**ARTICLE 14.1. DENTIST AND DENTAL HYGIENIST COMPACT**

**Chapter 1. Title and Scope**

**Sec. 1. This article shall be known and cited as the Dentist and Dental Hygienist Compact. The purposes of this compact are to facilitate the interstate practice of dentistry and dental hygiene and improve public access to dentistry and dental hygiene services by providing dentists and dental hygienists licensed in a participating state the ability to practice in participating states in which they are not licensed. The compact does this by establishing a pathway for dentists and dental hygienists licensed in a participating state to obtain a compact privilege that authorizes them to practice in another participating state in which they are not licensed. The compact enables participating states to protect the public health and safety with respect to the practice of such dentists and dental hygienists, through the state's authority to regulate the practice of dentistry and dental hygiene in the state. The compact does the following:**

- (1) Enables dentists and dental hygienists who qualify for a compact privilege to practice in other participating states without satisfying duplicative requirements associated with securing a license to practice in those states.**
- (2) Promotes mobility and addresses workforce shortages through each participating state's acceptance of a compact privilege to practice in that state.**
- (3) Increases public access to qualified licensed dentists and dental hygienists by creating a responsible, streamlined pathway for licensees to practice in participating states.**
- (4) Enhances the ability of participating states to protect the public's health and safety.**
- (5) Does not interfere with licensure requirements established by a participating state.**

 31 as a participating state, a state must:

- 32           (1) enact a compact that is not materially different from the  
 33 model compact as determined in accordance with commission  
 34 rules;  
 35           (2) participate fully in the commission's data system;  
 36           (3) have a mechanism in place for receiving and investigating  
 37 complaints about its licensees and license applicants;  
 38           (4) notify the commission, in compliance with the terms of the  
 39 compact and commission rules, of any adverse action or the  
 40 availability of significant investigative information regarding  
 41 a licensee and license applicant;  
 42           (5) fully implement a criminal background check

- 1 requirement, within a time frame established by commission  
 2 rule, by receiving the results of a qualifying criminal  
 3 background check;
- 4 (6) comply with the commission rules applicable to a  
 5 participating state;
- 6 (7) accept the national board examinations of the Joint  
 7 Commission on National Dental Examinations or another  
 8 examination accepted by commission rule as a licensure  
 9 examination;
- 10 (8) accept for licensure that applicants for a dentist license  
 11 graduate from a predoctoral dental education program

 17 (D.M.D.) degree;
- 18 (9) accept for licensure that applicants for a dental hygienist  
 19 license graduate from a dental hygiene education program  
 20 accredited by the Commission on Dental Accreditation or  
 21 another accrediting agency recognized by the United States  
 22 Department of Education for the accreditation of dentistry  
 23 and dental hygiene education programs;
- 24 (10) require for licensure that applicants successfully  
 25 complete a clinical assessment;
- 26 (11) have continuing professional development requirements  
 27 as a condition for license renewal; and
- 28 (12) pay a participation fee to the commission as established  
 29 by commission rule.
- 30 (b) Providing alternative pathways for an individual to obtain  
 31 an unrestricted license does not disqualify a state from  
 32 participating in the compact.
- 33 **Sec. 2. When conducting a criminal background check, the state**  
 34 **licensing authority shall:**
- 35 (1) consider the criminal background check information in  
 36 making a licensure decision;
- 37 (2) maintain documentation of completion of the criminal  
 38 background check and background check information to the  
 39 extent allowed by state and federal law; and
- 40 (3) report to the commission whether it has completed the  
 41 criminal background check and whether the individual was  
 42 granted or denied a license.

1           **Sec. 3. A licensee of a participating state who has a qualifying**  
 2 **license in that state and does not hold an encumbered license in any**  
 3 **other participating state shall be issued a compact privilege in a**  
 4 **remote state in accordance with the terms of the compact and**  
 5 **commission rules. If a remote state has a jurisprudence**  
 6 **requirement, a compact privilege will not be issued to the licensee**  
 7 **unless the licensee has satisfied the jurisprudence requirement.**

8           **Chapter 4. Compact Privilege**

9           **Sec. 1. To obtain and exercise the compact privilege under the**  
 10 **terms and provisions of the compact, the licensee shall:**

- 11           **(1) have a qualifying license as a dentist or dental hygienist in**  
 12 **a participating state;**  
 13           **(2) be eligible for a compact privilege in any remote state in**  
 14 **accordance with section 4(a), 4(d), and 4(e) of this chapter;**  
 15           **(3) submit to an application process whenever the licensee is**  
 16 **seeking a compact privilege;**  
 17           **(4) pay any applicable commission and remote state fees for**  
 18 **a compact privilege in the remote state;**

 21 **privilege;**  
 22           **(6) have passed a national board examination of the Joint**  
 23 **Commission on National Dental Examinations or another**  
 24 **examination accepted by commission rule;**  
 25           **(7) for a dentist, have graduated from a predoctoral dental**  
 26 **education program accredited by the Commission on Dental**  
 27 **Accreditation, or another accrediting agency recognized by**  
 28 **the United States Department of Education for the**  
 29 **accreditation of dentistry and dental hygiene education**  
 30 **programs, leading to the Doctor of Dental Surgery (D.D.S.) or**  
 31 **Doctor of Dental Medicine (D.M.D.) degree;**  
 32           **(8) for a dental hygienist, have graduated from a dental**  
 33 **hygiene education program accredited by the Commission on**  
 34 **Dental Accreditation or another accrediting agency**  
 35 **recognized by the United States Department of Education for**  
 36 **the accreditation of dentistry and dental hygiene education**  
 37 **programs;**  
 38           **(9) have successfully completed a clinical assessment for**  
 39 **licensure;**  
 40           **(10) report to the commission adverse action taken by any**  
 41 **nonparticipating state when applying for a compact privilege**  
 42 **and, otherwise, within thirty (30) days from the date the**

1           adverse action is taken;

2           (11) report to the commission when applying for a compact  
3           privilege the address of the licensee's primary residence and  
4           thereafter immediately report to the commission any change  
5           in the address of the licensee's primary residence; and

6           (12) consent to accept service of process by mail at the  
7           licensee's primary residence on record with the commission  
8           with respect to any action brought against the licensee by the  
9           commission or a participating state, and consent to accept  
10          service of a subpoena by mail at the licensee's primary  
11          residence on record with the commission with respect to any  
12          action brought or investigation conducted by the commission  
13          or a participating state.

14          Sec. 2. The licensee must comply with the requirements of  
15          section 1 of this chapter to maintain the compact privilege in the  
16          remote state. If those requirements are met, the compact privilege  
17          will continue as long as the licensee maintains a qualifying license  
18          in the state through which the licensee applied for the compact  
19          privilege and pays any applicable compact privilege renewal fees.

20          Sec. 3. A licensee providing dentistry or dental hygiene in a  
21          remote state under the compact privilege shall function within the  
22          scope of practice authorized by the remote state for a dentist or  
23          dental hygienist licensed in that state.

24          Sec. 4. (a) A licensee providing dentistry or dental hygiene  
25          pursuant to a compact privilege in a remote state is subject to that  
26          state's regulatory authority. A remote state may, in accordance  
27          with due process and that state's laws, by adverse action revoke or  
28          remove a licensee's compact privilege in the remote state for a  
29          specific period of time and impose fines or take any other necessary  
30          actions to protect the health and safety of its citizens. If a remote  
31          state imposes an adverse action against a compact privilege that  
32          limits the compact privilege, that adverse action applies to all  
33          compact privileges in all remote states. A licensee whose compact  
34          privilege in a remote state is removed for a specified period of time  
35          is not eligible for a compact privilege in any other remote state  
36          until the specific time for removal of the compact privilege has  
37          passed and all encumbrance requirements are satisfied.

38          (b) If a license in a participating state is an encumbered license,  
39          the licensee shall lose the compact privilege in a remote state and  
40          shall not be eligible for a compact privilege in any remote state  
41          until the license is no longer encumbered.

42          (c) Once an encumbered license in a participating state is

1 restored to good standing, the licensee must meet the requirements  
 2 of section 1 of this chapter to obtain a compact privilege in a  
 3 remote state.

4 (d) If a licensee's compact privilege in a remote state is removed  
 5 by the remote state, the individual shall lose or be ineligible for the  
 6 compact privilege in any remote state until the following occur:

7 (1) The specific period of time for which the compact privilege  
 8 was removed has ended.

9 (2) All conditions for removal of the compact privilege have  
 10 been satisfied.

11 (e) Once the requirements of subsection (d) have been met, the  
 12 licensee must meet the requirements in section 1 of this chapter to  
 13 obtain a compact privilege in a remote state.

14 **Chapter 5. Active Military Member or the Member's Spouse**

15 **Sec. 1.** An active military member and the member's spouse  
 16 shall not be required to pay to the commission for a compact  
 17 privilege the fee otherwise charged by the commission. If a remote  
 18 state chooses to charge a fee for a compact privilege, it may choose  
 19 to charge a reduced fee or no fee to an active military member and  
 20 the member's spouse for a compact privilege.

21 **Chapter 6. Adverse Actions**

22 **Sec. 1. (a)** A participating state in which a licensee is licensed  
 23 shall have exclusive authority to impose adverse action against the  
 24 qualifying license issued by that participating state.

25 (b) A participating state may take adverse action based on the  
 26 significant investigative information of a remote state, so long as  
 27 the participating state follows its own procedures for imposing  
 28 adverse action.

29 (c) Nothing in this compact shall override a participating state's  
 30 decision that participation in an alternative program may be used  
 31 in lieu of adverse action and that such participation shall remain  
 32 nonpublic if required by the participating state's laws. Participating  
 33 states must require licensees who enter any alternative program in  
 34 lieu of discipline to agree not to practice pursuant to a compact  
 35 privilege in any other participating state during the term of the  
 36 alternative program without prior authorization from such other  
 37 participating state.

38 (d) Any participating state in which a licensee is applying to  
 39 practice or is practicing pursuant to a compact privilege may  
 40 investigate actual or alleged violations of the statutes and  
 41 regulations authorizing the practice of dentistry or dental hygiene  
 42 in any other participating state in which the dentist or dental

**Sec. 2. A remote state shall have the authority to:**

- (1) take adverse actions as set forth in IC 25-14.1-4-4(a) against a licensee's compact privilege in the state;**
- (2) in furtherance of its rights and responsibilities under the compact and the commission's rules, issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, and the production of evidence. Subpoenas issued by a state licensing authority in a participating state for the attendance and testimony of witnesses, or the production of evidence from another participating state, shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state where the witnesses or evidence are located; and**
- (3) if otherwise permitted by state law, recover from the licensee the costs of investigations and disposition of cases resulting from any adverse action taken against that licensee.**

**Sec. 3. (a) In addition to the authority granted to a participating state by its dentist or dental hygienist licensure act or other applicable state law, a participating state may jointly investigate licensees with other participating states.**

**(b) Participating states shall share any significant investigative information, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the compact.**

**Sec. 4. (a) After a licensee's compact privilege in a remote state is terminated, the remote state may continue an investigation of the licensee that began when the licensee had a compact privilege in that remote state.**

**(b) If the investigation yields what would be significant investigative information had the licensee continued to have a compact privilege in that remote state, the remote state shall report the presence of such information to the data system as required by IC 25-14.1-8-2(6) as if it was significant investigative information.**

**Chapter 7. Establishment and Operation of the Commission**

**Sec. 1. The compact participating states hereby create and establish a joint government agency whose membership consists of all participating states that have enacted the compact. The commission is an instrumentality of the participating states acting**

1 jointly and not an instrumentality of any one (1) state. The  
2 commission shall come into existence on or after the effective date  
3 of the compact as set forth in IC 25-14.1-11.

4 Sec. 2. (a) Each participating state shall have and be limited to  
5 one (1) commissioner selected by that participating state's state  
6 licensing authority or, if the state has more than one (1) state  
7 licensing authority, selected collectively by the state licensing  
8 authorities.

9 (b) The commissioner shall be a member or designee of such  
10 authority or authorities.

11 (c) The commission may by rule or bylaw establish a term of  
12 office for commissioners and may by rule or bylaw establish term  
13 limits.

14 (d) The commission may recommend to a state licensing  
15 authority or authorities, as applicable, removal or suspension of an  
16 individual as the state's commissioner.

17 (e) A participating state's state licensing authority or  
18 authorities, as applicable, shall fill any vacancy of its commissioner  
19 on the commission within sixty (60) days of the vacancy.

20 (f) Each commissioner shall be entitled to one (1) vote on all  
21 matters that are voted upon by the commission.

22 (g) The commission shall meet at least once during each  
23 calendar year. Additional meetings may be held as set forth in the  
24 bylaws. The commission may meet by telecommunication, video  
25 conference, or other similar electronic means.

26 Sec. 3. The commission shall have the following powers:

27 (1) Establish the fiscal year of the commission.

28 (2) Establish a code of conduct and conflict of interest policies.

29 (3) Adopt rules and bylaws.

30 (4) Maintain the commission's financial records in accordance  
31 with the bylaws.

32 (5) Meet and take such actions as are consistent with the  
33 provisions of this compact, the commission's rules, and the  
34 bylaws.

35 (6) Initiate and conclude legal proceedings or actions in the  
36 name of the commission, provided that the standing of any  
37 state licensing authority to sue or be sued under applicable  
38 law shall not be affected.

39 (7) Maintain and certify records and information provided to  
40 a participating state as the authenticated business records of  
41 the commission, and designate a person to do so on the  
42 commission's behalf.

2 (6) accusing any person of a crime or formally censuring any  
3 person;

4 (7) trade secrets or commercial or financial information that  
5 is privileged or confidential;

6 (8) information of a personal nature where disclosure would  
7 constitute a clearly unwarranted invasion of personal privacy;

8 (9) investigative records compiled for law enforcement  
9 purposes;

10 (10) information related to any investigative reports prepared  
11 by or on behalf of or for use of the commission or other  
12 committee charged with responsibility of investigation or  
13 determination of compliance issues pursuant to the compact;

14 (11) legal advice;

15 (12) matters specifically exempted from disclosure to the  
16 public by federal or participating state law; and

17 (13) other matters as promulgated by the commission by rule.

18 (e) If a meeting, or portion of a meeting, is closed, the presiding  
19 officer shall state that the meeting will be closed and reference each  
20 relevant exempting provision, and such reference shall be recorded  
21 in the minutes.

22 (f) The commission shall keep minutes that fully and clearly  
23 describe all matters discussed in a meeting and shall provide a full  
24 and accurate summary of actions taken, and the reasons therefore,  
25 including a description of the views expressed. All documents  
26 considered in connection with an action shall be identified in the  
27 minutes. All minutes and documents of a closed meeting shall  
28 remain under seal, subject to release only by a majority vote of the  
29 commission or order of a court of competent jurisdiction.

30 Sec. 5. (a) The commission shall pay, or provide for the payment  
31 of, the reasonable expenses of its establishment, organization, and  
32 ongoing activities.

33 (b) The commission may accept any and all appropriate sources  
34 of revenue, donations, and grants of money, equipment, supplies,  
35 materials, and services.

36 (c) The commission may levy on and collect an annual  
37 assessment from each participating state and impose fees on  
38 licensees of participating states when a compact privilege is  
39 granted, to cover the cost of the operations and activities of the  
40 commission and its staff, which must be in a total amount sufficient  
41 to cover its annual budget as approved each fiscal year for which  
42 sufficient revenue is not provided by other sources. The aggregate

1 annual assessment amount for participating states shall be  
 2 allocated based upon a formula that the commission shall  
 3 promulgate by rule.

4 (d) The commission shall not incur obligations of any kind prior  
 5 to securing the funds adequate to meet the same; nor shall the  
 6 commission pledge the credit of any participating state, except by  
 7 and with the authority of the participating state.

8 (e) The commission shall keep accurate accounts of all receipts  
 9 and disbursements. The receipts and disbursements of the  
 10 commission shall be subject to the financial review and accounting  
 11 procedures established under its bylaws. All receipts and  
 12 disbursements of funds handled by the commission shall be subject  
 13 to an annual financial review by a certified or licensed public  
 14 accountant, and the report of the financial review shall be included  
 15 in and become part of the annual report of the commission.

16 Sec. 6. (a) The executive board shall have the power to act on  
 17 behalf of the commission according to the terms of this compact.  
 18 The powers, duties, and responsibilities of the executive board shall  
 19 include:

20 (1) overseeing the day-to-day activities of the administration  
 21 of the compact including compliance with the provisions of  
 22 the compact, and the commission's rules and bylaws;

23 (2) recommending to the commission changes to the rules or  
 24 bylaws, changes to this compact legislation, fees charged to  
 25 compact participating states, fees charged to licensees, and  
 26 other fees;

27 (3) ensuring compact administration services are  
 28 appropriately provided, including by contract;

29 (4) preparing and recommending the budget;

30 (5) maintaining financial records on behalf of the commission;

31 (6) monitoring compact compliance of participating states and  
 32 providing compliance reports to the commission;

33 (7) establishing additional committees as necessary;

34 (8) exercising the powers and duties of the commission during  
 35 the interim between commission meetings, except for adopting  
 36 or amending rules, adopting or amending bylaws, and  
 37 exercising any other powers and duties expressly reserved to  
 38 the commission by rule or bylaw; and

39 (9) other duties as provided in the rules or bylaws of the  
 40 commission.

41 (b) The executive board shall be composed of up to seven (7)  
 42 members as follows:

1           (1) The chair, vice chair, secretary, and treasurer of the  
2           commission and any other members of the commission who  
3           serve on the executive board shall be voting members of the  
4           executive board.

5           (2) Other than the chair, vice chair, secretary, and treasurer,  
6           the commission may elect up to three (3) voting members  
7           from the current membership of the commission.

8           (c) The commission may remove any member of the executive  
9           board as provided in the commission's bylaws.

10          Sec. 7. (a) The executive board shall meet at least annually.

11          (b) An executive board meeting at which it takes or intends to  
12          take formal action on a matter shall be open to the public, except  
13          that the executive board may meet in a closed, nonpublic session of  
14          a public meeting when dealing with any of the matters covered  
15          under section 4(d) of this chapter.

16          (c) The executive board shall give five (5) business days notice  
17          of its public meetings, posted on its website and as it may otherwise  
18          determine to provide notice to persons with an interest in the  
19          public matters the executive board intends to address at those  
20          meetings.

21          (d) The executive board may hold an emergency meeting when  
22          acting for the commission to:

23                 (1) meet an imminent threat to public health, safety, or  
24                 welfare;

25                 (2) prevent a loss of commission or participating state funds;  
26                 or

27                 (3) protect public health and safety.

28          Sec. 8. (a) The members, officers, executive director, employees,  
29          and representatives of the commission shall be immune from suit  
30          and liability, both personally and in their official capacity, for any  
31          claim for damage to or loss of property or personal injury or other  
32          civil liability caused by or arising out of any actual or alleged act,  
33          error, or omission that occurred, or that the person against whom  
34          the claim is made had a reasonable basis for believing occurred  
35          within the scope of commission employment, duties, or  
36          responsibilities; provided that nothing in this subsection shall be  
37          construed to protect any such person from suit or liability for any  
38          damage, loss, injury, or liability caused by the intentional or willful  
39          or wanton misconduct of that person. The procurement of  
40          insurance of any type by the commission shall not in any way  
41          compromise or limit the immunity granted under this section.

42          (b) The commission shall defend any member, officer, executive

1 director, employee, and representative of the commission in any  
 2 civil action seeking to impose liability arising out of any actual or  
 3 alleged act, error, or omission that occurred within the scope of  
 4 commission employment, duties, or responsibilities, or as  
 5 determined by the commission that the person against whom the  
 6 claim is made had a reasonable basis for believing occurred within  
 7 the scope of commission employment, duties, or responsibilities;  
 8 provided that nothing in this section shall be construed to prohibit  
 9 that person from retaining the person's own counsel at the person's  
 10 own expense; and provided further, that the actual or alleged act,  
 11 error, or omission did not result from that person's intentional or  
 12 willful or wanton misconduct.

13 (c) Notwithstanding subsection (a), should any member, officer,  
 14 executive director, employee, or representative of the commission  
 15 be held liable for the amount of any settlement or judgment arising  
 16 out of any actual or alleged act, error, or omission that occurred  
 17 within the scope of that individual's employment, duties, or  
 18 responsibilities for the commission, or that the person to whom  
 19 that individual is liable had a reasonable basis for believing  
 20 occurred within the scope of the individual's employment, duties,  
 21 or responsibilities for the commission, the commission shall  
 22 indemnify and hold harmless such individual, provided that the  
 23 actual or alleged act, error, or omission did not result from the  
 24 intentional or willful or wanton misconduct of the individual.

25 (d) Nothing in this section shall be construed as a limitation on  
 26 the liability of any licensee for professional malpractice or  
 27 misconduct, which shall be governed solely by any other applicable  
 28 state laws.

29 (e) Nothing in this compact shall be interpreted to waive or  
 30 otherwise abrogate a participating state's state action immunity or  
 31 state action affirmative defense with respect to antitrust claims  
 32 under the Sherman Act (15 U.S.C. 1 et seq.), Clayton Act (15 U.S.C.  
 33 12 et seq.), or any other state or federal antitrust or  
 34 anticompetitive law or regulation.

35 (f) Nothing in this compact shall be construed to be a waiver of  
 36 sovereign immunity by the participating states or by the  
 37 commission.

#### 38 Chapter 8. Data System

39 Sec. 1. The commission shall provide for the development,  
 40 maintenance, operation, and utilization of a coordinated data base  
 41 and reporting system containing licensure, adverse action, and the  
 42 presence of significant investigative information on all licensees

1 and applicants for a license in participating states.

2 Sec. 2. Notwithstanding any other provision of state law to the  
3 contrary, a participating state shall submit a uniform data set to  
4 the data system on all individuals to whom this compact is  
5 applicable as required by the rules of the commission, including:

6 (1) identifying information;

7 (2) licensure data;

8 (3) adverse actions against a licensee, license applicant, or  
9 compact privilege and information related to the adverse  
10 actions;

11 (4) nonconfidential information related to alternative  
12 program participation, the beginning and ending dates of such  
13 participation, and other information related to such  
14 participation;

15 (5) any denial of an application for licensure, and the reason  
16 for such denial, (excluding the reporting of any criminal  
17 history record information where prohibited by law);

18 (6) the presence of significant investigative information; and

19 (7) other information that may facilitate the administration of  
20 this compact or the protection of the public, as determined by  
21 the rules of the commission.

22 Sec. 3. The records and information provided to a participating  
23 state pursuant to this compact or through the data system, when  
24 certified by the commission or an agent thereof, shall constitute the  
25 authenticated business records of the commission, and shall be  
26 entitled to any associated hearsay exception in any relevant  
27 judicial, quasi-judicial, or administrative proceedings in a  
28 participating state.

29 Sec. 4. Significant investigative information pertaining to a  
30 licensee in any participating state will only be available to other  
31 participating states.

32 Sec. 5. It is the responsibility of the participating states to  
33 monitor the data base to determine whether adverse action has  
34 been taken against a licensee or license applicant. Adverse action  
35 information pertaining to a licensee or license applicant in any  
36 participating state will be available to any other participating state.

37 Sec. 6. Participating states contributing information to the data  
38 system may designate information that may not be shared with the  
39 public without the express permission of the contributing state.

40 Sec. 7. Any information submitted to the data system that is  
41 subsequently expunged pursuant to federal law or the laws of the  
42 participating state contributing the information shall be removed

1 from the data system.

2 Chapter 9. Rulemaking

3 Sec. 1. (a) The commission shall promulgate reasonable rules in  
4 order to effectively and efficiently implement and administer the  
5 purposes and provisions of the compact. A commission rule shall  
6 be invalid and have no force or effect only if a court of competent  
7 jurisdiction holds that the rule is invalid because the commission  
8 exercised its rulemaking authority in a manner that is beyond the  
9 scope and purposes of the compact, or the powers granted  
10 hereunder, or based upon another applicable standard of review.

11 (b) The rules of the commission shall have the force of law in  
12 each participating state, provided however that where the rules of  
13 the commission conflict with the laws of the participating state that  
14 establish the participating state's scope of practice as held by a  
15 court of competent jurisdiction, the rules of the commission shall  
16 be ineffective in that state to the extent of the conflict.

17 (c) The commission shall exercise its rulemaking powers  
18 pursuant to the criteria set forth in this chapter and the rules  
19 adopted under this chapter. Rules shall become binding as of the  
20 date specified by the commission for each rule.

21 (d) If a majority of the legislatures of the participating states  
22 rejects a commission rule or portion of a commission rule, by  
23 enactment of a statute or resolution in the same manner used to  
24 adopt the compact, within four (4) years of the date of adoption of  
25 the rule, then such rule shall have no further force and effect in any  
26 participating state or to any state applying to participate in the  
27 compact.

28 Sec. 2. (a) Rules shall be adopted at a regular or special meeting  
29 of the commission.

30 (b) Prior to adoption of a proposed rule, the commission shall  
31 hold a public hearing and allow persons to provide oral and  
32 written comments, data, facts, opinions, and arguments.

33 (c) Prior to adoption of a proposed rule by the commission, and  
34 at least thirty (30) days in advance of the meeting at which the  
35 commission will hold a public hearing on the proposed rule, the  
36 commission shall provide a notice of proposed rulemaking:

37 (1) on the website of the commission or other publicly  
38 accessible platform;

39 (2) to persons who have requested notice of the commission's  
40 notices of proposed rulemaking; and

41 (3) in such other way as the commission may by rule specify.

42 (d) The notice of proposed rulemaking shall include:

- 1 (1) the time, date, and location of the public hearing at which  
2 the commission will hear public comments on the proposed  
3 rule and, if different, the time, date, and location of the  
4 meeting where the commission will consider and vote on the  
5 proposed rule;
- 6 (2) if the hearing is held via telecommunication, video  
7 conference, or other electronic means, the commission shall  
8 include the mechanism for access to the hearing in the notice  
9 of proposed rulemaking;
- 10 (3) the text of the proposed rule and the reason for the  
11 proposed rule;
- 12 (4) a request for comments on the proposed rule from any  
13 interested person; and
- 14 (5) the manner in which interested persons may submit  
15 written comments.
- 16 (e) All hearings will be recorded. A copy of the recording and all  
17 written comments and documents received by the commission in  
18 response to the proposed rule shall be available to the public.
- 19 Sec. 3. (a) Nothing in this chapter shall be construed as  
20 requiring a separate hearing on each commission rule. Rules may  
21 be grouped for the convenience of the commission at hearings  
22 required by this chapter.
- 23 (b) The commission shall, by majority vote of all commissioners,  
24 take final action on the proposed rule based on the rulemaking  
25 record.
- 26 (c) The commission may adopt changes to the proposed rule  
27 provided the changes do not enlarge the original purpose of the  
28 proposed rule.
- 29 (d) The commission shall provide an explanation of the reasons  
30 for substantive changes made to the proposed rule as well as  
31 reasons for substantive changes not made that were recommended  
32 by commenters.
- 33 (e) The commission shall determine a reasonable effective date  
34 for the rule. Except for an emergency as provided in section 4 of  
35 this chapter, the effective date of the rule shall be not earlier than  
36 thirty (30) days after the commission issues the notice that it  
37 adopted or amended the rule.
- 38 Sec. 4. Upon determination that an emergency exists, the  
39 commission may consider and adopt an emergency rule with  
40 twenty-four (24) hours notice, with opportunity to comment,  
41 provided that the usual rulemaking procedures provided in the  
42 compact and in this chapter shall be retroactively applied to the

1 rule as soon as reasonably possible, in no event later than ninety  
 2 (90) days after the effective date of the rule. For the purposes of  
 3 this section, an emergency rule is one that must be adopted  
 4 immediately in order to:

- 5 (1) meet an imminent threat to public health, safety, or  
 6 welfare;  
 7 (2) prevent a loss of commission or participating state funds;  
 8 (3) meet a deadline for the promulgation of a rule that is  
 9 established by federal law or rule; or  
 10 (4) protect public health and safety.

11 Sec. 5. The commission or an authorized committee of the  
 12 commission may direct revisions to a previously adopted rule for  
 13 purposes of correcting typographical errors, errors in format,  
 14 errors in consistency, or grammatical errors. Public notice of any  
 15 revisions shall be posted on the website of the commission. The  
 16 revision shall be subject to challenge by any person for a period of  
 17 thirty (30) days after posting. The revision may be challenged only  
 18 on grounds that the revision results in a material change to a rule.  
 19 A challenge shall be made in writing and delivered to the  
 20 commission prior to the end of the notice period. If no challenge is  
 21 made, the revision will take effect without further action. If the  
 22 revision is challenged, the revision may not take effect without the  
 23 approval of the commission.

24 Sec. 6. No participating state's rulemaking requirements shall  
 25 apply under this compact.

#### 26 Chapter 10. Oversight, Dispute Resolution, and Enforcement

27 Sec. 1. (a) The executive and judicial branches of state  
 28 government in each participating state shall enforce this compact  
 29 and take all actions necessary and appropriate to implement the  
 30 compact.

31 (b) Venue is proper and judicial proceedings by or against the  
 32 commission shall be brought solely and exclusively in a court of  
 33 competent jurisdiction where the principal office of the commission  
 34 is located. The commission may waive venue and jurisdictional  
 35 defenses to the extent it adopts or consents to participate in  
 36 alternative dispute resolution proceedings. Nothing in this section  
 37 shall affect or limit the selection or propriety of venue in any action  
 38 against a licensee for professional malpractice, misconduct, or any  
 39 such similar matter.

40 (c) The commission shall be entitled to receive service of process  
 41 in any proceeding regarding the enforcement or interpretation of  
 42 the compact or commission rule and shall have standing to

1 intervene in such a proceeding for all purposes. Failure to provide  
2 the commission service of process shall render a judgment or order  
3 void as to the commission, this compact, or promulgated rules.

4 Sec. 2. (a) If the commission determines that a participating  
5 state has defaulted in the performance of its obligations or  
6 responsibilities under this compact or the promulgated rules, the  
7 commission shall provide written notice to the defaulting state. The  
8 notice of default shall describe the default, the proposed means of  
9 curing the default, and any other action that the commission may  
10 take, and shall offer training and specific technical assistance  
11 regarding the default.

12 (b) The commission shall provide a copy of the notice of default  
13 to the other participating states.

14 (c) If a state in default fails to cure the default, the defaulting  
15 state may be terminated from the compact upon an affirmative  
16 vote of a majority of the commissioners, and all rights, privileges,  
17 and benefits conferred on that state by this compact may be  
18 terminated on the effective date of termination. A cure of the  
19 default does not relieve the offending state of obligations or  
20 liabilities incurred during the period of default.

21 (d) Termination of participation in the compact shall be  
22 imposed only after all other means of securing compliance have  
23 been exhausted. Notice of intent to suspend or terminate shall be  
24 given by the commission to the governor, the majority and  
25 minority leaders of the defaulting state's legislature, the defaulting  
26 state's state licensing authority or authorities, as applicable, and  
27 each of the participating states' state licensing authority or  
28 authorities, as applicable.

29 (e) A state that has been terminated is responsible for all  
30 assessments, obligations, and liabilities incurred through the  
31 effective date of termination, including obligations that extend  
32 beyond the effective date of termination.

33 (f) Upon the termination of a state's participation in this  
34 compact, that state shall immediately provide notice to all licensees  
35 of the state, including licensees of other participating states issued  
36 a compact privilege to practice within that state, of such  
37 termination. The terminated state shall continue to recognize all  
38 compact privileges then in effect in that state for a minimum of one  
39 hundred eighty (180) days after the date of the notice of  
40 termination.

41 (g) The commission shall not bear any costs related to a state  
42 that is found to be in default or that has been terminated from the

1 compact, unless agreed upon in writing between the commission  
2 and the defaulting state.

3 (h) The defaulting state may appeal the action of the commission  
4 by petitioning the United States District Court for the District of  
5 Columbia or the federal district where the commission has its  
6 principal offices. The prevailing party shall be awarded all costs of  
7 such litigation, including reasonable attorney's fees.

8 Sec. 3. (a) Upon request by a participating state, the commission  
9 shall attempt to resolve disputes related to the compact that arise  
10 among participating states and between participating states and  
11 nonparticipating states.

12 (b) The commission shall promulgate a rule providing for both  
13 mediation and binding dispute resolution for disputes as  
14 appropriate.

15 Sec. 4. (a) The commission, in the reasonable exercise of its  
16 discretion, shall enforce the provisions of this compact and the  
17 commission's rules.

18 (b) By majority vote, the commission may initiate legal action  
19 against a participating state in default in the United States District  
20 Court for the District of Columbia or the federal district where the  
21 commission has its principal offices to enforce compliance with the  
22 provisions of the compact and its promulgated rules. The relief  
23 sought may include both injunctive relief and damages. In the  
24 event judicial enforcement is necessary, the prevailing party shall  
25 be awarded all costs of such litigation, including reasonable  
26 attorney's fees. The remedies in this section shall not be the  
27 exclusive remedies of the commission. The commission may pursue  
28 any other remedies available under federal or the defaulting  
29 participating state's law.

30 (c) A participating state may initiate legal action against the  
31 commission in the United States District Court for the District of  
32 Columbia or the federal district where the commission has its  
33 principal offices to enforce compliance with the provisions of the  
34 compact and its promulgated rules. The relief sought may include  
35 both injunctive relief and damages. In the event judicial  
36 enforcement is necessary, the prevailing party shall be awarded all  
37 costs of such litigation, including reasonable attorney's fees.

38 (d) No individual or entity other than a participating state may  
39 enforce this compact against the commission.

#### 40 Chapter 11. Effective Date, Withdrawal, and Amendment

41 Sec. 1. The compact shall come into effect on the date on which  
42 the compact statute is enacted into law in the seventh participating

1 state.

2 **Sec. 2. (a) On or after the effective date of the compact, the**  
3 **commission shall convene and review the enactment of each**  
4 **charter participating state to determine if the statute enacted by**  
5 **each charter participating state is materially different than the**  
6 **model compact.**

7 **(b) A charter participating state whose enactment is found to be**

#### 15 **Chapter 12. Construction and Severability**

16 **Sec. 1.** This compact and the commission's rulemaking authority  
17 shall be liberally construed so as to effectuate the purposes and the  
18 implementation and administration of the compact. Provisions of  
19 the compact expressly authorizing or requiring the promulgation  
20 of rules shall not be construed to limit the commission's  
21 rulemaking authority solely for those purposes.

22 **Sec. 2.** The provisions of this compact shall be severable and if  
23 any phrase, clause, sentence, or provision of this compact is held by  
24 a court of competent jurisdiction to be contrary to the constitution

26 compact, or of the United States, or the applicability thereof to any  
27 government, agency, person, or circumstance is held to be  
28 unconstitutional by a court of competent jurisdiction, the validity  
29 of the remainder of this compact and the applicability of the  
30 compact to any other government, agency, person, or circumstance  
31 shall not be affected thereby.

32 **Sec. 3.** Notwithstanding section 2 of this chapter, the commission  
33 may deny a state's participation in the compact or, in accordance  
34 with the requirements of IC 25-14.1-10-2(a) and  
35 IC 25-14.1-10-2(b), terminate a participating state's participation  
36 in the compact, if it determines that a constitutional requirement  
37 of a participating state is a material departure from the compact.  
38 Otherwise, if this compact shall be held to be contrary to the  
39 constitution of any participating state, the compact shall remain in  
40 full force and effect as to the remaining participating states and in  
41 full force and effect as to the participating state affected as to all  
42 severable matters.
