 2 or any political subdivision unless the officer has, within one (1) year
 3 from the date of appointment, successfully completed the minimum
 4 basic training requirements established under this chapter by the board.
 5 If a person fails to successfully complete the basic training
 6 requirements within one (1) year from the date of employment, the
 7 officer may not perform any of the duties of a law enforcement officer
 8 involving control or direction of members of the public or exercising
 9 the power of arrest until the officer has successfully completed the
 10 training requirements. This subsection does not apply to any law
 11 enforcement officer appointed before July 6, 1972, or after June 30,
 12 1993.

13 (c) Military leave or other authorized leave of absence from law
 14 enforcement duty during the first year of employment after July 6,
 15 1972, shall toll the running of the first year, which shall be calculated
 16 by the aggregate of the time before and after the leave, for the purposes
 17 of this chapter.

18 (d) Except as provided in subsections (e), (m), (t), and (u), a law
 19 enforcement officer appointed to a law enforcement department or

- 21 (1) make an arrest;
- 22 (2) conduct a search or a seizure of a person or property; or
- 23 (3) carry a firearm;

24 unless the law enforcement officer successfully completes, at a board
 25 certified law enforcement academy or at a law enforcement training
 26 center under section 10.5 or 15.2 of this chapter, the basic training
 27 requirements established by the board under this chapter.

28 (e) This subsection does not apply to:

- 29 (1) a gaming agent employed as a law enforcement officer by the
 30 Indiana gaming commission; or
 - 31 (2) an:
 - 32 (A) attorney; or

 35 the state under IC 23-19-6-1(k).

36 Before a law enforcement officer appointed after June 30, 1993,
 37 completes the basic training requirements, the law enforcement officer
 38 may exercise the police powers described in subsection (d) if the
 39 officer successfully completes the pre-basic course established in
 40 subsection (f). Successful completion of the pre-basic course authorizes
 41 a law enforcement officer to exercise the police powers described in
 42 subsection (d) for one (1) year after the date the law enforcement

- 1 officer is appointed.
- 2 (f) The board shall adopt rules under IC 4-22-2 to establish a
3 pre-basic course for the purpose of training:
- 4 (1) law enforcement officers;
- 5 (2) police reserve officers (as described in IC 36-8-3-20); and
- 6 (3) conservation reserve officers (as described in IC 14-9-8-27);
- 7 regarding the subjects of arrest, search and seizure, the lawful use of
8 force, interacting with individuals with autism, and the operation of an
9 emergency vehicle. The pre-basic course must be offered on a periodic
10 basis throughout the year at regional sites statewide. The pre-basic
11 course must consist of at least forty (40) hours of course work. The
12 board may prepare the classroom part of the pre-basic course using
13 available technology in conjunction with live instruction. The board
14 shall provide the course material, the instructors, and the facilities at
15 the regional sites throughout the state that are used for the pre-basic
16 course. In addition, the board may certify pre-basic courses that may be
17 conducted by other public or private training entities, including
18 postsecondary educational institutions.
- 19 (g) Subject to subsection (h), the board shall adopt rules under
20 IC 4-22-2 to establish a mandatory inservice training program for
21 police officers and police reserve officers (as described in
22 IC 36-8-3-20). After June 30, 1993, a law enforcement officer who has
23 satisfactorily completed basic training and has been appointed to a law
24 enforcement department or agency on either a full-time or part-time
25 basis is not eligible for continued employment unless the officer
26 satisfactorily completes the mandatory inservice training requirements
27 established by rules adopted by the board. Inservice training must
28 include training in interacting with persons with mental illness,
29 addictive disorders, intellectual disabilities, autism, developmental
30 disabilities, and Alzheimer's disease or related senile dementia, to be
31 provided by persons approved by the secretary of family and social
32 services and the board, and training concerning human and sexual
33 trafficking and high risk missing persons (as defined in IC 5-2-17-1).
34 The board may approve courses offered by other public or private
35 training entities, including postsecondary educational institutions, as
36 necessary in order to ensure the availability of an adequate number of
37 inservice training programs. The board may waive an officer's inservice
38 training requirements if the board determines that the officer's reason
39 for lacking the required amount of inservice training hours is due to
40 either an emergency situation or the unavailability of courses.
- 41 (h) This subsection applies only to a mandatory inservice training
42 program under subsection (g). Notwithstanding subsection (g), the

1 board may, without adopting rules under IC 4-22-2, modify the course
 2 work of a training subject matter, modify the number of hours of
 3 training required within a particular subject matter, or add a new
 4 subject matter, if the board satisfies the following requirements:

5 (1) The board must conduct at least two (2) public meetings on
 6 the proposed modification or addition.

7 (2) After approving the modification or addition at a public
 8 meeting, the board must post notice of the modification or
 9 addition on the Indiana law enforcement academy's Internet web
 10 site at least thirty (30) days before the modification or addition
 11 takes effect.

12 If the board does not satisfy the requirements of this subsection, the
 13 modification or addition is void. This subsection does not authorize the
 14 board to eliminate any inservice training subject matter required under
 15 subsection (g).

16 (i) The board shall also adopt rules establishing a town marshal
 17 basic training program, subject to the following:

18 (1) The program must require fewer hours of instruction and class
 19 attendance and fewer courses of study than are required for the
 20 mandated basic training program.

21 (2) Certain parts of the course materials may be studied by a
 22 candidate at the candidate's home in order to fulfill requirements
 23 of the program.

24 (3) Law enforcement officers successfully completing the
 25 requirements of the program are eligible for appointment only in
 26 towns employing the town marshal system (IC 36-5-7) and having
 27 not more than one (1) marshal and two (2) deputies.

28 (4) The limitation imposed by subdivision (3) does not apply to an
 29 officer who has successfully completed the mandated basic
 30 training program.

31 (5) The time limitations imposed by subsections (b) and (c) for
 32 completing the training are also applicable to the town marshal
 33 basic training program.

34 (6) The program must require training in interacting with
 35 individuals with autism.

36 (j) The board shall adopt rules under IC 4-22-2 to establish an
 37 executive training program. The executive training program must
 38 include training in the following areas:

40 (2) Media relations.

41 (3) Accounting and administration.

42 (4) Discipline.

- 1 (5) Department policy making.
 2 (6) Lawful use of force.
 3 (7) Department programs.
 4 (8) Emergency vehicle operation.
 5 (9) Cultural diversity.
- 6 (k) A police chief shall apply for admission to the executive training
 7 program within two (2) months of the date the police chief initially
 8 takes office. A police chief must successfully complete the executive
 9 training program within six (6) months of the date the police chief
 10 initially takes office. However, if space in the executive training
 11 program is not available at a time that will allow completion of the
 12 executive training program within six (6) months of the date the police
 13 chief initially takes office, the police chief must successfully complete
 14 the next available executive training program that is offered after the
 15 police chief initially takes office.
- 16 (l) A police chief who fails to comply with subsection (k) may not
 17 continue to serve as the police chief until completion of the executive
 18 training program. For the purposes of this subsection and subsection
 19 (k), "police chief" refers to:
 20 (1) the police chief of any city;
 21 (2) the police chief of any town having a metropolitan police
 22 department; and
 23 (3) the chief of a consolidated law enforcement department
 24 established under IC 36-3-1-5.1.
- 25 A town marshal is not considered to be a police chief for these
 26 purposes, but a town marshal may enroll in the executive training
 27 program.
- 28 (m) A fire investigator in the ~~division of fire and building safety~~
 29 **department of homeland security** appointed after December 31,
 30 1993, is required to comply with the basic training standards
 31 established under this chapter.
- 32 (n) The board shall adopt rules under IC 4-22-2 to establish a
 33 program to certify handgun safety courses, including courses offered
 34 in the private sector, that meet standards approved by the board for
 35 training probation officers in handgun safety as required by
 36 IC 11-13-1-3.5(3).
- 37 (o) The board shall adopt rules under IC 4-22-2 to establish a
 38 refresher course for an officer who:
 39 (1) is hired by an Indiana law enforcement department or agency
 40 as a law enforcement officer;
 41 (2) has not been employed as a law enforcement officer for:
 42 (A) at least two (2) years; and

1 (B) less than six (6) years before the officer is hired under
 2 subdivision (1); and
 3 (3) completed at any time a basic training course certified or
 4 recognized by the board before the officer is hired under
 5 subdivision (1).

6 (p) An officer to whom subsection (o) applies must successfully
 7 complete the refresher course described in subsection (o) not later than
 8 six (6) months after the officer's date of hire, or the officer loses the
 9 officer's powers of:

- 10 (1) arrest;
 11 (2) search; and
 12 (3) seizure.

13 (q) The board shall adopt rules under IC 4-22-2 to establish a

 18 years after:

- 19 (A) completing the pre-basic course; or
 20 (B) leaving the individual's last appointment as a reserve
 21 police officer.

22 An officer to whom this subsection applies must successfully complete
 23 the refresher course established by the board in order to work as a
 24 reserve police officer.

25 (r) This subsection applies to an individual who, at the time the
 26 individual completes a board certified or recognized basic training
 27 course, has not been appointed as a law enforcement officer by an
 28 Indiana law enforcement department or agency. If the individual is not
 29 employed as a law enforcement officer for at least two (2) years after
 30 completing the basic training course, the individual must successfully
 31 retake and complete the basic training course as set forth in subsection
 32 (d).

33 (s) The board shall adopt rules under IC 4-22-2 to establish a
 34 refresher course for an individual who:

- 35 (1) is appointed as a board certified instructor of law enforcement
 36 training; and
 37 (2) has not provided law enforcement training instruction for
 38 more than one (1) year after the date the individual's instructor
 39 certification expired.

40 An individual to whom this subsection applies must successfully
 41 complete the refresher course established by the board in order to
 42 renew the individual's instructor certification.

1 (t) This subsection applies only to a gaming agent employed as a
 2 law enforcement officer by the Indiana gaming commission. A gaming
 3 agent appointed after June 30, 2005, may exercise the police powers
 4 described in subsection (d) if:

5 (1) the agent successfully completes the pre-basic course
 6 established in subsection (f); and

7 (2) the agent successfully completes any other training courses
 8 established by the Indiana gaming commission in conjunction
 9 with the board.

10 (u) This subsection applies only to a securities enforcement officer
 11 designated as a law enforcement officer by the securities
