5 New Section 1. (a) Subject to existing water rights and the principle  
6 of beneficial use, the chief engineer may grant, upon application made  
7 therefor, limited transfer permits to authorize the use of up to 4,000,000

15 (2) If the base water right is surface water, the use can be transferred  
16 to another surface water use within the same surface water system.

17 (c) The chief engineer shall adopt rules and regulations to effectuate  
18 and administer the provisions of this section. Such rules and regulations  
19 shall require that there is no increase in consumptive use enabled by the  
20 transfer permit, prescribe necessary recordkeeping and reporting  
21 requirements, prevent impairment of existing rights and address any other  
22 matter deemed necessary by the chief engineer to protect the public  
23 interest.

24 (d) Nothing in this section shall be deemed to vest in the holder of  
25 any permit granted pursuant to provisions of this section any permanent  
26 right to appropriate water except as is provided by such permit.

27 (e) All fees collected by the chief engineer pursuant to this section  
28 shall be remitted to the state treasurer as provided in K.S.A. 82a-731, and  
29 amendments thereto.
