3 Sec. 7. (a) If a member state takes adverse action, it shall
4 promptly notify the administrator of the data system.

5 (b) The administrator of the data system shall promptly notify
6 the home state and all other member states of any adverse actions
7 by a remote state.

8 Sec. 8. Nothing in this compact overrides a member state's
9 decision that participation in an alternative program may be used
10 in lieu of adverse action.

11 Sec. 9. Nothing in this compact authorizes a member state to
12 demand the issuance of subpoenas for attendance and testimony of
13 witnesses or the production of evidence from another member state
14 for lawful actions within that member state.

15 Sec. 10. Nothing in this compact authorizes a member state to
16 impose discipline against a regulated social worker who holds a
17 multistate authorization to practice for lawful actions within
18 another member state.

19 **Chapter 10. Establishment of Social Work Licensure Compact**
20 **Commission**

21 Sec. 1. (a) The compact member states create and establish a
22 joint government agency whose membership consists of all member
23 states that have enacted the compact known as the social work
24 licensure compact commission.

25 (b) The commission is an instrumentality of the compact states
26 acting jointly and not an instrumentality of any one (1) state.

27 (c) The commission shall come into existence on or after the
28 effective date of the compact as set forth in IC 25-44-14.

29 Sec. 2. (a) Each member state shall have and be limited to one
30 (1) delegate selected by that member state's licensing authority.

31 (b) The delegate shall be either:

32 (1) a current member of the licensing authority at the time of
33 appointment, who is a regulated social worker or public
34 member of the state licensing authority; or

35 (2) an administrator of the licensing authority or their
36 designee.

37 (c) The commission, by a rule or bylaw:

38 (1) shall establish a term of office for delegates; and

39 (2) may establish term limits.

40 (d) The commission may recommend removal or suspension of
41 any delegate from office.

42 (e) A member state's licensing authority shall fill any vacancy

1 of its delegate occurring on the commission within sixty (60) days
2 of the vacancy.

3 (f) Each delegate is entitled to one (1) vote on all matters before
4 the commission requiring a vote by commission delegates.

5 (g) A delegate shall vote in person or by other means provided
6 in the bylaws.

7 (h) The bylaws may provide for delegates to meet by
8 telecommunication, video conference, or other means of
9 communication.

10 (i) The commission shall meet at least once during each calendar
11 year. Additional meetings may be held as set forth in the bylaws.
12 The commission may meet by telecommunication, video
13 conference, or other similar electronic means.

14 **Sec. 3. The commission has the following powers:**

15 (1) Establish the fiscal year of the commission.

16 (2) Establish code of conduct and conflict of interest policies.

17 (3) Establish and amend rules and bylaws.

18 (4) Maintain its financial records in accordance with the
19 bylaws.

20 (5) Meet and take action consistent with the provisions of this
21 compact, the commission's rules, and the bylaws.

22 (6) Initiate and conclude legal proceedings or actions in the
23 name of the commission if the standing of any licensing
24 authority to sue or be sued under applicable law is not
25 affected.

26 (7) Maintain and certify records and information provided to
27 a member state as the authenticated business records of the
28 commission, and designate an agent to do so on the
29 commission's behalf.

30 (8) Purchase and maintain insurance and bonds.

31 (9) Borrow, accept, or contract for services of personnel,
32 including, but not limited to, employees of a member state.

33 (10) Conduct an annual financial review.

34 (11) Hire employees, elect or appoint officers, fix
35 compensation, define duties, grant individuals appropriate
36 authority to carry out the purposes of the compact, and
37 establish the commission's personnel policies and programs
38 relating to conflicts of interest, qualifications of personnel,
39 and other related personnel matters.

40 (12) Assess and collect fees.

41 (13) Accept appropriate gifts, donations, grants of money,
42 other sources of revenue, equipment, supplies, materials, and

1 services, and receive, utilize, and dispose of the same.
 2 However, at all times the commission shall avoid any
 3 appearance of impropriety or conflict of interest.

4 (14) Lease, purchase, retain, own, hold, improve, or use any
 5 property, real, personal, or mixed, or any undivided interest
 6 therein.

7 (15) Sell, convey, mortgage, pledge, lease, exchange, abandon,
 8 or otherwise dispose of any property real, personal, or mixed.

9 (16) Establish a budget and make expenditures.

10 (17) Borrow money.

11 (18) Appoint committees, including standing committees,
 12 composed of members, state regulators, state legislators or
 13 their representatives, consumer representatives, and other
 14 interested persons designated in this compact and the bylaws.

15 (19) Provide and receive information from, and cooperate
 16 with, law enforcement agencies.

17 (20) Establish and elect an executive committee, including a
 18 chair and a vice chair.

19 (21) Determine whether a state's adopted language is
 20 materially different from the model compact language such
 21 that the state would not qualify for participation in the
 22 compact.

23 (22) Perform other functions as necessary or appropriate to
 24 achieve the purposes of this compact.

25 Sec. 4. (a) The executive committee has the power to act on
 26 behalf of the commission according to the terms of this compact.

27 (b) The powers, duties, and responsibilities of the executive
 28 committee include:

29 (1) overseeing the day to day activities of the administration
 30 of the compact, including enforcement and compliance with
 31 the provisions of the compact, its rules and bylaws, and other
 32 duties as deemed necessary;

33 (2) recommending to the commission changes to the:

34 (A) rules or bylaws;

35 (B) compact legislation;

36 (C) fees charged to compact member states;

37 (D) fees charged to licensees; and

38 (E) other fees;

39 (3) ensuring compact administration services are
 40 appropriately provided, including by contract;

41 (4) preparing and recommending the budget;

42 (5) maintaining financial records on behalf of the commission;

- 1 (6) monitoring compact compliance of member states and
 2 providing compliance reports to the commission;
 3 (7) establishing additional committees as necessary;
 4 (8) exercising the powers and duties of the commission during
 5 the interim between commission meetings, except for:
 6 (A) adopting or amending rules;
 7 (B) adopting or amending bylaws; and
 8 (C) exercising any other powers and duties expressly
 9 reserved to the commission by rule or bylaw; and
 10 (9) performing other duties as provided in the rules or bylaws
 11 of the commission.

12 Sec. 5. (a) The executive committee is composed of up to eleven
 13 (11) members, including:

- 14 (1) the chair and vice chair of the commission, who are voting
 15 members of the executive committee;
 16 (2) five (5) voting members from the current membership of
 17 the commission who are elected by the commission; and
 18 (3) up to four (4) ex officio, nonvoting members from four (4)
 19 recognized national social work organizations. The ex officio
 20 members will be selected by their respective organizations.

21 (b) The commission may remove any member of the executive
 22 committee as provided in the commission's bylaws.

23 Sec. 6. (a) The executive committee shall meet at least once
 24 annually.

25 (b) Executive committee meetings shall be open to the public,
 26 except that the executive committee may meet in a closed,
 27 nonpublic meeting as provided in section 8(d) of this chapter.

28 (c) The executive committee shall give seven (7) days notice of
 29 its meetings, posted on its website and as determined to provide
 30 notice to persons with an interest in the business of the commission.

31 (d) The executive committee may hold a special meeting in
 32 accordance with section 8(c) of this chapter.

33 Sec. 7. The commission shall adopt and provide to the member
 34 states an annual report.

35 Sec. 8. (a) Except as provided in subsection (d), all meetings are
 36 open to the public.

37 (b) Except as provided in subsection (c), public notice for all
 38 meetings of the full commission shall be given in the same manner
 39 as required under IC 25-44-12.

40 (c) The commission may hold a special meeting when it must
 41 meet to conduct emergency business by giving forty-eight (48)
 42 hours notice to all commissioners, on the commission's website, and

1 other means as provided in the commission's rules. The
 2 commission's legal counsel shall certify that the commission's need
 3 to meet qualifies as an emergency.

4 (d) The commission or the executive committee or other
 5 committees of the commission may convene in a closed, nonpublic
 6 meeting for the commission or executive committee or other
 7 committees of the commission to receive legal advice or to discuss:

8 (1) noncompliance of a member state with its obligations
 9 under the compact;

10 (2) the employment, compensation, discipline or other
 11 matters, practices, or procedures related to specific
 12 employees;

13 (3) current or threatened discipline of a licensee by the
 14 commission or by a member state's licensing authority;

15 (4) current, threatened, or reasonably anticipated litigation;

16 (5) negotiation of contracts for the purchase, lease, or sale of
 17 goods, services, or real estate;

18 (6) accusing any person of a crime or formally censuring any
 19 person;

20 (7) trade secrets or commercial or financial information that
 21 is privileged or confidential;

22 (8) information of a personal nature where disclosure would
 23 constitute a clearly unwarranted invasion of personal privacy;

24 (9) investigative records compiled for law enforcement
 25 purposes;

26 (10) information related to any investigative reports prepared
 27 by or on behalf of or for use of the commission or other
 28 committee charged with responsibility of investigation or
 29 determination of compliance issues under the compact;

30 (11) matters specifically exempted from disclosure by federal
 31 or member state law; or

32 (12) other matters as promulgated by the commission by rule.

33 (e) If a meeting, or portion of a meeting, is closed:

34 (1) the presiding officer shall:

35 (A) state that the meeting will be closed; and

36 (B) reference each relevant exempting provision; and

37 (2) the reference shall be recorded in the minutes.

38 (f) The commission shall:

39 (1) keep minutes that fully and clearly describe all matters
 40 discussed in a meeting; and

41 (2) provide a full and accurate summary of actions taken and
 42 the reasons therefore, including a description of the views

1 expressed.

2 (g) All documents considered in connection with an action shall
3 be identified in the minutes. However, all minutes and documents
4 of a closed meeting shall remain under seal, subject to release only
5 by a majority vote of the commission or order of a court of
6 competent jurisdiction.

7 Sec. 9. (a) The commission shall pay, or provide for the payment
8 of, the reasonable expenses of its establishment, organization, and
9 ongoing activities.

10 (b) The commission may accept all appropriate revenue sources
11 as provided in section 3(13) of this chapter.

12 (c) The commission may:

13 (1) levy on and collect an annual assessment from each
14 member state; and

15 (2) impose fees on licensees of member states to whom it
16 grants a multistate license;

17 to cover the cost of the operations and activities of the commission
18 and its staff, which must be in a total amount sufficient to cover its
19 annual budget as approved each year for which revenue is not
20 provided by other sources. The aggregate annual assessment
21 amount for member states shall be allocated based on a formula
22 that the commission promulgates by rule.

23 (d) The commission shall not:

24 (1) incur obligations of any kind before securing the funds
25 adequate to meet the same; or

26 (2) pledge the credit of any of the member states, except by
27 and with the authority of the member state.

28 (e) The commission shall keep accurate accounts of all receipts
29 and disbursements. The receipts and disbursements of the
30 commission are subject to the financial review and accounting
31 procedures established under its bylaws. However, all receipts and
32 disbursements of funds handled by the commission are subject to
33 an annual financial review by a certified or licensed public
34 accountant, and the report of the financial review shall be included
35 in and become part of the annual report of the commission.

36 Sec. 10. (a) Except as provided in subsection (b), the members,
37 officers, executive director, employees, and representatives of the
38 commission are immune from suit and liability, both personally
39 and in their official capacity, for a claim for damage to or loss of
40 property, personal injury, or other civil liability caused by or
41 arising out of:

42 (1) an actual or alleged act, error, or omission that occurred;

1 or
2 (2) as determined by the commission, that the person against
3 whom the claim is made had a reasonable basis for believing
4 occurred within the scope of commission employment, duties,
5 or responsibilities.
6 (b) An individual is not immune under subsection (a) for the
7 individual's:
8 (1) intentional misconduct; or
9 (2) willful or wanton misconduct.
10 (c) The commission's procurement of insurance of any type shall
11 not in any way compromise or limit the immunity granted in this
12 section.
13 (d) Except as provided in subsection (e), the commission shall
14 defend any member, officer, executive director, employee, and
15 representative of the commission in any civil action seeking to
16 impose liability arising out of any actual or alleged act, error, or
17 omission:
18 (1) that occurred within the scope of commission employment,
19 duties, or responsibilities; or
20 (2) as determined by the commission, that the person against
21 whom the claim is made had a reasonable basis for believing
22 occurred within the scope of commission employment, duties,
23 or responsibilities.
24 However, this subsection does not prohibit that person from
25 retaining their own counsel at their own expense.
26 (e) The commission is not required to defend an individual
27 described in subsection (d) if the individual's actual or alleged act,
28 error, or omission was:
29 (1) intentional misconduct; or
30 (2) willful or wanton misconduct.
31 (f) Subject to subsection (g), the commission shall indemnify and
32 hold harmless any member, officer, executive director, employee,
33 and representative of the commission for the amount of any
34 settlement or judgment obtained against that person arising out of
35 any actual or alleged act, error, or omission:
36 (1) that occurred within the scope of commission employment,
37 duties, or responsibilities; or
38 (2) that the person had a reasonable basis for believing
39 occurred within the scope of commission employment, duties,
40 or responsibilities.
41 (g) The commission is not required to indemnify and hold
42 harmless a person described in subsection (f) if the actual or

alleged act, error, or omission was:

- (2) willful or wanton misconduct.

(h) This compact does not limit the liability of any licensee for professional malpractice or misconduct, which is governed solely by any other applicable state laws.

(i) This compact does not waive or otherwise abrogate a member state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other state or federal antitrust or anticompetitive law or regulation.

(j) This compact is not a waiver of sovereign immunity by the member states or by the commission.

Chapter 11. Data System

Sec. 1. The commission shall provide for the development, maintenance, operation, and utilization of a coordinated data system.

Sec. 2. (a) The commission shall assign each applicant for a multistate license a unique identifier, as determined by the rules of the commission.

(b) Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the data system on all individuals to whom this compact is applicable as required by the rules of the commission, including:

- (1) identifying information;
- (2) licensure data;
- (3) adverse actions against a license and information related thereto;
- (4) nonconfidential information related to alternative program participation, the beginning and ending dates of the participation, and other information related to the participation not made confidential under member state law;
- (5) any denial of application for licensure and the reason(s) for the denial;
- (6) the presence of current significant investigative information; and
- (7) other information that may facilitate the administration of this compact or the protection of the public, as determined by the rules of the commission.

Sec. 3. The records and information provided to a member state under this compact or through the data system, when certified by the commission or an agent thereof, constitute the authenticated

1 business records of the commission, and are entitled to any
 2 associated hearsay exception in any relevant judicial,
 3 quasi-judicial, or administrative proceedings in a member state.

4 Sec. 4. (a) current significant investigative information
 5 pertaining to a licensee in any member state will only be available
 6 to other member states.

7 (b) It is the responsibility of the member states to:

8 (1) report any adverse action against a licensee; and

9 (2) monitor the data base to determine whether adverse action
 10 has been taken against a licensee.

11 Adverse action information pertaining to a licensee in any member
 12 state will be available to any other member state.

13 Sec. 5. (a) Member states contributing information to the data
 14 system may designate information that may not be shared with the
 15 public without the express permission of the contributing state.

16 (b) The commission shall remove from the data system any
 17 information submitted that is subsequently expunged under federal
 18 law or the laws of the member state contributing the information.

19 Chapter 12. Rulemaking

20 Sec. 1. (a) The commission shall promulgate reasonable rules to
 21 effectively and efficiently implement and administer the purposes
 22 and provisions of the compact. A rule is invalid and has no force or
 23 effect only if a court of competent jurisdiction holds that the rule
 24 is invalid because the commission exercised its rulemaking
 25 authority in a manner that is:

26 (1) beyond the scope and purposes of the compact;

27 (2) beyond the powers granted by the compact; or

28 (3) based on another applicable standard of review.

29 (b) The rules of the commission have the force of law in each
 30 member state. However, where the rules of the commission conflict
 31 with the laws of the member state that establish the member state's
 32 laws, regulations, and applicable standards that govern the
 33 practice of social work, as held by a court of competent
 34 jurisdiction, the rules of the commission are ineffective in that state
 35 to the extent of the conflict.

36 (c) The commission shall exercise its rulemaking powers
 37 according to the criteria set forth in this chapter and the rules
 38 adopted thereunder. Rules are binding on:

39 (1) the day following adoption; or

40 (2) the date specified in the rule or amendment;

41 whichever is later.

42 (d) If a majority of the legislatures of the member states rejects

1 a rule or portion of a rule, by enactment of a statute or resolution
 2 in the same manner used to adopt the compact within four (4)
 3 years of the date of adoption of the rule, then the rule has no
 4 further force and effect in any member state.

5 (e) Rules are adopted at a regular or special meeting of the
 6 commission.

7 Sec. 2. (a) Before adoption of a proposed rule, the commission
 8 shall:

9 (1) hold a public hearing and allow persons to provide oral
 10 and written comments, data, facts, opinions, and arguments;
 11 and

12 (2) provide, at least thirty (30) days in advance of the meeting
 13 at which the commission will hold a public hearing on the
 14 proposed rule, a notice of proposed rulemaking:

15 (A) on the website of the commission or other publicly
 16 accessible platform;

17 (B) to persons who have requested notice of the
 18 commission's notices of proposed rulemaking; and

19 (C) in other way(s) as the commission may by rule specify.

20 (b) The commission shall include in the notice of proposed
 21 rulemaking the following:

22 (1) The time, date, and location of the public hearing at which
 23 the commission will hear public comments on the proposed
 24 rule and, if different, the time, date, and location of the
 25 meeting where the commission will consider and vote on the
 26 proposed rule.

27 (2) If the hearing is held via telecommunication, video
 28 conference, or other electronic means, include the mechanism
 29 for access to the hearing in the notice of proposed rulemaking.

30 (3) The text of the proposed rule and the reason therefor.

31 (4) A request for comments on the proposed rule from any
 32 interested person.

33 (5) The manner in which interested persons may submit
 34 written comments.

35 (c) All hearings are recorded. A copy of the recording and all
 36 written comments and documents received by the commission in
 37 response to the proposed rule are available to the public.

38 (d) This section does not require a separate hearing on each
 39 rule. Rules may be grouped for the convenience of the commission
 40 at hearings required by this section.

41 (e) The commission shall, by majority vote of all members, take
 42 final action on the proposed rule based on the rulemaking record

1 and the full text of the rule.

2 (f) The commission:

3 (1) may adopt changes to the proposed rule if the changes do
4 not enlarge the original purpose of the proposed rule; and

5 (2) shall:

6 (A) provide an explanation of the reasons for:

7 (i) substantive changes made to the proposed rule; and

8 (ii) substantive changes not made that were
9 recommended by commenters; and

10 (B) determine a reasonable effective date for the rule.

11 Except for an emergency as provided in section 3 of this
12 chapter, the effective date of the rule must be no sooner
13 than thirty (30) days after issuing the notice that it adopted
14 or amended the rule.

15 Sec. 3. Upon determination that an emergency exists, the
16 commission may consider and adopt an emergency rule with
17 forty-eight (48) hours notice, with opportunity to comment, if the
18 usual rulemaking procedures provided in the compact and in this
19 chapter are retroactively applied to the rule as soon as reasonably
20 possible, in no event later than ninety (90) days after the effective
21 date of the rule. For the purposes of this section, an emergency rule
22 is a rule that must be adopted immediately to:

23 (1) meet an imminent threat to public health, safety, or
24 welfare;

25 (2) prevent a loss of commission or member state funds;

26 (3) meet a deadline for the promulgation of a rule that is
27 established by federal law or rule; or

28 (4) protect public health and safety.

29 Sec. 4. (a) The commission or an authorized committee of the
30 commission may direct revisions to a previously adopted rule for
31 purposes of correcting typographical errors, errors in format,
32 errors in consistency, or grammatical errors.

33 (b) Public notice of any revisions must be posted on the
34 commission's website.

35 (c) A revision under this section is subject to challenge by any
36 person for a period of thirty (30) days after posting.

37 (d) The revision may be challenged only on grounds that the
38 revision results in a material change to a rule.

39 (e) A challenge must be:

40 (1) made in writing; and

41 (2) delivered to the commission before the end of the notice
42 period.

1 (f) If no challenge is made, the revision will take effect without
 2 further action.
 3 (g) If the revision is challenged, the revision may not take effect
 4 without the approval of the commission.
 5 Sec. 5. No member state's rulemaking requirements apply under
 6 this compact.
 7 Chapter 13. Oversight, Dispute Resolution, and Enforcement
 8 Sec. 1. The executive and judicial branches of state government
 9 in each member state shall enforce this compact and take all
 10 actions necessary and appropriate to implement the compact.
 11 Sec. 2. (a) Except as otherwise provided in this compact, venue
 12 is proper and judicial proceedings by or against the commission
 13 must be brought solely and exclusively in a court of competent
 14 jurisdiction where the principal office of the commission is located.
 15 (b) The commission may waive venue and jurisdictional
 16 defenses to the extent it adopts or consents to participate in
 17 alternative dispute resolution proceedings.
 18 (c) This section does not affect or limit the selection or propriety
 19 of venue in any action against a licensee for professional
 20 malpractice, misconduct, or any other similar matter.
 21 Sec. 3. (a) The commission:
 22 (1) is entitled to receive service of process in any proceeding
 23 regarding the enforcement or interpretation of the compact;
 24 and
 25 (2) has standing to intervene in the proceeding for all
 26 purposes.
 27 (b) Failure to provide the commission service of process renders
 28 a judgment or order void as to the commission, this compact, or
 29 promulgated rules.
 30 Sec. 4. (a) If the commission determines that a member state has
 31 defaulted in the performance of its obligations or responsibilities
 32 under this compact or the promulgated rules, the commission shall
 33 provide written notice to the defaulting state. The notice of default
 34 must:
 35 (1) describe the default, the proposed means of curing the
 36 default, and any other action that the commission may take;
 37 and
 38 (2) offer training and specific technical assistance regarding
 39 the default.
 40 (b) The commission shall provide a copy of the notice of default
 41 to the other member states.
 42 (c) If a state in default fails to cure the default, the defaulting

1 state may be terminated from the compact upon an affirmative
2 vote of a majority of the delegates of the member states, and all
3 rights, privileges, and benefits conferred on that state by this
4 compact may be terminated on the effective date of termination. A
5 cure of the default does not relieve the offending state of
6 obligations or liabilities incurred during the period of default.

7 (d) Termination of membership in the compact shall be imposed
8 only after all other means of securing compliance have been
9 exhausted. The commission shall give notice of intent to suspend or
10 terminate to:

- 11 (1) the governor of the defaulting state;
- 12 (2) the majority and minority leaders of the defaulting state's
13 legislature;
- 14 (3) the defaulting state's state licensing authority; and
- 15 (4) each of the member states' licensing authorities.

16 (e) A state that has been terminated is responsible for all
17 assessments, obligations, and liabilities incurred through the
18 effective date of termination, including obligations that extend
19 beyond the effective date of termination.

20 (f) If a state's membership from this compact is terminated, that
21 state shall:

- 22 (1) immediately provide notice to all licensees within that state
23 of the termination; and
- 24 (2) continue to recognize all licenses granted under this
25 compact for a minimum of six (6) months after the date of the
26 notice of termination.

27 (g) The commission shall not bear any costs related to a state
28 that is found to be in default or that has been terminated from the
29 compact, unless agreed upon in writing between the commission
30 and the defaulting state.

31 (h) The defaulting state may appeal the action of the commission
32 by petitioning the United States District Court for the District of
33 Columbia or the federal district where the commission has its
34 principal offices. The prevailing party shall be awarded all costs of
35 litigation, including reasonable attorney's fees.

36 Sec. 5. (a) Upon request by a member state, the commission
37 shall attempt to resolve disputes related to the compact that arise
38 among member states and between member and nonmember
39 states.

40 (b) The commission shall promulgate a rule providing for both
41 mediation and binding dispute resolution for disputes as
42 appropriate.

1 **Sec. 6. (a)** By majority vote as provided by rule, the commission
 2 may initiate legal action against a member state in default in the
 3 United States District Court for the District of Columbia or the
 4 federal district where the commission has its principal offices to
 5 enforce compliance with the provisions of the compact and its
 6 promulgated rules. The relief sought may include both injunctive
 7 relief and damages. In the event judicial enforcement is necessary,
 8 the prevailing party shall be awarded all costs of litigation,
 9 including reasonable attorney's fees. The remedies under this
 10 subsection are not the exclusive remedies of the commission. The
 11 commission may pursue any other remedies available under
 12 federal or the defaulting member state's law.

13 **(b)** A member state may initiate legal action against the
 14 commission in the United States District Court for the District of
 15 Columbia or the federal district where the commission has its
 16 principal offices to enforce compliance with the provisions of the
 17 compact and its promulgated rules. The relief sought may include
 18 both injunctive relief and damages. In the event judicial
 19 enforcement is necessary, the prevailing party shall be awarded all
 20 costs of litigation, including reasonable attorney's fees.

21 **(c)** No person other than a member state shall enforce this
 22 compact against the commission.

23 **Chapter 14. Effective Date, Withdrawal, and Amendment**

24 **Sec. 1.** The compact comes into effect on the date on which the
 25 compact statute is enacted into law in the seventh member state.

26 **Sec. 2. (a)** On or after the effective date of the compact, the
 27 commission shall convene and review the enactment of each of the
 28 first seven (7) member states (charter member states) to determine
 29 if the statute enacted by each charter member state is materially
 30 different than the model compact statute.

31 **(b)** A charter member state whose enactment is found to be
 32 materially different from the model compact statute is entitled to
 33 the default process under IC 25-44-13.

34 **(c)** If any member state is later found to be in default, or is
 35 terminated or withdraws from the compact, the commission
 36 remains in existence and remains in effect even if the number of
 37 member states is less than seven (7).

38 **Sec. 3.** Member states enacting the compact after the seven (7)
 39 initial charter member states are subject to review by the
 40 commission under IC 25-44-10-3(21) to determine if their
 41 enactments are materially different from the model compact
 42 statute and whether they qualify for participation in the compact.

1 **Sec. 4. All actions taken for the benefit of the commission or in**
 2 **furtherance of the purposes of the administration of the compact**
 3 **before the effective date of the compact or the commission coming**
 4 **into existence are considered to be actions of the commission unless**
 5 **specifically repudiated by the commission.**

6 **Sec. 5. Any state that joins the compact after the commission's**
 7 **initial adoption of the rules and bylaws is subject to the rules and**
 8 **bylaws as they exist on the date on which the compact becomes law**
 9 **in that state. Any rule that has been previously adopted by the**
 10 **commission has the full force and effect of law on the day the**
 11 **compact becomes law in that state.**

12 **Sec. 6. (a) Any member state may withdraw from this compact**
 13 **by enacting a statute repealing the compact statute.**

14 **(b) A member state's withdrawal does not take effect until one**
 15 **hundred eighty (180) days after enactment of the repealing statute.**

16 **(c) Withdrawal does not affect the continuing requirement of**
 17 **the withdrawing state's licensing authority to comply with the**
 18 **investigative and adverse action reporting requirements of this**
 19 **compact before the effective date of withdrawal.**

20 **(d) Upon the enactment of a statute withdrawing from this**
 21 **compact, a state shall immediately provide notice of the**
 22 **withdrawal to all licensees within that state.**

23 **(e) Notwithstanding any subsequent statutory enactment to the**
 24 **contrary, the withdrawing state shall continue to recognize all**
 25 **licenses granted under this compact for a minimum of one hundred**
 26 **eighty (180) days after the date of the notice of withdrawal.**

27 **Sec. 7. This compact does not invalidate or prevent any**
 28 **licensure agreement or other cooperative arrangement between a**
 29 **member state and a nonmember state that does not conflict with**
 30 **the provisions of this compact.**

31 **Sec. 8. (a) This compact may be amended by the member states.**

32 **(b) An amendment to this compact is not effective and binding**
 33 **on any member state until it is enacted into the laws of all member**
 34 **states.**

35 **Chapter 15. Construction and Severability**

36 **Sec. 1. This compact and the commission's rulemaking authority**
 37 **shall be liberally construed so as to effectuate the purposes, and the**
 38 **implementation and administration of the compact. Provisions of**
 39 **the compact expressly authorizing or requiring the promulgation**
 40 **of rules do not limit the commission's rulemaking authority solely**
 41 **for those purposes.**

42 **Sec. 2. The provisions of this compact are severable, and if:**

1 (1) any phrase, clause, sentence, or provision of this compact
 2 is held to be contrary to the constitution of any member state,
 3 a state seeking participation in the compact, or the United
 4 States; or

5 (2) the applicability thereof to any government, agency,
 6 person, or circumstance is held to be unconstitutional;
 7 by a court of competent jurisdiction, the remainder of this compact
 8 and the applicability to any other government, agency, person, or
 9 circumstance remains valid.

10 **Sec. 3.** Notwithstanding section 2 of this chapter, the commission
 11 may deny a state's participation in the compact or, according to the
 12 requirements of IC 25-44-13-4, terminate a member state's
 13 participation in the compact, if it determines that a constitutional
 14 requirement of a member state is a material departure from the
 15 compact. Otherwise, if this compact is held to be contrary to the
 16 constitution of any member state, the compact remains in full force
 17 and effect as to the remaining member states and in full force and
 18 effect as to the member state affected as to all severable matters.

19 **Chapter 16. Consistent Effect and Conflict with Other State**
 20 **Laws**

21 **Sec. 1.** A licensee providing services in a remote state under a
 22 multistate authorization to practice shall adhere to the laws and
 23 regulations, including applicable standards, of the remote state
 24 where the client is located at the time care is rendered.

25 **Sec. 2. (a)** This compact does not prevent or inhibit the
 26 enforcement of any other law of a member state that is not
 27 inconsistent with the compact.

28 **(b)** Any laws, statutes, regulations, or other legal requirements
 29 in a member state in conflict with the compact are superseded to
 30 the extent of the conflict.

31 **Sec. 3.** All permissible agreements between the commission and
 32 the member states are binding according to their terms.

33 SECTION 2. IC 34-30-2.1-390.2 IS ADDED TO THE INDIANA
 34 CODE AS A NEW SECTION TO READ AS FOLLOWS
 35 [EFFECTIVE JULY 1, 2024]: **Sec. 390.2. IC 25-44-10-10**

 37 **and representatives of the social work licensure compact**
 38 **commission).**
