

The Kentucky Department of Juvenile Justice operates nine (9) Regional Juvenile Detention Centers that provide secure detention to all counties in Kentucky. Additionally, each county must provide detention facilities for children held in custody while their cases are pending before the district court. These facilities may be maintained by counties, public agencies, or private organizations (KRS 67.0831).

Part III: Differences to Local Government Mandate Statement from Prior Versions

The (only) change made to SB 20 by SB 20 SCS that directly affects local government (law enforcement) is as follows: All language relating to the use of physical restraint is deleted in SB 20 SCS. This affects the responsibilities of local law enforcement duties inside school buildings and grounds.

The fiscal impact of SB 20 SCS is the same as for SB 20, with the exception noted above.
