20 action shall be identified in minutes. All minutes and documents of a closed
21 meeting shall remain under seal, subject to release by a majority vote of the
22 Commission or order of a court of competent jurisdiction.

23 8. Financing of the Commission

24 a. The Commission shall pay, or provide for the payment of, the
25 reasonable expenses of its establishment, organization, and ongoing
26 activities.

27 b. The Commission may accept any and all appropriate revenue sources,

1 donations, and grants of money, equipment, supplies, materials, and
2 services.

3 c. The Commission may levy on and collect an annual assessment from
4 each member state or impose fees on other parties to cover the cost of
5 the operations and activities of the Commission and its staff, which
6 must be in a total amount sufficient to cover its annual budget as
7 approved each year for which revenue is not provided by other
8 sources. The aggregate annual assessment amount shall be allocated
9 based upon a formula to be determined by the Commission, which
10 shall promulgate a rule binding upon all member states.

11 9. The Commission shall not incur obligations of any kind prior to securing
12 the funds adequate to meet the same; nor shall the Commission pledge the
13 credit of any of the member states, except by and with the authority of the
14 member state.

15 10. The Commission shall keep accurate accounts of all receipts and
16 disbursements. The receipts and disbursements of the Commission shall be
17 subject to the audit and accounting procedures established under its bylaws.
18 However, all receipts and disbursements of funds handled by the
19 Commission shall be audited yearly by a certified or licensed public
20 accountant, and the report of the audit shall be included in and become part
21 of the annual report of the Commission.

22 F. Qualified Immunity, Defense, and Indemnification

23 1. The members, officers, executive director, employees, and representatives of
24 the Commission shall be immune from suit and liability, either personally
25 or in their official capacity, for any claim for damage to or loss of property
26 or personal injury or other civil liability caused by or arising out of any
27 actual or alleged act, error or omission that occurred, or that the person

1 against whom the claim is made had a reasonable basis for believing
2 occurred within the scope of Commission employment, duties, or
3 responsibilities; provided that nothing in this paragraph shall be construed
4 to protect any person from suit and/or liability for any damage, loss, injury,
5 or liability caused by the intentional or willful or wanton misconduct of that
6 person.

7 2. The Commission shall defend any member, officer, executive director,
8 employee, or representative of the Commission in any civil action seeking to
9 impose liability arising out of any actual or alleged act, error, or omission
10 that occurred within the scope of Commission employment, duties, or
11 responsibilities, or that the person against whom the claim is made had a
12 reasonable basis for believing occurred within the scope of Commission
13 employment, duties, or responsibilities; provided that nothing herein shall
14 be construed to prohibit that person from retaining his or her own counsel;
15 and provided further, that the actual or alleged act, error, or omission did
16 not result from that person's intentional or willful or wanton misconduct.

17 3. The Commission shall indemnify and hold harmless any member, officer,
18 executive director, employee, or representative of the Commission for the
19 amount of any settlement or judgment obtained against that person arising
20 out of any actual or alleged act, error, or omission that occurred within the
21 scope of Commission employment, duties, or responsibilities, or that person
22 had a reasonable basis for believing occurred within the scope of
23 Commission employment, duties, or responsibilities, provided that the
24 actual or alleged act, error, or omission did not result from the intentional
25 or willful or wanton misconduct of that person.

SECTION 9: DATA SYSTEM

26
27 A. The Commission shall provide for the development, maintenance, and utilization

1 of a coordinated database and reporting system containing licensure, adverse
2 action, and investigative information on all licensed individuals in member states.

3 B. Notwithstanding any other provision of state law to the contrary, a member state
4 shall submit a uniform data set to the data system on all individuals to whom this
5 Compact is applicable as required by the rules of the Commission, including:

6 1. Identifying information;

7 2. Licensure data;

8 3. Adverse actions against a license or compact privilege;

9 4. Non-confidential information related to alternative program participation;

10 5. Any denial of application for licensure, and the reason(s) for denial; and

11 6. Other information that may facilitate the administration of this Compact, as
12 determined by the rules of the Commission.

13 C. Investigative information pertaining to a licensee in any member state shall only
14 be available to other member states.

15 D. The Commission shall promptly notify all member states of any adverse action
16 taken against a licensee or an individual applying for a license. Adverse action
17 information pertaining to a licensee in any member state shall be available to any
18 other member state.

19 E. Member states contributing information to the data system may designate
20 information that may not be shared with the public without the express
21 permission of the contributing state.

22 F. Any information submitted to the data system that is subsequently required to be
23 expunged by the laws of the member state contributing the information shall be
24 removed from the data system.

25 **SECTION 10: RULEMAKING**

26 A. The Commission shall exercise its rulemaking powers pursuant to the criteria set
27 forth in this section and the rules adopted thereunder. Rules and amendments

- 1 shall become binding as of the date specified in each rule or amendment.
- 2 B. If a majority of the legislatures of the member states rejects a rule, by enactment
3 of a statute or resolution in the same manner used to adopt the Compact within 4
4 years of the date of adoption of the rule, the rule shall have no further force and
5 effect in any member state.
- 6 C. Rules or amendments to the rules shall be adopted at a regular or special meeting
7 of the Commission.
- 8 D. Prior to promulgation and adoption of a final rule or rules by the Commission,
9 and at least thirty (30) days in advance of the meeting at which the rule shall be
10 considered and voted upon, the Commission shall file a Notice of Proposed
11 Rulemaking:
- 12 1. On the Web site of the Commission or other publicly accessible platform;
13 and
14 2. On the Web site of each member state audiology or speech-language
15 pathology licensing board or other publicly accessible platform or the
16 publication in which each state would otherwise publish proposed rules.
- 17 E. The Notice of Proposed Rulemaking shall include:
- 18 1. The proposed time, date, and location of the meeting in which the rule shall
19 be considered and voted upon;
- 20 2. The text of the proposed rule or amendment and the reason for the
21 proposed rule;
- 22 3. A request for comments on the proposed rule from any interested person;
23 and
24 4. The manner in which interested persons may submit notice to the
25 Commission of their intention to attend the public hearing and any written
26 comments.
- 27 F. Prior to the adoption of a proposed rule, the Commission shall allow persons to

1 submit written data, facts, opinions, and arguments, which shall be made
2 available to the public.

3 G. The Commission shall grant an opportunity for a public hearing before it adopts
4 a rule or amendment if a hearing is requested by:

5 1. At least twenty-five (25) persons;

6 2. A state or federal governmental subdivision or agency; or

7 3. An association having at least twenty-five (25) members.

8 H. If a hearing is held on the proposed rule or amendment, the Commission shall
9 publish the place, time, and date of the scheduled public hearing. If the hearing
10 is held via electronic means, the Commission shall publish the mechanism for
11 access to the electronic hearing.

12 1. All persons wishing to be heard at the hearing shall notify the executive
13 director of the Commission or other designated member in writing of their
14 desire to appear and testify at the hearing not less than five (5) business
15 days before the scheduled date of the hearing.

16 2. Hearings shall be conducted in a manner providing each person who
17 wishes to comment a fair and reasonable opportunity to comment orally or
18 in writing.

19 3. All hearings shall be recorded. A copy of the recording shall be made
20 available on request.

21 4. Nothing in this section shall be construed as requiring a separate hearing
22 on each rule. Rules may be grouped for the convenience of the Commission
23 at hearings required by this section.

24 I. Following the scheduled hearing date, or by the close of business on the
25 scheduled hearing date if the hearing was not held, the Commission shall
26 consider all written and oral comments received.

27 J. If no written notice of intent to attend the public hearing by interested parties is

1 received, the Commission may proceed with promulgation of the proposed rule
2 without a public hearing.

3 K. The Commission shall, by majority vote of all members, take final action on the
4 proposed rule and shall determine the effective date of the rule, if any, based on
5 the rulemaking record and the full text of the rule.

6 L. Upon determination that an emergency exists, the Commission may consider and
7 adopt an emergency rule without prior notice, opportunity for comment, or
8 hearing, provided that the usual rulemaking procedures provided in the Compact
9 and in this section shall be retroactively applied to the rule as soon as reasonably
10 possible, in no event later than ninety (90) days after the effective date of the rule.
11 For the purposes of this provision, an emergency rule is one that must be adopted
12 immediately in order to:

13 1. Meet an imminent threat to public health, safety, or welfare;

14 2. Prevent a loss of Commission or member state funds; or

15 3. Meet a deadline for the promulgation of an administrative rule that is
16 established by federal law or rule.

17 M. The Commission or an authorized committee of the Commission may direct
18 revisions to a previously adopted rule or amendment for purposes of correcting
19 typographical errors, errors in format, errors in consistency, or grammatical
20 errors. Public notice of any revisions shall be posted on the website of the
21 Commission. The revision shall be subject to challenge by any person for a period
22 of thirty (30) days after posting. The revision may be challenged only on grounds
23 that the revision results in a material change to a rule. A challenge shall be made
24 in writing and delivered to the chair of the Commission prior to the end of the
25 notice period. If no challenge is made, the revision shall take effect without
26 further action. If the revision is challenged, the revision may not take effect
27 without the approval of the Commission.

1 **SECTION 11: OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT**

2 **A. Dispute Resolution**

3 **1. Upon request by a member state, the Commission shall attempt to resolve**
4 **disputes related to the Compact that arise among member states and**
5 **between member and non-member states.**

6 **2. The Commission shall promulgate a rule providing for both mediation and**
7 **binding dispute resolution for disputes as appropriate.**

8 **B. Enforcement**

9 **1. The Commission, in the reasonable exercise of its discretion, shall enforce**
10 **the provisions and rules of this Compact.**

11 **2. By majority vote, the Commission may initiate legal action in the United**
12 **States District Court for the District of Columbia or the federal district**
13 **where the Commission has its principal offices against a member state in**
14 **default to enforce compliance with the provisions of the Compact and its**
15 **promulgated rules and bylaws. The relief sought may include both**
16 **injunctive relief and damages. In the event judicial enforcement is**
17 **necessary, the prevailing member shall be awarded all costs of litigation,**
18 **including reasonable attorney's fees.**

19 **3. The remedies herein shall not be the exclusive remedies of the Commission.**
20 **The Commission may pursue any other remedies available under federal or**
21 **state law.**

22 **SECTION 12: DATE OF IMPLEMENTATION OF THE INTERSTATE**
23 **COMMISSION FOR AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY**
24 **PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT**

25 **A. The Compact shall come into effect on the date on which the Compact statute is**
26 **enacted into law in the 10th member state. The provisions, which become**
27 **effective at that time, shall be limited to the powers granted to the Commission**

1 relating to assembly and the promulgation of rules. Thereafter, the Commission
2 shall meet and exercise rulemaking powers necessary to the implementation and
3 administration of the Compact.

4 B. Any state that joins the Compact subsequent to the Commission's initial adoption
5 of the rules shall be subject to the rules as they exist on the date on which the
6 Compact becomes law in that state. Any rule that has been previously adopted by
7 the Commission shall have the full force and effect of law on the day the
8 Compact becomes law in that state.

9 C. Any member state may withdraw from this Compact by enacting a statute
10 repealing the same.

11 1. A member state's withdrawal shall not take effect until six (6) months after
12 enactment of the repealing statute.

13 2. Withdrawal shall not affect the continuing requirement of the withdrawing
14 state's audiology or speech-language pathology licensing board to comply
15 with the investigative and adverse action reporting requirements of this act
16 prior to the effective date of withdrawal.

17 D. Nothing contained in this Compact shall be construed to invalidate or prevent
18 any audiology or speech-language pathology licensure agreement or other
19 cooperative arrangement between a member state and a non-member state that
20 does not conflict with the provisions of this Compact.

21 E. This Compact may be amended by the member states. No amendment to this
22 Compact shall become effective and binding upon any member state until it is
23 enacted into the laws of all member states.

24 **SECTION 13: CONSTRUCTION AND SEVERABILITY**

25 This Compact shall be liberally construed so as to effectuate the purposes thereof. The
26 provisions of this Compact shall be severable and if any phrase, clause, sentence, or
27 provision of this Compact is declared to be contrary to the constitution of any member

1 state or of the United States or the applicability thereof to any government, agency,
2 person, or circumstance is held invalid, the validity of the remainder of this Compact
3 and the applicability thereof to any government, agency, person, or circumstance shall
4 not be affected thereby. If this Compact shall be held contrary to the constitution of
5 any member state, the Compact shall remain in full force and effect as to the
6 remaining member states and in full force and effect as to the member state affected as
7 to all severable matters.

8 **SECTION 14: BINDING EFFECT OF COMPACT AND OTHER LAWS**

9 A. Nothing herein prevents the enforcement of any other law of a member state that
10 is not inconsistent with the Compact.

11 B. All laws in a member state in conflict with the Compact are superseded to the
12 extent of the conflict.

13 C. All lawful actions of the Commission, including all rules and bylaws promulgated
14 by the Commission, are binding upon the member states.

15 D. All agreements between the Commission and the member states are binding in
16 accordance with their terms.

17 E. In the event any provision of the Compact exceeds the constitutional limits
18 imposed on the legislature of any member state, the provision shall be ineffective
19 to the extent of the conflict with the constitutional provision in question in that
20 member state.
