Section 1. K.S.A. 2011 Supp. 12-17,169 is hereby amended to read as follows: 12-17,169. (a) (1) Any city or county shall have the power to issue special obligation bonds in one or more series to finance the undertaking of any STAR bond project in accordance with the provisions of this act. Such special obligation bonds shall be made payable, both as to principal and interest:

(A) From revenues of the city or county derived from or held in connection with the undertaking and carrying out of any STAR bond project or projects under this act including historic theater sales tax increments;

(B) from any private sources, contributions or other financial assistance from the state or federal government;

(C) from a pledge of 100% of the tax increment revenue received by the city from any local sales and use taxes, including the city's share of any county sales tax, which are collected from taxpayers doing business within that portion of the city's STAR bond project district established pursuant to K.S.A. 2011 Supp. 12-17,165, and amendments thereto, occupied by a STAR bond project, except for amounts committed to other uses by election of voters or pledged to bond repayment prior to the approval of the STAR bond project;

(D) at the option of the county in a city STAR bond project district, from a pledge of all of the tax increment revenues received by the county from any local sales and use taxes which are collected from taxpayers doing business within that portion of the city's STAR bond project district established pursuant to K.S.A. 2011 Supp. 12-17,165, and amendments thereto, except for amounts committed to other uses by election of voters or pledged to bond repayment prior to the approval of a STAR bond project;

(E) in a county STAR bond project district, from a pledge of 100% of the tax increment revenue received by the county from any county sales and use tax, but excluding any portions of such taxes that are allocated to the cities in such county pursuant to K.S.A. 12-192, and amendments thereto, which are collected from taxpayers doing business within that portion of the county's STAR bond project district established pursuant to K.S.A. 2011 Supp. 12-17,165, and amendments thereto, occupied by a STAR bond project;

(F) from a pledge of all of the tax increment revenue received from any state sales taxes which are collected from taxpayers doing business within that portion of the city's or county's STAR bond project district occupied by a STAR bond project;

(G) at the option of the city or county and with approval of the secretary, from all or a portion of the transient guest tax of such city or county;

(H) at the option of the city or county and with approval of the secretary, (i) from a pledge of all or a portion of increased revenue received by the city or county from franchise fees collected from utilities and other businesses using public right-of-way within the STAR bond project district; or (ii) from a pledge of all or a portion of the revenue received by a city or county from local sales taxes or local transient guest and local use taxes; or

(I) by any combination of these methods.

The city or county may pledge such revenue to the repayment of such special obligation bonds prior to, simultaneously with, or subsequent to the issuance of such special obligation bonds.

(2) Bonds issued under paragraph (1) of this subsection shall not be general obligations of the city or the county, nor in any event shall they give rise to a charge against its general credit or taxing powers, or be payable out of any funds or properties other than any of those set forth

in paragraph (1) of this subsection and such bonds shall so state on their face.

(3) Bonds issued under the provisions of paragraph (1) of this subsection shall be special obligations of the city or county and are declared to be negotiable instruments. Such bonds shall be executed by the mayor and clerk of the city or the chairperson of the board of county commissioners and the county clerk and sealed with the corporate seal of the city or county. All details pertaining to the issuance of such special obligation bonds and terms and conditions thereof shall be determined by ordinance of the city or by resolution of the county.

All special obligation bonds issued pursuant to this act and all income or interest therefrom shall be exempt from all state taxes. Such special obligation bonds shall contain none of the recitals set forth in K.S.A. 10-112, and amendments thereto. Such special obligation bonds shall, however, contain the following recitals: (i) The authority under which such special obligation bonds are issued; (ii) such bonds are in conformity with the provisions, restrictions and limitations thereof; and (iii) that such special obligation bonds and the interest thereon are to be paid from the money and revenue received as provided in paragraph (1) of this subsection.

(4) Any city or county issuing special obligation bonds under the provisions of this act may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

(b) (1) Subject to the provisions of paragraph (2) of this subsection, any city shall have the power to issue full faith and credit tax increment bonds to finance the undertaking, establishment or redevelopment of any major motorsports complex, as defined in subsection (k) of K.S.A. 2011 Supp. 12-17,162, and amendments thereto. Such full faith and credit tax increment bonds shall be made payable, both as to principal and interest: (A) From the revenue sources identified in paragraph (1) of subsection (a) or by any combination of these sources; and (B) subject to the provisions of paragraph (2) of this subsection, from a pledge of the city's full faith and credit to use its ad valorem taxing authority for repayment thereof in the event all other authorized sources of revenue are not sufficient.

(2) Except as provided in paragraph (3) of this subsection, before the governing body of any city proposes to issue full faith and credit tax increment bonds as authorized by this subsection, the feasibility study required by subsection (b) of K.S.A. 2011 Supp. 12-17,166, and amendments thereto, shall demonstrate that the benefits derived from the project will exceed the cost and that the income therefrom will be sufficient to pay the costs of the project. No full faith and credit tax increment bonds shall be issued unless the governing body states in the resolution required by subsection (e) of K.S.A. 2011 Supp. 12-17,166, and amendments thereto, that it may issue such bonds to finance the proposed STAR bond project. The governing body may issue the bonds unless within 60 days following the conclusion of the public hearing on the proposed STAR bond project plan a protest petition signed by 3% of the qualified voters of the city is filed with the city clerk in accordance with the provisions of K.S.A. 25-3601, *et seq.*, and amendments thereto. If a sufficient petition is filed, no full faith and credit tax increment bonds shall be issued until the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds in accordance with this section. No such election shall be held in the event the board of county commissioners or the board of education determines, as provided in K.S.A. 2011 Supp. 12-17,165, and amendments thereto, that the proposed STAR bond project district will have an adverse effect on the county or school district.

(3) As an alternative to paragraph (2) of this subsection, any city which adopts a STAR bond project plan for a major motorsports complex, but does not state its intent to issue full faith and credit tax increment bonds in the resolution required by subsection (e) of K.S.A. 2011 Supp. 12-17,166, and amendments thereto, and has not acquired property in the STAR bond project area may issue full faith and credit tax increment bonds if the governing body of the city adopts a resolution stating its intent

to issue the bonds and the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds pursuant to paragraph (1) of subsection (a). Any project plan adopted by a city prior to the effective date of this act in accordance with K.S.A. 12-1772, and amendments thereto, shall not be invalidated by any requirements of this act.

(4) During the progress of any major motorsports complex project in which the project costs will be financed, in whole or in part, with the proceeds of full faith and credit tax increment bonds, the city may issue temporary notes in the manner provided in K.S.A. 10-123, and amendments thereto, to pay the project costs for the major motorsports complex project. Such temporary notes shall not be issued and the city shall not acquire property in the STAR bond project area until the requirements of paragraph (2) or (3) of this subsection, whichever is applicable, have been met.

(5) Full faith and credit tax increment bonds issued under this subsection shall be general obligations of the city and are declared to be negotiable instruments. Such bonds shall be issued in accordance with the general bond law. All such bonds and all income or interest therefrom shall be exempt from all state taxes. The amount of the full faith and credit tax increment bonds issued and outstanding which exceeds 3% of the assessed valuation of the city shall be within the bonded debt limit applicable to such city.

(6) Any city issuing full faith and credit tax increment bonds under the provisions of this subsection may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

(c) For each project financed with special obligation bonds payable from the revenues described in subsection (a)(1), the city or county shall prepare and submit to the secretary by October 1 of each year, a report describing the status of any projects within such STAR bond project area, any expenditures of the proceeds of special obligation bonds that have occurred since the last annual report and any expenditures of the proceeds of such bonds expected to occur in the future, including the amount of sales tax revenue, how such revenue has been spent, the projected amount of such revenue and the anticipated use of such revenue. The department of commerce shall compile this information and submit a report annually to the governor, ~~Kansas, Inc.~~ and the legislature by February 1 of each year.

(d) A city or county may use the proceeds of special obligation bonds or any uncommitted funds derived from sources set forth in this section to pay the bond project costs as defined in K.S.A. 2011 Supp. 12-17,162, and amendments thereto, to implement the STAR bond project plan.

(e) With respect to a STAR bond project district established prior to January 1, 2003, for which, prior to January 1, 2003, the secretary made a finding as provided in subsection (a) of this section that a STAR bond project would create a major tourism area for the state, such special obligation bonds shall be payable both as to principal and interest, from a pledge of all of the revenue from any transient guest, state and local sales and use taxes collected from taxpayers as provided in subsection (a) of this section whether or not revenues from such taxes are received by the city.

Sec. 2. K.S.A. 2011 Supp. 12-17,177 is hereby amended to read as follows: 12-17,177. (a) The boundaries of any STAR bond project district in a major tourism area including an auto race track facility located in Wyandotte county, shall, without regard to that portion of the district pertaining to the auto race track facility, be as follows: Beginning at the intersection of Interstate 70 and Interstate 435; West along Interstate 70 to 118th Street; North along 118th Street to State Avenue; Northeasterly along proposed relocated State Avenue to 110th Street; North along 110th Street to Parallel Parkway; East along Parallel Parkway to Interstate 435; South along Interstate 435 to Interstate 70.

(b) Any major tourism area may include an additional area not exceeding 400 acres of additional property, excluding roads and highways, in addition to the property necessary for the auto race track facility upon

a finding by the governor that the development plan and each project within such additional 400 acre area will enhance the major tourism area. For the development of each project within such additional 400 acre area the city shall select qualified developers pursuant to a request for proposals in accordance with written official procedures approved by the governing body of the city.

(c) Any project within such additional 400 acre area that is financed in whole or in part by special obligation bonds payable from revenues derived from subsection (a)(1)(C), (a)(1)(F) or (a)(1)(G) of K.S.A. 2011 Supp. 12-17,169, and amendments thereto, shall not be entitled to any real property tax abatements or the revenues described in K.S.A. 12-1775, and amendments thereto.

(d) Any project within such additional 400 acre area must be approved by the governor and construction must be commenced by July 1, 2002.

(e) The maximum principal amount of special obligation bonds issued to fund STAR bond projects within a major tourism area, including any such additional 400 acre area, shall not exceed \$308,000,000, unless the city has secured prior approval from the secretary of commerce and the secretary of revenue. Any special obligation bonds issued for the following purposes shall not be counted toward such limit on the principal amount:

(1) Special obligation bonds issued solely for the purpose of refunding such bonds, either at maturity or in advance of maturity, pursuant to the provisions of K.S.A. 10-116a, and amendments thereto; and

(2) special obligation bonds issued solely to fund reserve funds for such refunding bonds.

(f) Prior to issuing any special obligation bonds for any purpose, the city or county must have the approval of the secretary and the secretary of revenue.

(g) The city or county shall prepare and submit annually to the secretary by October 1 of each year, a report describing the status of any projects within a major tourism area and all other STAR bond projects, including any such additional 400 acre area, any expenditures of the proceeds of special obligation bonds that have occurred since the last annual report and any expenditures of the proceeds of such bonds expected to occur in the future, including the amount of sales tax revenue, how it has been spent, the projected amount of such revenue and the anticipated use of such revenue. The department of commerce shall compile this information and submit a report annually to the governor, ~~Kansas, Inc.~~ and the legislature by February 1 of each year.

(h) Any business located in Kansas within 50 miles of a major tourism area that relocates into a major tourism area, including such additional 400 acre area, shall not receive any of the benefits of K.S.A. 2011 Supp. 12-17,160 *et seq.*, and amendments thereto.

(i) If a city determines that revenues from sources other than property taxes will be sufficient to pay any special obligation bonds issued to finance a STAR bond project for an auto race track facility as described in K.S.A. 2011 Supp. 12-17,162, and amendments thereto, and the secretary makes a finding that such project will create a major tourism area as defined in K.S.A. 2011 Supp. 12-17,162, and amendments thereto, all real and personal property, constituting an auto race track facility described in K.S.A. 2011 Supp. 12-17,162, and amendments thereto, in such STAR bond project district shall be exempt from property taxation for a period ending on the earlier of:

(1) The date which is 30 years after the date of the finding by the secretary with respect to such major tourism area; or

(2) the date on which no such special obligation bonds issued to finance such auto race track facility in a major tourism area remain outstanding.

(j) The city which is authorized to issue bonds pursuant to the provisions of K.S.A. 2011 Supp. 12-17,160 *et seq.*, and amendments thereto, in order to finance a STAR bond project in a major tourism area as defined by K.S.A. 2011 Supp. 12-17,162, and amendments thereto, shall obtain underwriting services required by the city for the issuance of such bonds pursuant to written proposals received in accordance with this section.

Each city which is authorized to issue such bonds shall establish written official procedures for obtaining underwriting services required for the

issuance of such bonds, including specifications for requests for proposals and criteria for evaluation of proposals on a competitive basis. The proposal evaluation criteria shall include factors based on cost, capacity to provide the required services, qualifications and experience.

Prior to the issuance of any such bond to finance a STAR bond project in a major tourism area, the city shall publish notice of a request for proposals to provide the underwriting services that are required by the city with regard to the proposed bond issuance and shall mail requests for proposals to qualified interested parties upon request for such notice. The city shall award contracts for such underwriting services from the proposals received in accordance with the procedures and evaluation criteria adopted by the city for such purpose. A city shall publish such notice in the official newspaper of the city.

(k) A STAR bond project in a major tourism area for an auto race track facility, shall be completed within 30 years from the date the secretary makes the finding that the STAR bond project will create a major tourism area pursuant to subsection (l) of K.S.A. 2011 Supp. 12-17,162, and amendments thereto.

(2) such maximum period, if the governor determines and makes and submits a finding to the speaker of the house of representatives and the president of the senate that a maturity greater than 20 years, but in no event exceeding 30 years, is necessary for the economic feasibility of the financing of an auto race track facility with special obligation bonds payable primarily from revenues described by subsections (a)(1)(C), (a)(1)(F) and (a)(1)(G) of K.S.A. 2011 Supp. 12-17,169, and amendments thereto, may be extended in accordance with such determination and finding.

(m) The secretary of revenue shall determine when the amount of sales tax and other revenues that have been collected and distributed to the bond debt service or reserve fund is sufficient to satisfy all principal and interest costs to the maturity date or dates, of any special obligation bonds issued by a city or county to finance a STAR bond project in a major tourism area. Thereafter, all sales tax and other revenues shall be collected and distributed in accordance with applicable law.
