HOUSE CONCURRENT RESOLUTION

A CONCURRENT RESOLUTION recognizing the General Motors Bedford Powertrain plant.

Whereas, General Motors has recognized the Bedford Powertrain plant as a Center of Expertise;

Whereas, This designation means that other General Motors plants will now rely on the expertise of the Bedford plant;

Whereas, Through their dedication and hard work, the employees at Bedford have proven the plant to be one of the leading aluminum die casting and semipermanent mold operation facilities in the world;

Whereas, This plant has gone through challenging times;

Whereas, In order to achieve this success, the plant and its employees have had to adapt to changing times in the auto industry;

Whereas, Once employing more than 1,000 people when more hands-on tasks were required, the plant now employs 612 hourly and salaried workers; and

Whereas, It is fitting that we recognize the accomplishments of the dedicated employees of the General Motors Bedford Powertrain plant: Therefore,

*Be it resolved by the House of Representatives
