2 to penalties for noncompliance with data reporting requirements as specified  
3 by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions

5 confidentiality assertions shall not relieve a carrier from the requirement of  
6 providing stipulated data to the Commonwealth.

7 (e) The Personnel Cabinet shall develop the necessary techniques and capabilities  
8 for timely analysis of data received from carriers and, to the extent possible,  
9 provide in the request-for-proposal specifics relating to data requirements,

3 health insurance plan's appropriation account.
- 4 (h) Each entity participating in the state-sponsored health insurance program shall  
5 provide an amount at least equal to the state contribution rate for the employer  
6 portion of the health insurance premium. For any participating entity that used  
7 the state payroll system, the employer contribution amount shall be equal to

22 coverage, into either the service area of another managed health care plan or into an  
23 area of the Commonwealth not within a managed health care plan service area, the  
24 employee shall be given an option, at the time of the move or transfer, to change his  
25 or her coverage to another health benefit plan.
- 26 (5) No payment of premium by any department, board, agency, public postsecondary  
27 educational institution, or branch of state, city, urban-county, charter county,

1 county, or consolidated local government shall constitute compensation to an  
2 insured employee for the purposes of any statute fixing or limiting the  
3 compensation of such an employee. Any premium or other expense incurred by any  
4 department, board, agency, public postsecondary educational institution, or branch  
5 of state, city, urban-county, charter county, county, or consolidated local  
6 government shall be considered a proper cost of administration.

7 (6) The policy or policies may contain the provisions with respect to the class or classes

14 has been determined to be eligible for federal Social Security disability benefits.

15 (8) The health care contract or contracts for employees shall be entered into for a period  
16 of not less than one (1) year.

17 (9) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of

14 (11) Interruption of an established treatment regime with maintenance drugs shall be  
15 grounds for an insured to appeal a formulary change through the established appeal  
16 procedures approved by the Department of Insurance, if the physician supervising  
17 the treatment certifies that the change is not in the best interests of the patient.

18 (12) Any employee who is eligible for and elects to participate in the state health  
19 insurance program as a retiree, or the spouse or beneficiary of a retiree, under any  
20 one (1) of the state-sponsored retirement systems shall not be eligible to receive the  
21 state health insurance contribution toward health care coverage as a result of any  
22 other employment for which there is a public employer contribution. This does not  
23 preclude a retiree and an active employee spouse from using both contributions to  
24 the extent needed for purchase of one (1) state sponsored health insurance policy for  
25 that plan year.

26 (13) (a) The policies of health insurance coverage procured under subsection (2) of

20 to KRS 304.17A-258.

21 (17) If a state employee's residence and place of employment are in the same county, and  
22 if the hospital located within that county does not offer surgical services, intensive  
23 care services, obstetrical services, level II neonatal services, diagnostic cardiac

10 care coverage under this section to submit bids that may vary county by county or  
11 by larger geographic areas.
- 12 (20) Notwithstanding any other provision of this section, the bid for proposals for health  
13 insurance coverage for calendar year 2004 shall include a bid scenario that reflects  
14 the statewide rating structure provided in calendar year 2003 and a bid scenario that  
15 allows for a regional rating structure that allows carriers to submit bids that may  
16 vary by region for a given product offering as described in this subsection:
- 17 (a) The regional rating bid scenario shall not include a request for bid on a  
18 statewide option;
- 19 (b) The Personnel Cabinet shall divide the state into geographical regions which
