38 board, the legislative body of the qualified municipality in which  
39 the district is located may pass an ordinance disqualifying the  
40 district business from eligibility for all credits or incentives  
41 available to district businesses. If the legislative body disqualifies

 26 been appropriated by the general assembly and allotted by the  
 27 budget agency.

28 (d) The treasurer of state shall invest the money in the fund not  
 29 currently needed to meet the obligations of the fund in the same  
 30 manner as other public funds may be invested. Interest that  
 31 accrues from these investments shall be deposited in the fund.

32 (e) Money in the fund at the end of a state fiscal year does not  
 33 revert to the state general fund. The corporation shall develop  
 34 appropriate applications and may develop grant allocation  
 35 guidelines, without complying with IC 4-22-2, for awarding grants  
 36 under this subsection.

37 Sec. 11. (a) Subject to subsections (c) and (d), a district business  
 38 that claims any of the tax credits, tax deductions, or other  
 39 incentives available to district businesses shall, before June 1 of  
 40 each year:

41 (1) submit to the corporation and to the district board, on a  
 42 form prescribed by the corporation, a verified summary

1 concerning the amount of tax credits, tax deductions, and  
2 other incentives claimed by the district business in the  
3 preceding year;

4 (2) pay the amount specified in section 9(a)(3) of this chapter  
5 to the corporation; and

6 (3) pay the amount determined under section 9(c) of this  
7 chapter to the district board.

8 (b) In order to determine the accuracy of the summary  
9 submitted under subsection (a), the corporation and the district  
10 board are entitled to obtain copies of a district business's tax  
11 records directly from the department of state revenue, the  
12 department of local government finance, or a county official,  
13 notwithstanding any other law. A summary submitted to the  
14 corporation or a district board and any records obtained by the  
15 corporation or district board under this section are confidential. A  
16 member of a district board, an agent of a district board or a  
17 district board member, or an employee of the corporation who  
18 knowingly or intentionally discloses information that is  
19 confidential under this section commits a Class A misdemeanor.

20 (c) The corporation may grant one (1) extension of the time  
21 allowed to comply with subsection (a) under the provisions of this  
22 subsection. To qualify for an extension, a district business must  
23 apply to the corporation before June 1. The application must be in  
24 the form specified by the corporation. The extension may not  
25 exceed forty-five (45) days under rules adopted by the board.

26 (d) If a district business that did not comply with subsection (a)  
27 before June 1 and did not file for an extension under subsection (c)  
28 before June 1 complies with subsection (a) before July 16, the  
29 amount of the tax credits, tax deductions, and other incentives for  
30 the preceding year that were otherwise available to the district  
31 business because the business was a district business are waived,  
32 unless the district business pays to the corporation a penalty of:

33 (1) an amount not to exceed seven percent (7%), for the first  
34 instance of noncompliance; or

35 (2) fifteen percent (15%), for the second instance of  
36 noncompliance and each subsequent instance;

37 of the amount of the tax credits, tax deductions, and other  
38 incentives for the preceding year that were otherwise available to  
39 the district business because the business was a district business. A  
40 district business that pays a penalty under this subsection for a  
41 year must pay the penalty to the corporation before July 16 of that  
42 year. The corporation shall deposit any penalty payments received

1 under this subsection in the entrepreneur and enterprise district  
2 pilot program fund.

3 (e) This subsection is in addition to any other sanction imposed  
4 by subsection (d) or any other law. If a district business fails to  
5 comply with subsection (a) before July 16 and does not pay any  
6 penalty required under subsection (d) before July 16 of that year,  
7 the district business is:

8 (1) denied all the tax credits, tax deductions, and other  
9 incentives available to a district business because the business  
10 was a district business for that year; and

11 (2) disqualified from further participation in the pilot  
12 program under this chapter until the district business:

13 (A) petitions the board for readmission to the pilot  
14 program under this chapter; and

15 (B) pays a civil penalty of one hundred dollars (\$100).

16 Sec. 12. (a) This section applies to records and other  
17 information, including records and information that are otherwise  
18 confidential, maintained by the following:

19 (1) The board.

20 (2) A district board.

21 (3) The department of state revenue.

22 (4) The corporation.

23 (5) The department of local government finance.

24 (6) A county auditor.

25 (7) A county or township assessor.

26 (b) A person or an entity listed in subsection (a) may request a  
27 second person or entity described in subsection (a) to provide any  
28 records or other information maintained by the second person or  
29 entity that concern an individual or a business that is receiving a  
30 tax credit, tax deduction, or other incentive related to a district.  
31 Notwithstanding any other law, the person or entity to whom the  
32 request is made under this section must comply with the request.  
33 A person or entity receiving records or information under this  
34 section that are confidential must also keep the records or  
35 information confidential.

36 (c) A person or an entity that receives confidential records or  
37 information under this section and knowingly or intentionally  
38 discloses the records or information to an unauthorized person  
39 commits a Class A misdemeanor.

40 Sec. 13. The board may not approve the enlargement of a  
41 district's geographic boundaries unless the area to be enlarged  
42 meets the criteria of economic distress set forth in section 7(a)(1)

- 19 (c) **The district board may request, by majority vote, that the**
- 20 **legislative body of the municipality in which the district is located**
- 21 **modify or waive any municipal ordinance or regulation that is in**
- 22 **effect in the district. The legislative body may, by ordinance, waive**
- 23 **or modify the operation of the ordinance or regulation, if the**

- 28 **The board shall review the request and may approve, modify, or**

21           chapter. A property owner who desires to obtain a deduction  
22           granted under this chapter for an assessment date must file a  
23           certified deduction application, on forms prescribed by the  
24           department of local government finance, with the auditor of the  
25           county in which the property is located. The property owner must  
26           file the deduction application with the county auditor before May  
27           15 of the year that includes the assessment date and must provide  
28           a copy of the deduction application to the district board.

29           (b) A deduction application filed by the property owner with the  
30           county auditor must provide the county auditor and the district  
31           board with information showing the extent to which there has been  
32           compliance with the statement of benefits approved under section  
33           6 of this chapter. This information must be included in the  
34           deduction application and must also be updated each year in which  
35           the deduction is applicable according to a schedule determined by  
36           the district board.

37           **Sec. 11. (a)** Not later than forty-five (45) days after receipt of the  
38           information described in section 10(b) of this chapter concerning  
39           compliance with the statement of benefits, the district board may  
40           determine whether the property owner has substantially complied  
41           with the statement of benefits. If the district board determines that  
42           the property owner has not substantially complied with the

1 statement of benefits and that the failure to substantially comply  
 2 was not caused by factors beyond the control of the property  
 3 owner, the district board shall mail a written notice to the property  
 4 owner. The written notice must include the following provisions:

5 (1) An explanation of the reasons for the district board's  
 6 determination.

7 (2) The date, time, and place of a hearing to be conducted by  
 8 the district board for the purpose of further considering the  
 9 property owner's compliance with the statement of benefits.

10 The date of the hearing may not be more than thirty (30) days  
 11 after the date on which the notice is mailed.

12 (b) On the date specified in the notice described in subsection  
 13 (a)(2), the district board shall conduct a hearing for the purpose of  
 14 further considering the property owner's compliance with the  
 15 statement of benefits. Based on the information presented at the  
 16 hearing by the property owner and other interested parties, the  
 17 district board shall again determine whether the property owner  
 18 has made reasonable efforts to substantially comply with the  
 19 statement of benefits and whether any failure to substantially  
 20 comply was caused by factors beyond the control of the property  
 21 owner. If the district board determines that the property owner has  
 22 not made reasonable efforts to comply with the statement of  
 23 benefits, the district board shall adopt a resolution terminating the  
 24 property owner's deduction under this chapter. If the district  
 25 board adopts such a resolution, the deduction does not apply to the  
 26 next installment of property taxes owed by the property owner or  
 27 to any subsequent installment of property taxes.

28 (c) If the district board adopts a resolution terminating a  
 29 deduction under subsection (b), the district board shall  
 30 immediately mail a certified copy of the resolution to:

- 31 (1) the property owner;  
 32 (2) the county auditor; and  
 33 (3) the county assessor.

34 The county auditor shall remove the deduction from the tax  
 35 duplicate and shall notify the county treasurer of the termination  
 36 of the deduction. If the district board's resolution is adopted after  
 37 the county treasurer has mailed the statement required by  
 38 IC 6-1.1-22-8.1, the county treasurer shall immediately mail the  
 39 property owner a revised statement that reflects the termination of  
 40 the deduction.

41 (d) A property owner whose deduction is terminated by the  
 42 district board under this section may appeal the district board's

1 decision by filing a complaint in the office of the clerk of the circuit  
 2 or superior court together with a bond conditioned to pay the costs  
 3 of the appeal if the appeal is determined against the property  
 4 owner. An appeal under this subsection shall be promptly heard by  
 5 the court without a jury and determined within thirty (30) days  
 6 after the time of the filing of the appeal. The court shall hear  
 7 evidence on the appeal and may confirm the action of the district  
 8 board or sustain the appeal. The judgment of the court is final and  
 9 conclusive unless an appeal is taken as in other civil actions.

10 (e) If an appeal under subsection (d) is pending, the taxes  
 11 resulting from the termination of the deduction are not due until  
 12 after the appeal is finally adjudicated and the termination of the  
 13 deduction is finally determined.

14 **Sec. 12. A district board may, by resolution, do the following:**

15 **(1) Impose a fee for the filing of an application for a deduction**  
 16 **under this section. The fee may be sufficient to defray actual**  
 17 **processing and administrative costs associated with the**  
 18 **application.**

19 **(2) Establish general written standards for the granting of a**  
 20 **deduction under this section. The written standards must be**  
 21 **reasonably related to accomplishing the purposes of this**  
 22 **chapter.**

40 chapter.

41 **Sec. 8.** As used in this chapter, "taxpayer" means an individual  
42 or entity, including a pass through entity, that has any state tax

1 liability.

2 **Sec. 9. Subject to the requirements of this chapter, a taxpayer**  
 3 **is entitled to a credit under this chapter against the taxpayer's state**  
 4 **tax liability for the taxable year if:**

5 (1) the taxpayer incurs qualified expenses during the taxable  
 6 year; and

7 (2) the amount of qualified research expenses described in  
 8 subdivision (1) exceeds the taxpayer's base amount.

9 **Sec. 10. (a) The amount of the credit to which a taxpayer is**  
 10 **entitled under this chapter for a taxable year is equal to:**

 34 contractors of the taxpayer; and

35 (B) individuals who are employees or independent  
 36 contractors of one (1) or more other taxpayers, institutions  
 37 of higher education, or nonprofit institutions;

38 the applicable percentage is twenty-five percent (25%).

39 **Sec. 11. A taxpayer may not claim a credit under this chapter**  
 40 **for qualified expenses if the taxpayer has claimed the credit under**  
 41 **IC 6-3.1-4 for those same qualified expenses.**

42 **Sec. 12. A taxpayer is not entitled to any carryback or refund of**

1 any unused credit. However, a taxpayer may carry forward an  
 2 unused credit for not more than nine (9) consecutive taxable years,  
 3 beginning with the taxable year after the taxable year in which the  
 4 taxpayer incurs the qualified expenses.

5 Sec. 13. (a) If a pass through entity does not have state income

 7 partner, or member of the pass through entity is entitled to a credit  
 8 equal to:

9 (1) the credit determined for the pass through entity for the  
 10 taxable year; multiplied by

11 (2) the percentage of the pass through entity's distributive  
 12 income to which the shareholder, partner, or member is  
 13 entitled.

14 (b) The credit provided under subsection (a) is in addition to  
 15 any credit to which a shareholder, partner, or member of a pass  
 16 through entity is otherwise entitled under this chapter. However,  
 17 a pass through entity and a shareholder, partner, or member of the  
 18 pass through entity may not claim a credit under this chapter for  
 19 the same qualified expenses.

20 Sec. 14. (a) To receive the credit under this chapter, a taxpayer  
 21 must claim the credit on the taxpayer's annual state tax return or  
 22 returns in the manner prescribed by the department. The taxpayer  
 23 shall submit to the department all information that the department  
 24 determines is necessary for the calculation of the credit under this  
 25 chapter and for the determination of whether an expense paid by  
 26 a taxpayer is a qualified expense.

27 (b) The amount of tax credits that may be awarded under this  
 28 chapter in a particular district may not exceed three million dollars  
 29 (\$3,000,000) in a state fiscal year.

30 Sec. 15. The department shall report, not later than December

33 SECTION 20. IC 6-3.1-36 IS ADDED TO THE INDIANA CODE  
 34 AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE  
 35 JULY 1, 2017]:

36 **Chapter 36. Entrepreneur and Enterprise District Job Creation**  
 37 **Tax Credit**

38 Sec. 1. As used in this chapter, "district" refers to an  
 39 entrepreneur and enterprise district designated under  
 40 IC 5-28-15.5.

41 Sec. 2. As used in this chapter, "pass through entity" means:

42 (1) a corporation that is exempt from the adjusted gross

- 1 income tax under IC 6-3-2-2.8(2);  
 2 (2) a partnership;  
 3 (3) a limited liability company; or

 11 taxpayer's total tax liability that is incurred under:

- 12 (1) IC 6-3-1 through IC 6-3-7 (the adjusted gross income tax);  
 13 (2) IC 6-5.5 (the financial institutions tax); and  
 14 (3) IC 27-1-18-2 (the insurance premiums tax);

15 as computed after the application of the credits that under  
 16 IC 6-3.1-1-2 are to be applied before the credit provided by this  
 17 chapter.

18 Sec. 5. (a) Each taxable year, a qualified taxpayer is entitled to  
 19 a credit as determined in this chapter against the qualified  
 20 taxpayer's state tax liability for the additional employees that the  
 21 qualified taxpayer employs in the district above the taxpayer's base  
 22 period employment.

23 (b) For purposes of this chapter, a qualified taxpayer's base  
 24 period employment is equal to the following:

25 (1) For a taxable year beginning after December 31, 2017, and  
 26 before January 1, 2019, the base period employment is equal  
 27 to the number of full-time employees employed in a district on  
 28 January 1, 2018, by the qualified taxpayer.

29 (2) For a taxable year beginning after December 31, 2018, the  
 30 base period employment is equal to the greater of:

- 31 (1) the number of full-time employees employed in a  
 32 district on January 1, 2018, by the qualified taxpayer; or  
 33 (2) the greatest number of full-time employees the  
 34 taxpayer employed on a single day in a district during any  
 35 taxable year that:

- 36 (A) precedes the taxable year for which the credit is  
 37 being determined; and  
 38 (B) begins after December 31, 2017.

39 (c) The amount of a qualified taxpayer's credit for a taxable  
 40 year is equal to the amount determined in STEP FOUR of the

employees the taxpayer employed on a single day in a district during the taxable year.

**STEP TWO: Determine the result of:**

- (A) the STEP ONE result; minus
- (B) the qualified taxpayer's base period employment for the taxable year, as determined under subsection (b).

**STEP THREE: If the STEP TWO result is zero (0) or less, the qualified taxpayer is not entitled to a credit under this chapter for the taxable year. If the STEP TWO result is greater than zero (0), determine the sum of the following for the full-time employees employed by the qualified taxpayer in the district during the taxable year above the qualified taxpayer's base period employment for the taxable year:**

**(A) Multiply the number of those full-time employees who are employed by the qualified taxpayer in the district during the taxable year above the qualified taxpayer's base period employment for the taxable year and who:**

- (i) have a wage rate that is equal to or greater than one hundred fifty percent (150%) of the average wage rate paid to employees in the county; and
- (ii) receive employee benefits, such as employer provided health insurance or employer provided pension or retirement benefits or contributions;

**by one thousand five hundred dollars (\$1,500).**

**(B) Multiply the number of those full-time employees who are employed by the qualified taxpayer in the district during the taxable year above the qualified taxpayer's base period employment for the taxable year and who:**

- (i) have a wage rate that is equal to or greater than one hundred fifty percent (150%) of the average wage rate paid to employees in the county; and
- (ii) do not receive any employee benefits;

**by one thousand two hundred fifty dollars (\$1,250).**

**(C) Multiply the number of those full-time employees who are employed by the qualified taxpayer in the district during the taxable year above the qualified taxpayer's base period employment for the taxable year and who:**

- (i) have a wage rate that is equal to or greater than one hundred twenty-five percent (125%) of the average wage rate paid to employees in the county but is less than one hundred fifty percent (150%) of the average wage rate paid to employees in the county; and

1 (ii) receive employee benefits, such as employer provided  
2 health insurance or employer provided pension or  
3 retirement benefits or contributions;  
4 by one thousand dollars (\$1,000).  
5 (D) Multiply the number of those full-time employees who  
6 are employed by the qualified taxpayer in the district  
7 during the taxable year above the qualified taxpayer's base  
8 period employment for the taxable year and who:  
9 (i) have a wage rate that is equal to or greater than one  
10 hundred twenty-five percent (125%) of the average wage  
11 rate paid to employees in the county but is less than one  
12 hundred fifty percent (150%) of the average wage rate  
13 paid to employees in the county; and  
14 (ii) do not receive any employee benefits;  
15 by seven hundred fifty dollars (\$750).  
16 (E) Multiply the number of those full-time employees who  
17 are employed by the qualified taxpayer in the district  
18 during the taxable year above the qualified taxpayer's base  
19 period employment for the taxable year and who have a  
20 wage rate that is equal to or greater than one hundred  
21 percent (100%) of the average wage rate paid to employees  
22 in the county but is less than one hundred twenty-five  
23 percent (125%) of the average wage rate paid to employees  
24 in the county by five hundred dollars (\$500).  
25 (F) Multiply the number of those full-time employees who  
26 are employed by the qualified taxpayer in the district  
27 during the taxable year above the qualified taxpayer's base  
28 period employment for the taxable year and who have a  
29 wage rate that is less than one hundred percent (100%) of  
30 the average wage rate paid to employees in the county by  
31 two hundred fifty dollars (\$250).  
32 **Sec. 6. A qualified taxpayer may claim the credit against state**  
33 **tax liability under this chapter for hiring an additional full-time**  
34 **employee during the taxable year only to the extent the taxpayer**  
35 **does not claim a credit against state tax liability for hiring the**  
36 **additional full-time employee under another law.**  
37 **Sec. 7. If a pass through entity does not have state tax liability**  
38 **for a taxable year but is otherwise entitled to the credit provided**  
39 **by this chapter, each shareholder, partner, or member of the pass**  
40 **through entity is entitled to a share of the tax credit equal to:**  
41 (1) the amount of the credit determined for the pass through  
42 entity for the taxable year; multiplied by

1           (2) the percentage of the pass through entity's distributive  
2           income to which the shareholder, partner, or member is  
3           entitled.

4           **Sec. 8. (a) If the credit under this chapter exceeds a qualified**  
5           **taxpayer's state tax liability for the taxable year for which the**  
6           **credit is first claimed, the excess may be carried forward to**  
7           **succeeding taxable years and used as a credit against the qualified**  
8           **taxpayer's state tax liability during those taxable years. Each time**  
9           **the credit is carried forward to a succeeding taxable year, the**  
10           **credit is to be reduced by the amount that was used as a credit**  
11           **during the immediately preceding taxable year. The credit**  
12           **provided by this chapter may be carried forward and applied to**  
13           **succeeding taxable years for not more than nine (9) taxable years**  
14           **following the first year for which the credit is claimed.**

15           **(b) A qualified taxpayer is not entitled to a carryback or refund**  
16           **of any unused credit under this chapter.**

17           **Sec. 9. To receive the credit under this chapter, a taxpayer must**  
18           **claim the credit on the taxpayer's annual state tax return or**  
19           **returns in the manner prescribed by the department. The qualified**  
20           **taxpayer must submit to the department all information that the**  
21           **department determines is necessary for the calculation of the credit**  
22           **under this chapter and for the determination of whether the**  
23           **qualified taxpayer is eligible to claim a credit under this chapter.**
