2	SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
3	JULY 1, 2013 (RETROACTIVE)]: Sec. 32. (a) This section does not

6	legal settlement within the school corporation.
7	(b) The governing body of a school corporation shall annually
8	establish:
9	(1) the number of transfer students the school corporation has the
10	capacity to accept in each grade level; and
11	(2) the date by which requests to transfer into the school
12	corporation must be received by the governing body.
13	(c) After establishing the date under subsection (b)(2), the
14	governing body shall:
15	(1) publish the date on the school corporation's Internet web site:
16	and

- (2) report the date to the department.
- (d) The department shall publish the dates received from school corporations under subsection (c)(2) on the department's Internet web site.
- (e) A student to whom this section applies may not request to transfer under this section primarily for athletic reasons to a school corporation in which the student does not have legal settlement.
- (f) If the number of requests to transfer into a school corporation received by the date established for the school corporation under subsection (b)(2) exceeds the capacity established for the school corporation under subsection (b)(1), each timely request must be given an equal chance to be accepted, with the exception that a student described in subsection (h) shall be given priority. The governing body must determine which students will be admitted as transfer students to each school building and each grade level within the school corporation by a random drawing in a public meeting.
- (g) Except as provided in subsections (i), (j), and (k), the governing body of a school corporation may not deny a request for a student to transfer into the school corporation based upon the student's academic record, scores on ISTEP tests, disciplinary record, or disability, or upon any other factor not related to the school corporation's capacity.
- (h) Except as provided in subsections (i), (j), and (k), the governing body of a school corporation may not deny a request for a student to transfer into the school corporation if the student requesting to transfer:

 - (2) has a parent who is an employee of the school corporation.
- (i) A governing body of a school corporation may limit the number of new transfers to a school building or grade level in the school corporation:
 - (1) to ensure that a student who attends a school within the school corporation as a transfer student during a school year may continue to attend the school in subsequent school years; and
 - (2) to allow a student described in subsection (h) to attend a school within the school corporation.
- (j) Notwithstanding subsections (g) and (h), a governing body of a school corporation may deny a request for a student to transfer to the school corporation, or establish terms or conditions for enrollment that prevent a student from enrolling in a school, if the student has been suspended (as defined in IC 20-33-8-7) or expelled (as defined in IC 20-33-8-3) during the twelve (12) months preceding the student's request to transfer under this section:
