3 described in section 5(a) of this chapter.

4 **Sec. 3.** As used in this chapter, "utility company" means:

- 5 (1) a public utility (as defined in IC 8-1-31-7) that provides

7 (2) a regional sewer or water district.

8 **Sec. 4.** As used in this chapter, "utility property" refers to

18 reasonable.

19 **(c)** The utility company that acquires the utility property may
20 petition the commission to include the cost differentials as part of
21 its rate base. The commission shall approve the petition if the
22 commission finds the following:

- 23 (1) The utility property is used and useful in providing water
24 service, wastewater service, or both water and wastewater
25 service.

4 **rate base to be amortized as an addition to expense over a**
5 **reasonable time with corresponding reductions in the rate**
6 **base.**

7 **(d) A utility company may petition the commission in an**
8 **independent proceeding to approve a petition under subsection (c)**
9 **before the utility company acquires the utility property if the**
10 **utility company provides:**

11 **(1) notice of the proposed acquisition and any changes in rates**
12 **or charges to customers of the distressed utility;**

13 **(2) notice to customers of the utility company if the proposed**
14 **acquisition will increase the utility company's rates by an**
15 **amount that is greater than one percent (1%) of the utility**
16 **company's base annual revenue;**

17 **(3) notice to the office of the utility consumer counselor; and**

18 **(4) a plan for reasonable and prudent improvements to**
19 **provide adequate, efficient, safe, and reasonable service to**
20 **customers of the distressed utility.**

21 **Sec. 6. For purposes of section 5(c)(3) of this chapter, a**

32 **amounts, that is palatable, or at adequate volume or pressure.**

33 **(4) The distressed utility, due to necessary improvements to its**
34 **plant or distribution or collection system or operations, is**
35 **unable to furnish and maintain adequate service to its**
36 **customers at rates equal to or less than those of the public**
37 **utility.**

38 **(5) Any other facts that the commission determines**
39 **demonstrate the distressed utility's inability to furnish or**
40 **maintain adequate, efficient, safe, or reasonable service or**
41 **facilities.**

42 **Sec. 7. Not later than October 1 of each year, the commission**
