2 SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
3 UPON PASSAGE]: Sec. 14.5. (a) As used in this section:
4 (1) **"college and career readiness educational standards"**
5 **means the standards that a high school graduate must meet to**
6 **obtain the requisite knowledge and skill to transition without**
7 **remediation to postsecondary education or training, and**
8 **ultimately into a sustainable career; and**

10 developed for kindergarten through grade 12 by the Common
11 Core State Standards Initiative; and
12 (2) **"cut scores"** means the scores that define a student's
13 performance on an assessment, including passing, failing, or
14 falling into a performance category.

16 ~~the state board may take no further actions to implement as standards~~

ES 91—LS 6148/DI 13

1 for the state or direct the department to implement any common core
 2 standards developed by the Common Core State Standards Initiative
 3 until the state board conducts a comprehensive evaluation of the
 4 common core standards as provided in this section. Any common core
 5 standards adopted by the state board before May 15, 2013, remain in
 6 effect until the state board adopts educational standards under
 7 subsection (e):

8 (e) (b) Before July 1, 2014, the state board shall adopt **Indiana**
 9 college and career readiness educational standards, **voiding the**
 10 **previously adopted set of educational standards.** The educational
 11 standards must **do the following:**

12 (1) Meet national and international benchmarks for college and
 13 career readiness standards and be aligned with postsecondary
 14 educational expectations.

15 (2) Use the highest standards in the United States.

16 (3) Comply with federal standards to receive a flexibility
 17 waiver under 20 U.S.C. 7861, as in effect on January 1, 2014.

18 (4) Prepare Indiana students for college and career success,

 20 college entrance examinations such as the ACT and SAT.

22 (6) Provide strict safeguards to protect the confidentiality of
 23 student data.

24 The state board shall implement educational standards that use the
 25 common core standards as the base model for academic standards to
 26 the extent necessary to comply with federal standards to receive a
 27 flexibility waiver under 20 U.S.C. 7861. However, higher academic
 28 standards may be adopted that supplement or supplant the common
 29 core standards if the higher educational standards would qualify for a
 30 flexibility waiver under 20 U.S.C. 7861 because the higher educational
 31 standards meet United States Department of Education flexibility
 32 waiver requirements that ensure college and career readiness of
 33 students:

34 (d) The educational standards may not be adopted under subsection
 35 (e) until:

36 (1) the state board has received and considers:

37 (A) the department's evaluation of the common core under
 38 subsection (e);

39 (B) the final report of the legislative study committee
 40 established under subsection (f);

41 (C) the fiscal impact statement prepared by the office of
 42 management and budget under subsection (g); and

 4 information described in subdivision (1).

5 (e) Before July 1, 2013, the department shall provide a written
 6 evaluation of the common core standards to the:

- 7 (1) governor;
 8 (2) legislative council;
 9 (3) state board; and
 10 (4) chairperson of the legislative study committee established in
 11 subsection (f).

12 The evaluation must be provided in an electronic format as provided
 13 under IC 5-14-6.

14 (f) The legislative council shall establish a legislative study
 15 committee to study issues relating to common core standards or other
 16 standards. Not later than November 1, 2013, the legislative committee
 17 shall submit the committee's final report to the legislative council,
 18 governor, department, and state board. The report must:

- 19 (1) compare existing Indiana standards with the common core
 20 standards;
 21 (2) consider best practices in developing and adopting the
 22 standards; seeking information from a broad range of sources;
 23 including:
 24 (A) subject area teachers from elementary and secondary
 25 schools in Indiana;
 26 (B) subject area instructors and experts from postsecondary
 27 educational institutions; and
 28 (C) any other standards the study committee considers to be
 29 superior standards; and
 30 (3) evaluate the cost to the state or school corporations associated
 31 with implementing Partnership for Assessment of Readiness for
 32 College and Careers assessment or the Smarter Balanced
 33 assessment by schools.

34 The legislative study committee shall operate under the policies
 35 governing study committees adopted by the legislative council. The
 36 study committee shall hold at least three (3) public meetings.

37 (g) Before September 1, 2013, the office of management and budget
 38 established by IC 4-3-22-3, in consultation with the state board, shall
 39 provide an opinion concerning the fiscal impact to the state and school
 40 corporations if the state board:

- 41 (1) fully implements the common core standards; and
 42 (2) discontinues the implementation of the common core

- 1 standards:
 2 The office of management and budget must provide its opinion in an
 3 electronic format under IC 5-14-6 to the governor, legislative council,
 4 and state board.
- 5 ~~(h)~~ (c) The department shall administer ISTEP assessments under
 6 IC 20-32-5 during the 2013-2015 biennium. The state board may not
 7 require the use of the Partnership for Assessment of Readiness for
 8 College and Careers assessment or the Smarter Balanced assessment
 9 by schools until the state board receives and considers the reports
 10 received under subsections (e) through (g). This section does not
 11 remove academic standards developed or implemented by the state
 12 board before July 1, 2013. **During the 2015-2016 school year, subject**
 13 **to subsection (e), the state board shall authorize the department to**
 14 **administer either the ISTEP assessment under IC 20-32-5 or a**
 15 **comparable assessment program that is aligned with the**
 16 **educational standards adopted by the state board under subsection**
 17 **(b).**
- 18 (d) **Before the state board may authorize an assessment**
 19 **program under subsection (c), the state board shall submit the**
 20 **proposed assessment program to the budget committee for review.**
- 21 ~~(i)~~ (e) This subsection does not apply to an agreement with the
 22 United States Department of Education concerning a waiver from
 23 federal requirements. After June 30, 2013, the state, or the state board
 24 on behalf of the state, may not enter into or renew an agreement with
 25 any organization, entity, group, or consortium that requires the state to
 26 cede any measure of autonomy or control of education standards and
 27 assessments, including cut scores.
- 28 ~~(j)~~ (f) The state board may adopt emergency rules in the manner
 29 provided in IC 4-22-2-37.1 to implement this section. As provided in
 30 IC 4-22-2-37.1 for an emergency rule adopted under this section to be
 31 effective after one (1) extension period, the rule must be adopted in
 32 conformity with the procedures under IC 4-22-2-24 through
 33 IC 4-22-2-36.
- 34 **SECTION 2. An emergency is declared for this act.**
