- 35 (c).
- 36 (C) Evidence that the provider participated in the claims

- 41 (D) Evidence of a consistent effort by the provider to submit
- 42 claims in accordance with the uniform billing requirements

- 1 developed under subsection (c)(1).
 2 (i) The office of Medicaid policy and planning:

 10 (j) If the office of Medicaid policy and planning determines that a

 29 (k) Upon issuing any payment of a temporary emergency assistance
 30 to a provider under subsection (j), a managed care organization shall
 31 set up a receivable to reconcile the temporary emergency assistance
 32 funds with actual claims payment amounts. A managed care

 34 payment funds with actual claims payment amounts on the first day of

 38 provider, managed care organizations are still required to meet contract
 39 obligations for reviewing and paying claims, specifically claims that

 41 payment reconciliation. However, if a managed care organization fails
