Comprehensive Cancer Network; and

b. Ordered or prescribed by a health care provider legally authorized to order or prescribe the cancer screening, test, or procedure; and

(b) The coverage required under this subsection shall not be subject to:

2. Any deductible, coinsurance, copayment, or other cost-sharing requirement.

(3) (a) If the application of any requirement of subsection (2)(b)2. of this section would be the sole cause of a health benefit plan's failure to qualify as a Health Savings Account-qualified High Deductible Health Plan under 26 U.S.C. sec. 223, as amended, then the requirement shall not apply to that health benefit plan until the minimum deductible under 26 U.S.C. sec. 223, as amended, is satisfied.

19 (4) The governing board of each state postsecondary education institution is authorized
20 to provide a self-insured employer group health plan to its employees, which plan
21 shall:

- 22 (2) (a) The secretary of the Finance and Administration Cabinet, upon the
- 23 recommendation of the secretary of the Personnel Cabinet, shall procure, in
- 24 compliance with the provisions of KRS 45A.080, 45A.085, and 45A.090,

5 a contract with the Personnel Cabinet prior to including that group in the state
6 health insurance group. The contracts shall include but not be limited to
7 designating the entity responsible for filing any federal forms, adoption of
8 policies required for proper plan administration, acceptance of the contractual
9 provisions with health insurance carriers or third-party administrators, and
10 adoption of the payment and reimbursement methods necessary for efficient
11 administration of the health insurance program. Health insurance coverage
12 provided to state employees under this section shall, at a minimum, contain
13 the same benefits as provided under Kentucky Kare Standard as of January 1,
14 1994, and shall include a mail-order drug option as provided in subsection
15 (13) of this section. All employees and other persons for whom the health care
16 coverage is provided or made available shall annually be given an option to
17 elect health care coverage through a self-funded plan offered by the
18 Commonwealth or, if a self-funded plan is not available, from a list of
19 coverage options determined by the competitive bid process under the
20 provisions of KRS 45A.080, 45A.085, and 45A.090 and made available
21 during annual open enrollment.

22 (b) The policy or policies shall be approved by the commissioner of insurance
23 and may contain the provisions the commissioner of insurance approves,
24 whether or not otherwise permitted by the insurance laws.

25 (c) Any carrier bidding to offer health care coverage to employees shall agree to
26 provide coverage to all members of the state group, including active
27 employees and retirees and their eligible covered dependents and

1 beneficiaries, within the county or counties specified in its bid. Except as
2 provided in subsection (20) of this section, any carrier bidding to offer health
3 care coverage to employees shall also agree to rate all employees as a single
4 entity, except for those retirees whose former employers insure their active
5 employees outside the state-sponsored health insurance program and as
6 otherwise provided in KRS 61.702(2)(b)3.b. and 78.5536(2)(b)3.b.

7 (d) Any carrier bidding to offer health care coverage to employees shall agree to
8 provide enrollment, claims, and utilization data to the Commonwealth in a
9 format specified by the Personnel Cabinet with the understanding that the data
10 shall be owned by the Commonwealth; to provide data in an electronic form
11 and within a time frame specified by the Personnel Cabinet; and to be subject
12 to penalties for noncompliance with data reporting requirements as specified
13 by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions
14 to protect the confidentiality of each individual employee; however,
15 confidentiality assertions shall not relieve a carrier from the requirement of
16 providing stipulated data to the Commonwealth.

17 (e) The Personnel Cabinet shall develop the necessary techniques and capabilities
18 for timely analysis of data received from carriers and, to the extent possible,
19 provide in the request-for-proposal specifics relating to data requirements,
20 electronic reporting, and penalties for noncompliance. The Commonwealth
21 shall own the enrollment, claims, and utilization data provided by each carrier
22 and shall develop methods to protect the confidentiality of the individual. The
23 Personnel Cabinet shall include in the October annual report submitted
24 pursuant to the provisions of KRS 18A.226 to the Governor, the General
25 Assembly, and the Chief Justice of the Supreme Court, an analysis of the
26 financial stability of the program, which shall include but not be limited to
27 loss ratios, methods of risk adjustment, measurements of carrier quality of

1 service, prescription coverage and cost management, and statutorily required
2 mandates. If state self-insurance was available as a carrier option, the report
3 also shall provide a detailed financial analysis of the self-insurance fund
4 including but not limited to loss ratios, reserves, and reinsurance agreements.

5 (f) If any agency participating in the state-sponsored employee health insurance
6 program for its active employees terminates participation and there is a state
7 appropriation for the employer's contribution for active employees' health
8 insurance coverage, then neither the agency nor the employees shall receive
9 the state-funded contribution after termination from the state-sponsored
10 employee health insurance program.

11 (g) Any funds in flexible spending accounts that remain after all reimbursements
12 have been processed shall be transferred to the credit of the state-sponsored
13 health insurance plan's appropriation account.

14 (h) Each entity participating in the state-sponsored health insurance program shall
15 provide an amount at least equal to the state contribution rate for the employer
16 portion of the health insurance premium. For any participating entity that used
17 the state payroll system, the employer contribution amount shall be equal to
18 but not greater than the state contribution rate.

19 (3) The premiums may be paid by the policyholder:

20 (a) Wholly from funds contributed by the employee, by payroll deduction or
21 otherwise;

22 (b) Wholly from funds contributed by any department, board, agency, public
23 postsecondary education institution, or branch of state, city, urban-county,
24 charter county, county, or consolidated local government; or

25 (c) Partly from each, except that any premium due for health care coverage or
26 dental coverage, if any, in excess of the premium amount contributed by any
27 department, board, agency, postsecondary education institution, or branch of

1 state, city, urban-county, charter county, county, or consolidated local
2 government for any other health care coverage shall be paid by the employee.

3 (4) If an employee moves his or her place of residence or employment out of the
4 service area of an insurer offering a managed health care plan, under which he or
5 she has elected coverage, into either the service area of another managed health care
6 plan or into an area of the Commonwealth not within a managed health care plan
7 service area, the employee shall be given an option, at the time of the move or
8 transfer, to change his or her coverage to another health benefit plan.

9 (5) No payment of premium by any department, board, agency, public postsecondary
10 educational institution, or branch of state, city, urban-county, charter county,
11 county, or consolidated local government shall constitute compensation to an
12 insured employee for the purposes of any statute fixing or limiting the
13 compensation of such an employee. Any premium or other expense incurred by any
14 department, board, agency, public postsecondary educational institution, or branch
15 of state, city, urban-county, charter county, county, or consolidated local
16 government shall be considered a proper cost of administration.

17 (6) The policy or policies may contain the provisions with respect to the class or classes
18 of employees covered, amounts of insurance or coverage for designated classes or
19 groups of employees, policy options, terms of eligibility, and continuation of
20 insurance or coverage after retirement.

21 (7) Group rates under this section shall be made available to the disabled child of an
22 employee regardless of the child's age if the entire premium for the disabled child's
23 coverage is paid by the state employee. A child shall be considered disabled if he or
24 she has been determined to be eligible for federal Social Security disability benefits.

25 (8) The health care contract or contracts for employees shall be entered into for a
26 period of not less than one (1) year.

27 (9) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of

1 State Health Insurance Subscribers to advise the secretary or the secretary's
2 designee regarding the state-sponsored health insurance program for employees.
3 The secretary shall appoint, from a list of names submitted by appointing
4 authorities, members representing school districts from each of the seven (7)
5 Supreme Court districts, members representing state government from each of the
6 seven (7) Supreme Court districts, two (2) members representing retirees under age
7 sixty-five (65), one (1) member representing local health departments, two (2)
8 members representing the Kentucky Teachers' Retirement System, and three (3)
9 members at large. The secretary shall also appoint two (2) members from a list of
10 five (5) names submitted by the Kentucky Education Association, two (2) members
11 from a list of five (5) names submitted by the largest state employee organization of
12 nonschool state employees, two (2) members from a list of five (5) names submitted
13 by the Kentucky Association of Counties, two (2) members from a list of five (5)
14 names submitted by the Kentucky League of Cities, and two (2) members from a
15 list of names consisting of five (5) names submitted by each state employee
16 organization that has two thousand (2,000) or more members on state payroll
17 deduction. The advisory committee shall be appointed in January of each year and
18 shall meet quarterly.

19 (10) Notwithstanding any other provision of law to the contrary, the policy or policies
20 provided to employees pursuant to this section shall not provide coverage for
21 obtaining or performing an abortion, nor shall any state funds be used for the
22 purpose of obtaining or performing an abortion on behalf of employees or their
23 dependents.

24 (11) Interruption of an established treatment regime with maintenance drugs shall be
25 grounds for an insured to appeal a formulary change through the established appeal
26 procedures approved by the Department of Insurance, if the physician supervising
27 the treatment certifies that the change is not in the best interests of the patient.

- 1 (12) Any employee who is eligible for and elects to participate in the state health
2 insurance program as a retiree, or the spouse or beneficiary of a retiree, under any
3 one (1) of the state-sponsored retirement systems shall not be eligible to receive the
4 state health insurance contribution toward health care coverage as a result of any
5 other employment for which there is a public employer contribution. This does not
6 preclude a retiree and an active employee spouse from using both contributions to
7 the extent needed for purchase of one (1) state sponsored health insurance policy
8 for that plan year.
- 9 (13) (a) The policies of health insurance coverage procured under subsection (2) of
10 this section shall include a mail-order drug option for maintenance drugs for
11 state employees. Maintenance drugs may be dispensed by mail order in
12 accordance with Kentucky law.
- 13 (b) A health insurer shall not discriminate against any retail pharmacy located
14 within the geographic coverage area of the health benefit plan and that meets
15 the terms and conditions for participation established by the insurer, including
16 price, dispensing fee, and copay requirements of a mail-order option. The
17 retail pharmacy shall not be required to dispense by mail.
- 18 (c) The mail-order option shall not permit the dispensing of a controlled
19 substance classified in Schedule II.
- 20 (14) The policy or policies provided to state employees or their dependents pursuant to
21 this section shall provide coverage for obtaining a hearing aid and acquiring hearing
22 aid-related services for insured individuals under eighteen (18) years of age, subject
23 to a cap of one thousand four hundred dollars (\$1,400) every thirty-six (36) months
24 pursuant to KRS 304.17A-132.
- 25 (15) Any policy provided to state employees or their dependents pursuant to this section
26 shall provide coverage for the diagnosis and treatment of autism spectrum disorders
27 consistent with KRS 304.17A-142.

- 1 (16) Any policy provided to state employees or their dependents pursuant to this section
2 shall provide coverage for obtaining amino acid-based elemental formula pursuant
3 to KRS 304.17A-258.
- 4 (17) If a state employee's residence and place of employment are in the same county,
5 and if the hospital located within that county does not offer surgical services,
6 intensive care services, obstetrical services, level II neonatal services, diagnostic
7 cardiac catheterization services, and magnetic resonance imaging services, the
8 employee may select a plan available in a contiguous county that does provide
9 those services, and the state contribution for the plan shall be the amount available
10 in the county where the plan selected is located.
- 11 (18) If a state employee's residence and place of employment are each located in
12 counties in which the hospitals do not offer surgical services, intensive care
13 services, obstetrical services, level II neonatal services, diagnostic cardiac
14 catheterization services, and magnetic resonance imaging services, the employee
15 may select a plan available in a county contiguous to the county of residence that
16 does provide those services, and the state contribution for the plan shall be the
17 amount available in the county where the plan selected is located.
- 18 (19) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and
19 in the best interests of the state group to allow any carrier bidding to offer health
20 care coverage under this section to submit bids that may vary county by county or
21 by larger geographic areas.
- 22 (20) Notwithstanding any other provision of this section, the bid for proposals for health
23 insurance coverage for calendar year 2004 shall include a bid scenario that reflects
24 the statewide rating structure provided in calendar year 2003 and a bid scenario that
25 allows for a regional rating structure that allows carriers to submit bids that may
26 vary by region for a given product offering as described in this subsection:
- 27 (a) The regional rating bid scenario shall not include a request for bid on a

1 statewide option;

2 (b) The Personnel Cabinet shall divide the state into geographical regions which
3 shall be the same as the partnership regions designated by the Department for
4 Medicaid Services for purposes of the Kentucky Health Care Partnership
5 Program established pursuant to 907 KAR 1:705;

6 (c) The request for proposal shall require a carrier's bid to include every county
7 within the region or regions for which the bid is submitted and include but not
8 be restricted to a preferred provider organization (PPO) option;

9 (d) If the Personnel Cabinet accepts a carrier's bid, the cabinet shall award the
10 carrier all of the counties included in its bid within the region. If the Personnel
11 Cabinet deems the bids submitted in accordance with this subsection to be in
12 the best interests of state employees in a region, the cabinet may award the
13 contract for that region to no more than two (2) carriers; and

14 (e) Nothing in this subsection shall prohibit the Personnel Cabinet from including
15 other requirements or criteria in the request for proposal.

16 (21) Any fully insured health benefit plan or self-insured plan issued or renewed on or
17 after July 12, 2006, to public employees pursuant to this section which provides
18 coverage for services rendered by a physician or osteopath duly licensed under KRS
19 Chapter 311 that are within the scope of practice of an optometrist duly licensed
20 under the provisions of KRS Chapter 320 shall provide the same payment of
21 coverage to optometrists as allowed for those services rendered by physicians or
22 osteopaths.

24 public employees pursuant to this section shall comply with:

25 (a) KRS 304.12-237;

26 (b) KRS 304.17A-270 and 304.17A-525;
