Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2015 Supp. 79-1801 is hereby amended to read as follows: 79-1801. (a) Except as provided by subsection (b), each year the governing body of any city, the trustees of any township, the board of education of any school district and the governing bodies of all other taxing subdivisions shall certify, on or before August 25, to the proper county clerk the amount of ad valorem tax to be levied. Thereupon, the county clerk shall place the tax upon the tax roll of the county, in the manner prescribed by law, and the tax shall be collected by the county treasurer. The county treasurer shall distribute the proceeds of the taxes levied by each taxing subdivision in the manner provided by K.S.A. 12-1678a, and amendments thereto.

- (b) In 2005, the board of education of any school district shall certify, on or before September 7 If the governing body of a city or county must conduct an election for an increase in property tax to fund any appropriation or budget under K.S.A. 2015 Supp. 79-2925b(g), and amendments thereto, the governing body of the city or county shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.
- Sec. 2. K.S.A. 2015 Supp. 79-2925b is hereby amended to read as follows: 79-2925b. (a) Without a majority vote so providing, the governing body of any municipality shall not approve any appropriation or budget, as the case requires, which may be funded by revenue produced from property taxes, and which provides for funding with such revenue in an amount exceeding that of the next preceding year, adjusted to reflect changes in the consumer price index for all urban consumers as published by the United States department of labor for the preceding calendar year. If the total tangible property valuation in any municipality increases from the next preceding year due to increases in the assessed valuation of existing tangible property and such increase exceeds changes in the consumer price index, the governing body shall lower the amount of ad valorem tax to be levied to the amount of ad valorem tax levied in the next preceding year, adjusted to reflect changes in the consumer price index. Except as provided in subsection (g), notwithstanding the requirements of this subsection, nothing herein shall prohibit a municipality from increasing the amount of ad valorem tax to be levied if the municipality approves the increase with a majority vote of the governing body by the adoption of a resolution and publishes such vote as provided in subsection (c).

- (c) In the event the governing body votes to approve any appropriation or budget, as the case requires, which may be funded by revenue produced from property taxes, and which provides for funding with such revenue in an amount exceeding that of the next preceding year as provided in subsection (a), notice of such vote shall be published in the official county newspaper of the county where such municipality is located.

- (e) The provisions of this section shall not apply to revenue received from property tax levied for the sole purpose of repayment of the principal of and interest upon bonded indebtedness, temporary notes and no-fund warrants.
- (f) For purposes of this section, "municipality" means any political subdivision of the state which levies an ad valorem tax on property and includes, but is not limited to, any county, township, municipal university, school district, community college, drainage district or other taxing district.
