jobs described in subdivision (1).

28 (3) Any other information required by the corporation.

29 **Sec. 13.** On or after the sixth anniversary of the credit allowance date, a rural fund may apply
30 to the corporation to exit the program and no longer be subject to the requirements established
31 under this chapter. The corporation shall respond to the exit application within fifteen (15) days
32 of receipt. In evaluating the exit application, the fact that no credits have been recaptured and that
33 the rural fund has not received a notice of recapture that has not been cured as allowed under
34 section 10(c) of this chapter shall be sufficient evidence to prove that the rural fund is eligible for
35 exit. The corporation shall not unreasonably deny an exit application submitted under this section.
36 **If an exit application is denied, the notice shall include the reasons for the determination.**
