31 (1) If the work is being performed under an order other than an
32 order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter, and
33 if the cost of this work is estimated to be less than ~~ten thousand~~
34 **dollars (\$10,000); twenty-five thousand dollars (\$25,000)**, the
35 department, acting through the unit's enforcement authority or
36 other agent, may perform the work by means of the unit's own
37 workers and equipment owned or leased by the unit. Notice that
38 this work is to be performed must be given to all persons with a
39 known or recorded substantial property interest, in the manner
40 prescribed in subsection (c), at least ten (10) days before the date
41 of performance of the work by the enforcement authority. This
42 notice must include a statement that an amount representing a

1 reasonable estimate of the cost incurred by the enforcement
2 authority in processing the matter and performing the work may,
3 if not paid, be recorded after a hearing as a lien against all persons
4 having a fee interest, life estate interest, or equitable interest of a
5 contract purchaser in the unsafe premises.

6 (2) If the work is being performed under an order other than an
7 order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter, and
8 if the estimated cost of this work is ~~ten thousand dollars (\$10,000)~~
9 **twenty-five thousand dollars (\$25,000)** or more, this work must
10 be let at public bid to a contractor licensed and qualified under
11 law. The obligation to pay costs imposed by section 12 of this
12 chapter is based on the condition of the unsafe premises at the
13 time the public bid was accepted. Changes occurring in the
14 condition of the unsafe premises after the public bid was accepted
15 do not eliminate or diminish this obligation.

16 (3) If the work is being performed under an order issued under
17 section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter, the work may
18 be performed by a contractor who has been awarded a base bid
19 contract to perform the work for the enforcement authority, or by
20 the department, acting through the unit's enforcement authority or
21 other governmental agency and using the unit's own workers and
22 equipment owned or leased by the unit. Work performed under an
23 order issued under section 5(a)(2), 5(a)(3), or 5(a)(4) of this
24 chapter may be performed without further notice to the persons
25 holding a fee interest, life estate interest, or equitable interest of
26 a contract purchaser, and these persons are liable for the costs
27 incurred by the enforcement authority in processing the matter
28 and performing the work, as provided by section 12 of this
29 chapter.

30 (b) Bids may be solicited and accepted for work on more than one
31 (1) property if the bid reflects an allocation of the bid amount among
32 the various unsafe premises in proportion to the work to be
33 accomplished. The part of the bid amount attributable to each of the
34 unsafe premises constitutes the basis for calculating the part of the
35 costs described by section 12(a)(1) of this chapter.

36 (c) All persons who have a known or recorded substantial property
37 interest in the unsafe premises and are subject to an order other than an
38 order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter must be
39 notified about the public bid in the manner prescribed by section 25 of
40 this chapter, by means of a written statement including:

- 41 (1) the name of the person to whom the order was issued;
42 (2) a legal description or address of the unsafe premises that are

- 1 the subject of the order;
- 2 (3) a statement that a contract is to be let at public bid to a
- 3 licensed contractor to accomplish work to comply with the order;
- 4 (4) a description of work to be accomplished;
- 5 (5) a statement that both the bid price of the licensed contractor
- 6 who accomplishes the work and an amount representing a
- 7 reasonable estimate of the cost incurred by the enforcement
- 8 authority in processing the matter of the unsafe premises may, if
- 9 not paid, be recorded after a hearing as a lien against all persons
- 10 having a fee interest, life estate interest, or equitable interest of a
- 11 contract purchaser in the unsafe premises;
- 12 (6) the time of the bid opening;
- 13 (7) the place of the bid opening; and
- 14 (8) the name, address, and telephone number of the enforcement
- 15 authority.
- 16 (d) If the notice of the statement that public bids are to be let is
- 17 served by publication, the publication must include the information
- 18 required by subsection (c), except that it need only include a general
- 19 description of the work to be accomplished. The publication must also
- 20 state that a copy of the statement of public bid may be obtained from
- 21 the enforcement authority.
- 22 (e) Notice of the statement that public bids are to be let must be
- 23 given, at least ten (10) days before the date of the public bid, to all
- 24 persons who have a known or recorded substantial property interest in
- 25 the property and are subject to an order other than an order under
- 26 section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter.
- 27 (f) If action is being taken under this section on the basis of an order
- 28 that was served by publication, it is sufficient to serve the statement
- 29 that public bids are to be let by publication, unless the enforcement
- 30 authority has received information in writing that enables the unit to
- 31 make service under section 25 of this chapter by a method other than
- 32 publication.
