## HOUSE BILL No. 1412

---

DIGEST OF HB 1412 (Updated January 29, 2025 10:43 am - DI 119)

**Citations Affected:** IC 4-13; IC 12-17.2; IC 25-1; IC 31-33.

**Synopsis:** Reporting of child abuse or neglect. Provides that staff members of a medical institution, a medical facility, or any other health care facility have a duty to report child abuse immediately to both the department of child services and a local law enforcement agency. Provides that an individual's duty to report is nondelegable, unless the individual to whom the duty is being delegated is part of the child's care team and has personally provided care to the child. Requires that if a report of suspected child abuse or neglect alleges that a staff member, youth coach, or volunteer of an institution, school, facility, organization, or agency is the abuser, local law enforcement shall investigate to determine whether the institution, school, facility, organization, or agency knew that the alleged abuse was happening and failed to report the alleged abuse. Allows local law enforcement to consider certain facts when determining whether the institution, school, facility, organization, or agency knew about the alleged abuse. Increases the penalty for failure by a member of the staff of a public or private institution, school, facility, organization, or agency to report suspected child abuse or neglect to a Class A misdemeanor (instead of a Class B misdemeanor, under current law). Makes conforming changes.

**Effective:** July 1, 2025.
