3 (3) (a) If the clinical professional determines that the child qualifies as a high

5 shall contact the:

6 1. Designated representative of the department or other designated  
7 representative of the cabinet; and

8 2. Designated representative of the Department of Juvenile Justice;

1 determined in the best interest of the child that the child should  
2 receive psychiatric services other than inpatient treatment services.

3 (4) (a) If the representative of the department and the representative of the  
4 Department of Juvenile Justice agree with the recommendations of the  
5 clinical professional, a conference affidavit establishing an initial treatment  
6 plan shall be submitted to the court on a form provided by the  
7 Administrative Office of the Courts within twenty-four (24) hours of the

22 acuity youth for inpatient treatment within an inpatient psychiatric hospital or  
23 pediatric teaching hospital without agreement of the hospital, the department,  
24 and the Department of Juvenile Justice unless the court determines by clear and  
25 convincing evidence that the inpatient psychiatric hospital or pediatric teaching  
26 hospital has the resources and capabilities to treat the high acuity youth in a  
27 manner that does not pose a danger to the high acuity youth or the hospital's

1 patients and staff. Nothing in this subsection shall be construed to require an  
2 inpatient psychiatric hospital or pediatric teaching hospital to admit a child if  
3 doing so would be in violation of federal law.

4 (7) (a) If the treatment plan approved or ordered by the court involves the  
5 admission of a high acuity youth to an inpatient psychiatric hospital or  
6 pediatric teaching hospital, then the provision of inpatient services by the  
7 inpatient psychiatric hospital or pediatric teaching hospital shall be  
8 reimbursed by the Department of Medicaid Services at no less than two

13 notwithstanding.

14 (b) For any admission under this subsection, the inpatient psychiatric hospital

22 Justice shall be resolved in the manner provided in subsections (3), (4), and  
23 (5) of this section, and any party may request court review at any time  
24 during the period of treatment.

25 (8) If a high acuity youth is admitted to an inpatient psychiatric hospital or pediatric  
26 teaching hospital for treatment pursuant to a court order issued under this  
27 section, and the high acuity youth commits an act of violence against any of the

1 department or other designated representative of the cabinet, or the Department  
2 of Juvenile Justice, as applicable, and the court, and the youth shall be:

3 (a) Charged criminally;

4 (b) Discharged from the hospital; and

5 (c) Returned to the youth's last place of custody or residence unless another  
6 location is ordered by the court.

7 (9) If the treatment plan approved or ordered by the court involves the provision of  
8 outpatient psychiatric services to the high acuity youth at the location of a  
9 detention facility, then the department or the Department of Juvenile Justice may  
10 contract with an inpatient psychiatric hospital or pediatric teaching hospital to  
11 provide the outpatient psychiatric services. The inpatient psychiatric hospital or  
12 pediatric teaching hospital shall be reimbursed by the Department for Medicaid  
13 Services for such outpatient psychiatric services at no less than one hundred fifty  
14 percent (150%) of the then current inpatient psychiatric hospital's or pediatric  
15 teaching hospital's Medicaid reimbursement rate as if such services had been  
16 performed in an inpatient setting, the provisions of KRS 202A.271  
17 notwithstanding.

19 high acuity youth under this section, the cabinet, the department, the Department  
20 of Juvenile Justice, and the Court of Justice shall adopt and provide a protocol  
21 for twenty-four (24) hour access to comply with the requirements of this section.

22 (11) When a high acuity youth has received residential treatment and the treatment  
23 has improved the youth's condition to a status that the need for continued  
24 treatment at that facility is no longer medically indicated as determined by the  
25 treating physician:

26 (a) If the youth has a need for the continuum of care on an inpatient basis in  
27 an inpatient psychiatric hospital, pediatric teaching hospital, or other

1           inpatient facility equipped to treat a high acuity youth, the Department for

 12          provided treatment and recommendations for the youth shall, to the extent  
 13          possible, continue to review the medical treatment of the youth to provide  
 14          stability of care with the goal of improving the life and health of the youth.

15          (12) In the event a high acuity youth is delivered to an inpatient psychiatric hospital or  
 16          pediatric teaching hospital for a behavioral assessment without referral by the  
 17          department, the cabinet, or the Department of Juvenile Justice, the clinical  
 18          professional may present the affidavit prepared following the assessment to a law  
 19          enforcement officer, a court designated worker, or a detention alternative
