1 AN ACT concerning income taxation; relating to credits; providing an  
2 income tax credit for contributions to a child care provider or  
3 intermediary.  
4

5 *Be it enacted by the Legislature of the State of Kansas:*

6 Section 1. (a) The provisions of this section shall be known and may  
7 be cited as the child care contribution tax credit act.

8 (b) For taxable year 2026, and all tax years thereafter, there shall be  
9 allowed a credit against the tax liability imposed under the Kansas income  
10 tax act for the tax year that a verified contribution was made in an amount  
11 equal to 75% of the verified contributions to a child care provider or  
12 intermediary. The amount of such credit awarded under this section for  
13 each taxpayer shall not exceed \$200,000 per tax year. In no event shall the  
14 total amount of credits allowed under this section exceed \$20,000,000 for  
15 each tax year. Any unused credit amounts may be carried forward for up to  
16 six taxable years immediately following the taxable year for which the  
17 credits were allowed.

18 (c) (1) The child care provider or intermediary shall apply to the  
19 department of revenue to participate in the program established in this  
20 section using a form prescribed by the department. The department shall  
21 determine eligibility. Only contributions to a child care provider and  
22 intermediary that have entered into an agreement with the department may  
23 receive a tax credit pursuant to this section.

24 (2) The child care provider or intermediary receiving a contribution  
25 shall, within 60 days of the date of receiving the contribution, file a  
26 contribution verification with the department and issue a copy of the  
27 contribution verification to the taxpayer. The contribution verification shall  
28 be in the form established by the department and shall include the  
29 taxpayer's name, taxpayer's state or federal tax identification number or  
30 last four digits of the taxpayer's social security number, amount of tax  
31 credit sought, amount or description of contribution, legal name and  
32 address of the child care provider or intermediary receiving the  
33 contribution, the child care provider's or intermediary's federal employer  
34 identification number, the child care provider's license number, the date  
35 that the child care provider or intermediary received the contribution from

1 the taxpayer and any other information requested by the department. The  
2 contribution verification shall include a signed attestation stating, in the  
3 case of a child care provider, that the child care provider will use the  
4 contribution solely to promote child care and, in the case of an  
5 intermediary, that the intermediary will distribute the contribution and any  
6 income thereon in full to one or more child care providers within two years  
7 of receipt of the contribution.

8 (3) The failure of the child care provider or intermediary to timely  
9 issue the contribution verification to the taxpayer or file the contribution  
10 verification with the department shall entitle the taxpayer to a refund of the  
11 contribution from the child care provider or intermediary.

12 (d) A contribution, whether received from the taxpayer claiming the  
13 tax credit pursuant to this section or from an intermediary, is eligible  
14 when:

15 (1) The contribution is used directly by a child care provider to  
16 promote child care for children 12 years of age or younger, including by  
17 acquiring or improving child care facilities, equipment or services, staff  
18 salaries, staff training or improving the quality of child care;

19 (2) the contribution, if made to an intermediary, is distributed in full  
20 by the intermediary within two years of receipt to one or more child care  
21 providers for the sole purpose of promoting child care for children 12  
22 years of age or younger;

23 (3) the contribution is made to a child care provider or intermediary  
24 in which the taxpayer or a person related to the taxpayer does not have a  
25 direct financial interest;

26 (4) the contribution made to an intermediary is not designated for a  
27 child care provider in which the taxpayer or a person related to the  
28 taxpayer has a direct financial interest; and

29 (5) the contribution is not made in exchange for care of a child or  
30 children, unless the contribution is made by an employer in purchasing  
31 child care for the children of the employer's employees.

32 (e) A child care provider or intermediary that uses the contribution for  
33 an ineligible purpose shall repay to the department the value of the tax  
34 credit for the contribution amount used for an ineligible purpose. An  
35 intermediary that accepts a contribution and issues a taxpayer a  
36 contribution verification is permanently ineligible to claim or redeem a tax  
37 credit pursuant to this section.
