15 *Be it enacted by the Legislature of the State of Kansas:*

16 New Section 1. (a) Except as otherwise provided in this section, any
17 license issued under the provisions of this act shall expire on March 31
18 following the date of issuance. Licensees may renew licenses by applying
19 to the secretary on or before the expiration date. Application for renewal of
20 a license shall be made on a form prescribed by the secretary and shall be
21 accompanied by the license fee required for the issuance of an original
22 license. If the secretary refuses to renew any license, the secretary shall
23 give written notice thereof to the licensee. In giving written notice, the
24 secretary shall specify changes necessary for complete compliance with
25 rules and regulations, and the secretary shall state that if compliance is
26 achieved within the time designated then the license shall be renewed. If
27 the licensee fails to achieve complete compliance within the prescribed
28 time, the secretary, after notice and an opportunity for a hearing in
29 accordance with the Kansas administrative procedure act, shall deny the
30 application for a license. If for any reason, a licensee fails to renew a
31 license prior to the expiration date, the licensee may obtain a renewal of
32 such license within 30 days following the expiration date. In order to
33 renew a license during this thirty-day period, the licensee must comply
34 with the foregoing provisions of this section and pay a \$25 late fee. If the
35 licensee does not renew within the thirty-day period, then the license is
36 treated as expired, and the licensee must apply for a new license.

1 (b) (1) The secretary shall inspect or cause to be inspected every
2 licensed food establishment or food processing plant in this state. If upon
3 inspection, the secretary determines that a food establishment or food
4 processing plant does not comply with rules and regulations, the secretary
5 shall give written or electronic notice to the owner, proprietor, or agent in
6 charge of such food establishment or food processing plant. In giving
7 notice, the secretary shall specify changes necessary for complete
8 compliance, and the secretary shall designate a time period for achieving
9 compliance. The prescribed time period shall not be less than 10 days,
10 unless the secretary believes time is essential to protect public health and
11 safety. If time is essential to protect public health and safety, the secretary
12 may designate a shorter period for compliance. Also, in giving notice, the
13 secretary shall state that if compliance is not achieved within the time
14 prescribed, the license for the food establishment or food processing plant
15 shall be subject to suspension or revocation.

16 (2) When a licensee of any food establishment or food processing

18 secretary to extend the time period for achieving compliance. Upon review
19 of any such application, the secretary may deny the application or the
20 secretary may modify the time period for compliance.

21 (3) After the secretary has issued the notice of noncompliance, the
22 secretary may inspect to determine if the food establishment or food
23 processing plant has achieved compliance within the prescribed time. If
24 the food establishment or food processing plant is noncompliant, the
25 secretary, after ~~following~~ **providing notice and an opportunity for a**
26 **hearing in accordance with the provisions of** the Kansas administrative
27 procedure act, may suspend or revoke the issued license.

29 **hearing in accordance with the provisions of** the Kansas administrative
30 procedure act, the secretary determines that any person has engaged in or
31 is engaging in any act or practice constituting a violation of any provision
32 of this act, or any rules and regulations or order issued thereunder, the
33 secretary may require that such person cease and desist from the unlawful
34 act or practice. The secretary may take such affirmative action when in the
35 secretary's judgment affirmative action carries out the purposes of the
36 violated or potentially violated provision of this act or rules and
37 regulations or order issued thereunder.

38 (d) Any party aggrieved by a final order of the secretary made under
39 this section may appeal such order to the district court in the manner
40 provided by the Kansas judicial review act.

15 fire marshal's deputies or lawful agents to enforce all or any portion of the
16 standards promulgated pursuant to this act. Such contract shall designate
17 specific facilities or types of facilities wherein such authority may be
18 exercised. Any inspection of such facilities by the state fire marshal or the
