 31 subsection (a) would create a significant risk of harm to the criminal  
 32 investigation of the death. The court shall state in the order the reasons  
 33 for granting or denying the petition. An order issued under this  
 34 subsection must use the least restrictive means and duration possible  
 35 when restricting access to the information. Information to which access  
 36 is restricted under this subsection is confidential.  
 37 (m) Any person may petition the court to modify or terminate an  
 38 order issued under subsection (l). The petition for modification or  
 39 termination must allege facts demonstrating that:  
 40 (1) the public interest will be served by allowing access; and  
 41 (2) access to the information specified in subsection (a) would not  
 42 create a significant risk to the criminal investigation of the death.

1 The person petitioning the court for modification or termination shall  
2 serve a copy of the petition on the prosecuting attorney and the coroner.  
3 (n) Upon receipt of a petition for modification or termination filed  
4 under subsection (m), the court may:  
5 (1) summarily grant, modify, or dismiss the petition; or  
6 (2) set the matter for hearing.  
7 If the court sets the matter for hearing, upon the motion of any party or  
8 upon the court's own motion, the court may close the hearing to the  
9 public.  
10 (o) If the person filing the petition for modification or termination  
11 proves by a preponderance of the evidence that:  
12 (1) the public interest will be served by allowing access; and  
13 (2) access to the information specified in subsection (a) would not  
14 create a significant risk to the criminal investigation of the death;  
15 the court shall modify or terminate its order restricting access to the  
16 information. In ruling on a request under this subsection, the court shall  
17 state the court's reasons for granting or denying the request.

If the court sets the matter for hearing, upon the motion of any party or upon the court's own motion, the court may close the hearing to the public.

(o) If the person filing the petition for modification or termination proves by a preponderance of the evidence that:
