**Sec. 4. All of the provisions of IC 6-2.5 relating to rights, duties, liabilities, procedures, penalties, definitions, exemptions, and administration are applicable to the imposition and administration of the tax imposed under this section except to the extent those provisions are in conflict or inconsistent with the specific provisions of this chapter or the requirements of the county treasurer. The return to be filed for the payment of the tax under this section may be either a separate return or may be combined**

with the return filed for the payment of the state gross retail tax as the department of state revenue may, by rule, determine.

**Sec. 5.** The amounts received from the tax imposed under this chapter shall be paid monthly by the treasurer of state upon warrants issued by the auditor of state as follows:

(1) If the tax rate imposed under section 3 of this chapter is five percent (5%) or less, all amounts received from the tax shall be paid to the county treasurer.

(c) Money in a convention, visitor, and tourism promotion fund, or money transferred from such a fund under subsection (b), may be expended only to promote and encourage conventions, visitors, and tourism within the county. Not more than one (1) member may be affiliated with the same business entity. Not more than a simple majority of the members may be affiliated with the same political party. Each member must reside in the county. The county executive shall also determine who will make the appointments to the commission, except that the executive of the largest municipality in the county shall appoint a number of the members of the commission, which number shall be in the same ratio to the total size of the commission (rounded off to the nearest whole number) that the population of the largest municipality bears to the total population of the county.

(c) If a municipality other than the largest municipality in the county collects fifty percent (50%) or more of the tax revenue collected under this chapter during the three (3) month period following imposition of the tax, the executive of the municipality shall appoint the same number of members to the commission that the executive of the largest municipality in the county appoints under subsection (b).

(d) Except as provided in subsection (c), all terms of office of commission members begin on January 1. Initial appointments must be for staggered terms, with subsequent appointments for two (2) year terms. A member whose term expires may be reappointed to serve another term. If a vacancy occurs, the appointing authority shall appoint a qualified person to serve for the remainder of the term. - (7) require financial or other reports from any corporation that receives funds under this chapter.

The commission shall annually prepare a budget, taking into consideration the recommendations made by a corporation qualified under subsection (a)(6) and submit the budget to the county fiscal body for its review and approval.
