35 for future delivery to a customer who makes a deposit, agrees to pay the

1 balance of the purchase over a period of time and, at the end of the
2 payment period, receives the property. An order is accepted for layaway by
3 the seller, when the seller removes the property from normal inventory or
4 clearly identifies the property as sold to the purchaser;

5 (5) "rain check" means the seller allows a customer to purchase an
6 item at a certain price at a later time because the particular item was out of

33 (b) The secretary of revenue shall provide notice of the exemption
34 period to retailers at least 60 days prior to the first day of the calendar
35 quarter in which the exemption period established in K.S.A. 79-3606(III),
36 and amendments thereto, commences.

37 (c) The following procedures are to be used in administering the
38 exemption as provided in K.S.A. 79-3606(III), and amendments thereto:

39 (1) A sale of eligible property under a layaway sale qualifies for the
40 exemption if:

41 (A) Final payment on a layaway order is made by, and the property is
42 given to, the purchaser during the exemption period; or

43 (B) the purchaser selects the property and the retailer accepts the

1 order for the item during the exemption period for immediate delivery
2 upon full payment, even if delivery is made after the exemption period;

3 (2) there shall be no change during the period of exemption for the
4 handling of a bundled sale as treated for sales tax purposes at times other
5 than the exemption period;

6 (3) a discount by the seller reduces the sales price of the property and
7 the discounted sales price determines whether the sales price is within the
8 price threshold provided in K.S.A. 79-3606(III), and amendments thereto.
9 A coupon that reduces the sales price is treated as a discount if the seller is
10 not reimbursed for the coupon amount by a third party. If a discount
11 applies to the total amount paid by a purchaser rather than to the sales
12 price of a particular item and the purchaser has purchased both eligible
13 property and taxable property, the seller should allocate the discount based
14 on the total sales prices of the taxable property compared to the total sales
15 prices of all property sold in that same transaction;

16 (4) articles that are normally sold as a single unit must continue to be
17 sold in that manner. Such articles cannot be priced separately and sold as
18 individual items in order to obtain the exemption;

19 (5) a rain check allows a customer to purchase an item at a certain
20 price at a later time because the particular item was out of stock. Eligible
21 property that customers purchase during the exemption period with use of
22 a rain check will qualify for the exemption regardless of when the rain
23 check was issued. Issuance of a rain check during the exemption period
24 shall not qualify eligible property for the exemption if the property is
25 actually purchased after the exemption period;

26 (6) the procedure for an exchange in regards to an exemption is as
27 follows:

28 (A) If a customer purchases an item of eligible property during the
29 exemption period, but later exchanges the item for a similar eligible item,
30 even if a different size, different color or other feature, no additional tax is
31 due even if the exchange is made after the exemption period;

32 (B) if a customer purchases an item of eligible property during the
33 exemption period, but after the exemption period has ended, the customer
34 returns the item and receives credit on the purchase of a different item, the
35 appropriate sales tax is due on the sale of the new item; and

36 (C) if a customer purchases an item of eligible property before the
37 exemption period, but during the exemption period the customer returns
38 the item and receives credit on the purchase of a different item of eligible
39 property, no sales tax is due on the sale of the new item if the new item is
40 purchased during the exemption period;

41 (7) delivery charges, including shipping, handling and service
42 charges, are part of the sales price of eligible property. For the purpose of
43 determining the price threshold, if all the property in a shipment qualifies

1 as eligible property and the sales price for each item in the shipment is
2 within the price threshold, then the seller does not have to allocate the
3 delivery, handling or service charge to determine if the price threshold is
4 exceeded. The shipment will be considered a sale of eligible products. If
5 the shipment includes eligible property and taxable property, including an
6 eligible item with a sales price in excess of the price threshold, the seller
7 should allocate the delivery charge by using:

8 (A) A percentage based on the total sales prices of the taxable
9 property compared to the total sales prices of all property in the shipment;
10 or

11 (B) a percentage based on the total weight of the taxable property
12 compared to the total weight of all property in the shipment; and

13 (C) the seller must tax the percentage of the delivery charge allocated
14 to the taxable property but does not have to tax the percentage allocated to
15 the eligible property;

16 (8) for the purpose of an exemption, eligible property qualifies for the
17 exemption if:

18 (A) The item is both delivered to and paid for by the customer during
19 the exemption period; or

20 (B) the customer orders and pays for the item and the seller accepts
21 the order during the exemption period for immediate shipment, even if
22 delivery is made after the exemption period. The seller accepts an order
23 when the seller has taken action to fill the order for immediate shipment.
24 Actions to fill an order include placement of an in date stamp on a mail
25 order or assignment of an order number to a telephone order. An order is
26 for immediate shipment when the customer does not request delayed
27 shipment. An order is for immediate shipment, notwithstanding that the
28 shipment may be delayed because of a backlog of orders or because stock
29 is currently unavailable to, or on back order by, the seller;

30 (9) for a 60-day period immediately after the exemption period, when
31 a customer returns an item that would qualify for the exemption, no credit
32 for or refund of sales tax shall be given unless the customer provides a
33 receipt or invoice that shows tax was paid, or the seller has sufficient
34 documentation to show that tax was paid on the specific item. This 60-day
35 period is set solely for the purpose of designating a time period during
36 which the customer must provide documentation that shows that sales tax
37 was paid on returned merchandise. The 60-day period is not intended to
38 change a seller's policy on the time period during which the seller will
39 accept returns; and

40 (10) the time zone of the seller's location determines the authorized
41 time period for a sales tax holiday when the purchaser is located in one
42 time zone and a seller is located in another.

43 (d) The provisions of this section shall be a part of and supplemental

1 to the Kansas retailers' sales and compensating tax act.

2 Sec. 2. K.S.A. 2014 Supp. 79-3606 is hereby amended to read as
3 follows: 79-3606. The following shall be exempt from the tax imposed by
4 this act:

6 or excise tax has been paid, not subject to refund, under the laws of this
7 state except cigarettes as defined by K.S.A. 79-3301, and amendments
8 thereto, cereal malt beverages and malt products as defined by K.S.A. 79-

21 hospital or public hospital authority or nonprofit blood, tissue or organ
22 bank and used exclusively for state, political subdivision, hospital or
23 public hospital authority or nonprofit blood, tissue or organ bank purposes,
24 except when: (1) Such state, hospital or public hospital authority is

26 the provisions of this act and such items of tangible personal property or
27 service are used or proposed to be used in such business; or (2) such
28 political subdivision is engaged or proposes to engage in the business of
29 furnishing gas, electricity or heat to others and such items of personal
30 property or service are used or proposed to be used in such business;

32 renting and leasing of tangible personal property, purchased directly by a
33 public or private elementary or secondary school or public or private
34 nonprofit educational institution and used primarily by such school or
35 institution for nonsectarian programs and activities provided or sponsored
36 by such school or institution or in the erection, repair or enlargement of
37 buildings to be used for such purposes. The exemption herein provided
38 shall not apply to erection, construction, repair, enlargement or equipment
39 of buildings used primarily for human habitation;

40 (d) all sales of tangible personal property or services purchased by a
41 contractor for the purpose of constructing, equipping, reconstructing,
42 maintaining, repairing, enlarging, furnishing or remodeling facilities for
43 any public or private nonprofit hospital or public hospital authority, public

1 or private elementary or secondary school, a public or private nonprofit
2 educational institution, state correctional institution including a privately
3 constructed correctional institution contracted for state use and ownership,
4 which would be exempt from taxation under the provisions of this act if
5 purchased directly by such hospital or public hospital authority, school,
6 educational institution or a state correctional institution; and all sales of
7 tangible personal property or services purchased by a contractor for the
8 purpose of constructing, equipping, reconstructing, maintaining, repairing,
9 enlarging, furnishing or remodeling facilities for any political subdivision
10 of the state or district described in subsection (s), the total cost of which is
11 paid from funds of such political subdivision or district and which would
12 be exempt from taxation under the provisions of this act if purchased
13 directly by such political subdivision or district. Nothing in this subsection
14 or in the provisions of K.S.A. 12-3418, and amendments thereto, shall be
15 deemed to exempt the purchase of any construction machinery, equipment
16 or tools used in the constructing, equipping, reconstructing, maintaining,
17 repairing, enlarging, furnishing or remodeling facilities for any political
18 subdivision of the state or any such district. As used in this subsection,
19 K.S.A. 12-3418 and 79-3640, and amendments thereto, "funds of a
20 political subdivision" shall mean general tax revenues, the proceeds of any
21 bonds and gifts or grants-in-aid. Gifts shall not mean funds used for the
22 purpose of constructing, equipping, reconstructing, repairing, enlarging,
23 furnishing or remodeling facilities which are to be leased to the donor.
24 When any political subdivision of the state, district described in subsection
25 (s), public or private nonprofit hospital or public hospital authority, public
26 or private elementary or secondary school, public or private nonprofit
27 educational institution, state correctional institution including a privately
28 constructed correctional institution contracted for state use and ownership
29 shall contract for the purpose of constructing, equipping, reconstructing,
30 maintaining, repairing, enlarging, furnishing or remodeling facilities, it
31 shall obtain from the state and furnish to the contractor an exemption
32 certificate for the project involved, and the contractor may purchase
33 materials for incorporation in such project. The contractor shall furnish the
34 number of such certificate to all suppliers from whom such purchases are
35 made, and such suppliers shall execute invoices covering the same bearing
36 the number of such certificate. Upon completion of the project the
37 contractor shall furnish to the political subdivision, district described in
38 subsection (s), hospital or public hospital authority, school, educational
39 institution or department of corrections concerned a sworn statement, on a
40 form to be provided by the director of taxation, that all purchases so made
41 were entitled to exemption under this subsection. As an alternative to the
42 foregoing procedure, any such contracting entity may apply to the
43 secretary of revenue for agent status for the sole purpose of issuing and

1 furnishing project exemption certificates to contractors pursuant to rules
2 and regulations adopted by the secretary establishing conditions and
3 standards for the granting and maintaining of such status. All invoices
4 shall be held by the contractor for a period of five years and shall be
5 subject to audit by the director of taxation. If any materials purchased
6 under such a certificate are found not to have been incorporated in the
7 building or other project or not to have been returned for credit or the sales
8 or compensating tax otherwise imposed upon such materials which will
9 not be so incorporated in the building or other project reported and paid by
10 such contractor to the director of taxation not later than the 20th day of the
11 month following the close of the month in which it shall be determined
12 that such materials will not be used for the purpose for which such
13 certificate was issued, the political subdivision, district described in
14 subsection (s), hospital or public hospital authority, school, educational
15 institution or the contractor contracting with the department of corrections
16 for a correctional institution concerned shall be liable for tax on all
17 materials purchased for the project, and upon payment thereof it may
18 recover the same from the contractor together with reasonable attorney
19 fees. Any contractor or any agent, employee or subcontractor thereof, who
20 shall use or otherwise dispose of any materials purchased under such a
21 certificate for any purpose other than that for which such a certificate is
22 issued without the payment of the sales or compensating tax otherwise
23 imposed upon such materials, shall be guilty of a misdemeanor and, upon
24 conviction therefor, shall be subject to the penalties provided for in
25 ~~subsection (g)~~ of K.S.A. 79-3615(h), and amendments thereto;

26 (e) all sales of tangible personal property or services purchased by a
27 contractor for the erection, repair or enlargement of buildings or other
28 projects for the government of the United States, its agencies or
29 instrumentalities, which would be exempt from taxation if purchased
30 directly by the government of the United States, its agencies or
31 instrumentalities. When the government of the United States, its agencies
32 or instrumentalities shall contract for the erection, repair, or enlargement
33 of any building or other project, it shall obtain from the state and furnish to
34 the contractor an exemption certificate for the project involved, and the
35 contractor may purchase materials for incorporation in such project. The
36 contractor shall furnish the number of such certificates to all suppliers
37 from whom such purchases are made, and such suppliers shall execute
38 invoices covering the same bearing the number of such certificate. Upon
39 completion of the project the contractor shall furnish to the government of
40 the United States, its agencies or instrumentalities concerned a sworn
41 statement, on a form to be provided by the director of taxation, that all
42 purchases so made were entitled to exemption under this subsection. As an
43 alternative to the foregoing procedure, any such contracting entity may

1 apply to the secretary of revenue for agent status for the sole purpose of
2 issuing and furnishing project exemption certificates to contractors
3 pursuant to rules and regulations adopted by the secretary establishing
4 conditions and standards for the granting and maintaining of such status.
5 All invoices shall be held by the contractor for a period of five years and
6 shall be subject to audit by the director of taxation. Any contractor or any
7 agent, employee or subcontractor thereof, who shall use or otherwise
8 dispose of any materials purchased under such a certificate for any purpose
9 other than that for which such a certificate is issued without the payment
10 of the sales or compensating tax otherwise imposed upon such materials,
