---

1 AN ACT concerning public property; relating to historic and religious  
2 displays.

3  
4 *Be it enacted by the Legislature of the State of Kansas:*

5 Section 1. The legislature hereby finds and declares as follows:

6 (a) The public buildings and their surrounding grounds provide  
7 Kansas citizens and others a place at which they may conduct public  
8 business, visit and interact with government officials and learn about the  
9 state's history and government;

10 (b) The public buildings and public properties are themselves  
11 important symbols of Kansas history;

12 (c) Whether it be former battlegrounds, Native American sites, parks,  
13 recreation areas, historic government sites, homes of famous Kansans or  
14 any other site of interest, without historic artifacts, monuments, symbols  
15 and texts on the properties and in the buildings, most persons would not  
16 even know of the significance of the site or building;

17 (d) It is in the best interests of the citizens of Kansas that its public  
18 buildings and public properties reflect the state's rich history by exhibiting  
19 items of significance to Kansas civic and cultural development;

20 (e) The display of historic artifacts, monuments, symbols and texts in  
21 and on the grounds of Kansas public buildings and public properties  
22 promotes its citizens' awareness of their common history and an  
23 appreciation of the persons and events contributing to that history;

24 (f) The free exercise of religion, as well as the right to have no  
25 religion, is a right guaranteed by the constitution of the United States and  
26 the constitution of Kansas;

27 (g) The right of the people to express themselves is enshrined in the  
28 freedom of speech guaranteed by the constitution of the United States and  
29 the constitution of Kansas;

30 (h) While the authors of the constitution of the United States and the  
31 constitution of Kansas were guaranteeing the free exercise of religion and  
32 prohibiting the establishment of a state-sponsored religion, these same  
33 authors and the public officials of that time period publicly and regularly  
34 proclaimed a belief in a supreme being, prayed openly and placed  
35 religious-based statements and symbols in and on their public buildings  
36 and properties, and that tradition has continued unbroken to this day; and

1 (i) The free exercise of religion, in all of its myriad expressions, is a  
2 significant component of Kansas historical heritage and may be  
3 acknowledged as such.

20 belief; and
