(d) This subsection applies to a taxpayer that files a notice under IC 6-1.1-15 after April 30, 2015, requesting a review of the assessment of the taxpayer's real property that is subject to this section. If the effective age of the improvements is ten (10) years or less under the rules of the department, a taxpayer must provide to the appropriate county or township assessing official information concerning the actual construction costs for the real property. (j) If the county board receives a form referred to in subsection (i)(1) before the hearing scheduled under subsection (k):

(1) the county board shall cancel the hearing;

(2) the county official referred to in subsection (a) shall give notice to the taxpayer, the county board, the county assessor, and the county auditor of the assessment or deduction in the amount referred to in subsection (i)(1)(B); and

(3) if the matter in issue is the assessment of tangible property, the county board may reserve the right to change the assessment under IC 6-1.1-13.

(k) If:

(1) subsection (i)(2) applies; or

(2) the county board does not receive a form referred to in subsection (i) not later than one hundred twenty (120) days after the date of the notice for review filed by the taxpayer under subsection (c) or (d);

the county board shall hold a hearing on a review under this subsection not later than one hundred eighty (180) days after the date of that notice. The county board shall, by mail, give at least thirty (30) days notice of the date, time, and place fixed for the hearing to the taxpayer, *the taxpayer's representative (if any),* and the county or township official with whom the taxpayer filed the notice for review. The taxpayer and the county or township official with whom the taxpayer filed the notice for review are parties to the proceeding before the county board. A taxpayer may request a continuance of the hearing by filing, at least twenty (20) days before the hearing date, a request for continuance with the board and the county or township official with evidence supporting a just cause for the continuance. The board shall, not later than ten (10) days after the date the request for a continuance is filed, either find that the taxpayer has demonstrated a just cause for a continuance and grant the taxpayer the continuance, or deny the continuance. A taxpayer may request that the board take action without the taxpayer being present and that the board make a decision based on the evidence already submitted to the board by filing, at least eight (8) days before the hearing date, a request with the board and the county or township official. A taxpayer may withdraw a petition by filing, at least eight (8) days before the hearing date, a notice of withdrawal with the board and the county or township official.

(l) At the hearing required under subsection (k):

(1) the taxpayer may present the taxpayer's reasons for disagreement with the assessment or deduction; and

(2) the county or township official with whom the taxpayer filed the notice for review must present:

(A) the basis for the assessment or deduction decision; and

(B) the reasons the taxpayer's contentions should be denied.

A penalty of fifty dollars ($50) shall be assessed against the taxpayer if the taxpayer or representative fails to appear at the hearing and, under subsection (k), the taxpayer's request for continuance is denied, or the taxpayer's request for continuance, request for the board to take action without the taxpayer being present, or withdrawal is not timely filed. A taxpayer may appeal the assessment of the penalty to the Indiana board or directly to the tax court. The penalty may not be added as an amount owed on the property tax statement under IC 6-1.1-22 or IC 6-1.1-22.5.

(m) The official referred to in subsection (a) may not require the taxpayer to provide documentary evidence at the preliminary informal meeting under subsection (h). The county board may not require a taxpayer to file documentary evidence or summaries of statements of testimonial evidence before the hearing required under subsection (k). If the action for which a taxpayer seeks review under this section is the assessment of tangible property, the taxpayer is not required to have an appraisal of the property in order to do the following:

(1) Initiate the review.

(2) Prosecute the review.

(n) The county board shall prepare a written decision resolving all of the issues under review. *The written decision may be in the form of a stipulated determination under section 2.5 of this chapter.* The county board shall, by mail, give notice of its determination not later than:

(1) one hundred twenty (120) days after the hearing under subsection (k); *or*

(2) thirty (30) days after an entry of a stipulated determination under section 2.5 of this chapter;

to the taxpayer, the official referred to in subsection (a), the county assessor, and the county auditor.

(o) If the maximum time elapses:

(1) under subsection (k) for the county board to hold a hearing; or

(2) under subsection (n) for the county board to give notice of its determination;

the taxpayer may initiate a proceeding for review before the Indiana board by taking the action required by section 3 of this chapter at any time after the maximum time elapses.

SECTION 22. IC 6-1.1-15-2.5, AS ADDED BY P.L.248-2015, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2.5. (a) This section applies to a notice of review filed by a taxpayer under section 1 of this chapter with respect to the assessment of the taxpayer's tangible property.

(b) Instead of a hearing before the county board, a taxpayer and a township or county official may enter into an agreement in which both parties:

(1) agree to waive a determination by the county board and submit the dispute directly to the Indiana board; or

(2) stipulate to the assessed value of the tangible property in dispute as determined by an independent appraisal under terms and conditions in subsection (e).

A taxpayer and a township or county official may still enter into an agreement under section 1(i) of this chapter and not be subject to the requirements of this section.

(c) An agreement under this section may not be entered into more than one hundred twenty (120) days after the date of the notice under subsection (a).

(d) The township or county official shall immediately forward an agreement entered into under this section to the county board.

(e) An agreement entered into by a taxpayer and a township or county official under subsection ~~(b)~~ **(b)(2)** must include the following provisions:

(1) The county board shall select three (3) Indiana registered appraisers as potential appraisers to conduct an independent appraisal under the agreement.

(2) Not later than fifteen (15) days after the county board's selection of potential appraisers, the:

(A) taxpayer; and

(B) township or county official;

may each strike one (1) appraiser from the list of potential appraisers by providing written notice to the county board of the name of the appraiser to strike from the list.

(3) Not later than sixty (60) days after the date of the agreement, an appraisal shall be conducted by the Indiana registered appraiser who is:

(A) not struck from the list of potential appraisers, if two (2) potential appraisers are struck from the list under subdivision (2); or

(B) selected by the county board from the list of potential appraisers, if fewer than two (2) potential appraisers are struck from the list under subdivision (2).

(4) The appraisal conducted under subdivision (3) shall be:

(A) prepared in accordance with usual and customary professional standards for an Indiana registered appraiser;

(B) notarized; and

(C) filed with the county board not later than three (3) days after its completion.

(5) The taxpayer and the township or county official stipulate for purposes of review by the county board that the correct assessed value of the tangible property in dispute is the appraised value of the tangible property as determined by the appraisal conducted under subdivision (3).

(6) The taxpayer and the township or county official retain the right to initiate a proceeding for review of a stipulated determination entered by the county board under subsection (g) before the Indiana board under section 3 of this chapter.

(7) Any other provision the department of local government finance considers appropriate.

(f) The department of local government finance shall prescribe a standard form agreement that must be used for purposes of this section. The department shall require the form agreement to be notarized.

(g) Upon receipt of an independent appraisal conducted under this section, the county board shall enter a stipulated determination of assessed value:

(1) based on the agreement of the parties under ~~this section;~~ **subsection (b)(2);** and

(2) equal to the appraised value of the property as determined by the independent appraisal.

(h) A taxpayer or a township or county official may initiate a proceeding for review of a stipulated determination entered by a county board under this section before the Indiana board as required by section 3 of this chapter.

SECTION 23. IC 6-1.1-17-16, AS AMENDED BY P.L.183-2014, SECTION 21, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16. (a) Subject to the limitations and requirements prescribed in this section, the department of local government finance may revise, reduce, or increase a political subdivision's budget by fund, tax rate, or tax levy which the department reviews under section 8 or 10 of this chapter.

(b) Subject to the limitations and requirements prescribed in this section, the department of local government finance may review, revise, reduce, or increase the budget by fund, tax rate, or tax levy of any of the political subdivisions whose tax rates compose the aggregate tax rate within a political subdivision whose budget, tax rate, or tax levy is the subject of an appeal initiated under this chapter.

(c) Except as provided in section 16.1 of this chapter, the department of local government finance is not required to hold a public hearing before the department of local government finance reviews, revises, reduces, or increases a political subdivision's budget by fund, tax rate, or tax levy under this section.

(d) Except as provided in subsection (i), IC 20-46, or IC 6-1.1-18.5,

the department of local government finance may not increase a political subdivision's budget by fund, tax rate, or tax levy to an amount which exceeds the amount originally fixed by the political subdivision. However, if the department of local government finance determines that IC 5-3-1-2.3(b) (before its expiration) applies to the tax rate, tax levy, or budget of the political subdivision, the maximum amount by which the department may increase the tax rate, tax levy, or budget is the amount originally fixed by the political subdivision, and not the amount that was incorrectly published or omitted in the notice described in IC 5-3-1-2.3(b) (before its expiration). The department of local government finance shall give the political subdivision notification electronically in the manner prescribed by the department of local government finance specifying any revision, reduction, or increase the department proposes in a political subdivision's tax levy or tax rate. The political subdivision has ten (10) calendar days from the date the political subdivision receives the notice to provide a response electronically in the manner prescribed by the department of local government finance. The response may include budget reductions, reallocation of levies, a revision in the amount of miscellaneous revenues, and further review of any other item about which, in the view of the political subdivision, the department is in error. The department of local government finance shall consider the adjustments as specified in the political subdivision's response if the response is provided as required by this subsection and shall deliver a final decision to the political subdivision.

(e) The department of local government finance may not approve a levy for lease payments by a city, town, county, library, or school corporation if the lease payments are payable to a building corporation for use by the building corporation for debt service on bonds and if:

(1) no bonds of the building corporation are outstanding; or

(2) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested.

(f) The department of local government finance shall certify its action to:

(1) the county auditor;

(2) the political subdivision if the department acts pursuant to an appeal initiated by the political subdivision;

(3) the taxpayer that initiated an appeal under section 13 of this chapter, or, if the appeal was initiated by multiple taxpayers, the first ten (10) taxpayers whose names appear on the statement filed to initiate the appeal; and

(4) a taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political

subdivision.

(g) The following may petition for judicial review of the final determination of the department of local government finance under subsection (f):

(1) If the department acts under an appeal initiated by a political subdivision, the political subdivision.

(2) If the department:

(A) acts under an appeal initiated by one (1) or more taxpayers under section 13 of this chapter; or

(B) fails to act on the appeal before the department certifies its action under subsection (f);

a taxpayer who signed the statement filed to initiate the appeal.

(3) If the department acts under an appeal initiated by the county auditor under section 14 of this chapter, the county auditor.

(4) A taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

The petition must be filed in the tax court not more than forty-five (45) days after the department certifies its action under subsection (f).

(h) The department of local government finance is expressly directed to complete the duties assigned to it under this section not later than February 15 of each year for taxes to be collected during that year.

(i) Subject to the provisions of all applicable statutes, **and notwithstanding IC 6-1.1-18-1,** the department of local government finance shall, unless the department finds extenuating circumstances, increase a political subdivision's tax levy to an amount that exceeds the amount originally advertised or adopted by the political subdivision if:

(1) the increase is requested in writing by the officers of the political subdivision;

(2) the requested increase is published on the department's advertising Internet web site and (before January 1, 2015) is published by the political subdivision according to a notice provided by the department; and

(3) notice is given to the county fiscal body of the error and the department's correction.

If the department increases a levy beyond what was advertised or adopted under this subsection, it shall, unless the department finds extenuating circumstances, reduce the certified levy affected below the maximum allowable levy by the lesser of five percent (5%) of the difference between the advertised or adopted levy and the increased levy, or one hundred thousand dollars ($100,000).

(j) The department of local government finance shall annually review the budget by fund of each school corporation not later than April 1. The department of local government finance shall give the

school corporation written notification specifying any revision, reduction, or increase the department proposes in the school corporation's budget by fund. A public hearing is not required in connection with this review of the budget.

SECTION 24. IC 6-1.1-18-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. **Except as provided in IC 6-1.1-17-16(i),** when fixing a budget, tax rate, and tax levy under IC 6-1.1-17-5, the officers of a political subdivision may not fix a budget or tax levy which exceeds the amount published by the political subdivision. The portion of a budget or tax levy which exceeds the published amount is void.

SECTION 25. IC 6-1.1-20-3.6, AS AMENDED BY P.L.203-2015, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3.6. (a) Except as provided in sections 3.7 and 3.8 of this chapter, this section applies only to a controlled project described in section 3.5(a) of this chapter.

(b) If a sufficient petition requesting the application of the local public question process has been filed as set forth in section 3.5 of this chapter, a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

(c) Except as provided in subsection (k), the following question shall be submitted to the eligible voters at the election conducted under this section:

> "Shall _____ (insert the name of the political subdivision) issue bonds or enter into a lease to finance _____ (insert a brief description of the controlled project), which is estimated to cost not more than _____ (insert the total cost of the project) and is estimated to increase the property tax rate for debt service by _____ (insert increase in tax rate as determined by the department of local government finance)?".

The public question must appear on the ballot in the form approved by the county election board. If the political subdivision proposing to issue bonds or enter into a lease is located in more than one (1) county, the county election board of each county shall jointly approve the form of the public question that will appear on the ballot in each county. The form approved by the county election board may differ from the language certified to the county election board by the county auditor. If the county election board approves the language of a public question under this subsection, the county election board shall submit the language to the department of local government finance for review.

(d) The department of local government finance shall review the

language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote in favor of the controlled project or a vote against the controlled project. The department of local government finance may either approve the ballot language as submitted or recommend that the ballot language be modified as necessary to ensure that the description of the controlled project is accurate and is not biased. The department of local government finance shall certify its approval or recommendations to the county auditor and the county election board not more than ten (10) days after the language of the public question is submitted to the department for review. If the department of local government finance recommends a modification to the ballot language, the county election board shall, after reviewing the recommendations of the department of local government finance, submit modified ballot language to the department for the department's approval or recommendation of any additional modifications. The public question may not be certified by the county auditor under subsection (e) unless the department of local government finance has first certified the department's final approval of the ballot language for the public question.

(e) The county auditor shall certify the finally approved public question under IC 3-10-9-3 to the county election board of each county in which the political subdivision is located. The certification must occur not later than noon:

(1) seventy-four (74) days before a primary election if the public question is to be placed on the primary or municipal primary election ballot; or

(2) August 1 if the public question is to be placed on the general or municipal election ballot.

Subject to the certification requirements and deadlines under this subsection and except as provided in subsection (k), the public question shall be placed on the ballot at the next primary election, general election, or municipal election in which all voters of the political subdivision are entitled to vote. However, if a primary election, general election, or municipal election will not be held during the first year in which the public question is eligible to be placed on the ballot under this section and if the political subdivision requests the public question to be placed on the ballot at a special election, the public question shall be placed on the ballot at a special election to be held on the first Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon seventy-four (74) days before a special election to be held in May (if the special election is to be held in May) or noon on August 1 (if the special election is to be held in November). The fiscal body of the political subdivision that requests the special election shall pay the

costs of holding the special election. The county election board shall give notice under IC 5-3-1 of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

(f) The circuit court clerk shall certify the results of the public question to the following:

(1) The county auditor of each county in which the political subdivision is located.

(2) The department of local government finance.

(g) Subject to the requirements of IC 6-1.1-18.5-8, the political subdivision may issue the proposed bonds or enter into the proposed lease rental if a majority of the eligible voters voting on the public question vote in favor of the public question.

(h) If a majority of the eligible voters voting on the public question vote in opposition to the public question, both of the following apply:

(1) The political subdivision may not issue the proposed bonds or enter into the proposed lease rental.

(2) Another public question under this section on the same or a substantially similar project may not be submitted to the voters earlier than three hundred fifty (350) days after the date of the election.

(i) IC 3, to the extent not inconsistent with this section, applies to an election held under this section.

(j) A political subdivision may not artificially divide a capital project into multiple capital projects in order to avoid the requirements of this section and section 3.5 of this chapter. A person that owns property within a political subdivision or a person that is a registered voter residing within a political subdivision may file a petition with the department of local government finance objecting that the political subdivision has artificially divided a capital project into multiple capital projects in order to avoid the requirements of this section and section 3.5 of this chapter. The petition must be filed not more than ten (10) days after the political subdivision makes the preliminary determination to issue the bonds or enter into the lease for the project. If the department of local government finance receives a petition under this subsection, the department shall not later than thirty (30) days after receiving the petition make a final determination on the issue of whether the capital projects were artificially divided.

(k) This subsection applies to a political subdivision for which a petition requesting a public question has been submitted under section 3.5 of this chapter. The legislative body (as defined in IC 36-1-2-9) of the political subdivision may adopt a resolution to withdraw a controlled project from consideration in a public question. If the

legislative body provides a certified copy of the resolution to the county auditor and the county election board not later than sixty-three (63) days before the election at which the public question would be on the ballot, the public question on the controlled project shall not be placed on the ballot and the public question on the controlled project shall not be held, regardless of whether the county auditor has certified the public question to the county election board. If the withdrawal of a public question under this subsection requires the county election board to reprint ballots, the political subdivision withdrawing the public question shall pay the costs of reprinting the ballots. If a political subdivision withdraws a public question under this subsection that would have been held at a special election and the county election board has printed the ballots before the legislative body of the political subdivision provides a certified copy of the withdrawal resolution to the county auditor and the county election board, the political subdivision withdrawing the public question shall pay the costs incurred by the county in printing the ballots. If a public question on a controlled project is withdrawn under this subsection, a public question under this section on the same controlled project or a substantially similar controlled project may not be submitted to the voters earlier than three hundred fifty (350) days after the date the resolution withdrawing the public question is adopted.

(l) If a public question regarding a controlled project is placed on the ballot to be voted on at ~~a public question~~ **an election** under this section, the political subdivision shall submit to the department of local government finance, at least thirty (30) days before the election, the following information regarding the proposed controlled project for posting on the department's Internet web site:

(1) The cost per square foot of any buildings being constructed as part of the controlled project.

(2) The effect that approval of the controlled project would have on the political subdivision's property tax rate.

(3) The maximum term of the bonds or lease.

(4) The maximum principal amount of the bonds or the maximum lease rental for the lease.

(5) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.

(6) The purpose of the bonds or lease.

(7) In the case of a controlled project proposed by a school corporation:

(A) the current and proposed square footage of school building space per student;

(B) enrollment patterns within the school corporation; and

(C) the age and condition of the current school facilities.

(2) A person who:

(A) owns a fee interest, a life estate interest, or the equitable interest of a contract purchaser in an unsafe building or unsafe premises; and

(3) A person who is the defendant in a court action brought under IC 36-7-9-18, IC 36-7-9-19, IC 36-7-9-20, IC 36-7-9-21, or IC 36-7-9-22 that has resulted in a judgment in favor of the plaintiff and the unsafe condition that caused the action to be brought has not been corrected.

(4) A person who has any of the following relationships to a person, partnership, corporation, or legal entity described in subdivision (1), (2), or (3):

(A) A partner of a partnership.

(B) An officer or majority stockholder of a corporation.

(6) A person who owns a fee interest, a life estate interest, or the equitable interest of a contract purchaser in a vacant or abandoned structure subject to an enforcement order under IC 32-30-6,

IC 32-30-7, IC 32-30-8, or IC 36-7-9, or a court order under IC 36-7-37.

(7) A person who is an agent of the person described in this subsection.

(b) A person subject to this section may not purchase a tract offered for sale under section 5 or 6.1 of this chapter. However, this section does not prohibit a person from bidding on a tract that is owned by the person and offered for sale under section 5 of this chapter.

(c) The county treasurer shall require each person who will be bidding at the tax sale to sign a statement in a form substantially similar to the following:

"Indiana law prohibits a person who owes delinquent taxes, special assessments, penalties, interest, or costs directly attributable to a prior tax sale of a tract or item of real property listed under ~~section 1 of this chapter~~ **IC 6-1.1-24-1** from purchasing tracts or items of real property at a tax sale. I hereby affirm under the penalties for perjury that I do not owe delinquent taxes, special assessments, penalties, interest, costs directly attributable to a prior tax sale, amounts from a final adjudication in favor of a political subdivision, any civil penalties imposed for the violation of a building code or county ordinance, or any civil penalties imposed by a county health department. Further, I hereby acknowledge that any successful bid I make in violation of this statement is subject to forfeiture. In the event of forfeiture, the amount by which my bid exceeds the minimum bid on the tract or item or real property under IC 6-1.1-24-5(e), if any, shall be applied to the delinquent taxes, special assessments, penalties, interest, costs, judgments, or civil penalties I owe, and a certificate will be issued to the county executive.".

(d) If a person purchases a tract that the person was not eligible to purchase under this section, the sale of the property is subject to forfeiture. If the county treasurer determines or is notified not more than six (6) months after the date of the sale that the sale of the property should be forfeited, the county treasurer shall:

(1) notify the person in writing that the sale is subject to forfeiture if the person does not pay the amounts that the person owes within thirty (30) days of the notice;

(2) if the person does not pay the amounts that the person owes within thirty (30) days after the notice, apply the surplus amount of the person's bid to the person's delinquent taxes, special assessments, penalties, and interest;

(3) remit the amounts owed from a final adjudication or civil penalties in favor of a political subdivision to the appropriate political subdivision; and

(4) notify the county auditor that the sale has been forfeited.

Upon being notified that a sale has been forfeited, the county auditor shall issue a certificate to the county executive under section 6 of this chapter.

(e) A county treasurer may decline to forfeit a sale under this section because of inadvertence or mistake, lack of actual knowledge by the bidder, substantial harm to other parties with interests in the tract or item of real property, or other substantial reasons. If the treasurer declines to forfeit a sale, the treasurer shall:

(1) prepare a written statement explaining the reasons for declining to forfeit the sale; and

(a) Except as provided in ~~sections 10.1 and~~ **section** 10.7 of this chapter, if an installment of property taxes is not completely paid on or before the due date, a penalty shall be added to the unpaid portion in the year of the initial delinquency. the amount of the penalty is equal to five percent (5%) of the amount of delinquent taxes.

(3) If subdivision (1) or (2) does not apply, the amount of the penalty is equal to ten percent (10%) of the amount of delinquent taxes.

(b) With respect to property taxes due in two (2) equal installments under IC 6-1.1-22-9(a), on the day immediately following the due dates of the first and second installments in each year following the year of the initial delinquency, an additional penalty equal to ten percent (10%) of any taxes remaining unpaid shall be added. With respect to property

taxes due in installments under IC 6-1.1-22-9.5, an additional penalty equal to ten percent (10%) of any taxes remaining unpaid shall be added on the day immediately following each date that succeeds the last installment due date by:

(1) six (6) months; or

(2) a multiple of six (6) months.

(c) The penalties under subsection (b) are imposed only on the principal amount of the delinquent taxes.

(d) If the department of local government finance determines that an emergency has occurred which precludes the mailing of the tax statement in any county at the time set forth in IC 6-1.1-22-8.1, the department shall establish by order a new date on which the installment of taxes in that county is due and no installment is delinquent if paid by the date so established.

(e) If any due date falls on a Saturday, a Sunday, a national legal holiday recognized by the federal government, or a statewide holiday, the act that must be performed by that date is timely if performed by the next succeeding day that is not a Saturday, a Sunday, or one (1) of those holidays.

(f) Subject to subsections (g) and (h), a payment to the county treasurer is considered to have been paid by the due date if the payment is:

(1) received on or before the due date by the county treasurer or a collecting agent appointed by the county treasurer;

(2) deposited in United States first class mail:

(C) with a date of registration, certification, or certificate, as evidenced by any record authenticated by the United States Postal Service, on or before the due date; or

(5) made by an electronic funds transfer and the taxpayer's bank account is charged on or before the due date.

For purposes of this subsection, "postmarked" does not mean the date printed by a postage meter that affixes postage to the envelope or package containing a payment.

(g) If a payment is mailed through the United States mail and is physically received after the due date without a legible correct postmark, the person who mailed the payment is considered to have made the payment on or before the due date if the person can show by reasonable evidence that the payment was deposited in the United States mail on or before the due date.

(h) If a payment is sent via the United States mail or a nationally recognized express parcel carrier but is not received by the designated recipient, the person who sent the payment is considered to have made the payment on or before the due date if the person:

(2) makes a duplicate payment within thirty (30) days after the date the person is notified that the payment was not received.

SECTION 29. IC 6-3.6-6-9, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. (a) This section applies to the allocation of additional revenue from a tax under this chapter for economic development purposes.

(b) Money designated for economic development purposes shall be allocated to the county, cities, and towns for use by the taxing unit's fiscal body for any of the purposes described in IC 6-3.6-10. Except as provided in subsections (c) and (d), and subject to adjustment as provided in IC 36-8-19-7.5, the amount of the certified distribution allocated to economic development purposes that the county and each city or town in a county is entitled to receive each month of each year equals the amount determined using the following formula:

STEP ONE: Determine the sum of:

(A) the total property taxes being imposed by the county, city, or town during the calendar year of the distribution; plus

(B) for a county, the welfare allocation amount.

STEP TWO: Determine the quotient of:

(A) The STEP ONE amount; divided by

(B) the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county

during the calendar year in which the month falls, plus the welfare allocation amount.

STEP THREE: Determine the product of:

(A) the amount of the certified distribution allocated to economic development purposes for that month; multiplied by

(B) the STEP TWO amount.

(c) The body imposing the tax may adopt an ordinance before August 2 of a year to provide for a distribution of the amount allocated to economic development purposes based on population instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

(1) The ordinance is effective January 1 of the following year.

(2) The amount of the certified distribution allocated to economic development purposes that the county and each city and town in the county are entitled to receive during each month of each year equals the product of:

(A) the amount of the certified distribution that is allocated to economic development purposes for the month; multiplied by

(B) the quotient of:

~~(A)~~ **(i)** for a city or town, the population of the city or the town that is located in the county and for a county, the population of the part of the county that is not located in a city or town; divided by

~~(B)~~ **(ii)** the population of the entire county.

(3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) In a county having a consolidated city, only the consolidated city is entitled to the amount of the certified distribution that is allocated to economic development purposes.

(e) This subsection applies to Porter County. Three million five hundred thousand dollars ($3,500,000) of the additional revenue that is allocated each year for economic development purposes shall be used by the county or by eligible municipalities (as defined in IC 36-7.5-1-11.3) in the county to make transfers as provided in and required under IC 36-7.5-4-2 (before its repeal).

SECTION 30. IC 6-6-5-9, AS AMENDED BY P.L.149-2015, SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. (a) The bureau, in the administration and collection of the annual license excise tax imposed by this chapter, may utilize the services and facilities of license branches operated under IC 9-16 in its administration of the motor vehicle registration laws of the state of Indiana. The license branches may be so utilized in accordance with such procedures, in such manner, and to such extent as the bureau shall deem necessary and proper to implement and

effectuate the administration and collection of the excise tax imposed by this chapter. However, in the event the bureau shall utilize such license branches in the collection of excise tax, the following apply:

(1) The bureau of motor vehicles shall report the excise taxes collected on at least a weekly basis to the county auditor of the county to which the collections are due.

(2) If the services of a license branch are used by the bureau in the collection of the excise tax imposed by this chapter, the license branch shall collect the service charge prescribed under IC 9-29-1-10 for each vehicle registered upon which an excise tax is collected by that branch.

(3) If the excise tax imposed by this chapter is collected by the department of state revenue, the money collected shall be deposited in the state general fund to the credit of the appropriate county and reported to the bureau of motor vehicles on the first working day following the week of collection. Except as provided in subdivision (4), any amount collected by the department which represents interest or a penalty shall be retained by the department and used to pay its costs of enforcing this chapter.

(4) This subdivision applies only to interest or a penalty collected by the department of state revenue from a person who:

(A) fails to properly register a vehicle as required by IC 9-18 and pay the tax due under this chapter; and

(B) during any time after the date by which the vehicle was required to be registered under IC 9-18 displays on the vehicle a license plate issued by another state.

The total amount collected by the department that represents interest or a penalty, minus a reasonable amount determined by the department to represent its administrative expenses, shall be deposited in the state general fund for the credit of the county in which the person resides. The amount shall be reported to the bureau of motor vehicles on the first working day following the week of collection.

The bureau may contract with a bank card or credit card vendor for acceptance of bank or credit cards.

(b) On or before April 1 of each year the bureau shall provide to the auditor of state the amount of motor vehicle excise taxes collected for each county for the preceding year.

(c) On or before May 10 and November 10 of each year the auditor of state shall distribute to each county one-half (1/2) of:

(1) the amount of delinquent taxes; and

(2) any penalty or interest described in subsection ~~(a)(3);~~ **(a)(4);** that have been credited to the county under subsection (a). There is appropriated from the state general fund the amount necessary to make

the distributions required by this subsection. The county auditor shall apportion and distribute the delinquent tax distributions to the taxing units in the county at the same time and in the same manner as excise taxes are apportioned and distributed under section 10 of this chapter.

(d) The commissioner of insurance shall prescribe the form of the bonds or crime policies required by this section.

SECTION 31. IC 6-8.1-5-2, AS AMENDED BY P.L.242-2015, SECTION 36, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) Except as otherwise provided in this section, the department may not issue a proposed assessment under section 1 of this chapter more than three (3) years after the latest of the date the return is filed, or either of the following:

(1) The due date of the return.

(2) In the case of a return filed for the state gross retail or use tax, the gasoline tax, the special fuel tax, the motor carrier fuel tax, the oil inspection fee, or the petroleum severance tax, the end of the calendar year which contains the taxable period for which the return is filed.

(b) If a person files a utility receipts tax return (IC 6-2.3), an adjusted gross income tax (IC 6-3), supplemental net income tax (IC 6-3-8) (repealed), county adjusted gross income tax (IC 6-3.5-1.1), county option income tax (IC 6-3.5-6), or financial institutions tax (IC 6-5.5) return that understates the person's income, as that term is defined in the particular income tax law, by at least twenty-five percent (25%), the proposed assessment limitation is six (6) years instead of the three (3) years provided in subsection (a).

(c) In the case of the motor vehicle excise tax (IC 6-6-5), the tax shall be assessed as provided in IC 6-6-5-5 and IC 6-6-5-6 and shall include the penalties and interest due on all listed taxes not paid by the due date. A person that fails to properly register a vehicle as required by IC 9-18 and pay the tax due under IC 6-6-5 is considered to have failed to file a return for purposes of this article.

(d) In the case of the commercial vehicle excise tax imposed under IC 6-6-5.5, the tax shall be assessed as provided in IC 6-6-5.5 and shall include the penalties and interest due on all listed taxes not paid by the due date. (g) If any part of a listed tax has been erroneously refunded by the department, the erroneous refund may be recovered through the assessment procedures established in this chapter. An assessment issued for an erroneous refund must be issued:

(1) within two (2) years after making the refund; or

(2) within five (5) years after making the refund if the refund was induced by fraud or misrepresentation.

(h) If, before the end of the time within which the department may make an assessment, the department and the person agree to extend that assessment time period, the period may be extended according to the terms of a written agreement signed by both the department and the person. The agreement must contain:

(1) the date to which the extension is made; and

(2) a statement that the person agrees to preserve the person's records until the extension terminates.

The department and a person may agree to more than one (1) extension under this subsection.

SECTION 35. IC 8-1-8.5-9, AS AMENDED BY P.L.246-2015, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. (a) For purposes of this section, "DSM order" refers to an order of the commission that establishes or approves:

(1) energy efficiency targets or goals for electricity suppliers; or

(2) an energy efficiency program sponsored by an electricity supplier.

The term includes the December 9, 2009, order of the commission concerning demand side management programs.

(b) For purposes of this section, "electricity supplier" has the meaning set forth in IC 8-1-2.3-2(b).

(c) For purposes of this section, "energy efficiency program" means a program that is:

(1) sponsored by an electricity supplier or a third party administrator; and

(2) designed to implement energy efficiency improvements (as defined in 170 IAC 4-8-1(j)) for customers.

The term does not include a program designed primarily to reduce demand.

(d) For purposes of this section, "energy efficiency program costs" include:

(1) program costs;

(2) lost revenues; and

(3) incentives approved by the commission.

(e) For purposes of this section, "industrial customer" means a person that receives services at a single site constituting more than one (1) megawatt of electric capacity from an electricity supplier.

(f) An industrial customer may opt out of participating in an energy efficiency program that is established by an electricity supplier by providing notice to the electricity supplier. Except as provided in subsection (g), an electricity supplier may not charge an industrial customer that opts out rates that include energy efficiency program costs that accrue or are incurred after the date on which the industrial customer opts out. However, an industrial customer remains liable for rates that include energy efficiency program costs that accrued or were incurred, or related to investments made, before the date on which the

industrial customer opts out, regardless of the date on which the rates are actually assessed against the industrial customer.

(g) An industrial customer that opts out of participating in an energy efficiency program may subsequently opt to participate in the same or a different energy efficiency program. The industrial customer must participate in the subsequent energy efficiency program for at least three (3) years after the date on which the industrial customer opts in. If the industrial customer terminates participation in the subsequent energy efficiency program during the three (3) year period described in this subsection, the industrial customer shall continue paying energy efficiency program rates, including costs described in subsection (f), for the remainder of the three (3) year period.

(h) Energy efficiency targets or goals that are approved or mandated by the commission in a DSM order must be calculated to exclude all load from an industrial customer that opts out under subsection (f).

(i) The commission may adopt:

~~(j) Not later than August 15, 2014, the commission shall prepare a status report on all energy efficiency programs implemented under the DSM order issued by the commission on December 9, 2009. The commission shall provide the status report in an electronic format under IC 5-14-6 to the interim study committee on energy, utilities, and telecommunications established by IC 2-5-1.3-4 and to the legislative council. The status report must consider the following:~~

~~(1) The status and effectiveness of all energy efficiency programs, including whether efficiency gains attributable to a federal conservation program are being measured as part of an energy efficiency program implemented under the 2009 DSM order.~~

~~(2) The degree to which energy efficiency program costs are shifted among customer classes.~~

~~(3) Program costs to date.~~

~~(4) Program costs projected to be incurred in complying with all DSM orders.~~

~~(5) The actual impact of program costs on all customer rates and the projected impact of program costs on all customer rates upon full implementation of the 2009 DSM order.~~

~~(6) Current and projected costs and benefits of current and anticipated energy efficiency programs, including costs and benefits associated with third party administrators and evaluation, measurement, and verification contractors.~~

~~(7) The effectiveness of energy efficiency programs in reducing~~

~~energy consumption and demand.~~

~~(8) Methods by which the cost effectiveness and long term resource value of energy efficiency programs may be measured to assess the effect on rates and charges for all customers.~~

~~(9) Methods by which the interests of customers and electricity suppliers may be better aligned.~~

~~(10) Any additional information or recommendations the commission determines is necessary.~~

~~This subsection expires December 31, 2014.~~

~~(k)~~ **(j)** The commission may not:

(1) extend, renew, or require the establishment of an energy efficiency program under; or

(2) after December 31, 2014, require an electricity supplier to meet a goal or target established in;

An electricity supplier may not renew or extend an existing contract or enter into a new contract with a statewide third party administrator for an energy efficiency program established or approved by the DSM order issued by the commission on December 9, 2009.

~~(l)~~ **(k)** After December 31, 2014, an electricity supplier may continue to timely recover energy efficiency program costs that:

(1) accrued or were incurred under or relate to an energy efficiency program implemented under the DSM order issued by the commission on December 9, 2009; and

(2) are approved by the commission for recovery.

~~(m)~~ **(l)** After December 31, 2014, an electricity supplier may offer a cost effective portfolio of energy efficiency programs to customers. An electricity supplier may submit a proposed energy efficiency program to the commission for review. If an electricity supplier submits a proposed energy efficiency program for review and the commission determines that the portfolio included in the proposed energy efficiency program is reasonable and cost effective, the electricity supplier may recover energy efficiency program costs in the same manner as energy efficiency program costs were recoverable under the DSM order issued by the commission on December 9, 2009. The commission may not:

(1) require an energy efficiency program to be implemented by a third party administrator; or

(2) in making its determination, consider whether a third party administrator implements the energy efficiency program.

~~(n)~~ **(m)** This section does not affect:

(1) an energy efficiency program offered by an energy utility (as defined in IC 8-1-2.5-2) that is not an electricity supplier; or

(2) the manner in or means by which an energy utility described in subdivision (1) may recover costs associated with an energy

efficiency program described in subdivision (1).

However, revenue of an affiliate may not be considered revenue of the holder if the revenue is otherwise subject to fees to be paid to the unit.

(d) This subsection does not apply to a holder that is required to determine gross revenue under subsection (b). The holder shall not include the following in determining the gross revenue received during the quarter with respect to a particular unit:

purchaser collects a franchise fee under:

(A) this chapter; or

(7) Any tax of general applicability:

(A) imposed on the holder or on subscribers by a federal, state, or local governmental entity; and

including the state gross retail and use taxes (IC 6-2.5) and the utility receipts tax (IC 6-2.3).

(8) Any forgone revenue from providing free or reduced cost cable video service to any person, including:

(A) employees of the holder;

(B) the unit; or

(e) If, under the terms of the holder's certificate, the holder provides video service to any unincorporated area in Indiana, the holder shall calculate the holder's gross income received from each unincorporated area served in accordance with:

(1) subsection (b); or

(2) subsections (c) and (d);

whichever is applicable.

(f) If a unit served by the holder under a certificate annexes any territory after the certificate is issued or renewed under this chapter, the holder shall:

(1) include in the calculation of gross revenue for the annexing unit any revenue generated by the holder from providing video service to the annexed territory; and

(2) subtract from the calculation of gross revenue for any unit or unincorporated area:

(A) of which the annexed territory was formerly a part; and

(B) served by the holder before the effective date of the annexation;

(j) If a majority of the voters voting on the question vote against the sale or disposition, the ordinance adopted under subsection (d) does not take effect and the sale or disposition may not be made.

(k) If:

(1) the legislative body adopts an ordinance under subsection (d); and

(2) after the expiration of the thirty (30) day period described in subsection (g), a petition is not filed;

If the owners of land located outside of but contiguous to a municipality want to have territory containing that land annexed to the municipality, they may file with the legislative body of the municipality a petition:

(1) signed by at least:

(2) The petition requests an ordinance annexing the area described in the petition.

(c) The petition circulated by the landowners must include on each page where signatures are affixed a heading that is substantially similar to the following:

"PETITION FOR ANNEXATION INTO THE (insert whether city or town) OF (insert name of city or town).".

(d) If the legislative body fails to pass the ordinance within one hundred fifty (150) days after the date of filing of a petition under subsection (a) **or (b),** the petitioners may file a duplicate copy of the petition in the circuit or superior court of a county in which the territory is located, and shall include a written statement of why the annexation should take place. Notice of the proceedings, in the form of a summons, shall be served on the municipality named in the petition. The municipality is the defendant in the cause and shall appear and answer.

(3) the population density of the territory sought to be annexed is at least three (3) persons per acre; and

The ordinance must aggregate the portions of the impact fee attributable to the infrastructure types covered by the ordinance so that a single and unified impact fee is imposed on each new development.

(b) If the legislative body of a unit has planning and zoning jurisdiction over the entire geographic area covered by the impact fee ordinance, an ordinance adopted under this section shall be adopted in the same manner that zoning ordinances are adopted under the 600 SERIES of this chapter.

(c) If the legislative body of a unit does not have planning and zoning jurisdiction over the entire geographic area covered by the impact fee ordinance but does have jurisdiction over one (1) or more infrastructure types in the area, the legislative body shall establish the portion of the impact fee schedule or formula for the infrastructure types over which the legislative body has jurisdiction. The legislative body of the unit having planning and zoning jurisdiction shall adopt an impact fee ordinance containing that portion of the impact fee schedule or formula if:

An impact fee imposed on new development to pay for infrastructure may not be collected after January 1, 1992, unless the impact fee is imposed under an impact fee ordinance adopted under this chapter.

(e) Notwithstanding any other provision of this chapter, the following charges are not impact fees and may continue to be imposed by units:

(1) Fees, charges, or assessments imposed for infrastructure services under statutes in existence on January 1, 1991, if:

(A) the fee, charge, or assessment is imposed upon all users whether they are new users or users requiring additional capacity or services;

(C) the fee, charge, or assessment constitutes a reasonable charge for the services provided in accordance with ~~IC 36-1-3-8(6)~~ **IC 36-1-3-8(a)(6)** or other governing statutes requiring that any fees, charges, or assessments bear a reasonable relationship to the infrastructure provided.

(2) Fees, charges, and assessments agreed upon under a contractual agreement entered into before April 1, 1991, or fees, charges, and assessments agreed upon under a contractual agreement, if the fees, charges, and assessments are treated as impact deductions under section 1321(d) of this chapter if an impact fee ordinance is in effect.
