 20 investment authority in growth investments in this state, fails to
 21 maintain that investment until the sixth anniversary of the closing
 22 date.

23 2. For the purposes of this paragraph, a growth investment shall be
 24 considered to have been maintained even if the investment is sold or
 25 repaid if the growth fund reinvests an amount equal to the capital
 26 returned or recovered by the growth fund from the original
 27 investment, exclusive of any profits realized, in other growth

1 investments in this state within twelve (12) months of the receipt of the
2 returned capital. Amounts received periodically by a growth fund shall
3 be treated as continually invested in growth investments if the
4 amounts are reinvested in one (1) or more rural growth investments by
5 the end of the following calendar year.

6 3. A growth fund shall not be required to reinvest capital returned from
7 growth investments after the fifth anniversary of the closing date, and
8 those amounts shall be considered to be held continuously by the
9 growth fund through the sixth anniversary of the closing date;

10 (c) The growth fund, before exiting the program under subsection (5) of this
11 section, makes a distribution or payment that results in the growth fund
12 having less than one hundred percent (100%) of its investment authority

18 investment in the growth fund, an affiliate of the growth fund, or an
19 investor in the growth fund.

20 2. This paragraph shall not apply to investments in publicly traded
21 securities made by a growth business or an owner or affiliate of that
22 growth business.

23 3. For purposes of this paragraph, a growth fund shall not be considered
24 an affiliate of a growth business solely as a result of its growth
25 investment.

26 (2) The amount by which a growth fund's investment in a growth business exceeds
27 five million dollars (\$5,000,000) shall not count towards the satisfaction required

1 by subsection (1)(a) and (b) of this section.

2 (3) Before implicating subsection (1) of this section, the cabinet shall notify the
3 growth fund of the reasons for the pending revocation. The growth fund shall

9 count toward the limits under subsection (3)(a) of Section 3 of this Act.

10 (b) The cabinet shall first award reverted investment authority and state
11 matching capital amounts pro rata to each growth fund that was awarded
12 less than its requested investment authority and state matching capital
13 amounts under subsection (3)(b) of Section 3 of this Act.

20 submit a written request to the cabinet to exit the program and to no longer
21 be subject to regulation under Sections 1 to 8 of this Act.

22 (b) The cabinet shall respond to the request within sixty (60) days. In
23 evaluating the request, the fact that subsection (1) of this section has not
24 been implicated and that the growth fund has not received a notice of
25 revocation, which has not been cured under subsection (3) of this section,
26 shall be sufficient evidence to prove that the growth fund is eligible for exit.

27 (c) The cabinet shall not unreasonably deny a request submitted under this

1 subsection. If the request is denied, the notice of denial shall include the
2 reasons for the determination.

3 (6) After its exit from the program in accordance with of subsection (5)(a) of this

8 annually until it has made growth investments equal to at least one hundred fifty
9 percent (150%) of its investment authority.

10 (7) After exiting the program under subsection (5) of this section, at any time the
11 growth fund proposes to make a distribution to its equity holders or payment that,
12 when added to all previous distributions to its equity holders and payments, would
13 be in excess of its investment authority, the growth fund shall remit to the
14 cabinet, if applicable, all future distributions or payments until the cabinet is
15 repaid an amount equal to the product of the growth fund's state matching
16 capital and a fraction, the numerator of which is the aggregate number of new
17 annual jobs and jobs retained reported to the cabinet under subsection (1) of
18 Section 8 of this Act and the denominator of which is the number of new annual
19 jobs and jobs retained projected in the growth fund's application, as prorated
20 based on the amount of investment authority received by the growth fund. No
21 payment shall be due if the aggregate number of new annual jobs and jobs
22 retained as of the date of the proposed distribution equal or exceed the number of
23 new annual jobs and jobs retained projected in the growth fund's application, as
24 prorated based on the amount of investment authority received.
