HOUSE BILL No. 1272

DIGEST OF HB 1272 (Updated January 20, 2016 6:54 pm - DI 77)

Citations Affected: IC 25-1; IC 25-35.6; IC 35-31.5; IC 35-48.

Synopsis: Professional licensing matters. Requires a practitioner to provide the Indiana professional licensing agency (agency) and the practitioner's specific board with certain information concerning continuing education. (Current law requires a practitioner to provide the information to a specific board.) Allows an individual who holds a professional or occupational license and is called to active duty to fulfill all continuing education requirements through distance learning. Allows the practitioner's specific board to conduct random audits of license renewals of practitioners required to take continuing education courses. Adds certain substances to the definition of "synthetic drugs". Makes the small business member of the jobs creation committee a voting member. Makes changes to the speech-language pathology and audiology board concerning the date a chairperson is selected. Provides that an employee of the agency must keep information concerning a complaint regarding a regulated occupation confidential unless disclosure is required under law, required for the advancement of an investigation, or made to a law enforcement agency that has jurisdiction or is reasonably believed to have jurisdiction over a person or matter involved in the complaint.

Effective: July 1, 2016.
