(a) An individual who receives a deduction provided under section ~~7~~, 9, 11, 13, 14, 16, 17.4 (before its expiration), or 37 of this chapter in a particular year and who remains eligible for the deduction in the following year is not required to file a statement to apply for the deduction in the following year. However, for purposes of a deduction under section 37 of this chapter, the county auditor may, in the county auditor's discretion, terminate the deduction for assessment dates after January 15, 2012, if the individual does not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015), as determined by the county auditor, before January 1, 2013. Before the county auditor terminates the deduction because the taxpayer claiming the deduction did not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015) before January 1, 2013, the county auditor shall mail notice of the proposed termination of the deduction to:

An individual who becomes ineligible for a deduction under section 37 of this chapter shall notify the county auditor of the county in which the property is located in conformity with section 37 of this chapter.

(c) The auditor of each county shall, in a particular year, apply a deduction provided under section ~~7~~, 9, 11, 13, 14, 16, 17.4 (before its

expiration), or 37 of this chapter to each individual who received the deduction in the preceding year unless the auditor determines that the individual is no longer eligible for the deduction.

(d) An individual who receives a deduction provided under section 9, 11, 13, 14, 16, 17.4 (before its expiration), or 37 of this chapter for property that is jointly held with another owner in a particular year and remains eligible for the deduction in the following year is not required to file a statement to reapply for the deduction following the removal of the joint owner if:

- (1) the individual is the sole owner of the property following the death of the individual's spouse; or
- (2) the individual is the sole owner of the property following the death of a joint owner who was not the individual's spouse.

If a county auditor terminates a deduction under section 9 of this chapter, a deduction under section 37 of this chapter, or a credit under IC 6-1.1-20.6-8.5 after June 30, 2017, and before May 1, 2019, because the taxpayer claiming the deduction or credit did not comply with a requirement added to this subsection by P.L.255-2017 to reapply for the deduction or credit, the county auditor shall reinstate the deduction or credit if the taxpayer provides proof that the taxpayer is eligible for the deduction or credit and is not claiming the deduction or credit for any other property.

(e) A trust entitled to a deduction under section 9, 11, 13, 14, 16, 17.4 (before its expiration), or 37 of this chapter for real property owned by the trust and occupied by an individual in accordance with section 17.9 of this chapter is not required to file a statement to apply for the deduction, if:

(f) A cooperative housing corporation (as defined in 26 U.S.C. 216) that is entitled to a deduction under section 37 of this chapter in the immediately preceding calendar year for a homestead (as defined in section 37 of this chapter) is not required to file a statement to apply for the deduction for the current calendar year if the cooperative housing corporation remains eligible for the deduction for the current calendar year. However, the county auditor may, in the county auditor's discretion, terminate the deduction for assessment dates after January

15, 2012, if the individual does not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015), as determined by the county auditor, before January 1, 2013. Before the county auditor terminates a deduction because the taxpayer claiming the deduction did not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015) before January 1, 2013, the county auditor shall mail notice of the proposed termination of the deduction to:

- (1) the last known address of each person liable for any property taxes or special assessment, as shown on the tax duplicate or special assessment records; or

- (2) would have been eligible for a homestead credit under IC 6-1.1-20.9 (repealed) for property taxes imposed for the March 1, 2008, or January 15, 2009, assessment date if IC 6-1.1-20.9 had not been repealed;

is not required to file a statement to apply for a deduction under section 37 of this chapter if the individual remains eligible for the deduction in the current year. An individual who filed for a homestead credit under IC 6-1.1-20.9 (repealed) for an assessment date after March 1, 2007 (if the property is real property), or after January 1, 2008 (if the property is personal property), shall be treated as an individual who has filed for a deduction under section 37 of this chapter. However, the county auditor may, in the county auditor's discretion, terminate the deduction for assessment dates after January 15, 2012, if the individual does not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015), as determined by the county auditor, before January 1, 2013. Before the county auditor terminates the deduction because the taxpayer claiming the deduction did not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015) before January 1, 2013, the county auditor shall mail notice of the proposed termination of the deduction to the last known address of each person liable for any property taxes or special assessment, as shown on the tax duplicate or special assessment records, or to the last known address of the most recent owner shown in the transfer book.

(h) If a county auditor terminates a deduction because the taxpayer claiming the deduction did not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015) before January 1, 2013, the county auditor shall reinstate the deduction if the taxpayer provides proof that the taxpayer is eligible for the deduction and is not claiming

the deduction for any other property.

(i) A taxpayer described in section 37(k) of this chapter is not required to file a statement to apply for the deduction provided by section 37 of this chapter for a calendar year beginning after December 31, 2008, if the property owned by the taxpayer remains eligible for the deduction for that calendar year. However, the county auditor may terminate the deduction for assessment dates after January 15, 2012, if the individual residing on the property owned by the taxpayer does not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015), as determined by the county auditor, before January 1, 2013. Before the county auditor terminates a deduction because the individual residing on the property did not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015) before January 1, 2013, the county auditor shall mail notice of the proposed termination of the deduction to:

- (1) the last known address of each person liable for any property taxes or special assessment, as shown on the tax duplicate or special assessment records; or
- (2) the last known address of the most recent owner shown in the transfer book.

The statement must include:

The statement may be filed in person or by mail. If the statement is mailed, the mailing must be postmarked on or before the last day for filing. The statement applies for that first year and any succeeding year for which the deduction is allowed. To obtain the deduction for a desired calendar year in which property taxes are first due and payable, the statement must be completed and dated in the immediately preceding calendar year and filed with the county auditor on or before January 5 of the calendar year in which the property taxes are first due and payable.

(f) Except as provided in subsection (n), if a person who is receiving, or seeks to receive, the deduction provided by this section in the person's name:

- (1) changes the use of the individual's property so that part or all of the property no longer qualifies for the deduction under this section; or
- (2) is not eligible for a deduction under this section because the person is already receiving:
 - (A) a deduction under this section in the person's name as an individual or a spouse; or
 - (B) a deduction under the law of another state that is equivalent to the deduction provided by this section;

the person must file a certified statement with the auditor of the county, notifying the auditor of the person's ineligibility, not more than sixty (60) days after the date of the change in eligibility. A person who fails to file the statement required by this subsection may, under IC 6-1.1-36-17, be liable for any additional taxes that would have been due on the property if the person had filed the statement as required by this subsection plus a civil penalty equal to ten percent (10%) of the additional taxes due. The civil penalty imposed under this subsection is in addition to any interest and penalties for a delinquent payment that might otherwise be due. One percent (1%) of the total civil penalty collected under this subsection shall be transferred by the county to the department of local government finance for use by the department in

establishing and maintaining the homestead property data base under subsection (i) and, to the extent there is money remaining, for any other purposes of the department. This amount becomes part of the property tax liability for purposes of this article.

(g) The department of local government finance may adopt rules or guidelines concerning the application for a deduction under this section.

(h) This subsection does not apply to property in the first year for which a deduction is claimed under this section if the sole reason that a deduction is claimed on other property is that the individual or married couple maintained a principal residence at the other property on the assessment date in the same year in which an application for a deduction is filed under this section or, if the application is for a homestead that is assessed as personal property, on the assessment date in the immediately preceding year and the individual or married couple is moving the individual's or married couple's principal residence to the property that is the subject of the application. Except as provided in subsection (n), the county auditor may not grant an individual or a married couple a deduction under this section if:

- (1) the individual or married couple, for the same year, claims the deduction on two (2) or more different applications for the deduction; and
- (2) the applications claim the deduction for different property.

(i) The department of local government finance shall provide secure access to county auditors to a homestead property data base that includes access to the homestead owner's name and the numbers required from the homestead owner under subsection (e)(4) for the sole purpose of verifying whether an owner is wrongly claiming a deduction under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or IC 6-3.6-5 (after December 31, 2016). Each county auditor shall submit data on deductions applicable to the current tax year on or before March 15 of each year in a manner prescribed by the department of local government finance.

(j) A county auditor may require an individual to provide evidence proving that the individual's residence is the individual's principal place of residence as claimed in the certified statement filed under subsection (e). The county auditor may limit the evidence that an individual is required to submit to a state income tax return, a valid driver's license, or a valid voter registration card showing that the residence for which the deduction is claimed is the individual's principal place of residence. The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property

owner's principal place of residence is outside Indiana.

(k) As used in this section, "homestead" includes property that satisfies each of the following requirements:

- (1) The property is located in Indiana and consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.
- (2) The property is the principal place of residence of an individual.
- (3) The property is owned by an entity that is not described in subsection (a)(2)(B).
- (4) The individual residing on the property is a shareholder, partner, or member of the entity that owns the property.
- (5) The property was eligible for the standard deduction under this section on March 1, 2009.

(l) If a county auditor terminates a deduction for property described in subsection (k) with respect to property taxes that are:

- (1) imposed for an assessment date in 2009; and
- (2) first due and payable in 2010;

on the grounds that the property is not owned by an entity described in subsection (a)(2)(B), the county auditor shall reinstate the deduction if the taxpayer provides proof that the property is eligible for the deduction in accordance with subsection (k) and that the individual residing on the property is not claiming the deduction for any other property.

(m) For assessment dates after 2009, the term "homestead" includes:

- (1) a deck or patio;
- (2) a gazebo; or
- (3) another residential yard structure, as defined in rules adopted by the department of local government finance (other than a swimming pool);

that is assessed as real property and attached to the dwelling.

(n) A county auditor shall grant an individual a deduction under this section regardless of whether the individual and the individual's spouse claim a deduction on two (2) different applications and each application claims a deduction for different property if the property owned by the individual's spouse is located outside Indiana and the individual files an affidavit with the county auditor containing the following information:

- (1) The names of the county and state in which the individual's spouse claims a deduction substantially similar to the deduction allowed by this section.
- (2) A statement made under penalty of perjury that the following are true:
 - (A) That the individual and the individual's spouse maintain

separate principal places of residence.

(B) That neither the individual nor the individual's spouse has an ownership interest in the other's principal place of residence.

(C) That neither the individual nor the individual's spouse has, for that same year, claimed a standard or substantially similar deduction for any property other than the property maintained as a principal place of residence by the respective individuals.

A county auditor may require an individual or an individual's spouse to provide evidence of the accuracy of the information contained in an affidavit submitted under this subsection. The evidence required of the individual or the individual's spouse may include state income tax returns, excise tax payment information, property tax payment information, driver license information, and voter registration information.

(o) If:

(1) a property owner files a statement under subsection (e) to claim the deduction provided by this section for a particular property; and

(2) the county auditor receiving the filed statement determines that the property owner's property is not eligible for the deduction; the county auditor shall inform the property owner of the county auditor's determination in writing. If a property owner's property is not eligible for the deduction because the county auditor has determined that the property is not the property owner's principal place of residence, the property owner may appeal the county auditor's determination as provided in IC 6-1.1-15. The county auditor shall inform the property owner of the owner's right to appeal when the county auditor informs the property owner of the county auditor's determination under this subsection.

(p) An individual is entitled to the deduction under this section for a homestead for a particular assessment date if:

(1) either:

(A) the individual's interest in the homestead as described in subsection (a)(2)(B) is conveyed to the individual after the assessment date, but within the calendar year in which the assessment date occurs; or

(B) the individual contracts to purchase the homestead after the assessment date, but within the calendar year in which the assessment date occurs;

(2) on the assessment date:

(A) the property on which the homestead is currently located was vacant land; or

(B) the construction of the dwelling that constitutes the

homestead was not completed; and

(3) either:

(A) the individual files the certified statement required by subsection (e); or

(B) a sales disclosure form that meets the requirements of section 44 of this chapter is submitted to the county assessor on or before December 31 of the calendar year for the individual's purchase of the homestead.

An individual who satisfies the requirements of subdivisions (1) through (3) is entitled to the deduction under this section for the homestead for the assessment date, even if on the assessment date the property on which the homestead is currently located was vacant land or the construction of the dwelling that constitutes the homestead was not completed. The county auditor shall apply the deduction for the assessment date and for the assessment date in any later year in which the homestead remains eligible for the deduction. A homestead that qualifies for the deduction under this section as provided in this subsection is considered a homestead for purposes of section 37.5 of this chapter and IC 6-1.1-20.6.

(q) This subsection applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013. Notwithstanding any other provision of this section, an individual buying a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property under a contract providing that the individual is to pay the property taxes on the mobile home or manufactured home is not entitled to the deduction provided by this section unless the parties to the contract comply with IC 9-17-6-17.

(r) This subsection:

(1) applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013; and

(2) does not apply to an individual described in subsection (q).

The owner of a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property must attach a copy of the owner's title to the mobile home or manufactured home to the application for the deduction provided by this section.

(s) For assessment dates after 2013, the term "homestead" includes property that is owned by an individual who:

(1) is serving on active duty in any branch of the armed forces of the United States;

(2) was ordered to transfer to a location outside Indiana; and

(3) was otherwise eligible, without regard to this subsection, for the deduction under this section for the property for the

assessment date immediately preceding the transfer date specified in the order described in subdivision (2).

For property to qualify under this subsection for the deduction provided by this section, the individual described in subdivisions (1) through (3) must submit to the county auditor a copy of the individual's transfer orders or other information sufficient to show that the individual was ordered to transfer to a location outside Indiana. The property continues to qualify for the deduction provided by this section until the individual ceases to be on active duty, the property is sold, or the individual's ownership interest is otherwise terminated, whichever occurs first. Notwithstanding subsection (a)(2), the property remains a homestead regardless of whether the property continues to be the individual's principal place of residence after the individual transfers to a location outside Indiana. The property continues to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana and is serving on active duty, if the individual has lived at the property at any time during the past ten (10) years. Otherwise, the property ceases to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana. Property that qualifies as a homestead under this subsection shall also be construed as a homestead for purposes of section 37.5 of this chapter.

SECTION 29. IC 6-1.1-13-13, AS ADDED BY P.L.178-2021, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13. (a) This section applies to both residential real property and commercial property, with an assessed value of three million dollars (\$3,000,000) or less, for which the assessed value was increased for a tax year by an assessing official for any reason other than by the application of the annual adjustment factor used by the assessing official to adjust property values for that year. However, this section does not apply to an assessment if the assessment is based on:

- (1) structural improvements;

(2) zoning; or

(3) uses;

that were not considered in the assessment for the prior tax year.

(b) If the taxpayer:

(1) appeals an increased assessment as described in subsection (a) to the county property tax assessment board of appeals or the Indiana board; and

(2) prevails in an appeal described in subdivision (1) or any resulting subsequent appeal of the increased assessment described in subsection (a);

the assessing official shall not increase the assessed value of the property until the first year of the next four (4) year cyclical assessment cycle for any reason other than by application of the annual adjustment factor used by the assessing official to adjust property values for a tax year. During this period, the taxpayer may not appeal an increased assessment made by the assessor unless the taxpayer believes that the increased assessment is arbitrary and capricious and not made consistent with the annual adjustment factor used by the assessing official to adjust property values for a tax year. If the taxpayer does appeal during this period on the grounds that the increased assessment is arbitrary and capricious and not made consistent with the annual adjustment factor used by the assessing official to adjust property values for a tax year, the provision shifting the burden to the assessing official to prove that the assessment is correct under IC 6-1.1-15-17.2(d) **(before its repeal) or IC 6-1.1-15-20** does not apply.

(c) This section does not apply if:

(1) the reduction in assessed value is the result of a settlement agreement between the taxpayer and the assessing official; or

(2) the appeal is based on a correction of error under IC 6-1.1-15-1.1(a) and IC 6-1.1-15-1.1(b).

(d) If the taxpayer who appealed an increased assessment under this section sells the property, whose assessment was appealed, for fair market value, notwithstanding subsection (b), the assessor may reassess the property that was sold.

SECTION 30. IC 6-1.1-15-0.8 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: **Sec. 0.8. As used in this chapter, "taxpayer" means:**

(1) an owner of the property at the time of the issuance of the assessment or tax bill;

(2) a person statutorily or contractually obligated to pay property taxes on the property; or

(3) a tenant obligated under a lease to reimburse the owner

for property taxes on the property.

SECTION 31. IC 6-1.1-15-17.1 IS REPEALED [EFFECTIVE UPON PASSAGE]. Sec. 17.1: In the case of a change occurring after February 28, 2015, in the classification of real property:

- (1) the county assessor or township assessor must on the notice required by IC 6-1.1-4-22 specify any changes in land classification and the reasons for the change; and
- (2) the county assessor or township assessor making the change in the classification has the burden of proving that the change in the classification is correct in any review or appeal under this chapter and in any appeals taken to the Indiana board of tax review or to the Indiana tax court.

SECTION 32. IC 6-1.1-15-17.2 IS REPEALED [EFFECTIVE UPON PASSAGE]. Sec. 17.2: (a) Except as provided in subsection (d), this section applies to any review or appeal of an assessment under this chapter if the assessment that is the subject of the review or appeal is an increase of more than five percent (5%) over the assessment for the same property for the prior tax year. In calculating the change in the assessment for purposes of this section, the assessment to be used for the prior tax year is the original assessment for that prior tax year or, if applicable, the assessment for that prior tax year:

- (1) as last corrected by an assessing official;
- (2) as stipulated or settled by the taxpayer and the assessing official; or
- (3) as determined by the reviewing authority.

(b) Under this section, the county assessor or township assessor making the assessment has the burden of proving that the assessment is correct in any review or appeal under this chapter and in any appeals taken to the Indiana board of tax review or to the Indiana tax court. If a county assessor or township assessor fails to meet the burden of proof under this section, the taxpayer may introduce evidence to prove the correct assessment. If neither the assessing official nor the taxpayer meets the burden of proof under this section, the assessment reverts to the assessment for the prior tax year, which is the original assessment for that prior tax year or, if applicable, the assessment for that prior tax year:

- (1) as last corrected by an assessing official;
- (2) as stipulated or settled by the taxpayer and the assessing official; or
- (3) as determined by the reviewing authority.

(c) This section does not apply to an assessment if the assessment that is the subject of the review or appeal is based on:

- (1) substantial renovations or new improvements;
- (2) zoning; or

(3) uses;

that were not considered in the assessment for the prior tax year.

(d) This subsection applies to real property for which the gross assessed value of the real property was reduced by the assessing official or reviewing authority in an appeal conducted under IC 6-1.1-15. However, this subsection does not apply for an assessment date if the real property was valued using the income capitalization approach in the appeal. If the gross assessed value of real property for an assessment date that follows the latest assessment date that was the subject of an appeal described in this subsection is increased above the gross assessed value of the real property for the latest assessment date covered by the appeal, regardless of the amount of the increase, the county assessor or township assessor (if any) making the assessment has the burden of proving that the assessment is correct.

SECTION 33. IC 6-1.1-15-18 IS REPEALED [EFFECTIVE UPON PASSAGE]. Sec. 18. (a) This section applies to an appeal to which this chapter applies, including any review by the board of tax review or the tax court.

(b) This section applies to any proceeding pending or commenced after June 30, 2012.

(c) To accurately determine market-value-in-use, a taxpayer or an assessing official may:

(1) in a proceeding concerning residential property, introduce evidence of the assessments of comparable properties located in the same taxing district or within two (2) miles of a boundary of the taxing district; and

(2) in a proceeding concerning property that is not residential property, introduce evidence of the assessments of any relevant, comparable property.

However, in a proceeding described in subdivision (2), preference shall be given to comparable properties that are located in the same taxing district or within two (2) miles of a boundary of the taxing district. The determination of whether properties are comparable shall be made using generally accepted appraisal and assessment practices.

SECTION 34. IC 6-1.1-15-20 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 20. (a) In an appeal under this chapter, except as provided in subsection (b), the assessment as last determined by an assessing official or the county board is presumed to be equal to the property's true tax value until rebutted by evidence presented by the parties.**

(b) If a property's assessment increased more than five percent (5%) over the property's assessment for the prior tax year, then the assessment is no longer presumed to be equal to the property's

true tax value, and the assessing official has the burden of proof.

(c) For purposes of this chapter, an assessment for a prior tax year means the final value:

- (1) as last corrected by an assessing official;
- (2) as stipulated or settled by the taxpayer and the assessing official; or
- (3) as determined by a reviewing authority.

(d) Subsection (b) does not apply if the increase in the assessment on appeal is based on:

- (1) substantial renovations or new improvements;
- (2) zoning; or
- (3) uses;

that were not considered in the assessment for the prior tax year.

(e) Both parties in an appeal under this chapter may present evidence of the true tax value of the property, seeking to decrease or increase the assessment.

(f) In an appeal under this chapter, the Indiana board shall, as trier of fact, weigh the evidence and decide the true tax value of the property as compelled by the totality of the probative evidence before it. The Indiana board's determination of the property's true tax value may be higher or lower than the assessment or the value proposed by a party or witness. If the totality of the evidence presented to the Indiana board is insufficient to determine the property's true tax value in an appeal governed by subsection (a), then the property's assessment is presumed to be equal to the property's true tax value. If the totality of the evidence presented to the Indiana board is insufficient to determine the property's true tax value in an appeal governed by subsection (b), then the property's prior year assessment is presumed to be equal to the property's true tax value.

(g) The Indiana board shall hear its matters without regard to motions related to notice pleading or judgments on the evidence.

(h) This section applies only to appeals filed after the effective date of this section as added by HEA 1260-2022.

SECTION 35. IC 6-1.1-17-1, AS AMENDED BY P.L.184-2016, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 1. (a) On or before August 1 of each year, the county auditor shall submit a certified statement of the assessed value for the ensuing year to the department of local government finance in the manner prescribed by the department.

(b) The department of local government finance shall make the certified statement available on the department's computer gateway.

(c) Subject to subsection (d), after the county auditor submits a certified statement under subsection (a) or an amended certified statement under this subsection with respect to a political subdivision

and before the department of local government finance certifies its action with respect to the political subdivision under section 16(i) of this chapter, the county auditor may amend the information concerning assessed valuation included in the earlier certified statement. The county auditor shall submit a certified statement amended under this subsection to the department of local government finance **not later than September 1** in the manner prescribed by the department.

(d) ~~Except as provided in subsection (e);~~ Before the county auditor makes an amendment under subsection (c), the county auditor must provide an opportunity for public comment on the proposed amendment at a public hearing. The county auditor must give notice of the hearing under IC 5-3-1. If the county auditor makes the amendment as a result of information provided to the county auditor by an assessor, the county auditor shall give notice of the public hearing to the assessor.

(e) ~~The county auditor is not required to hold a public hearing under subsection (d) if:~~

- ~~(1) the amendment under subsection (c) is proposed to correct a mathematical error made in the determination of the amount of assessed valuation included in the earlier certified statement;~~
- ~~(2) the amendment under subsection (c) is proposed to add to the amount of assessed valuation included in the earlier certified statement assessed valuation of omitted property discovered after the county auditor sent the earlier certified statement; or~~
- ~~(3) the county auditor determines that the amendment under subsection (c) will not result in an increase in the tax rate or tax rates of the political subdivision.~~

~~(f)~~ (e) Beginning in 2018, each county auditor shall submit to the department of local government finance parcel level data of certified net assessed values as required by the department. A county auditor shall submit the parcel level data in the manner and format required by the department and according to a schedule determined by the department.

 (B) does not exempt the maximum rate from the adjustment under this section.
- (e) For property tax rates imposed for property taxes first due and payable after December 31, 2013, the new maximum rate under a statute listed in subsection (d) is the tax rate determined under STEP EIGHT of the following STEPS:
 STEP ONE: Determine the maximum rate for the political subdivision levying a property tax or special benefits tax under the statute for the previous calendar year.
 STEP TWO: Determine the actual percentage change (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the previous calendar year to the year in which the affected property taxes will be imposed.

STEP THREE: Determine the three (3) calendar years that immediately precede the year in which the affected property taxes will be imposed.

STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE, the actual percentage change (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the preceding year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Determine the greater of the following:

- (A) Zero (0).
- (B) The STEP FIVE result.

STEP SEVEN: Determine the greater of the following:

- (A) Zero (0).

SECTION 37. IC 6-1.1-18.5-13, AS AMENDED BY P.L.159-2020, SECTION 36, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 13. (a) With respect to an appeal filed under section 12 of this chapter, the department may find that a civil taxing unit should receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if in the judgment of the department the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas. With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

- (A) The first calendar year in which those costs are incurred.
- (B) One (1) or more of the immediately succeeding four (4)

calendar years.

(2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if the department finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in all counties under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 or 25 of this chapter, as applicable, based on the maximum levy growth quotient determined under section 2 of this chapter.

(3) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 or 25 of this chapter, as applicable, due to a natural disaster, an accident, or another unanticipated emergency.

(b) The department of local government finance shall increase the maximum permissible ad valorem property tax levy under section 3 of this chapter for the city of Goshen for 2012 and thereafter by an amount equal to the greater of zero (0) or the result of:

(1) the city's total pension costs in 2009 for the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7); minus

(2) the sum of:

(A) the total amount of state funds received in 2009 by the city and used to pay benefits to members of the 1925 police pension fund (IC 36-8-6) or the 1937 firefighters' pension fund (IC 36-8-7); plus

(B) any previous permanent increases to the city's levy that were authorized to account for the transfer to the state of the responsibility to pay benefits to members of the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7).

SECTION 38. IC 6-1.1-18.5-28 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: **Sec. 28. (a) This section applies only to the Sugar Creek Township Fire Protection District in Vigo County.**

SECTION 41. IC 6-1.1-20-3.6, AS AMENDED BY P.L.38-2021, SECTION 35, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 3.6. (a) Except as provided in sections 3.7 and 3.8 of this chapter, this section applies only to a controlled project described in section 3.5(a) of this chapter.

(b) If a sufficient petition requesting the application of the local public question process has been filed as set forth in section 3.5 of this chapter, a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

(c) Except as provided in subsection (k), the following question shall be submitted to the eligible voters at the election conducted under this section:

"Shall _____ (insert the name of the political subdivision) increase property taxes paid to the _____ (insert the type of taxing unit) by homeowners and businesses? If this public question is approved by the voters, the average property tax paid to the _____ (insert the type of taxing unit) per year on a residence would increase by _____% (insert the estimated average percentage of property tax increase paid to the political subdivision on a residence within the political subdivision as determined under subsection (n)) and the average property tax paid to the _____ (insert the type of taxing unit) per year on a business property would increase by _____% (insert the estimated average percentage of property tax increase paid to the

political subdivision on a business property within the political subdivision as determined under subsection (o)). The political subdivision may issue bonds or enter into a lease to _____ (insert a brief description of the controlled project), which is estimated to cost _____ (insert the total cost of the project) over _____ (insert number of years to bond maturity or termination of lease) years. The most recent property tax referendum within the boundaries of the political subdivision for which this public question is being considered was proposed by _____ (insert name of political subdivision) in _____ (insert year of most recent property tax referendum) and _____ (insert whether the measure passed or failed).".

The public question must appear on the ballot in the form approved by the county election board. If the political subdivision proposing to issue bonds or enter into a lease is located in more than one (1) county, the county election board of each county shall jointly approve the form of the public question that will appear on the ballot in each county. The form approved by the county election board may differ from the language certified to the county election board by the county auditor. If the county election board approves the language of a public question under this subsection, the county election board shall submit the language and the certification of the county auditor described in subsection (p) to the department of local government finance for review.

(d) The department of local government finance shall review the language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote in favor of the controlled project or a vote against the controlled project. The department of local government finance shall post the estimated average percentage of property tax increases to be paid to a political subdivision on a residence and business property that are certified by the county auditor under subsection (p) on the department's Internet web site. The department of local government finance may either approve the ballot language as submitted or recommend that the ballot language be modified as necessary to ensure that the description of the controlled project is accurate and is not biased. The department of local government finance shall certify its approval or recommendations to the county auditor and the county election board not more than ten (10) days after the language of the public question is submitted to the department for review. If the department of local government finance recommends a modification to the ballot language, the county election board shall, after reviewing the recommendations of the department of local government finance, submit modified ballot language to the department for the department's approval or

recommendation of any additional modifications. The public question may not be certified by the county auditor under subsection (e) unless the department of local government finance has first certified the department's final approval of the ballot language for the public question.

(e) The county auditor shall certify the finally approved public question under IC 3-10-9-3 to the county election board of each county in which the political subdivision is located. The certification must occur not later than noon:

- (1) seventy-four (74) days before a primary election if the public question is to be placed on the primary or municipal primary election ballot; or
- (2) August 1 if the public question is to be placed on the general or municipal election ballot.

Subject to the certification requirements and deadlines under this subsection and except as provided in subsection (j), the public question shall be placed on the ballot at the next primary election, general election or municipal election in which all voters of the political subdivision are entitled to vote. However, if a primary election, general election, or municipal election will not be held during the first year in which the public question is eligible to be placed on the ballot under this section and if the political subdivision requests the public question to be placed on the ballot at a special election, the public question shall be placed on the ballot at a special election to be held on the first Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon seventy-four (74) days before a special election to be held in May (if the special election is to be held in May) or noon on August 1 (if the special election is to be held in November). The fiscal body of the political subdivision that requests the special election shall pay the costs of holding the special election. The county election board shall give notice under IC 5-3-1 of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

(f) The circuit court clerk shall certify the results of the public question to the following:

- (1) The county auditor of each county in which the political subdivision is located.
- (2) The department of local government finance.

(g) Subject to the requirements of IC 6-1.1-18.5-8, the political subdivision may issue the proposed bonds or enter into the proposed lease rental if a majority of the eligible voters voting on the public question vote in favor of the public question.

(h) If a majority of the eligible voters voting on the public question vote in opposition to the public question, both of the following apply:

(1) The political subdivision may not issue the proposed bonds or enter into the proposed lease rental.

(2) Another public question under this section on the same or a substantially similar project may not be submitted to the voters earlier than:

(A) except as provided in clause (B), seven hundred (700) days after the date of the public question; or

(B) three hundred fifty (350) days after the date of the election, if a petition that meets the requirements of subsection (m) is submitted to the county auditor.

(i) IC 3, to the extent not inconsistent with this section, applies to an election held under this section.

(j) A political subdivision may not divide a controlled project in order to avoid the requirements of this section and section 3.5 of this chapter. A person that owns property within a political subdivision or a person that is a registered voter residing within a political subdivision may file a petition with the department of local government finance objecting that the political subdivision has divided a controlled project into two (2) or more capital projects in order to avoid the requirements of this section and section 3.5 of this chapter. The petition must be filed not more than ten (10) days after the political subdivision gives notice of the political subdivision's decision under section 3.5 of this chapter or a determination under section 5 of this chapter to issue bonds or enter into leases for a capital project that the person believes is the result of a division of a controlled project that is prohibited by this subsection. If the department of local government finance receives a petition under this subsection, the department shall not later than thirty (30) days after receiving the petition make a final determination on the issue of whether the political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.5 of this chapter. If the department of local government finance determines that a political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.5 of this chapter and the political subdivision continues to desire to proceed with the project, the political subdivision may appeal the determination of the department of local government finance to the Indiana board of tax review. A political subdivision shall be considered to have divided a capital project in order to avoid the requirements of this section and section 3.5 of this chapter if the result of one (1) or more of the subprojects cannot reasonably be considered an independently desirable end in itself without reference to another capital project. This subsection does not prohibit a political subdivision from undertaking a series of capital

projects in which the result of each capital project can reasonably be considered an independently desirable end in itself without reference to another capital project.

(k) This subsection applies to a political subdivision for which a petition requesting a public question has been submitted under section 3.5 of this chapter. The legislative body (as defined in IC 36-1-2-9) of the political subdivision may adopt a resolution to withdraw a controlled project from consideration in a public question. If the legislative body provides a certified copy of the resolution to the county auditor and the county election board not later than sixty-three (63) days before the election at which the public question would be on the ballot, the public question on the controlled project shall not be placed on the ballot and the public question on the controlled project shall not be held, regardless of whether the county auditor has certified the public question to the county election board. If the withdrawal of a public question under this subsection requires the county election board to reprint ballots, the political subdivision withdrawing the public question shall pay the costs of reprinting the ballots. If a political subdivision withdraws a public question under this subsection that would have been held at a special election and the county election board has printed the ballots before the legislative body of the political subdivision provides a certified copy of the withdrawal resolution to the county auditor and the county election board, the political subdivision withdrawing the public question shall pay the costs incurred by the county in printing the ballots. If a public question on a controlled project is withdrawn under this subsection, a public question under this section on the same controlled project or a substantially similar controlled project may not be submitted to the voters earlier than three hundred fifty (350) days after the date the resolution withdrawing the public question is adopted.

(l) If a public question regarding a controlled project is placed on the ballot to be voted on at an election under this section, the political subdivision shall submit to the department of local government finance, at least thirty (30) days before the election, the following information regarding the proposed controlled project for posting on the department's Internet web site:

- (1) The cost per square foot of any buildings being constructed as part of the controlled project.
- (2) The effect that approval of the controlled project would have on the political subdivision's property tax rate.
- (3) The maximum term of the bonds or lease.
- (4) The maximum principal amount of the bonds or the maximum lease rental for the lease.
- (5) The estimated interest rates that will be paid and the total

interest costs associated with the bonds or lease.

(6) The purpose of the bonds or lease.

(7) In the case of a controlled project proposed by a school corporation:

(A) the current and proposed square footage of school building space per student;

(B) enrollment patterns within the school corporation; and

(C) the age and condition of the current school facilities.

(m) If a majority of the eligible voters voting on the public question vote in opposition to the public question, a petition may be submitted to the county auditor to request that the limit under subsection (h)(2)(B) apply to the holding of a subsequent public question by the political subdivision. If such a petition is submitted to the county auditor and is signed by the lesser of:

(1) five hundred (500) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision; or

(2) five percent (5%) of the registered voters residing within the political subdivision;

the limit under subsection (h)(2)(B) applies to the holding of a second public question by the political subdivision and the limit under subsection (h)(2)(A) does not apply to the holding of a second public question by the political subdivision.

(n) At the request of a political subdivision that proposes to impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project, the county auditor of a county in which the political subdivision is located shall determine the estimated average percentage of property tax increase on a homestead to be paid to the political subdivision that must be included in the public question under subsection (c) as follows:

STEP ONE: Determine the average assessed value of a homestead located within the political subdivision.

STEP TWO: For purposes of determining the net assessed value of the average homestead located within the political subdivision, subtract:

(A) an amount for the homestead standard deduction under IC 6-1.1-12-37 as if the homestead described in STEP ONE was eligible for the deduction; and

(B) an amount for the supplemental homestead deduction under IC 6-1.1-12-37.5 as if the homestead described in STEP ONE was eligible for the deduction;

from the result of STEP ONE.

STEP THREE: Divide the result of STEP TWO by one hundred (100).

STEP FOUR: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the political subdivision.

STEP FIVE: For purposes of determining net property tax liability of the average homestead located within the political subdivision:

(A) multiply the result of STEP THREE by the result of STEP FOUR; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5(a)(1).

STEP SIX: Determine the amount of the political subdivision's part of the result determined in STEP FIVE.

STEP SEVEN: Determine the estimated tax rate that will be imposed if the public question is approved by the voters.

STEP EIGHT: Multiply the result of STEP SEVEN by the result of STEP THREE.

STEP NINE: Divide the result of STEP EIGHT by the result of STEP SIX, expressed as a percentage.

(o) At the request of a political subdivision that proposes to impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project, the county auditor of a county in which the political subdivision is located shall determine the estimated average percentage of property tax increase on a business property to be paid to the political subdivision that must be included in the public question under subsection (c) as follows:

STEP ONE: Determine the average assessed value of ~~a homestead~~ **business property** located within the political subdivision.

STEP TWO: Divide the result of STEP ONE by one hundred (100).

STEP THREE: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the political subdivision.

STEP FOUR: For purposes of determining net property tax liability of the average business property located within the political subdivision:

(A) multiply the result of STEP TWO by the result of STEP THREE; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5 as if the applicable percentage was three percent (3%).

STEP FIVE: Determine the amount of the political subdivision's part of the result determined in STEP FOUR.

STEP SIX: Determine the estimated tax rate that will be imposed

if the public question is approved by the voters.

STEP SEVEN: Multiply the result of STEP TWO by the result of STEP SIX.

STEP EIGHT: Divide the result of STEP SEVEN by the result of STEP FIVE, expressed as a percentage.

(p) The county auditor shall certify the estimated average percentage of property tax increase on a homestead to be paid to the political subdivision determined under subsection (n), and the estimated average percentage of property tax increase on a business property to be paid to the political subdivision determined under subsection (o), in a manner prescribed by the department of local government finance, and provide the certification to the political subdivision that proposes to impose property taxes. The political subdivision shall provide the certification to the county election board and include the estimated average percentages in the language of the public question at the time the language of the public question is submitted to the county election board for approval as described in subsection (c).

However, an individual who remains eligible for the credit in the following year is not required to file a statement to apply for the credit in the following year. An individual who receives a credit under this section in a particular year and who becomes ineligible for the credit in the following year shall notify the auditor of the county in which the homestead is located of the individual's ineligibility not later than sixty (60) days after the individual becomes ineligible.

(f) The auditor of each county shall, in a particular year, apply a credit provided under this section to each individual who received the

SECTION 45. IC 6-1.1-35.7-4, AS AMENDED BY P.L.178-2021, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 4. (a) A township assessor, a county assessor, an employee of the township assessor or county assessor, or an appraiser:

- (1) must be competent to perform a particular assessment;
- (2) must acquire the necessary competency to perform the assessment; or
- (3) shall contract with an appraiser who demonstrates competency to do the assessment.

commits a Class A misdemeanor. In addition, the officer is liable for the damages sustained by a person as a result of the officer's violation of the provision or the officer's failure to perform the duty.

SECTION 47. IC 6-3.6-5-6, AS AMENDED BY P.L.86-2018, SECTION 77, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 6. (a) This section applies to all counties.

(b) The adopting body may impose a tax rate under this chapter that does not exceed one and twenty-five hundredths percent (1.25%) on the adjusted gross income of local taxpayers in the county served by the adopting body.

(c) Revenues from a tax under this section may be used only for the purpose of funding a property tax credit applied on a percentage basis to reduce the property tax liability of taxpayers with tangible property located in the county as authorized under this section. Property taxes imposed due to a referendum in which a majority of the voters in the taxing unit imposing the property taxes approved the property taxes are not eligible for a credit under this section.

(d) The adopting body shall specify by ordinance how the revenue from the tax shall be applied under subdivisions (1) through (4) to provide property tax credits in subsequent years. The allocation must be specified as a percentage of property tax relief revenue for taxpayers within each property category. The ordinance must be adopted as provided in IC 6-3.6-3 and takes effect and applies to property taxes as specified in IC 6-3.6-3-3. The ordinance continues to apply thereafter until it is rescinded or modified. The property tax credits may be allocated to all property categories or among any combination of the following categories:

- (1) For homesteads eligible for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax liability for the property to one percent (1%).
- (2) For residential property, long term care property, agricultural land, and other tangible property (if any) eligible for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax liability for the property to two percent (2%).
- (3) For residential property, as defined in IC 6-1.1-20.6-4.
- (4) For nonresidential real property, personal property, and other tangible property (if any) eligible for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax liability for the property to three percent (3%). ~~However, IC 6-3.6-11-2 applies in Jasper County.~~

(e) Within a category described in subsection (d) for which an ordinance grants property tax credits, the property tax credit rate must be a uniform percentage for all qualifying taxpayers with property in that category in the county. The credit percentage may be, but does not have to be, uniform for all categories of property listed in subsection (d).

(f) The county auditor shall allocate the amount of revenue applied as tax credits under this section to the taxing units that imposed the eligible property taxes against which the credits are applied.

(g) If the adopting body adopts an ordinance to reduce or eliminate the property tax relief credits that are in effect in the county under this chapter, the county auditor shall give notice of the adoption of the ordinance in accordance with IC 5-3-1 not later than thirty (30) days after the date on which the ordinance is adopted.

SECTION 48. IC 6-3.6-11-2 IS REPEALED [EFFECTIVE JULY 1, 2022]. Sec. 2: (a) This section applies to Jasper County's allocation of property tax credits provided by a tax rate under IC 6-3.6-5.

(b) A taxpayer that owns an industrial plant located in Jasper County is ineligible for a credit under IC 6-3.6-5 against the property taxes due on the industrial plant if the assessed value of the industrial plant as of March 1, 2006, exceeded twenty percent (20%) of the total assessed value of all taxable property in the county on that date. The general assembly finds that the provisions of this subsection are necessary because the industrial plant represents such a large percentage of Jasper County's assessed valuation.

SECTION 49. IC 8-22-2-18.5, AS AMENDED BY P.L.61-2012, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 18.5. (a) The board may negotiate terms and borrow money from any source for the payment of the costs of airport capital improvements, including the acquisition of real property or construction or improvement of revenue producing buildings or facilities located on an airport and owned and operated by the eligible entity, subject to the following requirements:

- (1) The loan contract must be approved by resolution of the board and the fiscal body of the eligible entity that established the board.
- (2) The loan contract must provide for the repayment of the loan in not more than forty (40) years.
- (3) The loan contract must state that the indebtedness is that of the board, is payable solely from revenues of the board that are derived from either airport operations or from revenue bonds, and may not be paid by a tax levied on property located within the district.
- (4) The loan contract must be submitted to the department of local

government finance, which may approve, disapprove, or reduce the amount of the proposed loan contract. The department of local government finance must make a decision on the loan contract within thirty (30) days after the contract is submitted for review. The action taken by the department of local government finance on the proposed loan contract is final.

(b) A loan contract issued under this chapter is issued for essential public and governmental purposes. A loan contract, the interest on the contract, the proceeds received by a holder from the sale of a loan contract to the extent of the holder's cost of acquisition, proceeds received upon redemption before maturity, proceeds received at maturity, and the receipt of the interest and proceeds are exempt from taxation as provided in IC 6-8-5.

(c) After a board enters into a loan contract, the board may use funds received from state or federal grants to satisfy the repayment of part or all of the loan contract.

(2) to the extent it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the airport development zone, as finally determined for the current assessment date.

However, subdivision (2) applies only to an airport development zone established after June 30, 1997, and the portion of an airport development zone established before June 30, 1997, that is added to an existing airport development zone.

(b) A resolution adopted under section 5 of this chapter and confirmed under section 6 of this chapter must include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section.

(c) The allocation provision must:

(2) require that any property tax on taxable tangible property subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes in the airport

development zone be allocated and distributed as provided in subsections (d) and (e).

(d) Except as otherwise provided in this section:

(1) the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the tangible property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated and, when collected, paid into the funds of the respective taxing units; and

- (B) state that the commission has determined that there are no excess tax proceeds that may be allocated to the respective taxing units in the manner prescribed in subsection (d)(1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess tax proceeds determined by the commission.

(c) Each lease entered into under this section must include an option permitting the political subdivision or agency to purchase the structure at a price not exceeding the amount required to retire all outstanding obligations issued by the lessor to acquire the property covered by the lease. SECTION 71. IC 36-7-14-39, AS AMENDED BY P.L.38-2021, SECTION 88, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j), the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for the current assessment date.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the

area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 39.3 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1,

2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. Notwithstanding any other law, in the case of an allocation area that is established after June 30, 2019, and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of this chapter, an economic development area described in section 25.1(c)(3)(C) of this chapter, or an urban renewal project area described in section 25.1(c)(3)(C) of this chapter, the expiration date of the allocation provision may not be more than thirty-five (35) years after the date on which the allocation provision is established. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;
or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by

- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; times
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.

(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

(M) Expend money and provide financial assistance as authorized in section 12.2(a)(27) of this chapter.

The allocation fund may not be used for operating expenses of the commission.

(4) Except as provided in subsection (g), before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3), plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The county auditor, upon receiving the notice, shall forward this notice (in an electronic format) to the department of local government finance not later than June 15 of each year. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3) or lessors under section 25.3 of this chapter.

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred

percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus

(ii) the amount necessary for other purposes described in subdivision (3);

the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(5) Notwithstanding subdivision (4), in the case of an allocation area that is established after June 30, 2019, and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of this chapter, an economic development area described in section 25.1(c)(3)(C) of this chapter, or an urban renewal project area described in section 25.1(c)(3)(C) of this chapter, for each year the allocation provision is in effect, if the amount of excess assessed value determined by the commission under subdivision (4)(A) is expected to generate more than two hundred percent (200%) of:

(A) the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3) for the project; plus

(B) the amount necessary for other purposes described in subdivision (3) for the project;

the amount of the excess assessed value that generates more than two hundred percent (200%) of the amounts described in clauses (A) and (B) shall be allocated to the respective taxing units in the manner prescribed by subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection:

- (1) may not include the effect of phasing in assessed value due to property tax abatements under IC 6-1.1-12.1;
- (2) may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the reassessment plan or the annual adjustment had not occurred; and
- (3) may decrease base assessed value only to the extent that assessed values in the allocation area have been decreased due to annual adjustments or the reassessment under the reassessment plan.

Assessed value increases attributable to the application of an abatement schedule under IC 6-1.1-12.1 may not be included in the base assessed value of an allocation area. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
- (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
 - (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
 - (B) specifically designates a particular date as the final allocation deadline.

(j) If a redevelopment commission adopts a declaratory resolution

or an amendment to a declaratory resolution that contains an allocation provision and the redevelopment commission makes either of the filings required under section 17(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(k) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3).

SECTION 72. IC 36-7-15.1-26, AS AMENDED BY P.L.156-2020, SECTION 140, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j), the following:

- (1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:
 - (A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
 - (B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.
- (2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:
 - (A) the net assessed value of all the property as finally

determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of

the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. However, for an allocation area identified as the Consolidated Allocation Area in the report submitted in 2013 to the fiscal body under section 36.3 of this chapter, the expiration date of any allocation provisions for the allocation area is January 1, 2051. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date

with respect to which the allocation and distribution is made;
or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

- (A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when

multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance.

The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(C) If:

- (i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus
- (ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);

the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the

allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

- (1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half

(1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline

determined under subdivision (2), the general assembly may enact a law that:

- (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
- (B) specifically designates a particular date as the final allocation deadline.

(j) If the commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the commission makes either of the filings required under section 10(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(k) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3).

SECTION 73. IC 36-7-15.1-53, AS AMENDED BY P.L.156-2020, SECTION 141, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j):

- (1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
- (2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for the current assessment date.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;
or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local

public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.

(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.

(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the

allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

- (1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.
- (2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment

for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers, for purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment of real property in an area under a county's reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

(j) If the commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the commission makes either of the filings required under section 10(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(k) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3).

SECTION 74. IC 36-7-30-25, AS AMENDED BY P.L.156-2020, SECTION 142, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 25. (a) The following definitions apply throughout this section:

- (1) "Allocation area" means that part of a military base reuse area to which an allocation provision of a declaratory resolution adopted under section 10 of this chapter refers for purposes of distribution and allocation of property taxes.
- (2) "Base assessed value" means, subject to subsection (i):
 - (A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
 - (B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment thereto, as finally determined for any subsequent assessment date; plus
 - (C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for

the current assessment date.

Clause (C) applies only to allocation areas established in a military reuse area after June 30, 1997, and to the part of an allocation area that was established before June 30, 1997, and that is added to an existing allocation area after June 30, 1997.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 10 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 13 of this chapter. The allocation provision may apply to all or part of the military base reuse area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution are made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the military base reuse district and, when collected, paid into an allocation fund for that allocation area that may be used by the military base reuse district and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the military base reuse district

or any other entity for the purpose of financing or refinancing military base reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the reuse authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) Pay expenses incurred by the reuse authority, any other department of the unit, or a department of another governmental entity for local public improvements or structures that are in the allocation area or directly serving or benefiting the allocation area, including expenses for the operation and maintenance of these local public improvements or structures if the reuse authority determines those operation and maintenance expenses are necessary or desirable to carry out the purposes of this chapter.

(F) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(G) Expend money and provide financial assistance as authorized in section 9(a)(25) of this chapter.

Except as provided in clause (E), the allocation fund may not be used for operating expenses of the reuse authority.

(4) Except as provided in subsection (g), before July 15 of each year the reuse authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due,

principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal body of the unit that established the reuse authority, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of excess property taxes that the reuse authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the reuse authority has determined that there are no excess property tax proceeds that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess property tax proceeds determined by the reuse authority. The reuse authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 19 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base reuse district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base reuse district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the reuse authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to

this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each reassessment of real property in an area under the county's reassessment plan under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the military base reuse district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under

IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(3) than would otherwise have been received if the reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) If the reuse authority adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the reuse authority makes either of the filings required under section 12(c) or 13(f) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the military base reuse district is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(j) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3).

SECTION 75. IC 36-7-30.5-30, AS AMENDED BY P.L.156-2020, SECTION 143, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 30. (a) The following definitions apply throughout this section:

- (1) "Allocation area" means that part of a military base development area to which an allocation provision of a declaratory resolution adopted under section 16 of this chapter refers for purposes of distribution and allocation of property taxes.
- (2) "Base assessed value" means, subject to subsection (i):
 - (A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
 - (B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment to the declaratory resolution, as

finally determined for any subsequent assessment date; plus (C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 16 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 18 of this chapter. The allocation provision may apply to all or part of the military base development area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the development authority and, when collected, paid into an allocation fund for that allocation area that may be used by the development authority and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium

on any obligations incurred by the development authority or any other entity for the purpose of financing or refinancing military base development or reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the development authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) For property taxes first due and payable before 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the development authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; by
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 32 of this chapter (before its repeal) in the same year.

(F) Pay expenses incurred by the development authority for

local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(H) Expend money and provide financial assistance as authorized in section 15(26) of this chapter.

The allocation fund may not be used for operating expenses of the development authority.

(4) Except as provided in subsection (g), before July 15 of each year the development authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivisions (2) and (3).

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the

development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base development district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the development authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the development authority shall create funds as specified in this subsection. A development authority that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. The development authority shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined

based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A development authority that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) that are derived from property in the enterprise zone in the fund. The development authority that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or for other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to an allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each reassessment of real property in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the military base development district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the military base development district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the military base development district under subsection (b)(3) than would otherwise have been received if the reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) If the development authority adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the development authority makes either of the filings required under section 17(e) or 18(f) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the military base development district is located shall compute the base assessed value for the allocation area using the

assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(j) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3).

SECTION 76. IC 36-8-8-14.2, AS ADDED BY P.L.159-2020, SECTION 83, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 14.2. (a) This section applies to every unit that is an employer of one (1) or more individuals who are active members of the 1977 fund.

(b) As used in this section, "survivor" means:

- (1) a surviving spouse of a deceased member of the 1977 fund; or
- (2) a surviving natural child, stepchild, or adopted child of a deceased member of the 1977 fund;

who is entitled to health insurance coverage under section 14.1(h) of this chapter.

(c) If a unit is obligated under section 14.1(h) of this chapter to pay for health insurance coverage for one (1) or more survivors of a deceased member of the 1977 fund who died in the line of duty, the legislative body of the unit may establish a public safety officer survivors' health coverage cumulative fund under this section to pay for health coverage under section 14.1(h) of this chapter.

(d) The fiscal body of a unit may provide money for a public safety officer survivors' health coverage cumulative fund established under subsection (c) by levying a tax in compliance with IC 6-1.1-41 on the taxable property in the unit.

(e) The property tax rate that may be imposed under this section for property taxes first due and payable during a particular year may not exceed the rate necessary to pay the annual cost of the health coverage that the unit is obligated to pay under section 14.1(h) of this chapter. The unit shall provide any documentation requested by the department of local government finance that is necessary to certify the rate adopted by the unit. The unit's maximum permissible ad valorem property tax levy determined under IC 6-1.1-18.5-3 excludes the property tax levied under this section. **The property tax rate imposed under this section is exempt from the adjustment under IC 6-1.1-18-12.**

(f) The tax money collected under this section shall be held in a special fund to be known as the public safety officer survivors' health coverage cumulative fund.

(g) In a consolidated city, money may be transferred from the public safety officer survivors' health coverage cumulative fund to the fund of a department of the consolidated city responsible for carrying out a purpose for which the public safety officer survivors' health coverage cumulative fund was created. The department may not expend any money transferred under this subsection until an appropriation is made, and the department may not expend any money transferred under this subsection for operating costs of the department.

SECTION 77. IC 36-9-27-48, AS AMENDED BY P.L.127-2017, SECTION 339, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2022]: Sec. 48. (a) Whenever, in the construction or reconstruction of a regulated drain, the county surveyor determines that:

- (1) the proposed drain will cross a pipeline, cable, or similar equipment of a public utility; and
- (2) the equipment will interfere with the proper operation of the drain;

the county surveyor shall include in the county surveyor's plans the relocation requirements of the equipment. The county surveyor shall, by registered mail **or certified mail**, send a copy of the requirements to the public utility owning the equipment.

(b) If requested by the public utility, the county surveyor shall meet with the public utility at a time and place to be fixed by the county surveyor and hear objections to the requirements. After the hearing, the county surveyor may change the requirements as justice may require.

(c) If the board finds that the relocation of a pipeline, cable, or similar equipment owned by a public utility is necessary in the construction or reconstruction of a regulated drain, the cost of relocation shall be paid by the public utility.

SECTION 78. [EFFECTIVE JULY 1, 2022] **(a) IC 6-1.1-12-9, IC 6-1.1-12-14, and IC 6-1.1-20.6-8.5, all as amended by this act, apply to taxable years beginning after December 31, 2022.**

(b) This SECTION expires July 1, 2025.

SECTION 79. [EFFECTIVE JANUARY 1, 2020 (RETROACTIVE)] **(a) This SECTION applies notwithstanding IC 6-1.1-10, IC 6-1.1-11, or any other law or administrative rule or provision.**

(b) This SECTION applies to assessment dates after December 31, 2019, and before January 1, 2022.

(c) As used in this SECTION, "eligible property" means any real property:

- (1) that is owned, occupied, and used by a taxpayer that is a church or religious society and is used for one (1) or more of the purposes described in IC 6-1.1-10-16 or IC 6-1.1-10-21;
- (2) that is a parcel that was purchased by the taxpayer in 2019;
- (3) on which property taxes were imposed for the 2020 and 2021 assessment dates; and
- (4) that would have been eligible for an exemption under IC 6-1.1-10-16 or IC 6-1.1-10-21 for the 2020 and 2021 assessment dates if an exemption application had been properly and timely filed under IC 6-1.1 for the property.

(d) Before September 1, 2022, the owner of eligible property may file a property tax exemption application and supporting documents claiming a property tax exemption under this SECTION for the eligible property for the 2020 and 2021 assessment dates.

(e) A property tax exemption application filed as provided in subsection (d) is considered to have been properly and timely filed for each assessment date.

(f) The following apply if the owner of eligible property files a property tax exemption application as provided in subsection (d):

- (1) The property tax exemption for the eligible property shall be allowed and granted for the applicable assessment date by the county assessor and county auditor of the county in which the eligible property is located.
- (2) The owner of the eligible property is not required to pay any property taxes, penalties, or interest with respect to the eligible property for the applicable assessment date.

(g) The exemption allowed by this SECTION shall be applied without the need for any further ruling or action by the county assessor, the county auditor, or the county property tax assessment board of appeals of the county in which the eligible property is located or by the Indiana board of tax review.

(h) To the extent the owner of the eligible property has paid any property taxes, penalties, or interest with respect to the eligible property for an applicable date and to the extent that the eligible property is exempt from taxation as provided in this SECTION, the owner of the eligible property is entitled to a refund of the amounts paid. The owner is not entitled to any interest on the refund under IC 6-1.1 or any other law to the extent interest has not been paid by or on behalf of the owner. Notwithstanding the filing deadlines for a claim under IC 6-1.1-26, any claim for a refund filed by the owner of eligible property under this SECTION before September 1, 2022, is considered timely filed. The county auditor shall pay the refund due under this SECTION in one (1)

installment.

(i) This SECTION expires June 30, 2024.
