3           1. To make reasonable choices for the child's education as may be  
4           permitted and set forth in other statutes within public schools; and

5           2. To access and review all school records relating to the child as set

16          (h) To consent in writing before any government entity makes a video or voice  
17          recording of the child, unless the video or voice recording is made during or

19           1. A public event;

20           2. A court proceeding;

21           3. A forensic interview in a criminal or Cabinet for Health and Family

23           4. The security or surveillance of buildings, grounds, or other property;  
24           or

25           5. A photo identification card; and

26          (i) To be notified promptly if an employee of this state, any political subdivision

2           has been committed against the child by someone other than a parent,  
3           including the right to be notified if the child has been a victim of a felony as  
4           set forth in KRS 158.156, unless the incident has first been reported to law  
5           enforcement and notification of the parent would impede a law enforcement  
6           or Cabinet for Health and Family Services investigation.

7   (5) Nothing in this section shall authorize or allow a parent to abuse or neglect a  
8   child as defined in KRS Chapter 508 or 600.020. This section does not apply to a  
9   parental action or decision that would end the life of the child or to KRS Chapter  
10   402 relating to child marriage. This section shall not prohibit a court from  
11   issuing an order that is otherwise permitted by law.

12   (6) No employee of this state, any political subdivision of this state, any other  
13   governmental entity, or any public or private educational institution, except for  
14   law enforcement personnel who are acting in an official capacity, shall  
15   encourage or coerce a child to withhold information that is vital to a parent's  
16   ability to exercise parental rights from the child's parents, nor shall any such  
17   employee withhold from the parent information vital to maintaining the physical,  
18   emotional, or mental health of the child. This shall include information necessary  
19   for the parent to engage at the earliest stages of problem behavior.

20   (7) Unless those rights have been legally waived or legally terminated, parents have  
21   inalienable rights that are more comprehensive than those listed in Sections 1 to  
22   4 of this Act. The protections of the fundamental right of parents to direct the  
23   upbringing, education, healthcare, and mental healthcare of their child afforded  
24   by Sections 1 to 4 of this Act are in addition to the protections provided under  
25   federal law, state law, and the state and federal constitutions.

27 READ AS FOLLOWS:

2 charter school, in consultation with parents, teachers, administrators, and the  
3 Kentucky Department of Education, shall develop and adopt policies to promote  
4 the involvement of parents of children enrolled in the schools within the school  
5 district, including:
- 6 (a) A plan for parent participation in the schools which is designed to improve  
7 parent and teacher cooperation in such areas as homework, attendance,  
8 and discipline;
- 9 (b) Procedures by which a parent may learn about the courses of study for that  
10 parent's child and review all available educational and learning materials

- 13 (c) A policy to respect parental rights by ensuring children in grade five (5) and  
14 below do not receive any instruction through curriculum or programs on  
15 human sexuality or sexually transmitted diseases or that any child,  
16 regardless of grade level, enrolled in the district does not receive any

18 exploring, or informing students about gender identity, gender expression,  
19 sexual orientation, or sexual relationships;
- 20 (d) A policy to notify a parent in advance and obtain the parent's written  
21 consent before the parent's child in grade six (6) or above receives any  
22 instruction through curriculum or programs on human sexuality or  
23 sexually transmitted diseases as described in KRS 158.1415;
- 24 (e) Procedures by which a parent who objects to any specific instruction or

9 or nickname other than their legal name or that the child wishes to use a  
10 pronoun that does not align with the child's biological sex. A policy shall  
11 require written consent from the parent before using a name or nickname  
12 other than the child's legal name or pronoun that does not align with the  
13 child's biological sex. The written consent may include general  
14 authorization to use any names, nicknames, or pronouns the child requests.  
15 However, even if a parent provides written consent, no person shall be  
16 compelled to use pronouns that do not align with the child's biological sex;

17 (i) Procedures to notify parents of each school's policies and practices  
18 regarding student access to and use of locker rooms, changing rooms,  
19 restrooms, and overnight lodging on school-sponsored trips. This notice

21 policy or practice changes; and

22 (j) Procedures to inform parents about the parental rights and responsibilities

4 of Education shall submit a report to the Interim Joint Committee on Education  
5 summarizing the consultation provided and detailing the model policies and  
6 procedures provided during the past year.

7 ➔SECTION 3. A NEW SECTION OF KRS CHAPTER 405 IS CREATED TO

2           is true:

3           1. It is necessary to perform an activity listed in subsection (1) of this  
4           section in order to prevent death or imminent irreparable physical  
5           injury to the child; or

6           2. A parent of the child cannot be located or contacted after a reasonably  
7           diligent effort; or

8           (b) A physician or mental health professional, in good faith and with a  
9           reasonable belief supported by fact, determines that the minor is a victim of  
10           physical, sexual, or substance abuse by the parent, and that obtaining  
11           parental consent would place the minor at risk of further abuse from a  
12           parent.

13           ➔SECTION 4. A NEW SECTION OF KRS CHAPTER 405 IS CREATED TO  
14 READ AS FOLLOWS:

15           (1) A parent may bring suit for any violation of Sections 1 to 4 of this Act and may

4 fundamental right of parents to direct the upbringing, education, healthcare, and  
5 mental healthcare of their child.

6 (6) Nothing in Sections 1 to 4 of this Act shall be construed to authorize any  
7 government to burden the fundamental right of parents to direct the upbringing,  
8 education, healthcare, and mental healthcare of their child.

9 (7) If a child has no affirmative right to access a particular medical or mental health  
10 procedure or service, then nothing in Sections 1 to 4 or 5 of this Act shall be

12 procedure or service on that child's behalf.

13 (8) State statutory law adopted after the date of the enactment of this section shall be  
14 subject to Sections 1 to 4 of this Act unless that law explicitly excludes that  
15 application by reference to this section.

16 (9) No parent prohibited by court order signed by a judge or justice of a court of  
17 competent jurisdiction within the Commonwealth of Kentucky shall have a cause

19 ➔Section 6. KRS 214.185 is amended to read as follows:

20 (1) ~~[Any physician, upon consultation by a minor as a patient, with the consent of such~~  
 21 ~~minor may make a diagnostic examination for venereal disease, pregnancy, or~~  
 22 ~~substance use disorder and may advise, prescribe for, and treat such minor~~  
 23 ~~regarding venereal disease, substance use disorder, contraception, pregnancy, or~~  
 24 ~~childbirth, all without the consent of or notification to the parent, parents, or~~  
 25 ~~guardian of such minor patient, or to any other person having custody of such minor~~

5 ~~made such diagnostic examination or rendered such treatment, but such immunity~~  
6 ~~shall not apply to any negligent acts or omissions.]~~

7 ~~(2)[ Any physician may provide outpatient mental health counseling to any child age~~  
8 ~~sixteen (16) or older upon request of such child without the consent of a parent,~~  
9 ~~parents, or guardian of such child.~~

10 ~~(3)]~~ Any qualified mental health professional, as defined by KRS 202A.011, may  
11 provide outpatient mental health counseling to any child who is age sixteen (16) or  
12 older and is an unaccompanied youth, as defined by 42 U.S.C. sec. 11434a(6), upon  
13 request of such child without the consent of a parent, parents, or guardian of such  
14 child and after a reasonable attempt to verify the minor's age and status as an  
15 unaccompanied youth.

16 ~~(3)[(4)]~~ Notwithstanding any other provision of the law, and without limiting cases in  
17 which consent may be otherwise obtained or is not required, any emancipated  
18 minor or any minor who has contracted a lawful marriage or borne a child may give  
19 consent to the furnishing of hospital, medical, dental, or surgical care to his or her  
20 child or himself or herself and such consent shall not be subject to disaffirmance  
21 because of minority. The consent of the parent or parents of such married or  
22 emancipated minor shall not be necessary in order to authorize such care. For the  
23 purpose of this section only, a subsequent judgment of annulment of marriage or  
24 judgment of divorce shall not deprive the minor of his or her adult status once  
25 obtained. The provider of care may look only to the minor or spouse for payment  
26 for services under this section unless other persons specifically agree to assume the  
27 cost.

1 ~~(4)~~~~(5)~~ Medical, dental, and other health services may be rendered to minors of any  
2 age without the consent of a parent or legal guardian when, in the professional's  
3 judgment:

12 the minor at risk of further abuse from a parent or guardian~~[, the risk to the~~

13 ~~minor's life or health is of such a nature that treatment should be given~~  
14 ~~without delay and the requirement of consent would result in delay or denial~~  
15 ~~of treatment.~~

16 ~~(6) The consent of a minor who represents that he or she may give effective consent for~~  
17 ~~the purpose of receiving medical, dental, or other health services but who may not~~  
18 ~~in fact do so, shall be deemed effective without the consent of the minor's parent or~~  
19 ~~legal guardian, if the person rendering the service relied in good faith upon the~~  
20 ~~representations of the minor].~~

21 ~~(5)~~~~(7)~~ The consent of a minor age sixteen (16) or older who represents that he or she  
22 may give effective consent for the purpose of receiving outpatient mental health  
23 counseling from a qualified mental health professional, but who may not in fact do  
24 so, shall be deemed effective without the consent of the minor's parent or legal  
25 guardian if the person rendering the service relied in good faith upon the  
26 representations of the minor after a reasonable attempt to obtain parental consent or  
27 to verify the minor's age and status as an unaccompanied youth.

1 ~~(6)~~~~(8)~~ The professional may inform the parent or legal guardian of the minor patient  
2 of any treatment given or needed where, in the judgment of the professional,  
3 informing the parent or guardian would benefit the health of the minor patient.

4 ~~(7)~~~~(9)~~ Except as otherwise provided in this section, parents, the Cabinet for Health  
5 and Family Services, or any other custodian or guardian of a minor shall not be  
6 financially responsible for services rendered under this section unless they are  
7 essential for the preservation of the health of the minor.

8 ➔Section 7. Due to the high importance of parents' ability to exercise the rights  
9 outlined in this Act to provide the upbringing of their children in the Commonwealth, an  
10 emergency is declared to exist, and this Act shall take effect upon its passage and  
11 approval by the Governor or upon its otherwise becoming law.
